SPEAKER DELEO HOSTS ANNUAL COMEDY NIGHT

## Town gears up for election day

By Kate Anslinger

On Nov. 5, voters are encouraged to check off their choices on the ballot. This year's voting day will bring with it a welcomed rise in participation, as Jim Letterie, John Munson, and Kurt Millar vie for the precinct 2 position.

In addition to Precinct 2, other voters will see the following on their ballot:

**Precinct 1, 2 years**  
Richard H. Ferrino

**Precinct 4, 4 years**  
Barbara T. Flockhart

**Precinct 6, 4 years**  
Stephen M. Ruggiero II

**Councilor At Large (2 Year)**  
Robert A. DeMarco

**Councilor At Large (4 Year)**  
Tracey Honan  
Philip Boncore

**Council President 2 years**  
Philip R. Boncore

**Housing Authority, 4 years**  
Frank R. Ferrara\*  
Richard D. Honan\*  
Marie Matarazzo  
Vincent W. Wisniewski, Jr.

**Library Trustee (2 Year)**  
Ruth Koch-Ashton  
Laura Marie Barrett

**Library Trustee (4 Year)**  
John R. Dowd, Jr.  
Nancy E. Giuffre  
Denise V. LoConte  
Lisa May Schad  
Ronald E. Bergman\*

Voters will be asked to vote yes or no for the adoption of a bylaw that prohibits all or certain types of adult (recreational) use marijuana establishments from operating in town.

A "YES" vote on this Ballot Question would be in favor of adopting the Zoning Bylaw to PROHIBIT all types of adult-use marijuana establishments in the Town.

A "NO" vote would be OPPOSED to adopting the prohibitory Zoning Bylaw.

On a mission to communicate with residents to ensure transparency regarding voting protocol, Town Clerk, Carla Vitale has been updating the Carla Vitale Town Clerk Facebook page.

## Judy Racow will be honored by the Horses and Heroes Foundation

By Kate Anslinger

On Nov. 2, Winthrop resident, Officer Judy Racow will be honored for her bravery, by The Horses and Heroes Foundation. The non-profit organization, based in Revere, focuses on naming horses after officers from Massachusetts who are recipients of the Trooper Hanna Award. Named after George L. Hanna who

lost his life during a motor vehicle stop on Feb. 26, 1983, this annual award applauds other officers who have displayed acts of bravery during their career.

Racow received the Trooper Hanna Award, for her work as an undercover officer on Nov. 8, 1995, when she was responding to a routine drug investigation while working undercover.

"I was faced with a scary

situation, the one where every officer battles with the question of whether or not they will be going home that night," said Racow, who was presented with the Hanna Award on June 25, 1996. "You're scared and emotionally upset but then you do it all over again. It was a bad situation. I went home that night, and the bad

## WHS biology teacher, Meghan Dooley aims to bring cutting edge, hands-on science labs into the classroom

Special to the Transcript

Local science teachers, including Winthrop High

School's Meghan Dooley, learned how to edit genes using CRISPR during a free professional development workshops by Acera Education Innovation (AceraEI). The goal is for participants to bring this curriculum to their own public school classrooms.

Short for "clustered regularly interspaced short palindromic repeats" CRISPR is a family of DNA sequences found within the genomes of organisms such as bacteria. The technique is considered to be at the leading edge of scientific research.

The teachers went through the first of a two-day intensive workshop on October 18 Michael Hirsch,

AceraEI's Life Sciences Specialist and Curriculum Lead. Hirsch's curriculum included conducting hands-on experiments using a CRISPR-based molecular biology assay and detecting bacterial transformation.

The workshops are funded through recent \$50,000 grants from both the Am-

gen Foundation and Bristol-Myers Squibb. In addition to the training, teachers have access to ongoing support to assist schools in creating science labs that teach 21st century skills, engaging students in cutting-edge biology and fostering the

FRESH AND LOCAL

Pancakes are international

By Penny & Ed Cherubino

We may think of pancakes as an all-American breakfast dish and a staple of this country’s diner food. However, pancakes, in one form or another, are part of many cultures like the French Crêpes, Indian dosa, Chinese Mandarin pancakes, potato latkes, Irish boxty, Russian blini, and Dutch pannenkoeken. While we can’t cover all of these, we’ll tell you about a few of our favorites.

By Any Other Name

Just think of the many names we have for pancakes— flapjack, griddle cake, hotcake, slapjack, Johnny cake, hoe cake, or silver dollars. Our own breakfast order will usually be for blueberry pancakes with real maple syrup. But, our all time favorite version is the blueberry cornmeal pancake we enjoyed for many years at a little breakfast spot in Provincetown. We are on the trail of this specific recipe!

Alternative Batters

When it comes to alternative batter pancakes, we love the Vietnamese Crêpe or bánh xèo which literally means sizzling cake. This batter is made of ingredients you could always have in your pantry— rice flour, sugar, coconut milk, and turmeric. No eggs, no milk,

just staples are needed and it’s gluten free. The batter actually benefits from being refrigerated overnight. The filling can be a traditional mix of bean sprouts, pork, and shrimp, or you can use this base to clean out your leftovers.

When we order moo shu from a local Chinese restaurant we always order extra Mandarin pancakes. This is the same wrapper you’re served with Peking duck. These are simply flour, water, and toasted sesame oil. You can purchase these in Chinatown and they are best reheated by gentle steaming. Having them on hand in your freezer provides an alternative to rice when you serve a stir-fry.

Potato Pancakes

As lovers of good latkes, we are ready to take on the many versions of Irish boxty. Since most recipes use leftover mashed potatoes, these may be a delicious way to use holiday table leftovers in the months ahead.

A boxty is traditionally a combination of leftover mashed potatoes, finely grated raw potato, flour, milk or buttermilk, perhaps eggs, and sometimes baking soda. There are as many recipes as cooks. Some call for all mashed and others for all raw potatoes. What’s more, some versions of this dish are baked in a pan as boxty bread or boiled like

dumplings.

Oven Pancakes

German pancakes or Dutch Babies are a quick, easy way to enjoy that crêpe flavor without standing at the stove pouring and flipping. The site The Kitchn called them, “... a hybrid (or a love child, if you will) of a pancake, a crepe, and a popover — all in one giant skillet.” And, like crêpes you can fill these giant pancakes with sweet or savory goodies.

This batter is very similar to a crêpe batter but is easy to remember, so it can become a meal you know by heart or you can put it on a sticky note inside a cupboard door. The key ingredients are: two eggs, ½ cup of flour, ½ cup of milk, and a pinch of salt cooked in 2 tablespoons of butter. Sugar is added for some sweet versions and we have experimented with herbs and spices when we want savory.

Another reason we love pancakes is their ability to let us create the perfect bite on a fork with bits of other favorite foods like bacon, ham, sausage, syrups, fruits, cheeses, and whatever your heart desires at that moment.

next generation of innovators and scientists. Winthrop High School biology teacher Meghan Dooley sees a benefit in introducing the unit as early as ninth grade. “It is easy to scaffold the units to be able to build skills at a lower level, so that when students reach AP or upper level biology electives they are able to focus more on the content versus the techniques,” she said. AceraEI trained its first group of high school biology teachers in gene editing earlier this year, and par-

ticipating teachers began applying the curriculum in their own classrooms with students. As a result of this training, more than 3,000 public school students will soon apply CRISPR to edit a gene in their high school science classrooms. “All students should be able to link classroom learning to real-world innovations; the CRISPR toolkit is the first step in our plan to collaborate with schools to reinvent high school biology,” said Courtney Dickinson, founder and director of Acera. “Working with

breakthrough technology that is in the news, and engaging in deep discussions to understand these innovations, including how they work and why they matter, makes science labs meaningful and enable students to see a pathway for themselves as future scientists and innovators.”

AceraEI exists to transform STEM education in public schools and develop the next generation of scientists, innovators, and leaders. AceraEI works with public school districts to develop a plan for transforming STEM education. Founded in 2010, Acera’s lab school is a nonprofit STEM school serving students in Grades K-8. The school and its enrichment programs function as an educational innovation hub to invent new curricula with evidence-based pedagogy, founded with the mission to help catalyze change in public education. Acera pedagogy engages students to learn habits of mind like systems thinking, problem-solving, emotional intelligence and collaboration skills within projects aligns with each student’s capacities and interests, in an inquiry-based approach. OUR Opinions

**BE SURE TO VOTE TUESDAY**

This Tuesday, November 5, is election day in cities and some towns across the state for local offices, including mayoral and council contests.

Not too long ago, local elections in Massachusetts routinely drew voter turnouts of 80-90 percent, almost equivalent to, if not exceeding, presidential elections. However, in recent decades, voter turnout typically has been no more than 30 percent for municipal elections.

We find it ironic that local elections attract the attention of only a fraction of the voters who turn out for the state and national elections. Local government, and those whom we elect to serve in those posts, have much more of an impact on our daily lives than do our state and federal governments.

Local government is in charge of our public safety departments, our schools, our trash collection, the condition of our streets, and almost everything else in between.

The quality of life in our hometown communities affects our families and ourselves -- and our property values -- far more directly than what transpires at the state and national levels.

So we urge all of our readers to get out and vote on Tuesday. The aphorism about the weather -- that we all complain about it, but can't do anything about it -- does not apply to our local government.

We do indeed have the ability to affect what happens at our local government level -- but only if we take the time to vote.

LETTER to the Editor

REGARDING THE AIRPORT HAZARDS COMMITTEE

Dear Editor,

I would like to add a few comments to the article in last week's Winthrop Transcript about the Airport Hazard Committee meeting with the Town Council. The WAHC asked the Town for help, they stated that they have hit a wall trying to get any further relief from Massport for noise as well as any other quality of life issues. Massport apparently referred the WAHC to the PILOT agreement which was negotiated and signed by Massport and the Town.

The extent of Massport's contribution to the Town from that agreement is money, the grand sum of some \$350/day for the next seven years. Sounds like someone got a good deal, but it certainly wasn't the Town. Noise and health issues for Winthrop dispensed with for (what is certainly to Massport) nothing more than petty cash. It is insulting, and it is embarrassing.

Noise issues have become unacceptable, both from runway nine departures as well as from runway 4. The Point and Cottage Hill are like war zones at times, and Ingleside Park used to be a lot more enjoyable. Massport is however one of the engines of growth for Boston in the future. And as such, it seems Massport can ignore Winthrop; the Town can be treated as just a pesky neighbor that they can throw crumbs at and treat with impunity. (For \$350/day they can fly over my house past midnight Saturday evening, and then send some 18 flights off runway 9 from 6 to 6:30 a.m. on a Sunday morning. Nice deal.)

Sound insulation is not the only answer. Most of the citizens of the Town are here to enjoy the seaside, to enjoy outside barbecues in the summer, to breathe the fresh salty air, to even leave the windows open at night. I for one do not want to come home from work to lock myself in a sound insulated and air conditioned

home. I could do that in many other places. What I would prefer is noise relief, and a much more fair monetary compensation for the peace and quiet that Massport has stolen.

The agreement Massport made with East Boston can certainly be a starting point. A curfew should most definitely be discussed, and the use of runway 15 for departures (in lieu of nine) should be promoted (nobody lives in the harbor?). A schedule of payments that more responsibly reflects the volume of planes that now and will continue to impact our Town going forward must be negotiated. The Town's budget is approximately \$60 mill., for negotiation purposes the Massport PILOT should be some percentage (say 10 percent) of that figure. There will then be the small consolation of everyone in the Town paying less in taxes due to Massport's impact on the quality of life in the Town.

The time has come to push back.

GUEST OP-ED

An Olympian's guide to the boardroom

By Michael G. Wilson

I've hit rock bottom more times than I can count.

As a gymnast, I overcame injuries that would have ended many other athletes' careers -- only to watch my Olympic dreams slip out of reach. As a businessman, I built a successful start-up -- and then lost it all.

The main thing I've learned? Setbacks can be productive if you're willing to learn from them. Today, as I lead a successful company, I constantly inform my decision-making with the lessons I learned as an athlete and entrepreneur.

First, never give up.

When I was 12, I trained under gymnastics coach Ralph Reeves, the toughest coach I ever had. I would spend hours perfecting my craft -- getting up on the pommel horse as I tried not to look down at my cracked and bloodied hands. Upon finishing each routine, Coach Reeves would utter

one word: "Again."

As the Junior Olympic Games approached, it looked like my hard work was about to pay off. Then, I blew out my knee and tore my ACL, MCL, and meniscus while training. Refusing to let my injury determine my fate, I went on to win my first national championship.

I eventually graduated from the University of Oklahoma as a five-time All-American and NCAA champion with a spot on the Olympic roster. But due to President Jimmy Carter's boycott of the 1980 Moscow Olympics, I never got a chance to participate.

I was devastated, but I picked myself up -- again -- and transitioned to the business world. More setbacks awaited.

Second? Forgive others.

In the mid-1980s, I started my first company. But before I knew it, the relationship I had with my business partner soured and

I found myself broke, divorced, and living in a tiny apartment on a loan from my ex-father-in-law.

That episode would have been enough for a logical person to never open another business.

Call me illogical. After this incident, I went on to build and sell multiple successful companies. I say this not to brag, but merely to prove my bona fides to other entrepreneurs who are just starting out and facing their own challenges.

It's crucial to forgive your colleagues, your subordinates, even yourself. I didn't dwell on losing my Olympic dreams; I moved on to compete as a businessman. And I didn't vow revenge on my ex-partner, I forgave him.

Finally, trust but verify.

As an athlete, I had to trust and listen to my body, my doctors, my coaches and trainers to overcome my injuries. After my experiences, I've learned to

pay very close attention to what people are saying -- and more importantly, what they aren't saying -- in the boardroom. Reading body language and getting to know people before you do business with them is just as important as studying their qualifications on paper.

Today, as I lead a business, I spend countless hours strategizing for and planning out my board meetings. Sometimes my preparation lasts three times as long as the actual meeting. But as I learned throughout my athletic experience, preparation is the best way to ensure success.

If you're an entrepreneur, you will eventually experience a business setback. It's inevitable. But the next time you do -- pause, make a game plan, and think to yourself, "again."

ART 902 – G.W. TEWKSBURY HOME - 106 WASHINGTON AVENUE

In conjunction with our many articles on homes that have been moved from one location to another in town, the receipt of additional information warrants an update on a relocated home previously featured in an article five years ago. This home, at 106 Washington Avenue, is shown as it currently appears in the 2013 photograph printed here as picture #1. It was originally built by George Washington Tewksbury across the street on the lot where 109 Washington Avenue stands today. According to old maps, it existed in 1844 and records indicate that it was built in the 1830’s. Picture #2 is a painting depicting the house on its original site about 1881 prior to Washington Avenue being extended beyond what is now Lewis Lake to Shirley Street in 1884.

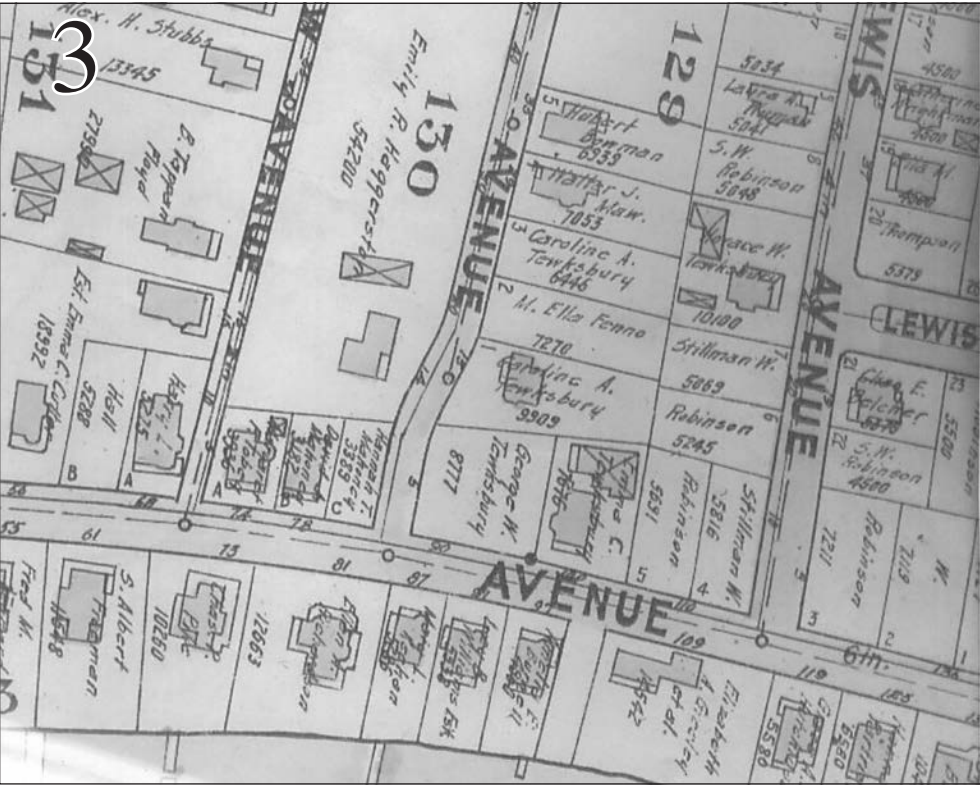

When the home was owned by Arthur and Dorothy Sullivan in the 1950s to 1970s, this painting hung over their fireplace in the

living room. Arthur served as an elected Assessor in the Town for many years and Dorothy was Winthrop’s elected Republican State Committee Woman.

As can be seen in the painting, the house was initially built in two side by side sections extending down Washington Avenue. This is clearly visible in the 1906 map printed as picture #3 which shows the house on its original 109 Washington Avenue location. Robert Gillis kindly provided the 1890 photograph, shown here as picture #4, which was taken from the railroad trestle in the water behind Washington Avenue. If one looks closely, the house featured in this article can be seen as the white building, second in from the right, sited with its porch facing the water. Moving it across the street to the smaller lot, about 1910, was only a straight shift back with the porch still facing the water. During this move, the further portion was removed and then reconnected to the

rear of the main structure. If you go upstairs in the home today, the second floor of the rear section can be entered two ways. First, via a staircase from the back of the first floor kitchen, and second through a door at the back of the second-floor bathroom in the main house and down a couple of steps since the floor levels differ between the two sections of the building.

This home is one of the eleven oldest homes still in Town and is noted in the Winthrop Improvement and Historical Association’s second edition of “Historical Mapping of Winthrop Massachusetts” book, on Page 26, which depicts the 25 buildings on our peninsula in 1844. Copies of this book can be purchased at the Winthrop Book Depot & Cafe on Somerset Avenue, the Winthrop Marketplace at 35 Revere St., Elliot & Whittier Insurance Co. on Revere Street and at Century 21 Seacoast Real Estate Office on Highland Avenue.

The campaign for State Representative is turning nasty, as upstart C. Joseph Harvey, who defeated incumbent Charles Bradbury in the Republican primary, is being challenged by Bradbury and his supporters who are launching a sticker campaign for the general election. In a front page letter to the editor in The Sun, one of Bradbury’s supporters asserts that Harvey may have shirked his duty when he was assigned to fight in Mexico during the world war. In addition, former State Rep. Winthrop Magee, whom Harvey also defeated in the primary, has endorsed Bradbury, asserting that Harvey is not a true Republican, as evidenced by the many Democrats who are supporting him.

Although the hearing before the State Public Service Commission on the proposed fare increase by the Narrow Gauge Railroad was filled with humorous comments by railroad company president Melvin O. Adams, the hearing was no laughing matter for those who filled the room to capacity to oppose the increase.

A mass meeting of Red Cross volunteers will kick off the annual Roll Call on Sunday afternoon in the Winthrop Theatre.

**BALLOT QUESTION**

**Shall the Town of Winthrop adopt the following Zoning Bylaw?**

**Town Counsel Summary:** Massachusetts General Laws, Chapter 94G, Section 3, allows a town, through adoption of a bylaw, to prohibit all or certain types of adult use (recreational) marijuana establishments from operating in that town. In a town such as Winthrop that voted "yes" on Question 4 at the November 8, 2016 State Election in favor of the legalization, regulation and taxation of marijuana, a ballot question is also required to implement such a prohibition. The Zoning Bylaw amendment set forth below, if adopted by the Town Council, would prohibit "Marijuana Establishments" as that term is defined in G.L. c.94G, §1 and 935 CMR 500.00.

A "YES" vote on this Ballot Question would be in favor of adopting the below Zoning Bylaw to prohibit all types of adult use marijuana establishments in the Town.

A "NO" vote would be opposed to adopting the prohibitory Zoning Bylaw.

**Zoning Bylaw Amendment**

[17.53.00 Winthrop Zoning Code – Administration and Enforcement]

§ Adult Use Marijuana Licenses to be Prohibited in the Town of Winthrop

Consistent with G.L. c. 94G, Section 3(a)(2), all types of adult use (recreational) "Marijuana Establishments" as defined in G.L. c. 94G, §1 and 935 CMR 500.00, including marijuana cultivators, craft marijuana cooperatives, marijuana product manufacturers, marijuana retailers, independent testing laboratories, marijuana research facilities, marijuana transporters or any other type of licensed marijuana-related businesses shall be prohibited within the Town of Winthrop.

BIKE WINTHROP HOSTS THIRD ANNUAL HALLOWEEN FUN RIDE AND COSTUME PARADE

Courtesy Photos

It was a picture perfect fall day for the Third Annual Halloween Fun Ride & Costume Parade, hosted by Bike Winthrop. Ingleside Park was packed with kids and families in costume and on bikes, trikes, and scooters to ride (or watch) the parade, which was led by WPD Officer Dawn Armistad (SP)?). This year’s

parade judges were Councilor Pete Christopher, Councilor Rob DeMarco and School Committee Member Suzanne Swope. Prizes were awarded for “Scariest”, “Cutest”, “Best Overall” and “Best Bike Costume”. After the parade and festivities, a group in costumes head out on a fun ride around town showcasing some of Winthrop’s best bike routes and ending at

Blackstrap BBQ. Bike Winthrop is especially grateful for this year’s event sponsors and partners for their support and contributions: Winthrop Police, Winthrop Parks & Rec, Winthrop High Drama Dept, DJ Cuzzi, Harbor City Church, FKO Winthrop, Blackstrap BBQ, Robert Paul Properties, Winthrop Marketplace, Woodside Ace Hardware, and CASA.

Shown in the photos, residents enjoy the Halloween Fun Ride and Costume Parade.

HAPPY HALLOWEEN

Calling all citizen scientists! Track the King Tides

Wicked Pissah high tides. Perigean spring tides. King Tides. Choose your favorite name to call the astronomical high tides that occur when the sun and the moon are aligned and the moon is closest to the earth in its orbit. Approximately two feet above normal high tides, King Tides give us a sneak peek of what our shoreline will look like with two feet of sea level rise, expected sometime after mid-century.

The last King Tide took place on Tuesday, October 29, at 12:34 PM. It’s the last time the King Tide will occur during daylight hours until October 2020. Over the past four years, hundreds of people have used their phones to take pictures of King Tide flooding along the Massachusetts coastline

as part of a citizen science effort to document change.

The Mystic River Watershed Association and our colleagues at the Museum of Science, Northeastern University, GreenRoots Chelsea and Boston Harbor Now are calling on all citizen scientists to get outside to help photograph the last King Tide of the year.

It’s simple. First, download the MyCoast app onto your phone, sign up, and allow it to use your location. This website, managed by state, federal and academic scientists, will link the photos you take to tide and weather data known for your location.

Second, use the map on our website ([www.mysticriver.org/news/kingtide](http://www.mysticriver.org/news/kingtide)) to find a location near you where we expect flooding

to occur. We’re especially looking for photographers to document the shorelines of Everett, Chelsea, East Boston, Winthrop and Revere. We’d also like photos of climate resilient developments (green pins on the map) to illustrate how resilient planning can prevent flooding.

Photos taken between 12 noon and 1 pm will show the most flooding. Try to take pictures where the impact of the tide can be gauged against familiar landmarks like buildings, sidewalks, shorelines, etc. Finally, upload your photos on the MyCoast app and describe any flood damage or other observations you wish to go along with your photo.

The Mystic River Watershed Association will

use this data to help our coastal communities plan and prepare for increasing coastal storms due to climate change through the Resilient Mystic Collaborative (RMC). This voluntary partnership among 16 watershed communities is working on projects of regional significance to help decrease harm from flooding, heat, storms and other climate-intensified risks.

We encourage you to sign up for a reminder, and for alerts for other citizen science opportunities, on our website.

What Your Neighbors Have To Say

“Jim is a passionate voice for our schools. Jim is the current Co-Chair of the Miller Field Committee, and was the Council’s liaison on the School Building Committee and was instrumental throughout the four year process from feasibility to final construction. His abiding commitment to education is what drives him to volunteer his time. I appreciate that Jim has made focusing on our town’s youth a top priority.”

— Sheryl Howard  
Precinct 2 Resident

“Jim has shown what I feel to be, an extremely important characteristic, and that is the ability to “listen” to his constituents and be their voice without any political agenda and I believe that is what our Councilors are elected to do and is why I am happy to support Jim in his re-election bid.”

— Marc Wallerice  
Winthrop Marketplace Precinct 2 Resident

“I am supporting Jim Letterie as a fellow business owner, but most importantly as a voter in Precinct 2. Jim has served and chaired many committees in our town and is always there to help out, get involved and obtain results. Jim has the knowledge experience necessary to make tough decisions and implement ideas to help bring our community forward.”

— Karin Chavis  
Citizens Finance Comm. Precinct 2 Resident

“Jim is responsive to the needs of the citizens of Winthrop. He has dedicated an incredible amount of time to the residents of our town. Jim has made significant accomplishments on the Town Council, and his knowledge of the budgets is unparalleled on the Board. Jim is also a leading advocate for youth in our town. Over the years, he has devoted much of his time and energy coaching our youth in little league, youth football and youth hockey where he also served as President.”

— Peter Gill  
Past Town Council President

“Jim’s commitment to his Precinct 2 constituents, coupled with his experience and incredibly knowledge of the town and schools budget, is an invaluable asset to the Town Council. I urge you, his Precinct 2 constituents, to join me in support of Jim’s re-election.”

## WINTHROP LODGE OF ELKS #1078 HOSTS AFTER PARTY FOR WHS VIKINGS FOOTBALL /CHEERING

The Winthrop Lodge of Elks has a long history of community participation and high interest in students of all ages in Winthrop schools.

Last Friday evening was the last home game of the 2019 football season vs. Salem at Miller Field, and

by tradition it was senior recognition night as well. The seniors of players and cheerleaders gathered to give flowers to the moms and have a fami-ly picture taken.

It was a perfect evening all around, the Vikings were victorious, beating the

Witch-es of Salem High 35 – 18. The Winthrop Elks always hosts an after party for the players and families at the conclusion of every home game. This was the last of the 2019 football season and the party was a huge and welcomed suc-cess for all.

The Cheerleaders of the WHS Vikings were having a great time at the after party at the Winthrop Lodge of Elks in the Fireside Room.

#### WHS FOOTBALL TEAM PLAYS AT HAMILTON-WENHAM

The Winthrop High foot-ball team will trek to Ham-ilton-Wenham this Sat-urday in the first game of the non-qualifying bracket of the MIAA’s state play-off tournament format The opening kickoff is set for 2:45.

Both Winthrop and Hamilton finished out-of-the-money in the playoff chase with 2-5 records. Hamilton was the ninth seed and Winthrop the 10th

in the final computation of the so-called power ratings utilized by the MIAA.

However, like appear-ances, records also can be deceiving, and such is the case for both the Vikings and the Generals (who are so named in honor of Ham-ilton native son General George S. Patton).

Winthrop, despite pre-dominantly playing a schedule against larger schools, battled well in al-most every game this sea-son and was just a point short of qualifying for the

ourney. Winthrop dropped a 14-13 decision to a 7-0 Danvers team that is ranked 11th in the state and is the number one seed in the Division 3 North Sectional.

Had the Vikings successfully either converted a two-point conversion or made a late field goal in their battle with the Falcons, they would have vaulted into the playoff picture.

Winthrop’s other four losses also were to play-off-bound teams, Lynn Classical, Lynn English, and Beverly, all in D-3, and Swampscott in D-5. Based on the strength of their opponents’ records, the Vikings had the most-difficult schedule of any team in the NEC.

Hamilton-Wenham likewise, found itself just a point shy of reaching the playoffs after falling to a 6-1 Lynnfield team, 27-26, last week. Hamilton-Wenham played well in another closely-fought defeat, 28-22, to Pentucket.

“Hamilton-Wenham has had a season that has been very similar to ours,” said WHS head coach Jon Cadigan. “They had some tough, narrow losses and probably are stronger than some of the teams that did qualify for the playoffs.”

The Vikings and the Generals have had some recent history. In 2014, Winthrop took the measure of H-W, 14-0, in the playoffs.

In 2015, Winthrop came out on top, 26-6, in a non-play-off encounter.

The Vikings are coming off a loss this past week to Lynn English, a team that has been ranked in the top 20 in the state at various times this season.

The Bulldogs scored on the opening drive of the game, but the Vikings, as they have all season, responded with a TD march of their own, culminating with a touchdown pass on a fourth-and-12 from sophomore quarterback Mike Chaves to junior Chris Ferrara. Ferrara took over at the receiver position in place of Austin Daigneault, who was injured on the first play of the game with a dislocated shoulder.

That left matters at 7-6 (the Winthrop PAT attempt hit the upright) entering the second period.

But then, in the proverbial blink of an eye, the Bulldogs took command on just two plays -- a return for a touchdown of the ensuing Winthrop kick-off and then a pick-six on first down of the next Winthrop possession -- to vault into a 21-6 advantage.

However, both the Vikings and their sophomore quarterback, Mike Chaves, remained undaunted, and embarked on a TD drive to cut the lead to 21-13. The Chaves-Ferrara connection once again accounted for

the Viking score, this time on a 33-yard pass play.

However, that would prove to be as close as the Vikings would get the rest of the way. English took full control thereafter, scoring two more touchdowns before the end of the half, en route to an eventual 48-20 triumph. Winthrop’s third touchdown of the day came on a four yard run by Ricky Rosado.

“Lynn English is a very good team,” said Cadigan afterwards. “They played better than us in all three phases of the game.”

Bryan Conceição once again earned the Black Shirt Award for the top defensive effort by a Viking. “Bryan gives 100 percent every time he is on the field,” said Cadigan. “He’s truly one of the top players in the Northeastern Conference.”

The coach also had words of praise for his soph quarterback, Chaves, who had a nice day with 14-of-21 passing for well over 100 yards.

“Mike simply shook off the pick-six and went right back to work,” said Cadigan. “He displayed great leadership and confidence.”

**WHS GIRLS SOCCER WINS TWO CONTESTS**

The Winthrop High girls soccer team concluded its regular season this past

week with a pair of victories.

Coach Tracey Martucci’s crew defeated Lynn English, 4-1, last Friday and then rolled past Charlestown this past Monday.

Lady Viking junior Maura Dorr continued to add to her all-time WHS goal scoring mark with a hat trick in the win over English. Speedy sophomore Nora McCarey also reached the back of the net for Winthrop. Mia Martucci, Alex Gibbons, and Grace Galuris were credited with assists.

In a 7-0 triumph over Charlestown, Dorr scored two goals. Isabel Skomro, Mia Martucci, Devon Barry, Emma Holmes, and senior Colby Bosse all reached the back of the Charlestown net.

Nora McCarey, Mia Martucci, Maura Dorr, and Isabella Ferullo picked up assists on the day.

“I’m so proud of how we progressed this season,” said head coach Martucci. “Games that we struggled with at the beginning of the season, we handled much better the second time around.”

Martucci and her crew, who punched their ticket for a Journey to the Tourney earlier in the season, now await word of their seeding and first-round pairing in the upcoming MIAA state soccer tournament. That announcement is expected

to be made tomorrow (Friday).

**TOURNEY SPOT ON THE LINE FOR BOYS SOCCER**

The Winthrop High boys soccer team will be vying for a berth in the post-season state tournament when they trek to Arlington Catholic today (Thursday). Coach Kyle Gagin and his crew need a win or a tie in order to punch their ticket for a Journey to the Tourney.

If the Vikings accomplish that goal, they will await the announcement of their seeding and first-round opponent for the tourney later this week.

Winthrop had an opportunity to qualify for the tourney on Monday when they traveled to Framingham to take on Keefe Tech, but came up short by a score of 2-1.

Keefe grabbed an early 1-0 lead, but Winthrop brought the contest back to level before the end of the first half when junior John Langone headed a ball to Marco Torghele, who delivered the ball into the back of the Keefe net for his sixth goal of the season.

However, Keefe Tech scored midway through the second half and hung on for the win.

Last Wednesday evening the Vikings celebrated their Senior Night in appropriate fashion with a 5-1 victory over Saugus. Prior to the start of the contest, the team honored their seven senior members, Kevin Dorr, Kim Haddar, Samir Hadria, Abdul Hamada, Keidi Kraja, Chris Lopez, and Marco Torghele, in recognition of their contributions to the WHS boys soccer program.

The teams battled to a scoreless duel through the first half, but Winthrop erupted for five unanswered goals after the intermission. Torghele led the offensive surge with two goals, while Haddar, Hamada, and freshman Esteban Alvarez added a goal apiece. Alvarez also had two assists and Hamada earned one.

“These seniors have worked hard throughout their careers,” said Gagin. “I’m glad they could finish Senior Night with a big win.”

**WHS VOLLEYBALL TO FACE LOWELL CATHOLIC IN TOURNEY**

The Winthrop High volleyball team will open play in the Division 3 North Sectional of the MIAA state volleyball tournament this evening (Thursday) when the Lady Vikings travel to Lowell Catholic for a 6:30 encounter.

Winthrop enters the D-3 North as the ninth seed with a 10-8 record. Lowell Catholic is the eighth seed with a 13-7 mark. If the Lady Vikings are successful this evening, they will move on to the quarterfinals where they will meet the number one seed, Mystic Valley. That match is scheduled for Monday at Mystic Valley at 6 p.m.

Winthrop wrapped up its regular season and celebrated Senior Night in fitting fashion with a 3-1 victory over Lynn English last Wednesday.

Prior to the contest, the Lady Vikings honored their four seniors, captain Vita Begoli, Maddy McKay, Alex Vera, and Arlette Ordonez, for their contributions to WHS volleyball.

“They have dedicated their time and effort to the volleyball program over the past four years,” said WHS co-head coach Rachel DelSolio.

The team also recognized Lily Dias, a student from Brazil who came to Winthrop for a semester abroad program.

“Lily was an asset to our team this year,” noted DelSolio.

Senior Maddy McKay turned in a superb performance against English and was named the Player of the Game.

“Maddy put in a lot of effort and never gave up the entire match,” said DelSolio. “The Lynn English coach came up to me after the game and said that he is so impressed by our team. He said we never give up and always push ourselves to do our best. He also commended Lily Dias on her hitting and Vita Begoli, our libero, on her strong defensive play.”

SCHOOL HIGHLIGHT:

Adjustment Counselor strives to make school comfortable for students

By Kate Anslinger

Alessandra Scorzella is no stranger to Winthrop. After growing up in the town and attending Winthrop Public Schools from kindergarten through 12th grade, she found herself back in the district, working as an Adjustment Counselor at the Gorman Fort Banks School. By the time she graduated Winthrop High School, Scorzella knew that she wanted to work in a helping profession, and she attended Boston College where she earned her undergraduate degree in Psychology with a concentration in Clinical Psychology. She then moved onto graduate school for two more years in Cambridge at the Harvard Graduate School of Education.

How did you become interested in becoming a School Adjustment Counselor?

I always knew that I wanted to be involved in a helping profession, but I never really knew which one growing up. After taking AP Psychology in high school with Mr. Dixon, I realized that I loved the subject of psychology and wanted to help others, specifically relating to mental health and development.

Alessandra Scorzella, School Adjustment Counselor at the Gorman Fort Banks School.

I juggled with the idea of being a psychiatrist, psychologist, and I eventually was drawn to the role of a school counselor because I felt that it was a unique role in the sense that a school counselor is available for all students and can help them find resources both in and outside of school.

Did anyone inspire you to choose this path?

From a young age, I was drawn to and comfortable with the school environment, probably because my mom has worked in the schools for as long as I can remember. I also understand that school can be a huge source of stress for some students, therefore

through my role I want to make school as comfortable as possible for students who are having a difficult time.

What do you love most about your position?

My position is very unique because I service all students in the school in some way. Although I have a specific caseload of students for counseling, I am also in classrooms teaching the SMART plan (our behavioral expectations) and constantly walking around the school. In the mornings, you can find me greeting students in the front lobby, and in the afternoon, I'm floating around doing various things such as bringing students to the bus. I feel grateful because this job has allowed me to get to know and work with so many students.

What do you love about teaching in Winthrop?

I really love that I am working in the same school system where I grew up and learned so much from. The students get a kick out of hearing that I was a student at the Fort Banks once too, especially those who have the same teacher I had for first grade, Mrs. English. I also find it awesome that some of my coworkers were my teachers back when I was in school.

Former WHS baseball great and football coach Bob DeFelice has been inducted into the Bentley College Hall of Fame for his coaching of the Falcon baseball team, which won more than 400 games and averaged 17 wins per season during his tenure. DeFelice presently is Bentley's Athletic Director.

The WHS football team easily handled Marblehead, 28-0, Friday evening. Coach Tony Fucillo's squad accumulated 414 yards of offense. Keith Griffin ran for 128 yards on 16 carries. Bobby Kneeland ran for two TDs. David Dirkers raced 59 yards for another TD and Greg Lepke tossed a TD pass to James Logan. Jim Coffey booted three PATs.

An unbeaten Danvers squad, behind quarterback Ken Perrone, snapped Winthrop's three-game winning streak with a 30-7 win over the Vikings Saturday at Miller Field. A 37 yard pass from John Tiano to Joe Giaquinto

set up a four yard TD run by Mike McGrath that had given the Vikings an early 7-0 lead, marking the first time this season that Danvers has trailed and the first time that Danvers had been held scoreless in the first quarter. Only a Danvers interception return for a 60 yard TD and the two-point conversion near the end of the first half enabled Danvers to take an 8-7 lead.

The WHS football team came close, but not close enough, in losing a 14-6 decision to head coach Stan Bondevitch's powerhouse Swampscott, which marked its 22nd straight victory. Dave Tallent, who leads the NEC in scoring with 32 points, scored the lone Viking TD.

The Winthrop High football team is the toast of the town after a scintillating 14-6 win over Swampscott. Tackle Billy Levine wreaked havoc in the Swampscott backfield, while fullback John Polino raced 76 yards for the winning TD and previously scored from one yard out. The win marked the first time that Winthrop had beaten Coach Stan Bondevitch's team since 1956.

Following a fourth straight defeat, 26-14 to Swampscott, WHS head football coach Gordon Connor has announced a

major shakeup in his lineup. Connor said he will bring up sophomores Steve Miles, Warren Baker, Bill Lockyer, Barnard English, and Warren White, all of whom have been playing well for the JV team. In the Swampscott game, Mike Evans scored on a 41 yard jaunt while Paul Connor scored on a 50 yard pass play from Evans.

# Winthrop family helps at MGH

Former East Boston and Winthrop residents Sabatino (“Ben”) and Irene Marcucci passed away in 2012 within months of each other but their legacy remains vibrant. Thanks to a permanent fund their family created, children undergoing cancer treatments at the Massachusetts General Hospital Cancer Center will now benefit from the Marcucci’s vision and generosity.

When the Marcucci’s lost their son decades ago, they set up a trust for charitable purposes. To fulfill their wishes, their daughter, Michele Wilson, and her husband, Bob, arranged a gift to Mass General. It honors the care her parents both received at the Mass General Cancer Center.

The gift is now an endowed fund at MassGeneral Hospital for Children (MGHfC) named in memory of the Marcucci’s son. The Michael P. Marcucci Memorial Pediatric Cancer fund is designed to support programs and activities in MGHfC’s Center for Pediatric Hematology/Oncology. It’s a fitting tribute to Michele’s brother who loved children. The Marcucci’s were also posthumously named to the MGH’s Phillip Society.

“Family philanthropy, like that of the Marcucci’s, enables our team of specialists to dream big and implement new ways to enhance compassionate care for our pediatric patients and their families,” says Howard Weinstein, MD, chief of Pediatric Hematology and Oncology. “We deeply appreciate the support and impact such gifts have on our program.”

CHEF JOHN'S

MINESTRONE SOUP

INGREDIENTS:

2 tablespoons olive oil

3 ounces chopped pancetta

1 onion, diced

1 cup diced celery

4 cloves garlic, minced

4 cups chicken broth

2 cups water, plus more as needed

1 (28 ounce) can plum tomatoes, crushed fine

1 cup cranberry beans, shelled

2 cups chopped cabbage, or more to taste

1 (15 oz.) can garbanzo beans, drained

1 teaspoon red pepper flakes, or to taste

1 teaspoon Italian seasoning

2 teaspoons salt

1 bunch Swiss chard, chopped

2/3 cup ditalini pasta

salt and ground black pepper

1/4 cup extra virgin olive oil, for drizzling

1/4 cup finely grated Parmigiano-Reggiano cheese

1/4 cup chopped fresh Italian flat-leaf parsley

DIRECTIONS:

STEP 1:

Heat 2 tablespoons olive oil in large stock pot over medium-high heat. Add pancetta; cook and stir until it begins to brown, 2 to 3 minutes. Stir in onions and celery; cook and stir until onions start to turn translucent, about 3 minutes. Stir in minced garlic and cook for another minute.

STEP 2:

Pour chicken broth, water, and plum tomatoes into the pancetta and onion mixture. Bring to a simmer.

STEP 3:

Stir cranberry beans, cabbage, garbanzo beans, red pepper flakes, Italian seasoning, and 2 teaspoons salt into broth mixture. Bring to a simmer and cook until cranberry beans are tender, adding more water as needed if the soup becomes too thick, about 45 minutes.

STEP 4:

Stir in Swiss chard and simmer until softened, about 15 minutes. Season with salt and black pepper to taste.

STEP 5:

Stir in pasta and increase heat to medium-high and simmer until pasta is tender, about 15 minutes. Ladle into bowls and top with extra virgin olive oil, Parmigiano-Reggiano cheese, and Italian parsley.

# OBITUARIES

## Kathleen Corcoran

Nurse who dedicated her life to the care of others

Kathleen A. “Kathi” (Coleman) Corcoran of Winthrop passed away on Oct. 23 at the age of 65.

Kathi was a lifelong resident of Winthrop where her home on Fairview Street was al-ways overflowing with family, friends and fun. She dedicated her life to the care of others with a distinguished nursing career of more than 40 years during which she was adored, admired and respected by her pa-tients and colleagues.

Kathi had such an engaging personality, de-fined by her warmth, sense of humor, and love of family, that will be treasured and missed by many.

Kathi was the beloved wife of the late Wil-liam T. “Bill” Corcoran and the devoted mother of Molly A. Corcoran Barboza and her husband, Dave of Winthrop and Matt W. Corcoran and his girlfriend, Dianna Lui of Melrose. In recent years, Kathi cherished her role as grandmother “Mema” of Zsa Zsa and William Corcoran Barboza. Kathi

was a dear sister of Mary A. Coleman of Winthrop, Diane F. Fitzpatrick and her husband, Wil-liam of Bos-ton and Michael F. Cole-man and his wife, Jacqueline of Florida as well as a sister-in-law of Priscilla Corcoran-Oates, Mi-chael B. Corcoran, Jr. and Lawrence E. Corcoran, all of Lynn, Margaret J. Wilson of Franklin, N.H., and the late Richard J. and Carolyn Corcoran. Kathi is also survived by many loving nieces and nephews, all of whom will miss her dearly.

A Funeral Mass was held in St. John the Evangelist Church in Winthrop on Monday, Oct. 28 at 10 a.m. Funeral arrangements were by the Maurice W. Kirby Funeral Home, 210 Winthrop St. Winthrop. Crema-tion was private. For guestbook, please visit: [www.mauricekirbyfh.com](http://www.mauricekirbyfh.com).

### PRAYER TO THE BLESSED MOTHER

(never known to fail)

O Most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. O Star of the Sea, help and show me where you are my Mother, O Holy Mary, Mother of God, Queen of heaven and earth, I humbly beseech you from the bottom of my heart, to succor me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin, pray for us who have recourse to thee. (3 times). Holy Mary, I place this cause in your hands. (3 times). Say this prayer for 3 consecutive days, then you must publish and it will be granted for you. Grateful thanks.

NEWS FROM AROUND THE REGION

CHARLESTOWN  
MAN SENTENCED  
FOR DISTRIBUTING  
FENTANYL

CHELSEA - A Charles-town man was sentenced Oct. 17 at federal court in Boston for distributing fen-tanyl out of a Chelsea apart-ment.

Cruz Villar, 32, was sentenced by U.S. District Court Judge Indira Talwani to three years in prison and five years of supervised re-lease. In June 2019, Villar pleaded guilty to one count of distribution and posses-sion with intent to distrib-ute fentanyl and one count of possession with intent to distribute 40 grams or more of fentanyl.

On June 22, 2018, Vil-lar was observed by law enforcement in a hand-to-hand sale of fentanyl to a customer in a parking lot in Dorchester. After the sale, agents recovered approxi-mately 11 grams of fentanyl from the customer and ap-proximately \$1,446 in cash from Villar. A subsequent search of an apartment in Chelsea that Villar had been renting—but in which he had not been residing— resulted in the recovery of ap-proximately 87.4 additional grams of fentanyl, along with components of a drug press, a digital scale, two blenders, bottles of a cut-ting agent, and packaging materials, including plastic wrap and plastic baggies. In addition, Villar made reg-ular trips from the Chelsea apartment to an address in Mashpee in a manner con-sistent with the distribution of narcotics.

United States Attorney Andrew E. Lelling and Jo-seph R. Bonavolonta, Spe-cial Agent in Charge of the Federal Bureau of Investi-gation, Boston Field Office, made the announcement today. Assistant U.S. At-torney Brian A. Pérez-Daple of Lelling’s Criminal Divi-sion prosecuted the case.

OFFICIALS  
SEEKING TO  
INCREASE LIQUOR  
LICENSES

CHELSEA - City offi-cials are looking to increase the number of liquor licens-es in Chelsea.

The City Council sent to subcommittee a draft of a home rule petition to the

state legislature that would allow the city to issue 10 new liquor licenses. It is ex-pected the Council will take further action on the issue in the coming month.

The city is currently at its limit for all-alcohol li-censes, which is based on a community’s population.

“Because several Coun-cilors have expressed to me concern about this prob-lem, and because it does constrain our ability to at-tract additional hotels and restaurants to the City, it may be time to restart dis-cussions on a Home Rule Petition for additional li-censes,” said City Manager Thomas Ambrosino.

The Council considered a similar petition in 2014, but decided against its adoption and submission to the state legislature at the time, Ambrosino said.

The home rule petition drafted by the City Man-ager is based on the 2014 draft, and does place some limitations on the liquor li-censes.

“This proposal, as draft-ed, would allow for an additional 10 licenses to the city, limited to hotels, restaurants, and large func-tion halls,” said Ambrosino.

In addition, the new li-censes would be Chelsea licenses only and would not be transferable by the licensee. If the licensee sold or closed its business, the li-cense would revert immedi-ately to the city.

Ambrosino suggested that representatives from the city’s business commu-nity be invited to the coun-cil’s subcommittee meeting on the issue to discuss its pros and cons.

•In other business Mon-day night, the Council unanimously approved a request by Ambrosino to develop a municipal elec-tric aggregation plan and take actions necessary to prepare the plan for sub-mission to the state’s Public Utilities Department.

Municipal electric ag-gregation is a way for a city or town served by inves-tor-owned utilities (in Chel-sea’s case, Eversource) to use bulk purchasing power to negotiate electric supply on behalf of their residents and small businesses cur-rently on basic service.

Typically in Massachu-setts, residents and busi-nesses receive their utility’s basic service supply by de-

fault, according to a pam-phlet prepared by the Met-ropolitan Area Planning Council (MAPC).

With the Council’s ap-proval, the City will now hire an energy broker to assist the city in designing an aggregation plan. Once the draft plan is complet-ed, it will be submitted to the state if approved by the City Council.

If that plan is then ap-proved by the state, the City would then solicit bids for a municipal electric supplier.

“Once a new electric supplier is selected and con-tract executed, the City will notify all members of the community who are basic service customers of Ever-source that their electric supply will be switched,” stated Ambrosino in a letter to the council.

Customers in the city will have the opportunity to opt out at the beginning of the process, or at any time after that without penalty, the City Manager added.

DeMARIA UPDATES  
COUNCIL ON  
POTENTIAL  
PURCHASE OF  
POPE JOHN  
BUILDING

EVERETT - Mayor Carlo DeMaria appeared before Council Oct. 15 to provide an update on the sale of the Pope John XXIII High School site, which he hopes to purchase and con-vert into affordable housing for seniors and veterans.

That plan was first re-ported in the Independent earlier this month.

“A lot of our seniors have a difficult time paying rents in the city,” said the Mayor. “People are struggling. The government needs to step in and help.”

Based on an initial ap-praisal, the 2.5-acre prop-erty at 888 Broadway was valued at \$12 million. The old school building would likely be razed to accom-modate a new three-story construction containing 300 to 400 housing units.

The property would give preference to Everett res-idents, with up to 70 per-cent of its units rented out to people who have lived in the city for at least two years according to the U.S. Census. This is a preset percentage imposed by the state.

THAT’S THE WAY TO DO IT!

Above, Ericksen Henriquez celebrated Chelsea Day on Saturday, Oct. 19, with pumpkin, popcorn, a fire helmet, and emanating all kinds of coolness from his stroller. The Chelsea Day festivities were brought back this year, closing off Chelsea Square, and finding great success throughout the day. To keep the party moving, DJ Edwardo Chacon entertained the crowd at Chelsea Day with great tunes on the turntables.

In addition to residential units, the Mayor said that the acreage could also in-clude ground-level retail, outdoor dining and public open spaces.

“I’m looking to do some-thing appealing to comple-ment the park across the street,” he said.

The Zoning Board would also require that there be sufficient parking spaces available for guests and visiting nurses. The idea of a shuttle service for the de-velopment was also raised.

The Mayor said that he wanted Council’s support before entering into price negotiations for the prop-erty. He is planning to use state rather than federal funds, and suggested possi-bly using the income from Encore to finance the pur-chase.

“We could use that mon-ey to reduce taxes for resi-dents for one year,” he said, “or we can give a lifetime of benefits to seniors through purchasing this property.”

Councilors expressed strong support of the May-or’s vision, with Councilor Michael McLaughlin call-

ing it one of the “best ideas” he’s heard in a long time, and Council President An-thony DiPierro saying, “it’s about time the City steps in and does something of this magnitude.”

“This is a good idea for the community,” said Councilor Wayne Matews-ky. “There isn’t a week that goes by that a senior citizen doesn’t call me asking for affordable housing.”

“I like the idea,” echoed Councilor Peter Napolitano. “[This is] one of the chief complaints of our residents. We don’t want to push long-term residents out, people who’ve built this community.”

“I’ve been fighting for this for a long time,” said Councilwoman Rosa Di-Florio. “I’m in favor of this 100 percent.”

The councilwoman also urged establishing an equi-table way of deciding who gets to inhabit the new con-struction under the 70 per-cent local preference.

“I have a lot of friends who moved out of the city because they couldn’t af-ford the rent. They want to

come back,” she said. “If they were here for twenty years and they were forced out, I would hope we would [give them priority].”

Councilor Fred Capone also raised the issue of prior contamination of the land and urged the City to fully assess the history of the parcel.

“We want to know what we’re getting into before we get too far into it,” he said.

The Mayor’s office is currently in conversations with the Archdiocese, which owns the school site and which will be main-taining it through the winter months. They will carry out more detailed appraisals and abatement tests in the coming weeks.

The Mayor said he hopes to move forward “at a rap-id pace” and to put out an RFP within six months, with a preference for devel-opers who have experience building affordable housing for the elderly. Tony Sousa, the director of Planning and Development, said con-struction could begin as early as next year.
