Halloween Haunt kicks off Wednesday at 4 in the Center

By Sue Ellen Woodcock

Ghosts, goblins, dragons and superheroes will flood into the center business district for the “Halloween Haunt” this Wednesday, Oct. 31, starting at 4 p.m.

This is the 19th year of the Halloween Haunt that was started by Kathy Clark, who worked at the Winthrop Federal Credit Union. She came up with the idea to have businesses participate in a fun-filled spooky night in the Center Business District.

Today Tom Hankard and the employees of the Webster Credit Union make sure the tradition keeps moving along. The two credit unions merged

in 2011.

“From my calculations we’ve been getting about 1,500 kids,” Hankard said. “And it’s only getting bigger. The businesses are ready for it and it’s sort of come to be expected. It’s a Winthrop tradition.”

This popular event brings out businesses from all over Winthrop, you don’t have to be a member of the center business district to join in. There will be a disc jockey

Boy Scout Troop 45 has attached scarecrows to poles all around the center.

The fun begins at 4 p.m. and ends around 5:30 p.m. so the trick or treaters can go home, have dinner and go out again in the neighborhoods.

Tenth-grader shares her love of the theater

By Kate Anslinger

Molly Girard is a 15-year-old with a jam-packed schedule. When she’s not in her sophomore classes, she’s busy taking on a variety of roles with the Winthrop Drama Society, teaching young kids how to dance, and playing lacrosse. She was recently cast as Melanie in the student-directed short play, “Check Please,” and she is playing the role of Liz (Pop), in the drama society’s upcoming production of “Chicago.” Girard witnessed firsthand the feeling of accomplishment due to hard work and collaboration when the drama society was recognized as state champions two years in a row. She spent many years acting in community theater, which has given her the confidence and skills to land top-notch roles in both middle school and high school productions.

What do you love about being cast in “Chicago?”

I love being in the production with an amazing group

Tenth-grader at Winthrop High School, Molly Girard.

and feeling a part of something. I love the choreography and music. Being a part of the process from beginning to show time is always exciting. Being on the stage and performing in front of a crowd

always feels exhilarating to me and I love portraying the characters in my own way and being able to express myself on the stage. In addition to playing the role of Liz (Pop) in the cell block tango, I am

also a featured dancer.

Who inspires you in the world of stage acting?

Andrew Rannells, a Broadway actor famous for “The Book of Mormon,” Sutton Foster who played Fiona in “Shrek on Broadway,” and also Jeremy Jordan who starred as Jack Kelly in “Newsies.” These people have inspired me to pursue theatre.

What is your favorite subject?

My favorite subject is history because I get to learn about our past and how it impacts our society today.

Any plans for your future?

My plan is to go to college, but I’m not sure what I would like to study. I love helping people and have thought about becoming a physician assistant. I am also passionate about theatre. To sing and act on Broadway is a dream. I am lucky that I have some time to decide.

Dance for Dana Dance-A-Thon returns Nov. 18

On Sunday, Nov. 18, nine local dancing schools will join together to host the 2nd Annual “Dance for Dana” Dance-A-Thon at the Rumney Marsh Academy Gymnasium to benefit Dana-Farber Cancer Institute. Nicole Paolo, owner of Nicole Zervas Dance Academy (NZDA), founded the event last year in honor of those who courageously fight or have lost their battle to cancer. The event exemplifies dancing for a purpose, an important philosophy at her studio that she instills in all of her students.

The “Dance for Dana” Dance-A-Thon is a fun, fitness-based event for dancers of all ages and levels that instills the importance of coming together as a community to help others. There will be

live dance performances, follow-along routines, event day drawings, and prizes for the top earning dancing schools, including an opportunity to perform at the 2019 “Scooper Bowl” in Boston’s City Hall Plaza.

Last year, in the event’s inaugural year, NZDA was able to raise over \$10,000. This year, NZDA has extended the invitation to additional local dance schools, in hopes to collectively raise \$25,000 for vital cancer research at Dana-Farber. The “Dance for Dana” team is comprised of the following dancing schools: Beverly Richards Dance Center, East Boston; Dance Revolution with Erika, Revere; Jessica Gordon Academy of Performing Arts, Winthrop; Mantia Sisters Dance

all those years we worked to be able to buy things one thing at a time. I had the house the way that I wanted it. Now we’ve lost it all,” Diane Olson said, adding that now she just has memories, memories of family gatherings, and her being an 8-year-old girl and coming to the house for the first time from East Boston.

“I remember it being very, very quiet,” she said. “Coming here was almost like moving to the country.”

“It was a home where everyone was always welcomed for a great meal, lots of laughs and of course, tons of love,” said granddaughter Tiffany Kirby.

WORKSHOP OFFERED TO PARENTS

Parents Forum Winthrop is pleased to announce a free two-part workshop at the

Winthrop Public Library to be offered on Wednesdays, Nov. 7 and 14, from 3:30-5:30 p.m. Dr. Gabriel Rodriguez, a Winthrop resident, will co-present with Eve Sullivan, program founder. Registration is now open for parents, parenting services providers and agency leaders. All are welcome. Space is limited.

Mrs. Anita Preble, coordinator of Winthrop Parent Network, who attended the workshop in April, found it to be “a great opportunity to reflect on your own parenting practices and discuss with other parents the ways they deal with challenging situations. It was informative and enlightening!”

Dr. Rodriguez, now coordinator of Parents Forum Winthrop, takes over from Therese Ockenden, who brought the program to Winthrop. Mrs. Ockenden also led parent-child playgroups at the Chelsea Revere Family Network where, in January, a bilingual Spanish-English Parents Forum workshop was co-led by Ockenden and Sullivan with translation provided by Mrs. Suyapa Fuentes. In a farewell note Mrs. Ockenden wrote, “As my husband and I leave Winthrop for a year-long camping adventure, I want to thank the many people who have made our last seven years here so rich and so filled with friends and fun. I especially wish all the best to each and every family.”

Winthrop Parents Forum is supported by Eastern Bank Charitable Foundation, community leaders and businesses. For more information on the November 7 and 14 two-part workshop or other questions about Parents Forum send email to info@parentsforum.org or call 617-864-3802.

Two middle-aged best friends, Lucky Lou and Meticulous Max, rag on each other at Hackers Haven Golf Course in Ralph Tufo’s two-act play, ‘I’d Rather be Lucky than Good,’ which was performed Oct. 12-21 at Winthrop School of Performing Arts. The musical comedy, dedicated in memory of Joe Weber, was presented by Crystal Cove Productions, di-

rected by Haris Lefteri, with live music performed by The Squeezebox Stompers. Mischievous Lucky Lou, who believes in luck, and Meticulous Max, who believes that everything happens for a reason, make bets and complain as they move through the fairway. The golf buddies spoke honestly about marriage and health, while engaging in altercations and hijinks, especially with the red hat ladies.

OUR Opinions

EVERYONE CAN VOTE EARLY

Perhaps because we are political junkies, Election Day always brings a rush of adrenaline when we go to the polling booths to vote.

It seems that the entire community is abuzz, especially at the polling places, with the candidates' supporters holding colorful signs, the scores of our fellow residents walking to the polls, and the extra poll workers hired just for the day by election officials.

For longtime members of the community, it's a chance to say hello to our neighbors and maybe even shake hands with one of the candidates if he or she is "working the polls."

On the other hand, we recognize that for many of us, voting can be a bit of a hassle, especially if the weather is inclement and there is a big turnout when we go to vote, which might mean waiting in a long line to vote or parking a bit of a distance away.

However, there is a simple solution, whatever our preference, to exercise our most cherished right as an American, and that is this: Vote early.

Voting early used to be called "absentee balloting" because it implied that you would be out of town on Election Day itself.

But nowadays, early voting means just what it says -- every registered voter can go any time to your city or town clerk's office, ask for a ballot, and cast your vote.

Early voting in Massachusetts started this week. So between now and up to and including Friday, Nov. 2, every registered voter can cast a ballot during regular business hours, including those evenings when a clerk's office is open late, as well as this Saturday, Oct. 27.

there also are additional early voting days and times. In Chelsea for example, voters can go to City Hall on Tuesday, Oct. 30, until 7 p.m., and this Saturday, Oct. 27, from 9 a.m. - 1 p.m. Chelsea City Hall also will be open until noon both this Friday (Oct. 26) and next Friday (Nov. 2) for early voting.

In Winthrop, Town Hall will be open for early voting until 7 p.m. on Thursdays (Oct. 25 and Nov. 1) and from 10 a.m. - 2 p.m. this Saturday, Oct. 27.

That's a pretty big window of opportunity for every voter and we urge all of our readers to take full advantage of it.

ARE YOU READY FOR HALLOWEEN?

Next week, many neighborhoods will become magical places as thousands of children dressed in all types of costumes will descend on the streets in search of candy and treats.

Likewise, residents will not only decorate their houses in scary Halloween themes with spiders and ghosts and a few witches thrown in just for luck, but also have neighbors and friends over to celebrate the night.

And all the while, thousands of pieces of candy will be given out to the children.

With no rain being forecast and temperatures predicted to be in the 50s, next Wednesday night promises to be perfect both for those giving the candy and those receiving it.

Here are some tips for a safe night of fun:

1. Plan your trick-or-treat route before you leave, and show the kids where you will be going.
2. Double check any costumes with masks to make sure kids can see clearly.
3. Use reflective tape on dark costumes.
4. Carry a flashlight or glow stick.
5. Only visit houses with porch lights on.
6. Make sure all kids know under no circumstances should they enter a home!
7. If your child has an identification card (school ID, etc) make sure to bring it along.
8. Make sure an adult is with anyone under 16 (if older kids are going in a group, set a time for them to be home, or follow them at a safe, but not embarrassing distance).
9. Remind your kids to stay out of the streets.
10. Be on the lookout for cars when crossing. Sometimes, it is hard for drivers to see you!
11. Check all candy and treats before eating (bring some candy from home, so the kids can snack before you inspect).

Sitting on the steps and giving out the candy, one cannot help but get into the spirit and fun of Halloween and remember Hallows-eens of long ago when one would dress up and anxiously wait to get their candy.

Halloween is the night that is still most like those days of our youth where many of the modern gadgets just are not needed. The best costumes are always the ones with the scariest mask.

As one sits on steps wondering do I sample the candy and then should I really eat this candy with all the calories, these lines will certainly come to mind:

*Backward turn backward
O' time in thy flight
And make me a boy just for tonight
Have a happy and safe Halloween.*

Correction
The Transcript regrets the incorrect recording of a vote take by the Town Council, regarding \$4.9 million for Center Business District infrastructure project. The correct vote was Councillors Heather Engman and Nick Lo-Conte voting 'no'. Councillors Linda Calla, Michael McDuffee, Phil Bon-core, and Council President Ron Vecchia voted 'yes'. Three councillors re-cused themselves, Jim Letterie, Mike Lucerto and Peter Christopher.

LETTER to the Editor

POOCH PARADE THIS SATURDAY

Dear Editor,
The Friends of the Winthrop Dog Park would like to invite the citizens of Winthrop to dress up their dogs and families and come join us for our fourth annual Pooch Parade and Costume Contest, Saturday Oct. 27, at 10 a.m. at Ingleside Park. Prizes will be awarded for the Best Dog Costume as well as for the Best Owner/Dog Costume combination. There will be

vendors, raffles, prizes and fun for all ages.

Our group was organized to campaign town officials to authorize a small portion of the town's open space for the establishment of Winthrop's first Dog Park. We are currently working with the new town manager, Austin Faison, and other town officials trying to ensure that our community can conform with all of the requirements necessary to qualify for a variety of dog park grants that are available. The

entire process is very time consuming and we appreciate all of their support.

Our group, through the help of so many dedicated citizens, has raised over \$10,000, that is currently sitting in our town coffers, with town officials. This money and all of the future money, that is raised, will be used in the development, design, construction and maintenance of our future dog park. We believe in our town and are always looking for new members, to assist with

this valuable and worthwhile cause.

We would like to thank all of our sponsors, for their financial contributions, as well as the endless number of Winthrop establishments that have donated goods, services and gift certificates, that we will be raffling off, on Saturday. Please come down, enjoy yourselves and show support for our puppies.

Sincerely,
Members of the Friends of the Winthrop Dog Park

GUEST OP-ED

Three reasons to vote 'No' on Question 1

By Debbie Burke

Because I'm a nurse, and I work in a hospital, I'm asked every day how I feel about Question 1. I'm beyond concerned. I'm scared—for patients and nurses—and I'm voting "No." Question 1 highlights an important topic, but it is a dangerous approach to something as vital as our healthcare.

Question 1 is confusing. There are bedside nurses for and bedside nurses against. Every-one on both sides wants quality care and safe staffing. The difference lies in how we make that happen. Question 1 proposes fixed nurse-to-patient staffing ratios for every type of patient care unit (e.g., General Medical, Emergency). These exact same ratios would be required by law throughout every hospital in Massachusetts, at all times and under all circumstances.

If the prescribed ratios aren't met, a fine of up to \$25,000 would be assessed per incident, per day.

It sounds simple. A closer look reveals many unintended consequences.

First, nurses should make decisions about patient care, not the government. On the same care unit, a patient just out of surgery has very different needs than a patient who is stable and sitting up waiting for a ride home. Yet ratios prescribe the same level of care. It doesn't make sense. Nurses at the bedside are uniquely-skilled and highly trained to manage each patient's individual needs, allocate resources, make judgment calls, and tri-age as needed. They need the flexibility to adjust the plan of care in the moment, based on the changing needs of the patient. Caregiving-by-ratio would replace the judgment and deci-

sion-making of nurses with a government requirement.

Second, there's a hidden domino effect: Patients would have trouble accessing the care they need when they need it. There are not enough qualified nurses within Massachusetts to meet these arbitrary staffing ratios. Without enough nurses to meet these man-dated ratios—by law—care units could not accept more patients. Beds would have to lie empty. Patients in the ER would have long waits until a bed opened up. Outside the ER, EMTs would have to wait with their patients until space inside became available. The national shortage of behavioral health and ER nurses makes this all worse. While we grapple with the current opioid crisis, an estimated 1,000 behavioral health beds would close; these hospitals currently have waiting lists.

Third, while we can't put a price on safety, there is a cost. If passed, the estimated price tag on Question 1 is upwards of \$1 billion—every year. Question 1 is unfunded; there is no identified way of paying for it. So this cost will be passed on to all of us as patients, either through higher insurance premiums, increased medical bills, and/or reduced services.

There is more that concerns me about Question 1, much more. If passed, it has the potential to dismantle our healthcare system as we know it. Why would we ever experiment with something that puts us all at risk? Please join me in voting "No" on Question 1.

Debbie Burke, RN, DNP, MBA, grew up and lives in Charlestown, and is senior vice president of patient care and chief nurse at Massachusetts General Hospital.

Article 850 - hawthorne hotel

The continuing quest to document each of the almost sixty Hotels, Inns and Boarding Houses that existed in the 1875 to 1930 summer resort period of Winthrop’s history, under some 85 different names, has just revealed information on the Hawthorne Hotel. This hotel stood at the corner of Hillside and Park avenues at the Northern base of Cottage Hill from 1889 until about 1931. Picture one is a portion of a 1906 Atlas Map of the area, which is presented in this article with two arrows identifying the buildings to be discussed. Arrow “A” points to the location of the aforementioned Hawthorne Hotel and Arrow “B” points to the small rear section of the Inn at Crystal Cove to be addressed under picture four.

Picture two depicts the property, where the Hawthorne Hotel once stood, as it appears today. This home, with the lovely white railed porches, was also originally built in 1889 behind the hotel and when purchased in 1991 it was renovated by the current owner John Floyd.

Picture three is of the Hawthorne Hotel as it appeared about 1920. One can see the home from picture two at the left side of the hotel with the same window pattern and third floor dormer just visible at the left of the hotel. It was connected to the hotel by a series of porches and may have actually been used as a part of the hotel business. The local paper of that time stated that the hotel was just scheduled to be opened July 6, 1894 “for Room and Board”. It is reported to have contained a restaurant which probably provided meals primarily for those staying there.

It is not often that a picture exists that shows an area such as the one shown here in picture four before much of anything was built on it. However this picture was taken from near the corner of Moore and Shirley streets looking South toward Cottage Hill about 1870 and portrays this area with just two small groups of buildings on the entire hill. The closer set of building on the left, which comprised the farm of Charles

S. Tewksbury, was constructed about 1854 on what is now Beacon Street. This farm was razed about 1904. The home at the right belonged to John W. Tewksbury, one of our first three Selectmen elected when Winthrop was incorporated in 1852. This home, built in 1846, was considered large and elegant for the time and was distinguished by the planting of a number of Popular Trees which can be seen in front of it. This building is still there as an integral part of the rear of the Inn at Crystal Cove’s main building when it was constructed about 1895 and is identified on the map by Arrow “B”. It wasn’t until 1878 that plans to develop the hill began and in 1883 a plot plan for future cottages showing the layout of all the parcels to be sold was published by William and Breck. In 1910, the Water Tower was constructed on the top of this hill. During the 1940 through 1960 period, this Inn was known as the Gov. Winthrop Motel and Apartments.

The selectmen have called for a Special Town Meeting for Nov. 23 to take up the matter of a home rule petition to be sent to the legislature that will permit the town to use the land at Ft. Banks, presently designated as open space, for a new elementary school.

The selectmen rejected a petition signed by 800 residents calling for a moratorium on new school construction at that site in favor of a single elementary school (instead of the two that have been approved by voters) or rehabbing of the present old schools.

A Traffic and Parking Committee is taking up the matter of solving the horrendous parking problem in town.

The annual Squash Raffle by WCAT is set for November 12.

Michele Karas has been named the new Town Parking Clerk.

Area residents told town officials that they want the so-called Fishermen’s Bend property, which the town has taken for unpaid taxes, to be restored to its natural state of a marshland. The property originally was slated to be developed as home sites, but the marshiness of the land prevented that from happening. The 7.5 acre parcel is bordered by Seaview ave., Sunnyside ave., and Corinha Rd.

section that would ban a shop from within 500 feet from a school, child care facility and potentially parks and beaches. Given those overlays it appeared that only the boat-yard/Belle Isle area might be farthest out.

All of the Planning Board discussions are preliminary and nothing has been set in stone. Discussions will continue at its next meeting.

Chairman David Stasio said he would like them to have something by December.

There is also a signature drive going on to get the question of pot on the ballot and the Town Council's Rules and Ordinance Subcommittee will take up any wording of a ballot question. That committee was expected to meet last night, Oct. 24, at 5:30 p.m. in the Harvey Hearing Room to discuss a question. There will most likely be a report at Tuesday's Council meeting.

Did you know that canned pumpkin is good for your dog's diet? The fiber in pumpkin can help with digestive issues, while the antioxidants & essential fatty acids promote healthy skin, fur and urinary health. Try mixing 1-2 teaspoons of canned pumpkin in your dog's food.

Enjoying the Festivities

Many pet owners love to share the Halloween spirit with their pets.

Here are a few safety tips to keep in mind:

SAFETY FIRST! If you take your pet Trick-or-treating, dress them in reflective clothing. You'll be able to see them better, and so will everyone else! It will be harder for them to run off if they get excited, or get caught in a parade of Trick-or-treaters.

KEEP AN EYE ON CANDY! Chocolate can be deadly to dogs, so make sure your kids know to keep the sweets away from Fido.

Not all candy makes it in the bag either! Keep a lookout to make sure Fido isn't finding any chocolate treats on the ground.

Food can become a problem during Thanksgiving as well. Keep an eye on pets trying to steal from the feast.

Chocolate Poisoning in Dogs

Milk chocolate:
0.5 ounces or more per
pound of body weight

Dark or semi-sweet:
0.13 ounces or more per
pound of body weight

Bakers chocolate:
Any amount can be very
dangerous and
considered an emergency.

BUNDLE UP!

Fall will bring chilly days and colder nights. If your pet primarily lives outside, make sure it has a warm place at night. Small pets should also be watched closely during the cold months, and kept as warm as possible. If they will let you, a jacket or sweater is the perfect protection against our New England weather! A sweater will keep them warm, and reduce the chances of them getting wet, and possibly sick.

PESKY PESTS

The fall months are known for all kinds of pests, especially fleas and ticks. Check your pet after coming indoors to make sure they have no hitchhikers. Be careful about where your pets play, and don't let them out of your sight for too long.

Fall is all the critters last chance to prepare for hibernation, rabbits, squirrels, and others your pet may chase after are everywhere. Most importantly, watch for coyotes as they are common in Suffolk county.

WHS SPORTS ROUNDUP

WHS GIRLS SOCCER DEFEATS EVERETT

The Winthrop High girls soccer team defeated Everett, 4-1. The Lady Vikings' leading scorer, Maura Dorr, scored two goals and single tallies were added by senior captain Olivia Holmes and freshman Mia Martucci. Freshman Nore McCarey assisted on one of Dorr's markers and Dorr provided the assist on Martucci's.

The Lady Vikings also earned a 2-0 victory over Excel Academy last Thursday. After Winthrop moved out quickly to a 2-0 advantage, one of the Excel girls was forced to leave the game, leaving Excel with fewer than the required number of players, resulting in a forfeit.

This past Saturday afternoon, the Lady Vikings battled Gloucester to a nil-nil standoff in a contest that was a benefit for breast cancer research.

"We pretty much dominated the game but couldn't find the back of the net," said WHS head coach Tracey Martucci.

Although Winthrop dropped a 1-0 decision to Salem earlier in the week, Martucci was pleased with her team's effort.

"It was a hard-fought battle," said Martucci. "We lost to them 6-2 the first time we played them, so we played much better this time."

The Lady Vikings appeared to have notched a goal that would have provided the equalizer, but the refs disallowed it.

Martucci and her crew, who now stand at 8-6-1 on

the season were set to entertain Lynn Classical last night (Wednesday) in a contest to be highlighted by Senior night festivities.

The Lady Vikings will trek to Saugus tomorrow (Friday) and play at Lynn English Tuesday to close out their regular season.

They then will await word of their seeding and opening round opponent in the Division 4 North Sectional of the MIAA state tournament.

WHS VOLLEYBALL TEAM DEFEATS SALEM, 3-0

The Winthrop High volleyball team earned a 3-0 victory over Salem last Thursday.

"Our starting setter, sophomore Carolyn Kinsella, got hurt last week, so we had to make changes to our rotation for the Salem game," said WHS coach Lauren Kostegan. "We played a 5:1 instead of a 6:2, but it worked out well for us with sophomore Tessa Ferrandi starting as setter."

Leading the way for the Lady Vikings in the victory were senior captain Adela Hoxha, who served four aces. Senior captain Fatma Tufa, sophomore Tessa Ferrandi, and junior Vita Begoli all contributed three service aces.

This past Monday night Winthrop came up just short against Pope John in a match that went to five sets.

Co-coaches Kostegan and Rachel Del Solio and their squad will host Saugus this evening (Thursday) in a contest that will be highlighted by Senior Night festivities.

Let the Games Begin!

Vikings vs. Shawsheen Tech

The Winthrop Vikings travel to Billerica Friday night (6:30 p.m.) in the Division 6 North non-playoff contenders. Shawsheen finished the first seven games with (3-4) record. Shawsheen lost to Greater Lawrence (42-8) on Friday night, they play in the Commonwealth Conference.

The Vikings will shoot to win their remaining four games in the 2018 campaign. The 'Big Game on Thanksgiving is scheduled for (10 a.m.) at Harry Della Russo Stadium. Revere has won the last two 'Battle of the Beach.' The Beachcomber Trophy will be the conquest of a very young Viking squad.

Lynn English 41 – Winthrop 13

The Lynn English Bulldogs captured the NEC Tier 3 title after a dominating effort at Miller Field. English improved their overall record to (6-1) and they are undefeated in the NEC play.

The Vikings dropped to (2-5) and await the first round of the MIAA non-playoff round at Shawsheen Tech.

WHS GOLF DRIVES FORWARD

VIKINGS HEADING TO D3 TOURNEY

Photos by Bob Marra/robertmarraphotography.com

The Winthrop High golf team swung its way to an 11-3 record and a spot in the MIAA Division III post season tournament. The team wrapped up their successful regular season with a win over Lynn Classical at Lynn's Gannon Memorial Golf course last Thursday.

yards and four touchdown passes. He is a Division 2 prospect.

Prince Brown (six receptions 90-yards – two touchdowns) is the most dynamic and talented receiver on the North Shore and in the NEC.

In one of the quicker first halves of the season, English held a (14-6) advantage at the half in the second half, the Bulldogs lit up the Miller Field-Viking Pride scoreboard with 27 points to show their offensive power.

Both teams scored in the fourth quarter, quarterback Bobby Hubert scored both Viking touchdowns for the Vikings. The ‘Super Soph’ has 68 points in the 2018 campaign.

Skimming the Sidelines

The play of the sophomores on the Vikings, continues to improve and this will lead to many victories and the prospect of a “Championship Team.”

The soph quarterback Bobby Hubert is once again a key to the offense. “Bobby makes three big plays each week and he is the top sophomore in the NEC.” lauded coach Jon Cadigan. Hubert was four for 10 passing – 30 yards. The ‘Super Soph’ rushed 14 times for 130 yards – awesome game for ‘Number 16!’

“He can turn a game around,” said coach Cadigan.

Co-captain Feedle Small rushed eight for 30 yards soph ‘Austin D’Aigneault’ was eight for 15 on the ground.

‘Big Number 44’ senior Brian Chalmers caught two passes for 16 yards.

Austin D ‘Number 33’ had two catches for 16 yards.

“We hope to turn the season around in our final 4 games,” said coach Cadigan.

The ‘Jet’ Returns

The ‘Jet’ – Joey the Jet Murray returned to Logan Airport and Miller Field on Saturday night.

Joe Murray was a Mass State ‘top 22’ player in 1997. The three-sport standout at WHS Class of 1998, another 100-point scorer’ for the Vikings list of all-scholastic players.

Joe was ‘NEC’ offensive player of the Year. He was leading scorer at Colby College and played with Mark D’Ambrosio on the greatest team in Colby College history (7-1).

MIAA Playoffs

How can Saugus with a (2-5) record qualify for the Division 5-North playoffs? The answer they defeated the Vikings (2-5) under the ‘mud’ at the old Stackpole Field for victory.

Revere (4-3) shooting for a winning season (only the second in Lou Cicatelli’s 16-year career for the Patriots!

The Patriots will play North Reading (5-2) at North Reading. Can Revere win their third consecutive victory over Winthrop on ‘Turkey Day?’

Winthrop must win a couple of games in the final three weeks! The ‘Big Blue’ of Swampscott with a (5-2) record will battle a Triton team (0-7) at Blocksidge Field. I predict a (32-8) pounding for Swampscott.

Danvers (5-2) will defeat Belmont (3-4) in Division 3 North.

The Tier 2 – Marblehead Magicians are seeded ‘Number One’ in Division 4 North. Marblehead will play Dracut in the first round. The Magicians will win.

Old friend (and successful coach Sean Driscoll) 7-4 vs. Revere will lead his St. Mary’s of Lynn Spartans with a game at Georgetown – Go Spartans!

The World Series

First year Boston Red Sox manager Alex Cora is in the World Series with the exciting Boston Red Sox.

The Sox have won five straight playoff games on the road. The Sox have a four-game potential playoff games at Fenway Park.

The Sox have Sale, Price, and Eovaldi as the big three on the mound. Rick Porcello is a past ‘Cy Young’ award winner.

The Sox have the ‘best’ outfield in the majors! Bradley, Benintendi and Betts – ‘The Three Bees,’ (JBJ) Jackie

Bradley, Andrew Benintendi and league ‘MVP’ Marcus ‘Mookie’ Betts and the power of J.D. Martinez will lead the Sox to the title.

I like Boston in six games! Go, Sox!
Win the Series!
Let the Games Begin!

The Double Dees

The first pair of outstanding running backs for coach Robert A. DeFelice featured Mark DeGregorio and Michael DeMarco (1970-1972).

The ‘Ace’ Mike DeMarco was in town last week from Florida. Mark D. was a University of Maine all-time rushing leader up in Orono, Maine.

The 2018 Hall of Fame was inducted on Saturday night. Two 100-point scorers were on the undefeated Super Bowl champions (13-0) on the 2006 champions.

Matt Murray (two-time Boston herald all-scholastic) scored 120 points, leading the Vikings to the ‘Number Two’ ranking in the Boston Herald ‘top twenty’ standing.

Matt was a co-captain at Tufts University. Jason Griffin scored 110 points on the undefeated Super Bowl champions.

Matt joined 30 of his teammates at the H all of Fame induction ceremony on Saturday night at Winthrop high school.

Raise the Championship Banner!
Go, Vikings!
Let the Games Begin!

Extra Points

The ‘Magical Ride’ continues – Marblehead defeated Danvers (10-7) on a last second field goal to win their fourth consecutive NEC title: The 1981-1983 Vikings won three).

I predicted a Magician victory, because Danvers High School football has won only one NEC football title in 67 years of playing in the Northeastern Conference.

Revere improved their re-

cord to (4-3) with a (28-8) victory over winless Somerville. Revere is in the MIAA playoffs in Division 4.

The Patriots have two outstanding halfbacks and a field goal kicker who can convert from 35-40 yards. Will the Vikings finish strong to prepare to battle the Patriots at Della Russo Stadium on the Thanksgiving Day rivalry?

The ‘Big Blue’ of Swampscott trounced the Saugus Sachems (42-2). The Swampscott starting backfield will return in 2019 and they will be an NEC title contender!

Lynn Classical behind the passing of Keith Ridley, shut-out Salem (36-0) at Manning Field in Lynn.

The Gloucester Fishermen shutout Medford (36-0) at Newell Stadium in Gloucester.

Dan Ventura, legendary high school sports editor of the Boston Herald, reported the proposed re-alignment of the NEC to include two divisions, one with eight teams including the University of Everett (they recruit players).

Will the principals and athletic directors approve this new league? I will have a story to discuss this merger and re-alignment!

The Touchdown Twins

The 2006 Super Bowl champions featured two dynamic halfbacks, all-scholastic Matt Murray (a two-year Boston Herald all-scholastic, played at Tufts University) scored 120-points.

The Vikings scored an incredible – 502 points and finished second to Everett in the EMass Herald and Globe ‘top 20.’

The first two WHS – Touchdown Twins – Joe Duplin and Tommy Trainor in 1952 – that was a rare number back in the ‘old days.’ Tommy had 112-Joe Duplin had 110.

How about Jim Gillis and Chucky Sullivan (164 points)? On the super team – undefeated Vikings with eight Division One players.

Other 100-point scorers – Steve Rubin, Chris Beranger – back-to-back Boston Herald all-scholastic (120 points) played at UNH.

Bobby Kneeland – 120 points
Steve Staffier – Globe and

Herald All-Scholastic 144 points, Division One player, National Champions –University of Miami.

Faces in the Crowd

Hats Off! To school committee chairman Tino Capobianco at a recent Vikings home game, Tino won the ‘Split the Pot’ for \$250. Tino donated the money back to the football boosters! Giving Back!

Winthrop Youth Program – a huge success of ex-Viking football players coaching the future Vikings. Mark D’Ambrosio, Derek Brugman, Rob Noonan, Mike Ferrara, Mike DeFelice and coach Kevin Adamson.

Former youth football coaches Phil Hamilton and Paul Smith were recognized at the Hall of Fame induction ceremony for building a championship team.

Swampscott, Marblehead, Gloucester have successful high school programs. Thanks to youth football programs.

Let the Games Begin!
Go, Vikings!

Super Teams

Saturday night at the WHS Athletic Hall of Fame induction ceremony, another ‘super’ team was inducted into the prestigious WHS Athletic Hall of Fame.

We have inducted nine championship teams, three Super Bowl championship teams. I have had the honor to broadcast and write about the champions.

How ironic it was on Sunday when I was watching and writing about Winthrop Youth Football.

I was approached by a Lynnfield parent and former Revere High School player. He told me he played on the 1981 Revere High football team. He asked me if I knew Al Petrilli (my broadcast partner). He questioned me, “How may Super Bowl teams does Winthrop have? I go to the Revere-Winthrop Thanksgiving Day Classic. The 1981 team trounced my team – that was the best Winthrop team I have watched.

The 1981 team had eight Division One players – Yes – eight played Division One. Super bowl champions the Vikings have three-the 1981 team is my choice for number one!

Or you can smile because she has lived
You can close your eyes and pray that she will come back
Or you can open your eyes and see all that she has left
Your heart can be empty because you can't see her
Or you can be full of the love that you shared
You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday
You can remember her and only that she is gone
Or you can cherish her memory and let it live on

NEWS FROM AROUND THE REGION

CONDO OWNERS SAY DISCOUNT UNFAIR

CHELSEA – The City Council passed District 6 City Councillor Giovanni Recupero’s measure to provide a 10-percent water and sewer percent discount to Chelsea homeowners last month.

Yet, since that vote, there has been a fair share of resident dissatisfaction from condominium owners who don’t qualify for the price break, as well as allegations of some social media shenanigans between councillors.

But despite an attempt on Monday night by Councillor-at-Large Roy Avellaneda to consider a repeal, the discount will stand for now.

The discount applies to all units in any owner-occupied single, two-, or three-family homes and any owner-occupied condominium that has an individual water meter. The problem, as some condominium owners noted at Monday night’s Council meeting, is that very few condominium units in the city have individual water meters.

“I chose 15 years ago that I wanted to buy a condominium and not a house,” said resident Suzanne Perry. “I consider this to be a basic issue of discrimination and unfairness. I’m sure it was not meant to be that way, but that’s the way it ended up.”

Condominium owner Alison Cuneo circulated an on-line petition with more than 130 signatures as of Monday night asking the Council to overturn its water and sewer discount vote.

“I would oppose this even if I were to benefit from (the discount),” Cuneo said.

The debate over the issue took a personal turn early in the meeting, when District 1 Councillor Robert Bishop spoke out about a social media post by Avellaneda. In the post, Bishop said Avellaneda posted a Google maps image of his home and pool, noting that Bishop would benefit from the discounted water and sewer rates.

“Councillor Avellaneda wrote that Bob Bishop would get a discount to fill up his pool next year,” said Bishop. “That is not only petty, but it is untrue.”

Bishop said that he, like many people, has an individual water meter on his pool that would not qualify for the homeowner discount.

The District 1 Councillor also said he would be in favor of extending the discount to condominium owners if there was a way to determine the water use in owner-occupied units.

Avellaneda’s attempt to overturn the discount was struck down on a procedural vote.

Council President Damali Vidot ruled the request by Avellaneda to take another vote as out of order.

“We shouldn’t set a precedent just because this is something you disagreed with,” she said. “The majority of the Council voted in favor of adopting this.”

Avellaneda challenged Vidot’s ruling that his request was out of order, but the challenge failed.

CHELSEA RECEIVES STATE GRANT

CHELSEA – Gov. Charlie Baker and Lt. Gov. Karyn Polito announced \$3 million in technology grants to 44 cities and towns across the Commonwealth through the Community Compact Information Technology (IT) Grant Program. This week’s announcement will benefit more than 49 municipal entities and brings the total number of municipal IT grants issued over the past four years to 188, assisting 250 communities with \$9 million in grant funding to modernize their technology systems and deliver service to their residents more efficiently.

Chelsea received \$50,000

CHELSEA MEMORIAL VIGIL

Erik Swanson mourns his sister, Jennifer Eve Swanson, who was lost this past November to the opioid epidemic. Swanson and scores of others gathered for the Chelsea Memorial Vigil, a vigil only three years old, but one that has grown as a necessity as so many family members and friends seek to make sense and mourn the deaths of loved ones that have succumbed to opiate and drug overdoses. As part of the ceremony, candles were lit for loved ones as their names were read aloud to the audience.

PHOTOS BY DEREK KOUYOUIMJIAN

for implementation of a comprehensive communication and project management package that will improve service, documentation and knowledge sharing.

Lt. Gov. Polito made the announcement.

“Community Compact IT grants are a valuable way for the Community Compact program to provide access to resources for major technological projects that might otherwise be unaffordable,” said Lt. Gov. Polito, Chair of the Community Compact Cabinet. “A great example is Cohasset’s plan to upgrade its Student Information System for greater productivity and the sophisticated tools that a school district requires to help meet its administrative obligations and its students’ educational needs.”

Cities and towns have used the IT grant funding to upgrade their websites, implement new systems that allow residents to apply for permits and licenses online, improve the security and capacity of municipal IT systems, digitize records and develop other solutions to costly technological challenges.

In addition to the IT grants, the Baker-Polito Administration has awarded \$7.3 million in technical assistance grants and \$4 million in efficiency and regionalization grants since starting the Community Compact Program in 2015.

SELF-STORAGE APPROVED FOR PARKWAY AT MARK’S DISCOUNT

EVERETT – After one self-storage project on the Parkway made its way firmly under the skin of Mayor Carlo DeMaria and City Planners, a second self-storage on the Parkway has been approved by the Zoning Board of Appeals (ZBA) for the Mark’s Discount building, or the former Eagle Shoe factory.

The building is owned by Mai Luo of Weston, who purchased it in February for \$4.48 million, and it was previously used in part as a self-storage facility. A two-story building near Mark’s was used for self-storage, as were floors two through four of the Discount building. At the September ZBA meeting, the owner’s attorney, Dave O’Neil, explained that they were only looking to convert the retail portion of the building – making it one consistent use.

“During the exploration of possible uses, a number of challenges were discovered, including the long and narrow shape of the building,” read a filing with the ZBA. “It is only 35 feet wide and there are a number of small, extensive interior columns.”

That, the filing read, made it impossible to explore alternative uses such as residential. After trying to combine the property with surrounding parcels to make one

large development site, the owner struck out. He has now settled for a 400-unit self-storage project.

“A consistent use will benefit the appearance of the property and will prevent any change of use that would be disruptive to the residential abutters (on Lewis Street).”

O’Neil said they plan to improve the interior of the building, beautify the exterior of the building and landscape the front parking lot. The Mark’s Discount/Zapatos store would be eliminated.

Councillor Wayne Matewsky – who lives on Lewis Street right behind the building – said he isn’t a big fan of the use, but said the new owner is likely buying time until he can do something larger. He also said he was impressed that Luo came door-to-door to the neighbors to introduce himself.

“He’s looking to do that for about three or four years I think until he can put together a bigger development,” said Matewsky. “He’s promised to landscape the property and clean it up. I have to say he came around knocking door-to-door in the neighborhood. That’s the first time anyone’s done that. His ultimate goal is to acquire more property in back to do a bigger development down there. We anticipate the future to be bright.”

O’Neil also said one of the proponents for the project was the owner of Mark’s Discount – who said it wasn’t a good retail location and would work better as self-storage.

However, not everyone is in line with self-storage on the Parkway.

Mayor Carlo DeMaria didn’t have any immediate comment on the Mark’s project, but has spoken up loudly against the other self-storage on the Parkway. He has said it isn’t the highest and best use for land on the Parkway and he would rather not see such facilities in an area of Everett poised for dramatic growth in the next few years.

O’Neil said self-storage is part of the housing boom, like it or not. With smaller, sleek units – both luxury and affordable – he said the caveat is there is nowhere to put one’s “stuff.”

“A lot of these new housing units have nice lines, they’re clean and sleek, but they have nowhere for people to put their stuff,” he said. “People will have stuff..It’s really a natural by-product of this housing market. They do serve a purpose and people need them and use them.”

Councillor Fred Capone, who represents the area, said he understands the desire not to have self-storage on the Parkway, but in this case, it would have been hard to deny it.

“I know it’s not the administration’s preferred use for the area, but if it’s already there, then it’s already there,” he said. “I can see denying it if you’re going into an area brand new, but if it’s something that is already in use, you put yourself in a tough

spot legally if you deny it.”

ENCORE SIGNS LEASE WITH LOCAL COMPANY

EVERETT – Encore Boston Harbor added a local flavor to its five-star, \$2.5 billion global resort , announcing that it has signed a lease with New England-based Big Night Entertainment Group to operate a 16,400-square-foot restaurant and lounge and an 8,000-square-foot luxury nightclub at the resort.

Named for both its alluring design and waterfront location along the Mystic River, ‘Mystique’ will be situated off the main esplanade of Encore Boston Harbor. The contemporary Asian-fusion menu will feature a spectacular array of artful sushi, traditional Asian delicacies and innovative new dishes.

The nightclub, dubbed ‘Memoire,’ will overlook the Encore Boston Harbor gaming floor and be one of the most glamorous nighttime entertainment destinations in New England, complete with luxury VIP bottle areas.

“Encore Boston Harbor will offer some of the most high-quality, entertaining and enjoyable dining and nightlife experiences in the nation, making Mystique and Memoire perfect fits,” said Bob DeSalvio, president of Encore Boston Harbor. “Big Night Entertainment Group owns and operates several of the most popular and award-winning restaurants and luxury nightclubs in the region and is very well respected in this marketplace. They know how to amaze people in every way and will help mark Encore Boston Harbor as the premier dining and nightlife destination for all who visit, live or work in the region.”

Big Night Entertainment Group principals Randy Greenstein, Ed Kane and Joe Kane designed Mystique as an energetic open-kitchen restaurant and lounge that will be richly appointed with Asian-inspired artwork and adornments from across the globe. The restaurant will seat more than 530 guests in its main dining room and three private dining rooms, including a 94-seat lounge with wrap-around bar that will entertain guests at night with music and small-plate offerings.

Memoire will accommodate up to 600 guests in an exuberant setting of gold, leather, marble and hand-blown glass chandeliers direct from the flea markets of Paris. A mezzanine level overlooks the main floor and features VIP bars and private lounge areas.

“Mystique and Memoire are destined to be flagship destinations at Encore Boston Harbor,” said Principal Ed Kane of Big Night Entertainment Group. “We are thrilled to be able to deliver the premier, first-class experience that guests will expect at the resort.”
