TURCO VOTES
IN FAVOR OF
MASSACHUSETTS
GAS TAX HOLIDAY

Breaking from the vast majority of his Democratic colleagues in the Massachusetts House of Representatives, State Representative Jeffrey Rosario Turco (D- Winthrop) co-sponsored a budget amendment to suspend collection of the state gas tax during the summer months of 2022. Of the 129 Democrats in the House, only Turco and three others supported suspending the gas tax. When asked why he would continue to support this measure in the face of heavy Democratic opposition Turco responded, “I was elected to represent the hard-working people of Winthrop and Revere and I will unequivocally support any piece of legislation that benefits my constituents, regardless of whether it was proposed by a Democrat or a Republican. With both tax revenue and gas prices spiking to their highest levels in history over the course of the last few months, I simply believe that the Com-

Bob DeFelice receives Ron Burton Distinguished American Award

By Cary Shuman

Bob DeFelice had the crowd in his hands from the outset of his speech after being announced as the recipient of the prestigious Ron Burton Distinguished American Award Sunday at the National Football Foundation Jack Grinold Eastern Massachusetts Chapter Dinner Sunday at the Newton Marriott.

Said the former Winthrop High football coach and retiring baseball head

coach at Bentley University where the field is named on his honor, “They always put out your records and talk about how many games you win (848 victories at Bentley). But one thing they always leave out – they forget to tell you that I’ve lost over 1,000 games and hold the record for the most losses in the history of college baseball.”

The remark drew laughter from the audience for the humble, three-sport

Edwards speaks at Winthrop Republican Town Committee event

By Cary Shuman

State Sen. Lydia Edwards was the guest speaker at a Winthrop Republican Town Committee event Monday night at the Robert A. DeLeo Senior Center.

WRTC Chair Paul Caruccio delivered the opening remarks at the forum. “This event sprouted from Senator Edwards’ in-

terest in understanding the priorities of our community and the Winthrop Republican Town Committee’s interest in expressing a different perspective on issues than that which proliferates on Beacon Hill,” said Caruccio.

“We believe understanding the views of all of the electorate is vital to

Ribeiro is a shining light of innovative leadership and perseverance at FKO

Like many others, For Kids Only Afterschool (FKO) Staff Member and Winthrop Resident Leila Ribeiro lost her two jobs at the onset of the COVID-19 pandemic. Leila worked as a house cleaner and helped with children’s parties, both jobs, which were deemed non-essential, had abruptly shut down. Due to the loss of income, Leila started to receive support from Mi Amore, a food pantry for Winthrop residents in need.

Leila Ribeiro.

As schools across the state shut their doors,

FKO, in need of staffing support for their full-day Covid Emergency Child Care program, welcomed an interview with Leila. At the time, Leila spoke very little English but her enthusiasm, passion and love for children shined at her interview. “Leila personifies all of FKO’s Core Values,” said Deputy Director, Briana Flannery. “It’s been amazing to watch her grow and evolve alongside the children.”

Since 2020, Ribeiro, who began at FKO as an Assistant Group Leader, has worked her way to Group Leader where she is now in charge of kindergarten and first grade

children. At FKO Winthrop, Leila spearheads an enrichment called Little Architects, a project she started last year. Children

monwealth can afford and taxpayers deserve a break at the pump.”

For context, in May of 2021, the average price of a gallon of gasoline in Massachusetts was \$2.91. This month, the average price across the Commonwealth is \$4.60, 51 cents higher than the previous monthly record set in July 2008 at the height of the Great Recession.

TURCO SECURES FUNDING FOR WINTHROP IN MA HOUSE BUDGET

After three long days of debate, the Massachusetts House of Representatives passed its Fiscal Year 2023 Budget around 8 pm on April 27. Having been engrossed by the House, the budget will now move ahead to the Senate for further deliberation. The \$49.73 million budget included significant investments in education, veterans' affairs and pub-

lic safety, three issues of paramount importance to Winthrop's State Representative Jeffrey Rosario Turco. In terms of education, Rep. Turco succeeded in his push to guarantee full funding of the Student Opportunity Act, which ensures every student in the Commonwealth, regardless of socio-economic status, receives access to a quality education. With regards to veterans' affairs, Turco cosponsored an amendment to provide increased funding for the training of service dogs to help physically or mentally impaired veterans. He also worked closely with Rep. Jessica Giannino of Revere to secure funding for State Police Patrols along Revere Beach to ensure the safety and security of America's first public beach.

Beyond the statewide issues, Representative Turco fought hard for his hometown constituents in Winthrop. Turco success-

fully acquired funding for CASA, Community Action for Safe Alternatives, a non-profit organization dedicated to helping combat substance abuse located on Pauline Street. A tireless advocate for public safety, Turco also lobbied successfully to include funding for a child safety program in Winthrop.

Overall, Rep. Turco was pleased with the outcome of his first full budget process after his special election back in April of last year. “This year's House budget was a win for the people of Winthrop and Revere,” said Representative Jeffrey Rosario Turco (D-Winthrop). “With the help of my colleagues, we were able to secure a number of important budget items, including funding for: the Robert J. Haas Health and Wellness Center in Revere, initiatives to combat domestic violence in Winthrop and child safety programs in both Winthrop and Revere. I would also like to thank Speaker Mariano and Chairman Michlewitz for their leadership and guidance throughout the entire process.”

UPCOMING AMERICAN LEGION EVENTS

The American Legion Post 146 is hosting the following events free to the public.

• May 29, at 9 a.m. a marine memorial service will be held at the Winthrop Elks Marina celebrating and remembering all who went down to sea in ships during times of conflict. The Winthrop emblem club will place a wreath of

flowers and the American Legion will present honors to those remembered. All are welcome to attend.

Following this service, a mass will be celebrated in honor of those remembered at Saint John's the Episcopal Church on Bowdoin street Winthrop, at 10 a.m. All are welcome to attend.

• May 30, at 10 a.m. the American Legion is hosting a memorial day service at the cemetery field house located on River Road and Cross Streets. All are welcome to attend and join in a moment of silence for those who served in our armed forces since this great country began almost 250 years ago. Honors will be rendered according to military tradition, speeches will be made and individuals will be recognized for their respective contributions to our freedom and way of life. Patriotic music will be provided and sponsored by the friends of Winthrop beach.

• May 30, at 1 p.m. the American Legion is hosting a musical concert on Winthrop town hall common, featuring the Boston firefighter marching band. Playing a rendition of patriotic tunes. This is a one hour event, free to the public.

ITALIAN CHICKEN SAUSAGE & PEPPERS

INGREDIENTS:

- 1 red bell pepper, cut into 1" pieces
- 1 yellow bell pepper, cut into 1" pieces
- 1 orange bell pepper, cut into 1" pieces
- 1 green bell pepper, cut into 1" pieces
- 1 lg sweet onion, cut into thin wedges
- 2 cups grape tomatoes
- 2 tbsp olive oil, divided

- 1 tbsp balsamic vinegar
- ¼ tsp Italian seasoning
- ¼ tsp salt, divided
- ¼ tsp ground black pepper, divided
- Half of Parisian loaf, thinly sliced
- 1 (12 oz) package cooked Italian chicken sausage, sliced diagonally into thirds
- 1 tbsp snipped fresh oregano

DIRECTIONS:

STEP 1: Arrange 2 racks in middle and upper thirds of oven and preheat to 425 degrees F (220 degrees C). Line two 10x15-inch baking pans with foil.

STEP 2: Toss bell peppers, onion, and tomatoes together in a large bowl with 1 tablespoon oil, balsamic vinegar, Italian seasoning, 1/8 teaspoon salt, and 1/8 teaspoon black pepper. Transfer to one of the prepared pans.

STEP 3: Roast in the preheated oven for 30 minutes.

STEP 4: Meanwhile, drizzle bread slices with remaining olive oil and sprinkle with remaining salt and black pepper. Arrange on the other prepared pan.

STEP 5: Remove the vegetables from the oven; push to one side of the pan.

Add sausage to the exposed portion of the pan.

STEP 6: Roast until vegetables are tender and sausage is heated through, 10

to 15 minutes more, adding the pan with bread in the last 5 minutes of roasting time. Sprinkle vegetables and sausage with oregano and serve with bread.

Help CASA in celebrating its 25th Anniversary Giving Campaign

Special to the Transcript

CASA is celebrating 25 years of being a valuable free community resource! CASA was created in 1997 by two friends: Brenda Curry and the late MaryAnn Lounsbury, concerned parents of high

school students who saw issues arise related to substance abuse in Winthrop. They recognized not only the need for youth to have a safe place to hang out, but for one for their guardians and those who care for them to get more information, support, and

resources. CASA acknowledges the importance of working upstream, implementing positive youth development programs and providing resources to young people and their families, in a judgment free environment, before they

good government, and we hope to offer a different perspective this evening than exists on Beacon Hill,” continued Caruccio. “The WRTC hopes this marks the first of many respectful and professional exchanges of this kind with many of our elected officials.”

Edwards, an attorney who previously served as the Boston city councillor for District 1, represents Winthrop, Revere, and

parts of Boston and Cambridge in the 40-member Massachusetts State Senate that consists of 37 Democratic senators and 3 Republican senators.

At the WRTC forum, Edwards answered questions on a wide variety of local, regional, and state issues. Two of the issues addressed were the closure of the Sumner Tunnel and its impact on traffic and commute time for Winthrop residents and

the development at Suffolk Downs and the increase in traffic that will likely happen in the area upon the completion of the project that will be situated in East Boston and Revere.

Caruccio praised Sen. Edwards for appearing at the forum, answering the questions thoroughly, and listening to different perspectives on some of the issues.

“I appreciate Senator Edwards attending this event with the Republican Committee,” said Caruccio. “Philosophically we have different views politically, and I have to give her credit that she came here and gave us her time and she addressed all of the questions, none of which she had ahead of time. The questions were all asked as she was standing at the podium this evening, and we were glad to have her and have her investment in the community.”

Sen. Edwards, who was elected in January, has quickly earned the plaudits of residents in the district for her personal accessibility and her office’s constituent services.

The Community Against Substance Abuse (CASA) staff.

participate in risky behaviors. CASA and its coalition of partners strive to bolster protective factors to reduce risk and to encourage youth to see their strengths.

CASA, a 501-C3 non-profit organization, from its inception as Community Against Substance Abuse, has prided itself in building partnerships within the community and harnessing resources to address issues in our constantly changing world. The organization partners with a variety of local, state and federal partners to advocate for and serve youth and families impacted by substance misuse and oftentimes corresponding mental health needs.

CASA's current programs include free youth-led drop-in groups for middle and high schoolers that provide youth directed activities that address top-

ics relevant to them. Additionally CASA provides a specified LGBTQ+ support group, young women and men's groups, and a social justice group. Other initiatives include a soft skills & career readiness program called Youthworks, and diversion program for students at risk of school suspension or adjudication. All CASA programs are overseen by talented professionals, a board of invested supporters and like-minded volunteers ready to lend a helping hand. All of CASA's programming is completely free of charge to its participants.

While over the years, CASA has been recognized with grant funding on a federal and state level, to truly accomplish its goals of sustaining the organization and responding to needs as they arise, CASA must also rely on fundraising.

To celebrate its 25th anniversary, CASA is inviting the community to get involved and participate in our “\$25 for 25 years” fundraiser!

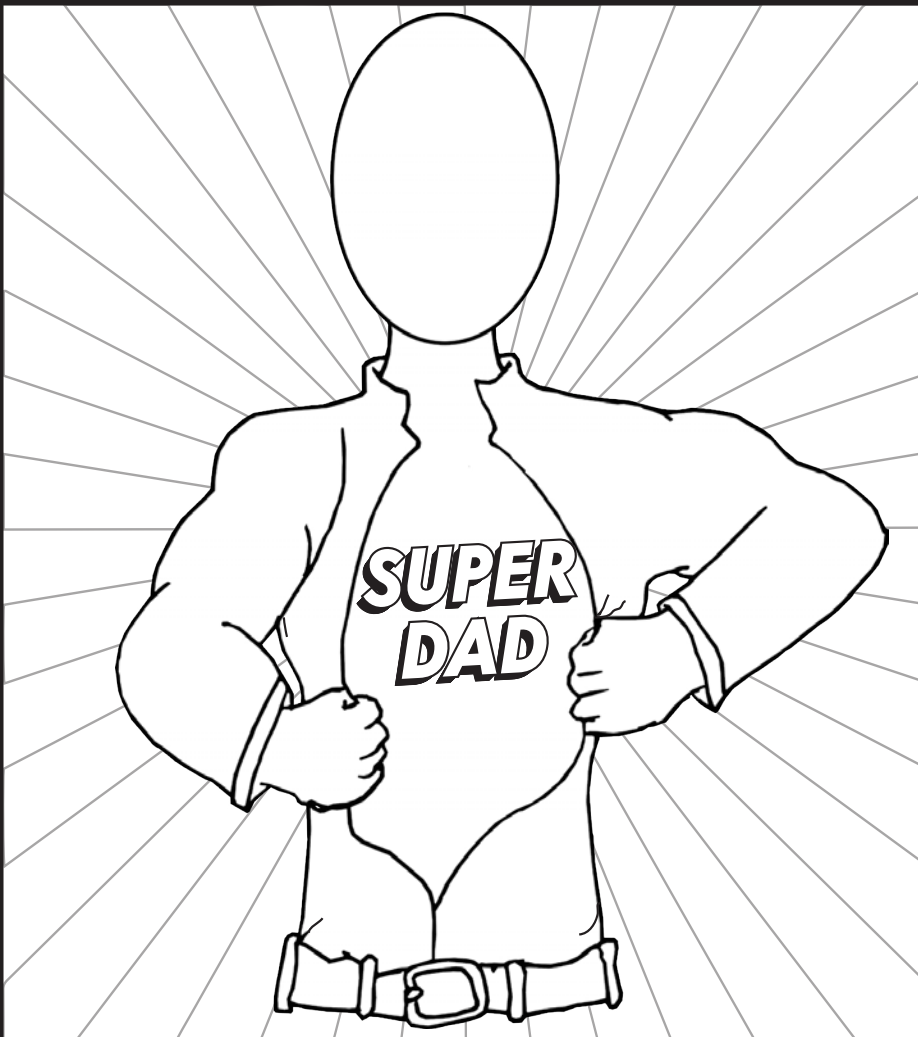

Suggested contributions are:

- \$25 per month
- a one-time donation of \$25
- a one-time donation of \$250
- or any other amount that you feel comfortable donating

Every penny received will directly benefit the Youth of Winthrop!

Please visit CASA at www.winthropcasa.org to learn more about the organization and/or to make a tax deductible donation. Donations may also be mailed to CASA, 45 Pauline St., Winthrop. Look for more in the near future as CASA continues to celebrate its 25 years of support to the community!

OUR Opinions

NO END IN SIGHT FOR OUR RECURRING NATIONAL NIGHTMARE

The horrific and tragic mass shooting that occurred in Buffalo, New York, on a quiet Saturday afternoon in a supermarket in a predominantly Black community once again has highlighted how the intersection of racial hatred fomented by the internet and the easy availability of assault weapons of mass destruction are causing carnage in communities all across America.

The reality is this: There is no place in the United States that is free from the spectre of gun violence.

The small community of Winthrop is coming up on the one-year anniversary of the shooting death of two Black residents by a young white man armed with a high-capacity handgun on an early-summer Saturday afternoon on a peaceful residential street.

And, similar to the shooter in Buffalo, the white gunman in Winthrop espoused white supremacist views with Nazi emblems among his personal belongings and, it is believed, was en route to a nearby synagogue, though fortunately he was stopped by a Winthrop police sergeant who shot him dead just a few blocks away.

As usual, the aftermath of the tragedy in Buffalo brought calls for regulation of the internet to stop the spread of hate movements and for the regulation of the sale of the military-grade weaponry that makes such incidents possible.

But as usual, it's all just a lot of talk. Meaningful gun control by Congress never will happen because of the stranglehold upon the Republican party (and some Democrats) by the gun lobby, despite overwhelming public support for such measures.

And the internet only grows more toxic day-by-day and lurks as a haven for white supremacists to spread their hateful messages on the Dark Web.

America is trapped in a recurring nightmare of a reality of our own creation that, no matter how many times we replay it, we are unable to change.

IF WOMEN WERE WORLD LEADERS, THERE WOULD BE NO MORE WARS

It's well-known that men constitute most of the sociopaths among us. A sociopath by definition lacks empathy, a person who has no conscience.

Although childhood trauma and abuse can alter a person's brain, sociopaths for the most part are born, not made. High-tech imaging has shown that the part of the human brain that triggers an empathetic response in most people is non-functioning (or functions minimally) in sociopaths.

It is estimated that only one percent of humanity are sociopaths, but of those, 75-90% are men. And while there are women who are sociopaths, they tend not to be violent. Sociopathic women share the same traits -- pathological lying, for example -- as male sociopaths, but their goal generally manifests itself in financial gain.

The young Russian/German woman who conned New York society (depicted in the Netflix series, *Inventing Anna*) and Elizabeth Holmes, who fleeced investors in her blood analysis company of hundreds of millions of dollars, are examples of female sociopaths.

Sociopathic men also are con artists. Some psychologists have estimated that 10 percent of the men who work on Wall St. are sociopaths such as Bernie Madoff.

But sociopathic men almost exclusively are the serial killers in our society -- Ted Bundy and others like him -- whose crimes horrify us.

Sociopathic men also are the dictators who have wrought carnage on our planet. Hitler, Stalin, Kim Jong-un, and Vladimir Putin readily come to mind.

And when you combine a sociopathic personality with male testosterone, the end result is what we see happening every day in Ukraine.

World events of the past two years have brought to the forefront the strong women who are the heads of their countries -- Jacinda Ardern of New Zealand, Kaja Kallas of Estonia, Sanna Marin of Finland -- and Angela Merkel was the top leader in Europe for 16 years until she recently stepped down.

We are not suggesting that women are better than men, or vice versa.

But in our opinion, it seems reasonable to believe that if all of our world leaders were women, there would be no more wars.

Buffalo, Laguna Woods, Houston – the world gets crazier every day

By Dr. Glenn Mollette

A good person did not enter a grocery store in Buffalo, New York killing ten people and wounding multiple others. A good person did not enter a church in Laguna Woods, California wounding many and killing one person. A good person did not enter a Houston, Texas flee market killing two and wounding at least three more. These are evil people. The police officer who heroically fought back in the Buffalo grocery store with a gun was a good person. He was trying to protect the other good people who were in the grocery store.

If America rounded up all the guns and used them for only police officers and the military, there would still be evil people. Evil plots, make irrational decisions and go to depraved levels to carry out their heinous acts. What an evil person does is beyond the comprehension of everyday moral people. A mentally depraved person thinks in a sphere of unre-

ality. They have thoughts no one else would ever think. Pathetically they put their thoughts into action. The Buffalo shooter drove hundreds of miles. He bought tactical gear and wore protective armor that enabled him to withstand the security guard's bullets and kill the security guard.

Generally, people used to live their lives concerned about what God or a higher power thought about them. They were interested in pleasing God, their parents, the school teacher, coach or clergy leader. Today, insanity is bowing down to the god of social media. The deranged Buffalo shooter wore a camera so that his social media followers could see what he was doing. People often video themselves sky diving, jumping off cliffs, singing or whatever to show their followers what they are doing. The Buffalo shooter took it to another level and will most likely be mimicked by others. It's interesting that social media has the power to ban

a former President but it can't control or prevent an insane live video feed of someone wanting to show others that he is killing people.

Evil people will find a way to carry out their evil schemes. They will find a way to get guns or use cars, planes, trucks, fire or whatever to hurt others. The people killing people in churches and grocery stores are not deer hunters. They aren't wild turkey or rabbit hunters. They aren't the average citizens who just want a gun for their bedside table for protection. The people perpetrating these crimes are deranged.

Our society must find a way to unarm those who are displaying outward signs of craziness or have any records of unlawful activity. Once again, it's difficult to keep guns out of the hands of bad people because evil works very hard. However, we must continue to try.

Grocery stores, churches and most businesses will eventually have locked doors. You will

need a card to unlock the door much like hotels use today. You will need your name and information registered with the business or house of worship before you'll be able to enter. Armed guards like airport security guards will check your identification when you come to the door. This still doesn't protect the families playing in a city park or those gathering in an open-air sidewalk café. To some extent we will always be vulnerable, everywhere.

The world has felt crazier every day for the last two years. This past weekend proved again that it's not getting better.

ART 949 - TWO HIGHLAND AVE. RESORT INNS - ALOHA & KEARSARGE

Winthrop's strongest resort period was from 1875 to 1940 when those who lived inland and liked to spend some or all of their vacation time by the sea came to Winthrop. Our peninsula hosted some 55 buildings that operated as hotels, inns or rooming houses under some 75 or more names depending on who the current owner was. While 60 percent of those were located in the beach area, the Northern Highlands hill had about six resort type rental establishments. Three of these that were initially built by Hill & White included the Argyle, which in 1916 was enlarged into the Winthrop Arms we know today. The other two were located on Highland Avenue and are the subject of this article. The first was the Kearsarge located at what is now 78 Highland Avenue next door to the large home of the Green family which is still standing at the corner of Highland and Cliff Avenues. In picture one, the Kearsarge Inn is seen as one looked up Highland Avenue. At the far right,

one can see the previously mentioned Green house. According to a late 1890 advertisement in the local paper the Kearsarge had "Broad Piazzas, open fires, electric lights, views of the country and sea. House accommodates 30 guests but its spacious dining room can seat many more as table board is a specialty- - address for circular, the Misses Leeds, proprietors." Reports from that time also state that this was an excellent place to eat. The currently existing red brick building, which stood behind the Kearsarge, can be seen in picture two with only the lower steps to the hotel remaining in the foreground. The red brick building was originally constructed as a "Party House" by General Green who had served in the Spanish American War. At one of his parties, a fellow officer, Theodore "Teddy" Roosevelt, attended the festivities. Theodore Roosevelt was a close friend of the Lodge Family who summered in a mansion in Nahant. It was during a visit to the Lodges that Mr. Roos-

velt came over to one of General Green's parties in Winthrop. It wasn't until recent times that this brick building was converted to a residence. The third picture depicts the Aloha Inn about the same time, at the corner of Highland and Cliff Avenues. Initially opened in 1885 by Mrs. A.W. Fitch who ran it until about 1900 when Charles A. Stoddards bought the building. It continued to operate as a hotel until the late 1930's. Sometime in the late 1940's, it was converted into the Mount Nursing Home which the Mount family ran until 1963 when the building was razed. Picture four depicts the three homes that are on this land today.

Many such Inns/Rooming Houses existed in Winthrop from 1885 to 1940 and as more is learned about them, they too will be the subject of future articles. If anyone knows of other such resort facilities, it would be appreciated if you would please advise this writer accordingly.

The winners of the \$10,000 cash prize at the Winthrop Chamber of Commerce Dinner Saturday night at the Cottage Park Yacht Club were Richard Gay, Paul Travaglini, Richard Honan, and Ernie Caggiano.

The Winthrop Memorial Day festivities will include a parade this year, as Winthrop continues its effort to include a parade at least every other year for the Memorial Day observances. "Lou Camacho, Richard Honan, and Richie Duvall have been working hard putting together the parade for this year and from what I hear, it's going to be quite a good parade," explained Veterans Director Larry Holmes. "I think they're going to have four bands and lots of military equipment and marching units."

Several members of the Winthrop School Committee joined Superintendent John Macero at the Town Council meeting on Tuesday night, as the school department awaited a decision on its transfer request of \$208,800, which is needed to close a deficit in the line item for special needs tuition payments to out of district placements. However, the council voted to delay taking action pending further information.

Town Manager James McKenna announced at the Council Meeting Tuesday night that there will not be a fireworks display in the town for the Fourth of July Independence Day celebration.

The town has begun its search for a new chief financial officer. Town Manager James McKenna told the Council that he has developed a comprehensive job description and advertising for the position is underway. The position became vacant following the resignation of former CFO Michael Bertino.

Budget matters will be the principal issue to be faced by Town Meeting members when they convene tonight at 7:30 in Memorial Auditorium for the 2002 annual Town Meeting. The selectmen and Advisory Committee will present conflicting budget scenarios for Town Meeting to choose from. However, both of the suggested budgets likely will result in cutbacks of town services and layoffs of town workers, with the School Department facing the loss of 11 to 16 teachers.

Memorial Day ceremonies this year will include the dedication of the intersection of Bartlett Rd. and Pleasant St. in honor of Marine Lance Corporal John A. "Jay" Countaway, who died in Vietnam in May, 1968. Countaway was a 1965 grad of Winthrop High. He joined the Marines in January, 1967, and was wounded in action in April, 1968. He could have left Vietnam, but decided to return. He was killed in action on May 14, 1968, just shy of his 21st birthday.

The selectmen voted 2-1 to name Ernest Gauthier as the Interim Building

Inspector.

The School Committee has made some dramatic changes to its proposal for new schools that will be presented to the Special Town Meeting June 11. Eliminated is a plan for a 16-20 room elementary school at the Brookside Rd./Lincoln St. end of Ingleside Park, as is the plan for an addition of 9-11 rooms at the Highland School. Instead, the committee will be seeking approval for a new, three-year high school at Veterans Field. This will allow for the present senior high school to be renovated for use as a new junior high school and the present junior high school, the E.B. Newton, to be used as an elementary school. Grades 1-3 from the Centre School will be transferred to the E.B. Newton, with the wooden Centre School to be demolished.

The Winthrop Community Hospital has received a \$127,000 grant from the federal government for the construction of a new nursing residence and a school for practical nursing.

The possibility of a permanent ban on swimming at the town's inner harbor beaches loomed large this week after studies of the waters turned up signs of significant pollution. The Winthrop Pollution Control Committee said the surveys show that during periods of high southwest winds, which are typically prevalent during the summer months, pollution levels are highest in the Winthrop inner harbor areas.

Memorial Day exercises are set for Wednesday, May 30, with a parade featuring bands and a military marching unit.

Debra "Debbie" Lee McClelland

Loving wife, mother, grandmother, daughter, sister and friend

Debra "Debbie" Lee McClelland, 64, of Kennebunk, ME, formerly of Norwell and Hampton, NH, passed away peacefully at home on May 14 surrounded by her loving husband and three sons.

Loved ones will remember her for her incredible kindness, sense of humor, positivity, strength, courage, and endless gratitude. She was a loving wife, mother, grandmother, daughter, sister and friend.

The beloved wife and best friend of Bruce for 42 years, she was the proud mother of Mark McClelland and his wife, Janine Santilli of Winthrop, Dan McClelland and his fiancée, Lauren Cristoferi of Marshfield and Steven McClelland and his partner, Eric Evangelou of Portland, ME; proud grandmother, "Yaya" of Xander and Flynn; beloved daughter of the late Mary (Stevenson) and Ralph "Jimmy" Monegan; loving sister of Val Monegan, Mike Monegan and his wife, Carol; beloved daughter-in-law of the late William and Frances (Tirrell) McClelland; loving sister-in-law of Lianne (McClelland) and Jimmy Higgins and Robert McClelland and his wife, Sissy. She is also survived by a caring and supportive group of nieces, nephews, extended family members, and close friends.

Debbie was very active and had a profound appreciation for nature from a young age. Her favorite activities included hiking, skiing and swimming. She loved spending time at the beach, where she collected sea glass, driftwood and stones – eventually transforming them into beautiful pieces of artwork or jewelry. She was a talented artist who loved expressing her creativity through writing, painting, sewing, cooking and crafting.

She had a love for pop culture and nostalgia – plays, musicals, music, TV shows, movies, actors and singers were some of her favorite topics to discuss. She was always up for puzzles, trivia contests or games, whether using a board, dice, cards or controller. She enjoyed playing Nintendo, especially Dr. Mario with her husband, Bruce, well into their fifties.

Debbie met and fell in love with Bruce when they were seniors at Winnacunnet High in Hampton, NH. She always excelled in school, graduated as class valedictorian and later from Smith College cum laude. Throughout her education, the only thing

she valued more than her academic achievements were the lifelong friendships she cultivated along the way.

She and Bruce married shortly after graduation and settled in Norwell in 1985. She worked in numerous roles for the town, including as an active member of the planning board and conservation committee. She also became a substitute teacher and classroom aid at different schools throughout the South Shore and supported Bruce in starting his business in 1991.

Ultimately, being a selfless mother to her three boys was Debbie's most valued role. She loved baking treats, sewing costumes and making every birthday and holiday special. Helping them with homework, teaching them to swim, and planning trips to places like Disney World were just a few of her favorite memories with them. Above all, spending quality time with her husband, sons, grandsons and beloved dog, Maggie, gave her the most joy in life.

Debbie was a true warrior throughout her battle with breast cancer. From the time of her first diagnosis in 1988 until her fourth in 2020, she handled dark moments with grace, determination, and humor. Her devoted husband never left her side throughout the endless appointments and painful effects of chemo and radiation therapy. Raising her boys and watching them grow into caring and loving men was always the driving force behind her strength and perseverance, which never wavered.

For those who were lucky enough to call Debbie a friend, you know that she wanted us to celebrate her life. We will celebrate her positivity through the kindness and compassion we show to others because she will always be with us. Our family is incredibly appreciative of the outpouring of support from family, friends, doctors and caretakers.

There will be a private service for immediate family only. "I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel" ~ Maya Angelou

Countdown to federal REAL ID requirement's effective date begins

Staff Report

The Massachusetts Registry of Motor Vehicles (RMV) is reminding customers of the federal requirement that anyone traveling by plane domestically, or wishing to enter certain federal buildings, will need acceptable identification credentials, effective May 3, 2023. Acceptable credentials can include an RMV-issued REAL ID driver's license or ID, or a valid passport. The Registry is encouraging customers who are seeking a REAL ID compliant license or identification card to make an appointment at a statewide RMV Service Center to secure this credential before the federal requirement takes effect next year.

"While federal REAL ID travel requirements won't take effect until May 2023, and customers with a valid passport may never need a REAL ID, the RMV and our partners at AAA stand ready to accommodate and provide plenty of time for customers to take advantage of a REAL ID upgrade," said Registrar of Motor Vehicles Colleen Ogilvie. "Customers are encouraged to take time now to check the expiration date on their Massachusetts driver's licenses or identification cards, and if seeking a REAL ID, plan ahead and be prepared by having available all of the required documentation needed to secure this credential."

"As of May 3, 2023, travelers will need a REAL ID or valid passport to fly at all U.S. airports," said Massport Director of Aviation Ed Freni. "We don't want passengers to be in a position where they can't fly so we are urging passengers to get their REAL ID before the deadline next year."

The RMV has posted helpful information on REAL ID requirements that customers can use to prepare for their in-person visits, including convenient document checklists to help pre-stage REAL ID applications, at Mass.gov/ID. Documents required for this transaction include two proofs of Massachusetts residency, proof of a full Social Security Number (SSN), and proof of lawful presence. These required documents must be original or certified versions. The RMV recommends customers check these documents early, as well as to order replacements before license/ID expiration.

Currently, Massachusetts is at 41% REAL ID adoption with over 2.3 million credentials being REAL ID compliant. Customers are eligible to renew up to one year in advance of the expiration date printed on their license or ID, and up to two years after the expiration date. Currently, roughly 1 million license/ID holders in the state have cards expiring within the next 12 months, and they are now eligible to renew early and receive a REAL ID upgrade by making an appointment at an RMV Service Center or AAA location, if you are a member.

Prior to May 3, 2023, customers will not yet need a federally compliant REAL ID for the purposes of boarding domestic flights or entering certain federal buildings. The fee for renewing a non-commercial standard or REAL ID license is \$50 (\$25 for a Mass ID), while the fee for upgrading to a standard or REAL ID card is \$25.

For additional information and details on these and other RMV service offerings, please visit www.mass.gov/rmv.

All types of services for all types of people.

Some people prefer traditional funeral services. Others prefer cremation. Some want an elaborate ceremony. Then there are others who don't want any ceremony at all. When it comes to funerals, there are as many options as there are people. And we take pride in being able to say we offer them all.

WHS BOYS TRACK DEFEATS SAUGUS, 77-45

Nichoals Cappuccio turned in yet another stellar performance to lead the Winthrop High boys outdoor track and field team to a 77-45 victory over Saugus last Wednesday.

Nicholas took first place in three events to score 15 points on the day: He won the 100 meter dash (no official time was recorded), the 200 dash with a sprint of 24.32 seconds, and the long jump with a leap of 16'-6".

Peter Jurovich was a double-winner for Winthrop, capturing the shot-put with a throw of 36'-5" and the discus with a spin of 90'-1".

Other first-place finishers for the Vikings were:

-- Daniel Guauque in the triple jump (26'-0"). Daniel also grabbed a

second in the discus (69'-7") and in the 100 dash to score 11 points for the Viking side of the score-sheet;

-- Luke Riley won the javelin with a throw of 103'-10" and scored a point with a third in the discus (67'-7");

-- Benjamin Prew took top honors in the 400 meter hurdles with a clocking of 1:12.98 and took second in the javelin (90'-3");

-- Ryan Cash won the mile with a clocking of 6:12.04; and

-- John Rice won the two-mile run in a time of 14:21.19.

Eric Azbegu scored three points with a second in the 110 meter high hurdles with a time of 22.45.

William MacMullen

grabbed third in both the javelin with a toss of 77'-7" and in the 200 dash (27.75);

Brady Tallent took

a third in the 400 dash (1:20.58) and William Navarro grabbed third place in the 800 in 2:56.62.

FERGUSON, MCCAREY SHINE FOR WHS GIRLS TRACK TEAM

Although the Winthrop High girls outdoor track

and field team came up short by a score of 72-52 in their meet with Saugus last week, a number of Lady Vikings turned in superb performances.

April Ferguson scored 14 points on the day. April won the javelin with a throw of 52'-2" and the two-mile in 14:01.90;

JACK OF TWO TRADES

Wallace is winning on the diamond and on the course

By Cary Shuman

Winthrop's Jack Wallace is traveling down a road in NCAA sports this spring that few have ever navigated with as much success.

Wallace is a pitcher for the No. 1 ranked team in the nation, the Eastern Connecticut State University Warriors, who are trying to get to Cedar Rapids, Iowa for the Division 3 College World Series.

But here's where Jack

Wallace is in a class by himself: he is also an ace golfer for the Little East champion ECSU team. He's competing in two sports simultaneously and making a big impact in both programs.

It's going exactly how Wallace, 23, hoped it would go after committing to Eastern Connecticut as a graduate transfer following an excellent career at Franklin Pierce University where he received his degree in

Sports Management.

"It's crazy to actually think it's going exactly what I thought," said Wallace. "When I decided to go here to pursue my master's degree [Organizational Management], I had the feeling in the back of my head that we could be one of the best teams in the country."

Baseball, golf are familiar territory
Jack Wallace was a

big-time, baseball-golf standout at Winthrop High School. He led the Northeastern Conference in batting average with a .505 mark and was All-Conference. His pitching and hitting helped him earn a spot in the Division 2 power Franklin Pierce baseball program.

He was also the Northeastern Conference individual golf champion, the

took second in the 800 (2:49.12); and grabbed third in the discus (32'-6").

Nora McCarey won the 100 meter hurdles in a time of 20.2 and the mile in 7:27.33, and took second in the triple jump (29'-3") for a total of 13 points.

Rebecca Lindstedt took the five points in the 400 meter hurdles (1:30.22) and a third in the 400 dash (76.47).

Shannon Abbott scored five points in the high jump with a leap of 4'-2".

Daniela Gomez won the shot-put with a toss of 21'-3.5" and grabbed third in both the 100 dash with a sprint of 15.03 and the 200 dash (32.53).

Scoring three points for the Lady Viking side with a second-place effort was Olivia Skomro in the javelin (47'-10").

Arianna Cappuccio added a third place point in the long jump (13'-2").

TOUGH LOSS FOR WHS BASEBALL

The Winthrop High baseball team dropped a heartbreaking 4-3 decision at Salem in the bottom of the seventh inning last Wednesday.

Entering the fateful seventh, the Vikings had led all the way behind a great pitching performance by Cam Martin and two-run single by Joseph Hayes.

However, the Witches scored three runs in their last at-bat to overcome a 3-1 Winthrop lead for the walk-off victory.

"Unfortunately, we lost in the bottom of the seventh as they were able to get some timely hits," said WHS head coach Mark DeGregorio.

The Vikings then fell short in their two contests later in the week to Beverly and Masconomet.

"These two games put us at six games in nine days," noted DeGregorio. "I think some fatigue set in against these two teams, as we did not play like we have been all year.

"We were not able to get much going against Beverly's number one pitcher," DeGregorio added. "We did get a solid pitching performance from freshman Jay Fotiadis. Beverly is one of the best hitting teams in the conference and is currently the top team in the NEC North according to the standings.

"Jay did a good job early of limiting hard contact, but we were not able to capitalize early enough and then the Beverly bats got hot," said DeGregorio.

In the Masconomet contest, which was a make-up game, the Vikings were led by a 2-for-2 performance from Colin Kinsella with a triple and a walk.

Senior Joe Ferullo stroked a double that was only a few feet away from going out of the park. Winthrop also got hits

from sophomores Evan Rockefeller and Matt DeCarney, as well as freshman Phil Boncore.

"We got down early in the game after an offensive explosion from Masconomet in the first inning and we were unable to rebound," said DeGregorio. "We were able to hold them to no more runs for the remainder of the game after a solid few innings on the mound from Zach Bogusz, but we were not able to chip away enough to get back into the game."

DeGregorio and his crew, who are ranked 24th in Division 4 in the MIAA power ratings (which would earn them an automatic berth in the post-season state tourney), were scheduled to host Peabody yesterday (Wednesday) and trek to Swampscott tomorrow evening (Friday) at 6:30.

They will make the long bus ride to Gloucester on Monday and make the short trek to Chelsea next Thursday.

EMMA HOLMES SHINES FOR WHS GIRLS LACROSSE

Although the Winthrop High girls lacrosse team came up short in its contests with Beverly and Cam Martin and two-run single by Joseph Hayes, Lady Viking junior Emma Holmes recorded a pair of fine offensive performances.

Emma netted a hat trick in the Beverly game and scored four goals and notched three assists against Peabody.

Mia Martucci added a goal and an assist vs. Beverly and Hannah Parker also reached the back of the Lady Panther net.

Martucci struck for two goals and an assist vs. Peabody and Parker added a goal and assist. Sam Dimento was credited with an assist in that contest.

WHS goalie Adrianna Rizzotto made five saves in both matches.

"Reese Brodin and Abby Holmes had really great defensive games," said WHS head coach Emma Marrs. "The whole team worked really hard to re-defend on the transition out from our defensive end."

Marrs and her crew host Danvers today (Thursday) at 4:00, Northeast Regional on Monday at 6:00, and Revere on Wednesday at 4:00.

WHS GIRLS TENNIS EDGES PEABODY, 3-2

The Winthrop High girls tennis team earned a hard-fought 3-2 victory over Peabody last Wednesday.

The Lady Vikings received victories at number 1 singles from captain Kendall Brant and at number 3 singles from Mira

Ivanis.

The first doubles duo of captains Maddie Rossi & Emma Forsyth closed it out with a nice win.

The Lady Vikings came up short in their match with Masconomet by a score of 5-0 the following day.

"We got blitzed by Masco, but that was expected," said WHS head coach Mike Nickerson. "They are the best girls tennis team that I have ever seen."

Although Winthrop dropped their match at Watertown last Friday, 4-1, "It was actually a lot closer than the score would indicate," said Nickerson.

Senior captain Brant continued her excellent season with a win at first singles.

Genesis Bueno and Ivanis lost three-set matches at #2 & #3 singles respectively.

"That was a tough match, but the singles players played their hearts out in the heat," noted Nickerson.

However, the Lady Vikings rebounded on Monday with a solid 4-1 win over Gloucester.

Winthrop got the singles sweep from Brant, Bueno, and Ivanis and the tandem of Forsyth and Rossi at first doubles rolled to a win.

The Lady Vikings were scheduled to play a big match yesterday (Wednesday) vs. Danvers (which is Nickerson's alma mater.) "They are just ahead of us in the standings in our division and they beat us last time," said Nickerson. "They are a very good team, but I am hoping we can pull off the upset."

Nickerson and his crew, who stand at a fine 9-5 mark on the season, will play at Beverly next Thursday.

TWO MORE WINS FOR WHS BOYS LACROSSE

The Winthrop High boys lacrosse team turned in another set of strong performances this past week.

"We had a very big week of lacrosse," said WHS head coach Brian Donnelly. "We are in the middle of a long stretch of away games."

Winthrop traveled to Stoneham and Swampscott and brought home big wins against both.

Last Monday against a very good Burlington Red Devil JV team, Winthrop won by a score of 8-7 in overtime.

"We played an excellent game with massive production coming from sophomore captain Robert Rich, racking up 15 points between goals and assists," noted Donnelly.

The winning overtime goal came after a superb save and then a well-ex-

ecuted half-field clearing pass by sophomore captain and goalie Hunter Fife, who was able to get it to Rich.

Robert dodged through three defensive players before finding freshman Colin Cifuni, who was able to fire the ball into the back of the Red Devil with a well-placed shot.

This past Tuesday, Winthrop took on the Beverly JV team and earned an 8-6 victory.

"We had excellent possession in the second half of the game, working the ball around our offense for over 17 minutes of the half which is something we have really been working on both in games and practice," said Donnelly. "Hunter Fife once again played an excellent game in net, while Dan Thomi played an excellent game, shutting down one of the best players we have seen this year.

"Eighth grader Dylan Hovermale and sophomore Donovan Cassidy continue to excel at de-

fense," added the coach.

"We are 10-1 on the season and are happy with how things are progressing," Donnelly said. "There is a lot of work left to be done to progress to the team we want to become next year and we are just looking forward to taking a step forward each day of practice and each game."

Donnelly and his crew will travel to Essex Tech today (Thursday) and then will entertain Danvers on Monday at 4:00.

They will wrap up their season hosting Revere next Wednesday under the lights on the glistening turf at Miller Field starting at 6:00.

NINE HITS FOR WHS SOFTBALL IN LOSS TO SALEM CHARTER

Although the Winthrop High softball team came up on the short end of its contests this past week, a number of Lady Vikings turned in strong offensive

performances.

In a 12-4 loss to Salem Charter last Wednesday, Winthrop struck for nine hits, including a home run to lead off the game by Lily Tallent.

Summer Tallent and Amelia Spencer both had two hits each.

In Friday's contest at Gloucester, freshman Izzy Cash had two hits and an RBI. Reserve player Ana Portero (an exchange student from Spain) had first hit of the year and scored the only run.

This past Monday against Danvers, Gabby Golden had two hits and a run. Designated hitter Zoe Bakos had a hit and an RBI.

Coach Dave Guffey and his crew are scheduled to play at Masconomet tomorrow (Friday), at Beverly on Monday, and at Somerville on Wednesday.

They will wrap up their season hosting Chelsea next Thursday at 3:15 at the Little League Field.

only Viking in history to accomplish that feat. In the fall of 2016, Wallace took his game to Gannon Golf Course in Lynn and beat the best golfers from Marblehead, Swampscott and Beverly and everywhere else with a winning score of 76.

"It was a freezing cold day at the end of October," recalled Wallace.

Asked if he has ever recorded a hole-in-one, Wallace responded, "My dad has two of them, but I don't. I've come very close."

Jack is the son of Mark Wallace and Beth (Tallent) Wallace. The Tallent family is well known in Winthrop for his excellence in all sports.

"Those are all my uncles and cousins," said Jack proudly. "[Winthrop's All-Scholastic goaltender]

Summer Tallent is my first cousin. The bloodline's definitely there."

Jack is not yet a member of the Winthrop Golf Club, but "it's a goal in my life, definitely, to be the club champion there."

Getting it done for ECSU sports

Wallace, a 5-foot-11-inch, 195-pound righthander, has been a dependable arm out of the bullpen this season. He has struck 22 batters in 19 innings of work and has a 2.50 earned run average.

"I just do whatever I can – long relief, short relief, gather some situations, whatever they need me to do," said Wallace, whose Franklin Pierce teammate, Josh Tower, plays first base for the ECSU Warriors.

With 39 victories,

Coach Brian Hamm's Warriors are a confident group heading into the NCAA Tournament in search of a national championship.

"Even if we're down a run, we always feel like we're going to win the game," related Wallace. "It feels great to be a part of it because you don't go to the ballpark thinking you're going to lose – ever. You feel like you can beat everybody, and everyone's bought into that."

In golf, he just finished his spring season last week, helping the team win the Thread City Invitational over 12 other teams. Last fall, Wallace and ECSU won the Little East Conference championship. He was named the Little East golfer and rookie of the week in October.

"My pitching coach [Chris Wojcik] is the head golf coach and he encouraged me to try it," said Wallace. "I told him I played golf in high school, and he let me try out and I made the team."

Life as a two-sport-in-one-season athlete is a busy one.

"I'll play 9-18 holes in the morning," said Wallace. "I'll go to baseball practice, which is usually at 3 p.m. Fortunately, all my classes are at night."

It appears that Jack Wallace picked the right school to continue his athletic career and pursue his master's degree. And he might have a national championship ring if the Warriors can stay red hot over the next few weeks and beat college baseball's best.

Malden Gaming District summer festivals planned

Staff Report

The City of Malden is pleased to announce that the 2022 Malden Summer Festivals will be taking place 12-4PM on Saturday, June 4th, Saturday, July 16th, and Saturday, August 13th. Pleasant Street will be transformed into an open-air market that will feature artists and artisans, vintage clothing stores, and much more!

Located next to the Malden Center MBTA Orange Line station, the area is also home to Malden's Gaming District. This is the place to go if you want to quest at Boda Borg, conduct a science experiment that is a lot like mini-golf, play and stock up on Magic cards, shoot some billiards, try a racing simulator or sing your heart out at Karaoke. Visit

www.MaldenGamingDistrict.com for even more options.

In addition, the Summer Festivals will feature a live music stage — set on the corner of Washington and Pleasant Streets — that will always feature a musically diverse mix of bands.

The line-up for June 4th is:

- 12:00PM The Mark Cataldo Quartet
- 1:00PM The Discompany Band
- 2:00PM The Eric German Latin Sextet
- 3:00PM Borderline

Easily accessible by Orange Line, but FREE Parking is available at both of the City's garages at 170 Centre Street or 7 Jackson Street. Please visit www.CityOfMalden.org/SummerFestivals to learn more.

Savings Bank Charitable Foundation presents financial award program

Special to the Transcript

The Savings Bank Charitable Foundation recently presented a financial award of \$3,000 to Mystic Valley Elder Services' Money Management Program as part of the Foundation's 25th distribution of funds.

The Money Management Program offers a variety of services ranging from complete oversight of a consumer's finances to assistance with balancing a checkbook, all free of charge. Without the program, many individuals

would face food insecurity, financial exploitation, eviction, and premature institutionalization.

Mystic Valley Elder Services was one of several local nonprofit organizations that received a financial award from The Savings Bank Charitable Foundation. The foundation, established in 1997 through an initial endowment of \$550,000 from The Savings Bank, presented a total of \$65,975 to 18 nonprofit organizations during the 25th distribution of funds. Over the past 25 years, the Founda-

tion has made donations in excess of \$823,447 to organizations in local communities.

According to the foundation, 20 organizations presented applications totaling more than \$92,475. Awards were granted based on a number of factors, including intended use of the funds by the organization and the organization's status as a publicly supported charity. Organizations that received an award were located in the areas served by The Savings Bank, with a focus on those organizations serving the residents of Wakefield, Lynnfield, Andover, North Reading, and Methuen.

The Savings Bank has eight offices located in the communities of Wakefield, Lynnfield, Andover, Methuen and North Reading.

Further information about The Savings Bank, or The Savings Bank Charitable Foundation, can be obtained by contacting The Foundation at 357 Main Street, P.O. Box 30, Wakefield, MA 01880.

Taking part in the award presentation were (from left to right) The Savings Bank Charitable Foundation Director Therese Jarmusik, Mystic Valley Elder Services Development Coordinator Lisa McGovern, and Bob DiBella, President and Chief Executive Officer, The Savings Bank.

TOWN PAWS

Nosing Around

By Penny & Ed Cherubino

Our first lesson in just how important scent is to dogs was from the breeder of our first Westie Sassy. She asked us to bring three hand towels to one of our weekly visits with our puppy. She tied those in a knot and kept them with the litter and mother for two weeks. The scent-laden towels came home with Sassy. We tucked them in with her at night and let the familiar scent and the lumpy feel of a puppy pile comfort her.

Hello, How are you?

Lynn Buzhardt, DVM, writing for VAC Animal Hospitals, explained how dogs use their nose when they meet one another. “While noses don’t actu-

ally speak, they do communicate. With a single sniff, noses interpret an entire story without words by using amines and acids emitted by dogs as the basis for chemical communication. The chemical aromas communicate what a dog likes to eat, and identify gender and mood. By simply smelling, a dog can determine if a new friend is male or female, happy or aggressive, healthy or ill. Dogs get a general idea about each other with a quick sniff, but get more detailed information by getting up close and personal. That’s why some dogs sniff private parts of the anatomy!”

Nosing Around as Enrichment

Enrichment is a word you’ll be hearing more

and more often concerning dogs and cats. Zoos have led the way in finding ways to enrich the lives of captive animals. While you may not consider your dog or cat a captive, they are.

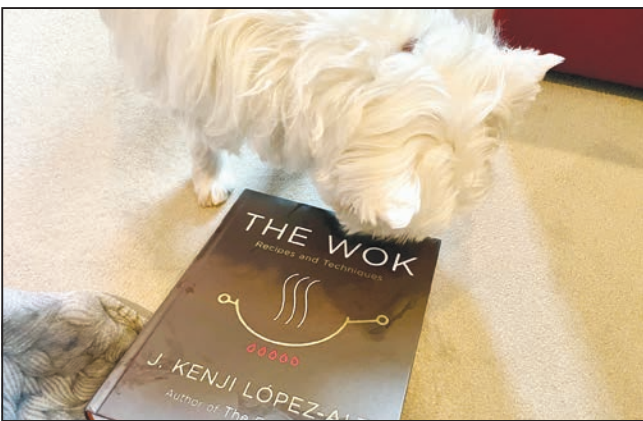

While we love our companion animals and try to give them the best possible care, there is more we can do to enrich their lives. Allowing dogs to sniff on walks is a way to provide them with some choice in how they spend their time. Sniffing is an inherent, natural behavior that was once necessary for their physical welfare. Now we know it also impacts their mental and emotional well-being.

Sniffing as Stress Relief

A recent field study of

dogs in France compared the pulse rates of 61 dogs when they were sniffing. The more the dogs sniffed, the more their pulse rates went down. Dogs on long leashes and off-leash sniffed more and had the most pulse rate decline. While we can’t let our dogs off-leash in the city, we can allow them to take the lead in directing our steps and speed for part of the walk.

We’ve felt that our anxious little Westie Poppy seems far more relaxed when sniffing along a city sidewalk. Our observational study noticed the signs of stress she showed when outside lessened when she slowed down to sniff. She would stop pulling to take us home. Her tail would relax and rise to almost wag. We know

Poppy discovered that a book (delivered by a friend) was full of the fun scent of her dog pal Marley. Adding a few nose prints was worth it to let her enjoy a good sniff.

that this only happens when the area around us is free of loud noise, construction, trucks, and other scary dangers in her mind. However, we did not suspect that that act of sniffing itself was calming her stress and lowering her pulse rate.

Now that you know that letting your dog nose around and enjoy some time with a vital sense experience, we hope you’ll schedule an occasional

sniff walk for your dog. It can be in a familiar place where they find the scent of their pals. Or perhaps you would both love some time in new territory with unknown aromas for your dog and new sights and sounds for you.

TSA prepares for summer travel demand and higher passenger volumes

Special to the Transcript

The Transportation Security Administration (TSA) is prepared for a busy summer travel season with anticipated passenger volumes that will match and may occasionally exceed those of 2019 for the first time since the pandemic began.

The continued recovery from the low travel volumes during the pandemic may require more patience and planning than was necessary before the pandemic. Checkpoint environments and procedures have changed to enhance screening operations, ensure the safety and well-being of the traveling public, and to minimize the spread of COVID-19.

“Daily passenger volumes at TSA checkpoints show that people are traveling again, and TSA is ready for their return. Our airport security checkpoints include 47,500 highly-trained security professionals and new technologies that enhance security and reduce physical con-

tact,” said TSA Administrator David Pekoske. “We continue to recruit, retain, train and equip a highly-skilled workforce, and we work continuously with our airport and airline partners to anticipate and prepare for higher traffic patterns.”

The summer travel season, which begins in late May and extends beyond Labor Day weekend, covers three full months and four major holidays, which includes Juneteenth as the newest federal holiday. Juneteenth will be recognized on Monday, June 20, 2022.

Recent security enhancements at airport screening checkpoints include two new technologies. TSA deployed Credential Authentication Technology (CAT) and Computed Tomography (CT) scanners to improve identification verification, and in some airports, enable digital identification verification at the Travel Document Checker podium and the scanning capabilities for carry-on bags.

Both of these technologies en-

hance security and reduce physical contact within the checkpoints.

To date, TSA deployed 1,621 CAT units to 176 airports. Among those, 90 CAT units are modified and equipped to read and verify digital identification. TSA also deployed 402 CT units to 163 airports nationwide. In March, the agency announced the award of two orders for the procurement and maintenance of additional base and full-size CT scanners to be installed at checkpoints during the summer months.

The CT units provide TSA officers the ability to review a 3D image of passengers’ bags and reduce the need to search the bag’s contents. Passengers screened in security lanes with CT units do not need to remove their travel-size liquids bag or electronics.

The new CT units are currently being installed at Billings Logan International Airport in Montana, Albany International Airport in New York, Buffalo Niagara International Airport in New York, Cincinnati/Northern Kentucky International Airport and Raleigh-Durham International Airport in North Carolina.

For those who choose to travel this sum-

mer, follow these five simple tips to get through the TSA checkpoint quickly and efficiently.

Tip 1: Face masks are optional, but recommended. The CDC recommends face masks for passengers aged two and older in indoor areas of public transportation and transportation hubs.

Tip 2: Pack smart; start with empty bags. Airline passengers who pack for travel with empty bags are less likely to bring prohibited items through a TSA checkpoint.

Tip 3: Know before you go. Airports, like highways, have high traffic surges and construction delays. Plan to arrive at the airport in plenty of time to check in, check bags and complete security screening in time to avoid stressful sprints to the departure gate.

Tip 4: Contact TSA for help if there are questions or concerns. Those who are preparing to travel and may have special circumstances, considerations or general questions about airport screening can get live assistance by tweeting questions and comments to @AskTSA or via Facebook Messenger, weekdays from 8 a.m. to 10 p.m. EDT and week-

ends/holidays from 9 a.m. to 7 p.m. EDT. You can also call the TSA Contact Center at 866-289-9673.

Tip 5: Enroll now in TSA PreCheck® to “Travel with Ease.” By enrolling in TSA PreCheck, airline passengers can avoid removing shoes, belts, liquids, food, laptops and

light jackets at the TSA checkpoint. In April, 94% of TSA PreCheck passengers waited less than 5 minutes at the checkpoint.
