NEWS Brief

POW/MIA
REMEMBRANCE
DAY IS FRIDAY

Please join us this Friday, September 16 at the Winthrop Elks Lodge in the biggio hall where our lodge officers will conduct a ritual in remembrance of those men and women who, in their darkest hour, became prisoners of war or missing in action. The event is scheduled to start at 7 P.M.

The public is welcome to attend this solemn ceremony.

SAINT MICHAEL'S
PARISH PICNIC
SUNDAY
SEPTEMBER 25

To celebrate the formation of Saint Michael the Archangel Parish, the first ever parish picnic will be held Sunday, September 25. In place of the 11:00 and 12:00 Masses that day, there will be a special 11:30 Mass which will be followed by festivities, including: live music, face painting, arts & crafts, games and a bouncy house, along with a barbecue, cold drinks, and desserts. This is also a great opportunity to meet new parish staff members. The picnic will take place in the parking

Noise insulation to come to Winthrop

By Aaron Toffler

Winthrop is no stranger to airport noise. For decades, residents of this town close to Logan International Airport have endured overflights that shake their windows and rattle their doors. Many of the affected homes, located under runway flight paths, have previously been insulated against noise under an FAA program of residential sound insulation. The program, managed by Massport with funding from the FAA, has treated over 11,000 homes since the inception of the Massachusetts program in 1985.

Many of these homes,

however, were treated in the early stages of the program, when sound insulation technology was not as advanced as it is today. Homes treated with that early technology thirty-plus years ago continue to experience disruptive airport noise. Further, the homes that had been treated in the first generation of the program (between 1984 and 1993) had, until recently, been ineligible to be re-insulated under FAA policy. However, because of advocacy by the Massachusetts Port Authority and the Massport Community Advisory Committee (MCAC), these homes will now be eligible to be re-insulated with newer

technologies.

"We are thrilled that Massport has joined with us to formally request that the FAA reexamine their policy against re-soundproofing homes. In Winthrop, many of the residences in the Point Shirley neighborhood will now be eligible to participate in the program and, hopefully, receive some relief from the noise," said Jerry Falbo, Vice Chair of the MCAC. The formal request from Lisa Wieland, CEO of the Massachusetts Port Authority, was submitted to the Federal Aviation Administration in January of 2020 and tar-

Company with local roots named one of fastest growing U.S. companies

Special to the Transcript

Nico Ruggieri works with local companies to grow their businesses, but it's the growth of his company that's getting attention these days.

The company, Pinpoint Payments Inc., which provides payment processing

solutions for local retailers and eCommerce, was named to the Inc. 5000 list of the Fastest growing U.S. companies for the fifth year in a row. Ruggieri co-founded the company with partners Ben Grossman and Gilboa Merdinger. He works locally with Mark Shannon.

"This is a competitive field, but we are really focused on working with local businesses that want to expand within their community," said Ruggieri of Winthrop.

The company started with a focus on fraud prevention for businesses and expanded into payment processing based on the needs of the companies they worked with.

"People don't realize how much of a difference having the right payment processing solution can make," Ruggieri said. "It's all about customer service and making things easier and safer for your custom-

Wallerces commit to community with purchase of Winthrop Marketplace property

By Marc Waller and
Chris Waller

What started as a vision in one man's eye 24 years ago has transformed and now solidified as a community mainstay this summer. After months of diligent work with our local bank, Rockland Trust, we are thrilled to announce that we have purchased the building where we operate our grocery business, the Winthrop Marketplace. We have always loved being a part of this Winthrop community and are excited to be able to commit

to this town for the long term.

Running a family-owned grocery store has many challenges as we do our best to compete with the much larger chain stores that surround us. Some of the main components that have kept us in business this long is our focus on maintaining a clean, inviting, and friendly store, keeping our perishable items fresh and appealing, and efficiently processing your orders so

OUR Opinions

ALCOHOL ABUSE IS STILL PROBLEM #1

Two years ago the voters of Oregon approved a measure that decriminalized the possession of small amounts of even the most dangerous drugs, while also mandating that tax revenue from the sale of marijuana (which Oregon legalized in 2014) be used for addiction recovery programs.

Oregon voters recognized that the 50 year War on Drugs has been a total failure that has done nothing to reduce drug abuse and arguably has made the problem even worse, both in their state and nationwide.

However, the shortcoming of the Oregon law is that it ignored the most-abused and harmful drug of them all -- alcohol. And even more ironically, the state legislature in 2021 legalized to-go drinks for restaurant take-out and increased the amount of wine that can be shipped directly to consumers -- and this is a state that is second only to California for its number of wineries and has as many distilleries as Kentucky.

So it should not be surprising that Oregon ranks among the states with the highest prevalence of problem drinking in the country. Last year, 2153 residents died of causes attributed to alcohol, according to the Oregon Health Authority — more than twice the number of people who died from methamphetamines, heroin, and fentanyl combined. In addition, an Oregon business group estimates that the annual cost in lost productivity because of excessive drinking by state residents is \$5 billion per year.

However, alcohol abuse is a nationwide problem. There were more deaths attributed to alcohol (about 108,000) than to drugs (about 106,000) in 2021 in the United States. Here in Massachusetts, we have one of the highest rates of deaths from alcohol poisoning.

Indeed, alcohol abuse is a world-wide problem. Just this past week, a report published by the Canadian Centre on Substance Use and Addiction (CCSA) that followed two years of research and a review of more than 5000 peer-reviewed studies concluded that alcohol in even small quantities can be harmful to our health. The CCSA report recommends that a safe amount of alcohol consumption for adults is no more than two drinks per week. (That’s not a typo -- two drinks per week.) The CCSA report is confirmation of the World Health Organization’s designation of alcohol as a Class A carcinogen a few years ago.

It has been well-known for many years that those who start drinking as teenagers are five times more likely to become victims of alcohol abuse disorder (what formerly was referred to as alcoholism) than those who don’t start drinking until they are 21. In addition, it goes without saying that alcohol far exceeds any drug for the damage and tragedy it wreaks upon families, regardless of socioeconomic status.

The time has come for our public officials and our citizenry to recognize alcohol abuse as an immediate public health emergency and to take action to address this growing -- and largely-ignored -- problem.

WHAT’S WITH ALL THE COVERAGE OF THE BRITISH MONARCHY?

The passing last week of Queen Elizabeth II saddened all of us. She was a great woman who epitomized what used to be called noblesse oblige, the idea that nobility extends beyond mere entitlement, requiring people who hold such status to fulfill social responsibilities.

Queen Elizabeth understood this sense of duty from the very outset of her ascension to the throne at the age of 25 when she said, “I declare before you all that my whole life whether it be long or short shall be devoted to your service and the service of our great imperial family to which we all belong.”

On another occasion, she said, “Our modern world places such heavy demands on our time and attention that the need to remember our responsibilities to others is greater than ever.”

But as much as the world will miss Queen Elizabeth, the reality is that the British monarchy is an anachronism that only serves as a reminder of the terrible oppression perpetrated by the British Empire through the ages.

And while a majority of Britons may be content to spend hundreds of millions of their tax dollars to support the royal family (and some say that the tourist dollars generated by Buckingham Palace actually are a net positive), it is undeniable that the majority of members of the royal family are unworthy heirs of Queen Elizabeth’s legacy, especially most of her children.

But while Britain may still be enthralled with the vestiges of a long-gone era, what makes the major American media think that we are? The non-stop coverage of her death, funeral proceedings, and accession by Charles has been ridiculous. This is 2022, not 1772.

It’s time to relegate (the term used in the English Premier Soccer League when the bottom three teams are dropped down to the minor league at the end of the season) the monarchy to what it really is -- an historical footnote that is irrelevant in the world today.

LETTER to the Editor

PAKISTAN NEEDS YOUR HELP

Dear Editor,

The devastating floods in Pakistan have displaced millions of residents and families. As the crisis continues to unfold, officials have called on the international community for the resources needed to deliver critical basic necessities such as food and shelter. If you are looking for ways to contribute, The Boston Foundation (TBF) has published a Giving Guide on its website on organizations that can receive assistance to help those in need.

Pakistan Flood Relief: A TBF Giving Guide

Extreme flooding has decimated communities in Pakistan and killed more than 1,000 people, many of them children. Millions more have been displaced; their homes destroyed. Crops have been ravaged, heightening concerns of malnutrition. Government and nonprofit organizations say the return to nor-

mal will take years. As the crisis continues to unfold, officials have called on the international community for aid. Here are some organizations you can support with your donation:

- The Citizens Foundation: The Citizen's Foundation is providing support to the communities most acutely impacted by the flooding while raising awareness of the crisis among non-Pakistanis. Focused on the millions left homeless, TCF is working to address their most pertinent needs like food, shelter, and medicine.
- Humanity & Inclusion: Humanity & Inclusion's teams have been present in Pakistan for decades, having implemented humanitarian projects across multiple districts. Currently, the staff is working on distributing food and basic household goods such as hygiene supplies, blankets and kitchen items.
- IRC: The International Rescue Committee has been active in Paki-

stan since 1980 and has launched an emergency response to provide immediate assistance in Pakistan and neighboring Afghanistan through dispatching food supplies and setting up medical response centers to assist people impacted by the floods.

- International Medical Corps: The International Medical Corps has been operating in the country since 1985. The organization is focused on providing medical care and supplies, mental health support, as well as water, sanitation, and hygiene services.
- Mercy Corps: Mercy Corps is working in the hard-hit province of Baluchistan, providing food, water, and funds to those affected.
- Save the Children: Save the Children has been working in Pakistan since 1979. The organization is providing shelter, schooling, food and cookware to affected areas.
- Shahid Afridi Foun-

dation: Founded by Pakistani cricket player Shahid Afridi, the Foundation is providing support to flood-affected residents through the distribution of food, tents, blankets, clothes, and other essential items.

- UNICEF: The United Nations Children's Fund is working to provide health services, and water and hygiene kits to affected families. The agency is also setting up temporary education centers.

At critical times, The Boston Foundation prepares giving guides to help both TBF donors and others find ways to support nonprofits taking on critical issues -- locally, nationally and internationally.

Donations can be made on the websites of these organizations.

I hope that you will consider donating to one or more of them as I will be doing.

Thank you,

Bill Schmidt

MassDEP waste ban on mattresses, box springs and textiles goes into effect Nov. 1

By Wendy Millar Page

What does this mean to you as a resident of Winthrop, MA?

The Massachusetts Department of Environmental Protection (MassDEP) issued its final 2030 Solid Waste Master Plan. The final Master Plan establishes goals to reduce disposal statewide by 30 percent (from 5.7 million tons in 2018 to 4 million tons in 2030) over the next decade. It sets a long-term goal of achieving a 90 percent reduction in disposal to 570,000 tons by 2050. Among its strategies for reaching these objectives, MassDEP will expand its current waste disposal bans by:

- Lowering the threshold on commercial organic/food waste to facilities generating more than one-half ton of these materials per week; and
- Adding mattresses, box springs and textiles to the list of materials banned from disposal or transport for disposal in Massachusetts.

The Town of Winthrop Department of Public Works, Solid Waste and Recycling department has worked with the MassDEP, and our vendors to provide a way for residents to comply with the new waste bans. Eliminating these items from our

waste stream will boost recycling and support the recycling industry, which contributes thousands of jobs and millions of dollars to the Massachusetts economy. By cutting down on disposal, the waste bans also help us capture valuable resources, save energy, reduce greenhouse gas emissions, and lessen our reliance on landfills and incinerators.

Mattress and Box Spring Recovery for Recycling in Winthrop

What type(s) of mattresses are subject to the mattress waste disposal ban?

Mattresses are defined in the regulations as “any resilient material or combination of materials that is enclosed by ticking, used alone or in combination with other products, and that is intended for sleeping upon, except for mattresses that are contaminated with mold, bodily fluids, insects, oil, or hazardous substances. Mattress includes any foundation or box spring. “Mattress” does not include any mattress pad, mattress topper, sleeping bag, pillow, car bed, carriage, basket, dressing table, stroller, playpen, infant carrier, lounge pad, crib bumper, liquid, or gaseous filled ticking, including any waterbed and any

air mattress that does not contain upholstery material between the ticking and the mattress core, and mattresses in futons and sofa beds.” All sizes of mattresses are included under the ban: California king, king, queen, full, twin XL,

twin, and crib mattresses. What about full-foam or latex mattresses, or “mattresses in a box”? Yes, those specific mattress products are included in the waste ban. What de-

ART 967 - THE CLIFF HOUSE – A RECORDED HISTORY OF CHANGE

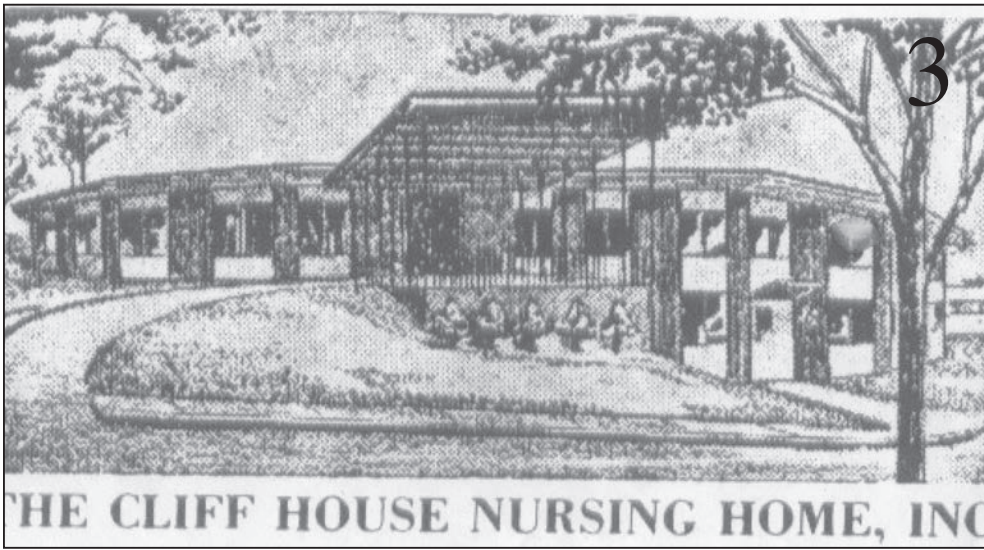

One of the most enjoyable aspects of writing these “Then & Now” articles is when the complete history of a particular site can be described from 1637 to date, and today’s article does just that. While Winthrop began as a small farming village in the early 1600’s, it developed slowly having only four or five farms and some minor businesses at Point Shirley up through the early 1800’s. In 1844, there were only 25 buildings on our total peninsula. Most of the buildings in Winthrop have been built since 1870, when the resort business began to emerge, and these buildings continue to exist today, some with varying degrees of renovations. While there are several properties where the use has changed once or even perhaps a couple of times, very few have changed as much as the site being discussed in today’s article. This site has seen a private home, a hotel, a nursing home and today three duplexes all of which have enjoyed a magnificent ocean view.

In 1637, William Pierce, who built the Deane Winthrop House, owned this

land which passed through several hands and finally became part of the City of Boston Farm in the 1850’s through 1880’s. In 1885, Mr. H. H. Hutchins acquired the lot at the corner of Cliff and Grovers Avenues and constructed his home as shown in Picture #1. Cliff Avenue was so called because it originally extended around Grovers Cliff (Fort Heath) and down along the water on what is today the low numbered section of Nahant Avenue. Grovers Avenue was named in honor of Deanne Winthrop’s son in law of the Grover family. By 1896 the segment of Cliff Avenue, shown on the maps as going along the cliff was absorbed by the military installation at Fort Heath and the above home had been purchased by A.C. Pope who enlarged the building into the Cliff House Hotel, as depicted in the second picture. Many functions such as weddings and banquets were held here. Legend has it that the initial house was built with rocks taken from the beach and that, per a Town Ordinance designed to protect our beaches from becoming mud flats, a fine of \$25

per rock was levied on the builder. This resulted in the owner electing to build the rest of the home of wood as a large cost saving factor. This ordinance has been confirmed by our previous Town Counsel, Joseph Harvey, and one should be aware that it is still in effect and the beaches are not to be used as a source of rocks for homes, gardens, fireplaces etc. Even today a number of people have had to pay this \$25 per rock charge when reported to the police and the neighborhood homeowners still monitor such activity. In 1963 the hotel was razed, and the Cliff House Nursing Home, shown in the third picture, was constructed which existed until 2002. Today the Nursing Home is gone and this site has been developed into three duplex Town Houses, as shown in picture four. The center duplex building, which has been placed further toward the street from of the other two, in a small way depicts the earlier Cliff House with a turreted tower in the corner. This site is located diagonally across from the Winthrop Arms Hotel and Restaurant.

Under the state contract for mattress recycling, customers shall adhere to all acceptance and storage criteria for mattresses as specified by the Vendor and will be responsible for the disposal of any mattresses that do not meet the recycling acceptance criteria. They shall not send for recycling: • Excessively torn, punctured, soiled or moldy items • Twisted or crushed mattresses or broken box springs • Wet or frozen mattresses or box springs • Mattresses or box springs infested with bed bugs or other pests • Futon mattresses, fold-out sofa beds • Mattress pads or toppers • Infant sleeping pads; air or water beds; any other furniture or textiles

Capitol Waste is doing a bi-weekly collection of mattresses and box springs on Fridays. (Every other week.) This program will begin the first week of November. Residents must call Capitol Waste directly at 617-569-1718 to schedule and provide payment for pick up. Items must be on the curb before 7 am on the scheduled collection day. Items that are heavily soiled, moldy, mangled, infested with bed bugs or otherwise unrecyclable are not permitted. There will be a \$35 surcharge for any items rejected at the facility, payable by the resident. Capitol Waste will charge \$70 for the first item and \$45 for each additional

item. Up to 3 items at each address will be allowed per collection day. There will be a \$25 surcharge to the resident for items scheduled for pickup and not at the curb when the truck arrives for collection. Cancellations must take place by the day before collection. Residents will not be charged for timely 24-hour advance cancellations.
The online sales of Orange Bulk Item Stickers mattresses and box springs will no longer be available after 10/12/22 and are void for mattress/box springs as of 10/31/22.

No mattresses will be collected by the regular trash pickup after 10/31/22.
All Winthrop residents of any size dwelling can call for mattress and box spring recovery with this program.
When purchasing a new box spring or mattress, check with the company from which you have made your purchase to see if they have removal options. This option is offered by many mattress and furniture companies.

Textile Recovery for Recycling in Winthrop
Textiles
No textiles can be placed in your trash for regular trash pickup.
What type of textiles are subject to the waste disposal ban? Textiles are defined in the regulations as “clothing, footwear, bedding, towels, curtains, fabric, and similar products, except for textiles that are contaminated with mold, bodily fluids, insects, oil, or hazardous substances.” All uncontaminated cloth.

Are used wiping clothes or “shop rags” considered textiles subject to the waste disposal ban? No, these would be considered as contaminated and would not be subject to the waste disposal ban.
The Town of Winthrop, DPW has entered into an agreement with CMRK, Inc., to service the town for all textile recycling and recovery. The Towns Textile Recycling Bins are conveniently located by the DPW yard on Kennedy Drive, the parking lot of Walden Street basketball courts, and at the Public Landing. Donations must be clean, dry, and odorless. Clothing and textiles of all sizes and all seasons are accepted. Holes, stains, tears, and the like are not a reason to exclude these materials from the bin. Single socks, shoes, and mittens, too! All items must be secured in plastic bags before placing them in the bin. The only unaccepted donations are those which are wet/moldy or contaminated with oil or hazardous substances. Additionally, convenient free household pick-ups for housewares are also available by emailing: pickups@cmrkne.com or by calling 508-466-4590. A complete list of donatable items is on the town website. www.town.winthrop.ma.us/trashandrecycling

WINTHROP POLICE BLOTTER

The following incident reports are among the calls to which the Winthrop Police Department responded on the listed dates. The log is a public record and available for review. All persons who are arrested or charged with a crime are presumed innocent until proven guilty in a court of law.

MONDAY, AUG. 29

0837: The Harbormaster reported that a small dog was running around the Public Landing with no owner in sight. An officer picked up the dog and brought it to the station, where the owner came to retrieve it.

1235: A caller reported that the vehicle in which she was sitting on Locust St. was struck by another vehicle, which then fled the scene. She followed the other vehicle to Dunkin' Donuts and took a photo of it. However, the other vehicle had left by the time an officer arrived. The officer filed a report.

1338: Officers responded to a motor vehicle accident with personal injuries at Veterans Rd. and Shirley St. One person was transported to MGH.

1704: An officer stopped a motor vehicle at Moore and Read Sts. for the civil moving infraction of speeding. The officer issued a citation to the operator.

1707: A repossession company reported the repo of a motor vehicle from Governors Park.

1845: An Undine Ave. resident reported that her back door had been kicked in and a window in the bedroom had been smashed. She stated that some jewelry was missing. The officer filed a report.

TUESDAY, AUG. 30

0133: An officer issued parking tickets to 10 vehicles without resident parking stickers on Summit Ave.

0134: An officer issued parking tickets to 10 vehicles without resident parking stickers on Sagamore Ave.

0134: An officer issued parking tickets to 10 vehi-

cles without resident parking stickers on Hutchinson St.

0135: An officer issued parking tickets to six vehicles without resident parking stickers on Locust St.

0954: An officer stopped a motor vehicle at Cliff and Highland Aves. for the civil moving infraction of a stop sign violation. The officer issued a citation to the operator.

1133: An officer issued a parking ticket to a motor vehicle that was parked at a crosswalk and blocking a handicapped ramp on Winthrop St. The officer also issued a civil motor vehicle citation to the operator for operating a motor vehicle with an expired registration.

1145: An officer issued a parking ticket to a vehicle that was parked in the lot on Crest Ave. for double parking, obstructing traffic, and parking within 20 feet of an intersecting way.

1314: An Almont St. resident reported that a motor vehicle with California plates had been parked in the same spot for more than a week. The officer determined that the vehicle's registration had expired and ordered it to be towed.

1350: An officer stopped a motor vehicle at Main and Linden Sts. for the civil moving infraction of a left turn violation. The officer gave a verbal warning to the operator.

1507: A motor vehicle struck the temporary fencing on Woodside Ave. in the rear of a parking lot. The operator said he jumped the gas pedal accidentally and hit the fence. The motor vehicle was towed and the officer filed a report.

1734: Officers responded to a two-car motor vehicle accident at Shirley St. and Veterans Rd. Officers closed off the streets to allow for both vehicles to be towed. One person was transported to the hospital. An officer issued a citation to one of the operators for the civil moving infraction of a stop sign violation.

1812: A Morton St. resident reported finding a loose dog with no tags. The resident said she will

hold onto the dog until the owner comes to pick it up.

WEDNESDAY, AUG. 31

0517: Officers responded to a motor vehicle accident on Pleasant St. in which a vehicle went off the roadway and struck two motor vehicles that were parked in a driveway. One vehicle struck the house at 282 Pleasant St. There was heavy damage to the motor vehicles and minor damage to the home. The operator was transported to the hospital and his vehicle was towed. The officers blocked off the streets until the accident scene was cleared. An officer issued a citation to the operator, who said he lost control of the vehicle because of the weather conditions and slid into the parked vehicles, for the civil moving infraction of a marked lanes violation.

0852: An officer stopped a motor vehicle at Main and Bowdoin Sts. for the civil moving infraction of a stop sign violation. The officer gave a verbal warning to the operator.

1002: An officer stopped a motor vehicle at Lincoln St. and Brookfield Rd. for the civil moving infraction of a stop sign violation. The officer issued a citation to the operator for that infraction, as well as for the civil infraction of not having his driver's license in his possession.

1051: A resident reported finding a loose dog with a collar but no phone number at Sargent St. and Johnson Ave. The resident then reported that the owner of the dog was located.

1247: An officer stopped a motor vehicle at Shirley St. and Bay View Ave. for the civil moving infraction of a one-way violation in the construction area. The officer issued a citation with a written warning to the operator.

Citizens Bank renews partnership with Feeding America to fight hunger

Commitment will support local efforts in Greater Boston

For the fifth consecutive year, Citizens has joined forces with Feeding America®, the nation's largest domestic hunger-relief

organization, contributing more than \$1 million as a Leadership-level partner to further broaden and deepen its efforts to help fight hunger.

The renewed relationship builds on a successful four-year partnership which has brought funding into local markets and seeded Feeding America's Ending Hunger program. This year's funding is primarily categorized as equitable access grants, which aim to increase access to nutritious food among households with individuals who are Black, Indigenous, and People of Color (BIPOC) residing in communities experiencing

high food insecurity rates. "For millions of people in America, a daily meal isn't a choice between different dishes. It's often an impossible choice between food and other critical needs," said Bruce Van Saun, Chairman and CEO, Citizens Financial Group. "Our partnership with Feeding America helps to tackle the root causes of hunger and aims to increase the scale and impact of local food banks, particularly now, as our communities continue grappling with economic instability."

In 2021, through the Citizens Helping Citizens Fight Hunger initiative, the bank helped provide 16.3 million meals* via its partnership with Feeding America and other local hunger relief organizations. Citizens colleagues volunteered nearly 90,000 hours to help combat hunger in communities across the bank's enterprise.

In Greater Boston, Citizens has contributed a total of \$200,000 to support The Greater Boston Food Bank (GBFB). GBFB will use the \$200,000 grant for its transportation fleet, covering the lease of two co-branded, refrigerated trucks for a period of 12 months.

"Citizens has been supporting our mission to end

hunger here in Eastern Massachusetts for over two decades," said Catherine D'Amato, GBFB president and CEO. "They come on the road with us every day by supporting our transportation team, and their generosity is needed now more than ever as more and more families need our help due to the lingering impact of the pandemic and

gets "a narrow set of eligible homes with the highest noise exposure and whose owners have not been able to update their structures to take advantage of the vast improvements in the efficiency and effectiveness of window and door treatments." Winthrop residents will be one of the biggest beneficiaries of the change in policy.

The Massachusetts Com-

munity Advisory Committee is a legislatively created body made up of representatives from the thirty-five communities impacted by Massport's operations. The MCAC oversees and provides recommendations to Massport to minimize operational impacts on the member communities.

Hannah Belcher, Winthrop Town Councilor representing Precinct 3, said,

"my constituents look forward to working with the MCAC and Massport to make this long-awaited program a success. The residents of Winthrop will benefit from having newer, more effective sound insulation in their homes. We will work with Massport to ensure that all eligible homes are evaluated and re-insulated in an expeditious manner."

CURRIED CHICKEN LETTUCE WRAPS

INGREDIENTS:

• 1 tablespoon olive oil, or to taste

• 2 cups cubed thin sliced cooked chicken

• 2 tablespoons lime juice

• salt to taste

• 1 medium green apple, diced

• 2/3 cup dried cranberries

• 1/4 cup toasted slivered almonds

• 2 1/2 tablespoons thinly sliced green onions

• 2/3 cup mayonnaise

• 1/2 teaspoon curry powder

• 12 leaves of iceberg lettuce, or more to taste

DIRECTIONS:

STEP 1: Heat oil in a skillet over medium heat. Add chicken, lime juice, and salt; cook and stir until chicken is no longer pink, 7 to 10 minutes. Remove from the heat.

STEP 2: Add apple, cranberries, almonds, and green onions to the chicken.

STEP 3: Mix mayonnaise and curry powder together in a large bowl. Add to chicken mixture and stir to coat. Transfer to the refrigerator until flavors have blended together, at least 1 hour, or overnight for more flavor.

STEP 4: Spoon chilled chicken salad into individual lettuce leaves. Wrap and eat with your fingers.

Health officials announce fourth human case of WNV in Commonwealth

Staff Report

The Massachusetts Department of Public Health (DPH) announced the fourth human case of West Nile virus (WNV) in the state this year. The individual is a male in his 80s who was exposed to the virus in Middlesex County in an area already known to be at increased risk. The risk of human infection with WNV is moderate to high in the Greater Boston area.

In 2021, there were 11 human cases of WNV infection identified in Massachusetts. WNV is usually transmitted to humans through the bite of an infected mosquito. While WNV can infect people of all ages, people over the age of 50 are at higher risk for severe disease. Most people infected with WNV will have no symptoms. When present, WNV symptoms tend to include fever and flu-like illness. In

rare cases, more severe illness can occur. No human or animal cases of Eastern equine encephalitis (EEE) have been detected so far this year in Massachusetts. More information, including all WNV and EEE positive results, can be found on the Arbovirus Surveillance Information web page at mass.gov/mosquito-borne-diseases or by calling the DPH Epidemiology Program at 617-983-6800.

the highest inflation rate we have seen in over 40 years.”

As part of Hunger Action Month, Citizens colleagues will display their commitment to fighting hunger by participating in Citizens’ Step Up to Fight Hunger challenge in which colleagues’ healthy activities and steps are translated into meals to support local communities.

Additionally, throughout the month of September, Citizens will host a virtual food drive supporting Feeding America. Each dollar donated

will provide 10 meals in communities served by the bank and Citizens will match each dollar donated up to \$20,000.

Locally, Massachusetts residents are encouraged to raise awareness by applying for a Stop Hunger Now license plate benefiting Boston Medical Center and The Greater Boston Food Bank. The plate, sponsored in part by Citizens, features an image of a stop light – formed from healthy fruits and vegetables – which is designed to highlight the hundreds of children and families who go hungry every day. WINTHROP CULTURAL COUNCIL HOSTS MUSIC ON THE LANDING

By Marianne Salza

The Winthrop Cultural Council (WCC) presented its annual Music on the Landing, on September 11, at the Town Landing. The waterfront music festival featured Ari Mendes,

performing bossa nova, jazz, and rock spices, Ivory Jones and White Chocolate featuring Pat Loomis, playing jazz, R&B, and funk, and the rockabilly, blues, and rock and roll of The Cool Cats.

“Despite the rain delay,

Music on the Landing was well attended, with some watching from their cars,” said WCC Chair Joanne Hillman, about listeners who gathered in ponchos and under umbrellas. “It is always a pleasure watching folks enjoy the music.”

WHS SPORTS ROUNDUP

WHS VOLLEYBALL TEAM WINS SEASON-OPENER

The Winthrop High volleyball team won its opening game of the season with a 3-0 shutout victory, 25-6, 25-14, and 25-13, over Excel Academy last week.

"It was a great way to start off the season and get the program excited for what is to come," said WHS head coach Lauren Kelly. "Our team played well and we succeeded in winning all three sets."

Among the highlights for the Lady Vikings were the performances of senior Gabby Golden, who had a serving streak of eight points in the first set, and senior Madalyn Deeran, who recorded three kills.

Winthrop then dropped a 3-0 decision to Greater Boston League powerhouse Revere last Friday, 25-19, 25-14, and 25-13.

Individual highlights for the Lady Vikings came from seniors Sara DeGennaro and McKenzie Magardo, both of whom had serving streaks with perfect accuracy. Senior Lara Ferrari had a kill which resulted in a point.

"This was a tough loss, especially coming off our win against Excel," said Kelly. "We are hoping to bounce back from this in our upcoming games this week."

Kelly and her crew have a busy week ahead. They were set to meet Swampscot this past Tuesday and will host Marblehead today (Thursday) and Greater Lawrence tomorrow (Friday).

They will travel to Northeast Regional on Monday and to Salem next Wednesday.

WHS GIRLS SOCCER SEEKS FIRST VICTORY

The Winthrop High girls soccer team was seeking its first win of the season when the Lady Vikings hosted Excel Academy yesterday (Wednesday).

Winthrop came out on the short end of its season-opener with Saugus last week by a score of 7-0 and then fell to Beverly, 6-1.

"We took a hard hit in the season home opener to Saugus," said WHS head coach Tracey Martucci. "They are a very good team this year. We definitely found out the things we needed to work on in that game. We came out a little flat and couldn't get any momentum going."

"Then in Beverly we

lost 6-1, but we had a much better game overall," said the coach. "Our forward line of Maddie Stiglets, Mia Norris, and Emma Holmes did a great job of putting pressure on their backfield. Sweeper Daniela Gomez also had a great game for us."

"Sophomore Amelia Spencer, who has never played soccer before, has jumped into the role as goalie for us this year and is working super hard and giving us her all in every game," Martucci added. "Hopefully we can progress from here and continue to work on the technical things we need to work on to push forward this season."

Reese Brodin reached the back of the Beverly net for Winthrop's first goal of the season.

Martucci and her crew will host Gloucester on Monday and trek to Danvers next Wednesday.

BOYS SOCCER HOSTS ST. MARY'S OF LYNN TODAY

The Winthrop High boys soccer team will host St. Mary's of Lynn this afternoon (Thursday) on the turf at Miller Field.

The Vikings dropped a 2-0 decision to Swampscot in their home opener this past Friday.

"We played very well and had a couple of scoring chances," said WHS head coach Phil Ronan, "but we made a couple of mistakes that proved to be the difference in the game."

Earlier in the week the Vikings opened their season with a 4-0 loss to Saugus.

"We came out very lethargic and went down 3-0 at the half," said Ronan. "I bear the full responsibility for the slow start as head coach. We played much better in the second half. I told the boys that it's in the past and let's get ready for our next opponents."

This past Monday the Vikings traveled to Beverly and came up on the short end of a 5-0 outcome.

"Simply put, Beverly was stronger, faster, and had excellent technical skill which we couldn't match," said Ronan, whose squad features many first-year and younger players. "We'll get ready for St. Mary's on Thursday."

The Vikings next will make the long trek to Gloucester on Monday and return home to entertain Danvers next Wednesday.

Vikings fall to Spartans, 24-16, in opener at Stoneham

By Cary Shuman

The Winthrop High School football team's late comeback fell short as Stoneham held on for

a 24-16 victory in the season opener for both teams Friday night on the Spartans' home field.

Winthrop appeared to have scored a touchdown

in the fourth quarter that would have set up a potential game-tying two-point-er, but the score was nullified by a holding penalty. Two plays later, the

Vikings fumbled on the 5-yard line before Stoneham ran out the clock.

STAR ATTRACTION

All-Scholastic David Brown Jr. leads St. Mary's into Miller Field

By Cary Shuman

It's such an intriguing overall matchup that the fact that two of Hall of Fame coach Tony Fucillo's former assistants – Winthrop's Jon Cadigan and St. Mary's Sean Driscoll – will be coaching against each other Friday night at Miller Field for the first time may not be the No. 1 storyline.

David Brown Jr., who was a junior bench assistant when his father, Winthrop Police Officer David Brown Sr., coached the Vikings to the 2011 boys basketball state championship, will be making his return to Winthrop as the featured back on Sean Driscoll's No.-1 ranked St. Mary's High School football team.

David Jr. is the real deal, and his high school athletic career has been nothing short of sensational. He is

the reigning Boston Globe Division 6 Player of the Year and a Boston Herald All-Scholastic in football and a Globe and Herald All-Scholastic in basketball.

And oh yeah, David Jr. just happened to lead his father's St. Mary's basketball team to the Division 3 state championship in March. The 5-foot-9-inch Brown punctuated the Spartans' title-clinching rout of Watertown with an electrifying dunk that had the St. Mary's fans rising out of their seats in awe.

But football is David's focus right now and Winthrop coach Jon Cadigan knows his team must contain the Spartans' running back Friday night before what is expected to be one of the largest crowds at Miller Field in recent years.

"It's David Brown, but it's also [running back]

Derek Koulanges and [wide receiver] Nick Sacco, too – they have some really good skill guys," said Cadigan. "I think Brown and Koulanges are really the best 1-2 punch we're going to see all year. David has the combination of being fast and athletic, but he's also very strong. I think he's a total, complete football player. He'll play offense and defense. He's the reigning Division 6 Player of the Year for a reason, and it certainly shows up on film."

Fond memories of Winthrop

David Brown Jr., sat on the TD Garden bench when Winthrop won the state basketball title in 2011.

"I was six years old," recalled David Brown, who is now 17. "When my father was coaching, I was always on the bench. It was a great season to be a part of."

Making those times even more memorable was that David's grandfather, Lynn high school and Texas college football legend Pete Pedro Sr., was also a big supporter of the Vikings during that era.

This will be David Brown Jr.'s first trip back to Winthrop as a high school athlete. He is excited about the game and knows that the Winthrop football tradition is special.

"I hear there's going to be a big crowd," said David. "I like those games when the crowd's intense. I know Winthrop is a really good team. Their coach coaches them well. Their

defense gets to the football. They also have an excellent quarterback and some really good running backs."

Brown is also one of the premier defensive backs in the state. He has 14 interceptions in his career with one return for a touchdown (versus Medway in the 2021 playoffs). As a kickoff and punt returner, Brown is in a class by himself and many opponents purposely choose to keep the ball out of his hands.

Brown understands the significance the game has to his coach, Sean Driscoll.

"We want to get a win because we know he's the parks and recreation director and next summer they'll be talking about this game a lot," said David.

Cadigan versus Driscoll

Jon Cadigan realizes the coaching matchup against Driscoll is also very interesting for the two former Viking players and Tony Fucillo-staffmates.

"Sean was always somebody who was pretty special in my life and in my coaching career," said Cadigan. "I remember when I was 24 years-old and Coach Fucillo just retired, and Sean got the job. I asked Sean if he were going to call the defenses again, and he said, 'no, you're the defensive coordinator. At 24, I was appreciative of the oppor-

Head Coach Jon Cadigan and the Viking Captains seniors, Robert Noonan, Welvis Acosta and Daniel Guauque.

tunity at the time. Looking back, I can't thank him enough for what he's done for me coaching-wise over the years, giving me the opportunity to be the defensive coordinator on his staff for a long time."

Sean Driscoll played Winthrop High football, coached Winthrop High football, and now he returns as the head coach of St. Mary's High School football team.

"I was the head coach for 12 years and I was on the staff for over 20 years," said Driscoll. "We're excited about the game. Every week is a new challenge, and I think this challenge is going to be big for the simple fact that they do some stuff offensively. They have some big running backs,

and you can see how they competed with Stoneham. They probably could have won that game if a couple of breaks went their way. We're going to have our hands full."

Driscoll said he remembers David Brown Jr. as a junior assistant on his father's basketball coaching staff.

"I remember being in the Winthrop gymnasium and he would always be shooting hoops," said Driscoll. "I think his family is excited about this game. His father has a history in Winthrop, between working as an officer in the Police Department and being a former basketball coach here. Seeing his son coming over to play Winthrop is going to be a special day for the family."

St. Mary's All-Scholastic running back David Brown runs for a touchdown in the Spartans' 2021 playoff game versus Abington High School. Brown and the Spartans play Winthrop at Miller Field Friday night.

tough for four quarters, but Stoneham is a good team, and you just can't afford to turn the ball over like that and expect to win," said Winthrop head coach Jon Cadigan.

Winthrop faced an uphill road all game as Stoneham bolted to 16-0 and 24-8 leads.

The Winthrop touchdowns

Robert Rich (7 rushes, 49 yards) scored on a 26-yard run, followed by a Robert Noonan to Nick Cappuccio two-point conversion pass.

Cappuccio, Winthrop's leading rusher with eight carries for 65 yards, caught a 63-yard touchdown pass from Noonan. Demetri Koutsouflakis rushed for a two-point conversion in his debut for the Vikings.

Stoneham had wide edge in time of possession

Winthrop only ran 11 offensive plays in the 24 minutes of the first half, "which is really kind of unheard of," said Cadigan.

"Stoneham runs such a ball-control, old-school offense, but that's the way they play their game.

Cappuccio receives Black Shirt

Nick Cappuccio was

the recipient of the Black Shirt award as the Vikings' most outstanding defensive player in the game.

Cappuccio came up from his safety spot to make several tackles.

"Nick played a whale of a game on both sides of the ball, kind of moving up from his position and cleaning things up," said Coach Cadigan.

Cadigan also singled out outside linebacker Robert Noonan for his excellent contribution to the Vikings' defensive effort.

At quarterback, Noonan was 3-for-9 for 94 yards with one touchdown pass and one two-point conversion pass. Noonan also rushed for 24 yards on four carries.

WHS SPORTS *Through the Years*

10 years ago September 13, 2012

The host Danvers Falcons amassed 383 yards rushing, including two players breaking the 100-yard barrier, and the Winthrop High football team fell short by a 23-18 score Friday night at Dr. Deering Stadium in their season-opener. Though Danvers had an edge in the rushing game, Winthrop's own offensive firepower in the second half produced a furious rally and a last-ditch drive that almost resulted in the go-ahead touchdown in the final minute. Junior running back Jordan Corbett-Frank (14 carries for 90 yards), senior David Gallo (two touchdowns), and freshman Reise Tursansky (4 carries for 22 yards) helped Winthrop twice advance to within one score of the lead. Winthrop's final possession ended when sophomore quarterback Dylan Driscoll's pass was tipped into the arms of Danvers linebacker Jake Cawlina. Senior back Bo Diaz appeared to be open for a pass beyond the Danvers secondary for what could have been a dramatic TD connection.

20 years ago September 19, 2002

Danny Wilson scored four touchdowns to lead the WHS football team to a convincing 42-7 win over Amesbury in the season-opener Friday night. The Vikings scored on their first four possessions with Lucas Guarino scoring the first TD of the year from five yards out. Co-captain Mike Eruzione also scored a touchdown. Sophomore quarterback Anthony Fucillo kicked six PATs on the night.

The WHS golf team notched a 52-20 win over Lynn Classical. Co-captain Jeff Donahue led the way with an 8-1 win over his Classical opponent.

The WHS girls soccer team kicked off their season on a winning note with a 5-0 win over Lynn Classical. Colleen Lally and Briana Kneeland each scored two goals for the Lady Vikings. Kim Lally also scored on a penalty kick.

The WHS girls tennis team won its season opener, 4-1 over Lynn Classical. Co-captains Victoria Romero and Morgan Woods led the way with straight set victories.

The WHS boys soccer team opened its season with a 5-0 win over Classical. Taulante Shkoza and Carlos Rendon scored two goals apiece.

30 years ago September 17, 1992

The WHS football team opened its season with a solid 28-0 win over Saugus. Mike Mason tossed three TD passes and junior running back Anthony Palmer scored two touchdowns. Richard Staff and James Faretra caught TD passes from Mason. Junior linebacker Fred Long was a stellar performer on defense.

Tracey Gigliello scored two goals, but the WHS girls soccer team dropped a 4-2 decision to Beverly in the season opener. However, Gigliello scored a hat trick in the next game to pace a 5-1 Winthrop win over Classical. Katie Sharkey and Shannon Riley also scored for Winthrop.

Despite 27 saves in goal by Scott Sanchez in a

brilliant effort, the Viking boys soccer team fell by a 2-1 score to Beverly in the season opener.

More than 500 persons were on hand for the dedication of the new Winthrop Youth Soccer complex at Ft. Banks Field Sunday.

The girls cross country team defeated Beverly, 26-30, behind the 1-2-3 finishes of Lady Vikings Brandi Beach, Cindy Romanos, and Danielle Giovanni.

John Mullane took first place for the WHS boys cross country team in meets against Marblehead and Beverly, but the Vikings dropped both contests.

The girls tennis team earned 5-0 shutout wins over Lynn English and Lynn Classical. Andrea Paulik, Stacey Grillo, and Janelle Forbes won their singles matches in both matches.

40 years ago Sept. 22, 1982

The WHS football team opened the defense of its Northeastern Conference title with a 22-0 win over Saugus. Jim Gillis and Steve Staffier scored touchdowns on runs of 43 and 56 yards respectively as the Vikings showed that they have the potential to repeat as NEC champs, even though they are returning only six starters from last year's squad.

The girls tennis team opened the season with wins over Salem and Lynn English. The doubles team of Diane Musi and Abbe Levin won the deciding match in the Salem contest.

Rich Fucillo, a 1980 WHS grad, is a member of the Springfield College football team.

50 years ago Sept. 20, 1972

The WHS football team will open the season Saturday against Danvers. The Vikings will be led by the running back duo of Mike DeMarco and Mark DeGregorio, the team's co-captains, who last year were mostly responsible for Winthrop scoring a school record 223 points.

60 years ago Sept. 27, 1962

An injury-riddled WHS football team will open its season Saturday against Northeastern Conference rival Amesbury. Coach Ed MacFarland, who is in his 13th year at the helm, figures to have a potent squad, but injuries in the pre-season have changed the outlook until the team is healthy.

70 years ago Sept. 25, 1952

The WHS football team opened its season on a winning note with a 21-6 win over Hingham. Fullback Tommy Trainor, seeking to fill the shoes of last year's scoring champion Steve Miles, was Mr. Terrific for Winthrop, scoring two touchdowns. Lester Towlson and Cliff Tardiff also played well for Winthrop.

Bids were opened and the contracts awarded for the construction of the new athletic fields at Veterans Field.

80 years ago Sept. 24, 1942

A spirited WHS football team will open its season Saturday at Danvers. Coach Gordon Connor will be fielding an experienced WHS 11.

Judith Merrill Speech and Language Therapist

Judith L. (Corkhum) Merrill of Malden passed away on September 9. She was 66 years old.

Born in Boston, she was the cherished daughter of Cynthia A. (Kelsey) and James R. Corkhum of Winthrop.

Judith was employed as a speech and language therapist, working with children six months to three years old. She graduated from Worcester State College with a Bachelor's Degree and later went on to receive her Master's Degree from the University of Miami.

In addition to her parents, Judy is survived by her dear brothers, Jimmy Corkhum and Ken Corkhum and his wife, Meghan, both of Winthrop and Scott Corkhum and his wife, Janice of Lynnfield. She was the loving

aunt of Michael, Haley and Hannah Corkhum.

A Funeral Service was held in the Maurice W. Kirby Funeral Home, 210 Winthrop St., Winthrop on Wednesday, September 14 at 10 a.m. followed by interment in Winthrop Cemetery (Belle Isle Section). Janice Salvesen

Registered Nurse, Educator and loving mother and grandmother

Janice M. (Roche) Salvesen of Winthrop, formerly of Woburn, died peacefully at her home on August 2 at the age of 93.

Born on February 27, 1929, Janice was raised in Woburn with her siblings: Virginia Slade Murphy, William H. Roche and Richard L. Roche. She graduated from St. Charles in 1946 and was President of her class. She later graduated from Waltham Hospital School of Nursing as a Registered Nurse.

On June 2, 1956, Janice married Dr. Lawrence C Salvesen and moved to San Francisco for Larry's Psychiatric residency at Presidio Army base. They enjoyed the beautiful weather in San Francisco and took daily walks at Golden Gate Park with their two young children, Michael and Kjerstin. After residency, they moved to Concord MA, and Bryant, Andra and Gretchen were born.

Janice graduated from Goddard College, Vermont, in 1977, with a BA in Elementary School Teaching/ Reading Specialist. She taught reading at The Carroll School in Lincoln and The Glover School in Marblehead. Then, after applying for a summer tutoring job at The Massachusetts Migrant Program, she was offered the position of Health Educator. She implemented healthcare clinics and educational programs for migrant children and their families for over twenty years. She enjoyed traveling to various sites, learning about different cultures and languages and developing many friendships.

Janice met Mort Garchik at Goddard College and they became lifelong partners and enjoying classical concerts in NYC and hiking The National Parks as well as mountains in New England. One of

Janice's favorite places was Cinnamon Bay St. John USVI, where she vacationed for over 30 years with her family and friends.

Janice took great joy in her four grandchildren, Alexandra, Liam, Mikaela and Birgitta. She was a wonderful and compassionate grandmother and eagerly shared her insights and sense of adventure.

She was the proud mother of Kjerstin Salvesen, her husband, Thomas Quinn of Lincoln, Bryant Salvesen and his late wife, Adeline of Tyngsboro and the late Michael, Andra and Gretchen Salvesen; beloved grandmother of Liam Quinn, Mikaela and Birgitta Salvesen- Quinn and Alexandra Salvesen; dear sister of late Virginia Slade Murphy, Msgr. William H. Roche and Richard L. Roche and the former wife of late Lawrence C. Salvesen. She is also survived by many loving nieces and nephews.

A Funeral Mass will be celebrated in St. John the Evangelist Church, 320 Winthrop Street, Winthrop, MA 02152, Friday, September 23 at 10 a.m. Burial is private. Relatives and friends are invited to call from 9:15 - 10 a.m. in the Church prior to the service. In lieu of flowers, donations can be made to Northeast Animal Shelter, 347 Highland Ave, Salem Ma. In Loving Memory

AnnMarie Clougherty

Time is slipping by ever so fast now.
Covid has passed and now into the next season and here is fall again.

We were all at another family party, and again how one single life can affect so many others. Our memories will always keep you near and close to our hearts.

We will hold these memories in our thoughts and they will last forever.

You are loved and sadly missed
Your loving Hubby, David
your wonderful kids Joey and Lauren
and so many family & friends

All types of services for all types of people.

Some people prefer traditional funeral services. Others prefer cremation. Some want an elaborate ceremony. Then there are others who don't want any ceremony at all. When it comes to funerals, there are as many options as there are people. And we take pride in being able to say we offer them all.

in the race. O'Brien now will face Republican nominee Mitt Romney in the November final election. Only 25 percent of Winthrop voters turned out for the primary.

Winthrop police, firefighters, veterans, town officials, and citizens gathered on the Town Hall lawn for a solemn remembrance of those who died a year ago in the terrorist attacks on the World Trade Center and Pentagon. Selectwoman Marie Turner was the principal speaker for the occasion.

Local residents are expressing their anger over what is being described as the senseless shooting by Massport employees of a male mute swan in Winthrop waters between Court Road and the airport last Friday morning. The swan and his mate had nested in Winthrop for the past two years in Lewis Lake.

Joe and Dolores Fabiano, who have operated their popular bakery in the Center for the past 20 years after buying the former Swett's Bakery, have sold their business to new owners. Joseph Fabiano served as a Winthrop police officer for 16 years before buying Swett's.

Officials from the MWRA have backed out of a deal they had reached with the selectmen in which the MWRA agreed to certain mitigation measures with the town in exchange for the construction of a new water line to the MWRA's treatment plant on Deer Island. The MWRA said it instead will rely on a federal court order which negates the agreement. Town officials blasted the MWRA for a lack of good faith and an editorial in the Sun Transcript labeled

the MWRA's action as "business as usual by the MWRA bureaucrats."

A long-held dream of Winthrop's senior citizens became a reality last Friday when the new Senior Center opened its doors. Council on Aging Chairperson Arthur Stone and Executive Director Nancy Williams cut the ribbon.

Town officials formally dedicated the new Kenneth Hannaford Park at the site of the former Ft. Heath military base last week.

The selectmen have expressed their opposition to the five minute speaking limit to be imposed on citizens at the public hearing to be held at the junior high school next week on the MDC's plans for a new sewage treatment plant at Deer Island.

Town Health Officer Paul Frazier told the selectmen of the serious pollution problem along Winthrop's beachfront. Frazier said he had to close Winthrop Beach for a period of time last week because of high bacteria counts.

The selectmen have informed the FAA of their opposition to the lowering of the landing height minimums at Logan Airport which will increase noise for local residents.

Four Saugus youths were arrested Friday night for vandalizing the press box at Miller Field prior to Saturday's football game.

Incumbent State Rep. Ralph Sirianni survived a strong challenge from fellow Democrat Conal Foley in Tuesday's primary

election. Sirianni edged Foley by just 231 votes, 1482-1267.

School Superintendent Arthur Dalrymple announced this week that double sessions will be necessary at the senior and junior high schools for a short period of time until the new junior high is ready for occupancy. A large group of concerned parents requested a meeting with the School Committee to try to resolve the problem and to get answers as to why parents were not notified of the decision until the last minute.

Four Chelsea teens were arrested after a high speed chase following their theft of a motor vehicle. Officers Fabiano, DeFronzo, McManus, and Vitale all took part in the chase, arresting two 15 year old girls, a 14 year old boy, and a 15 year old boy. The 15 year old boy also was wanted on four warrants.

Officers Cuzzi and McManus arrested a 20 year old Winthrop man while responding to a call reporting a disturbance. The heavily intoxicated youth had barricaded himself in his Winthrop Street apartment and threatened to use a handgun if the officers tried to break in to get him. Winthrop police were ready to use tear gas, but McManus talked the young man into surrendering without incident.

The new George W. Hyde Wing of the Frost Public Library will be dedicated Sept. 24. The new wing was made possible thanks to a bequest of \$355,396 that Hyde left to the library upon his death in 1969.

Stanley Kubrick's A Clockwork Orange is playing at the Winthrop Cinema.

Winthrop officials finally held their long awaited meeting with Gov. Volpe

and state and federal officials, but came away disappointed that a plan was not forthcoming from the meeting to develop an immediate program to solve the serious odor and pollution problems in Winthrop's inner harbor.

George Cabot Lodge, the Republican candidate for U.S. Senator, who will be facing Democrat Edward M. Kennedy in November, came to Winthrop Tuesday and was greeted by a large crowd. Lodge was accompanied by former Red Sox star Dom DiMaggio.

Winthrop firefighters braved rough seas to rescue two men whose 26 foot lobster boat was foundering off Winthrop Beach at Beacon St.

A mother of five was painfully injured in her leg when she was struck by a firecracker that was thrown from a passing car as she was strolling along Shore Drive with her children.

In a spirited but friendly contest, Lieut. Edward J. Richardson was elected the president of the Winthrop Highlands Association. The election took place at the Cliff House and followed an interesting annual meeting of this hustling organization.

This will be the last, and for many of our citizens the only, opportunity to bid Dr. Metcalf farewell as he leaves the town he has served so faithfully during the best years of his life. There will be a reception in his honor Sunday at the Winthrop Theatre.

Winthropites were startled to learn that the body of a woman was found floating in the water near Short Beach on Pt. Shirley Monday. The woman's throat had been slashed by a sharp instrument and

was very much clotted with blood. After the arrival of the medical examiner and the police, a Mr. Pease and a Mr. McKinnon arrived on the scene. Mr. Pease said he thought the woman looked like his wife, but he could not be sure. Police later searched his house and found a razor with blood on it. When Mr. Pease finally identified the body as that of his wife at the morgue, he was placed under arrest and held without bail in Chelsea District Court.

The new, much talked about Winthrop Welfare League was organized Sunday. The purpose of the group is to promote the interests of the Hebrew people in our community.

Winthrop gained notoriety of the sort we do not want this past week through no fault of our own. One Boston paper had a headline, "Reds in America," and showed a page of pictures and a story about one of the leaders of the Red movement who is living in Winthrop. All of the papers also had headlines about the woman who was murdered and about the two Deer Island prisoners who escaped.

The legal voters of the town will meet at the four precinct polling places Tuesday afternoon between the hours of 3:00-9:00 for the purpose of expressing their preferences for the candidates for te Democratic, Republican and Socialist party nominations. If there is a light turnout, it will be an indication of the strength of Teddy Roosevelt's Bull Moose Party, which will not appear on any primary ballot.

The new parcel post operations will come into being January 1. It should be a great boon to Boston merchants as they should do a large mail order business with the highly populous suburban area.

Smelt fishing along the Winthrop shore is becoming a much patronized sport, with the best smelting grounds off Snake Island where scores of boats with fishermen dot the water lane leading out from the Winthrop Yacht Club.

September is Recovery Month

Winthrop Public Health and Clinical Services is hosting a Community Event

We would love for you to join us on
Wednesday September 21
from 6-8:30pm.

We are holding an event to highlight Recovery and provide Educational Resources to the community.

We will begin at Winthrop Town Hall where there will be a silent candlelight procession to honor those we have lost to addiction.

We will walk from Town Hall, past the police station and fire department on Pauline Street and will end in Winthrop's French Square.

A few people will be speaking and there will be organizations present to answer questions and/or provide information related to addiction and recovery.

Food and refreshments will be served.

Years // CONTINUED FROM PAGE 10

120 years ago Sept. 26, 1902
Winthrop citizens are not very loyal to their right of franchise. Only 440 of the town's 1200 voters cared to avail themselves of the opportunity to vote at the Republican caucus Tuesday.

The Winthrop Woman's Club is arranging for a course of lectures and entertainment during the winter months. Proceeds will go to the clubhouse fund and a portion to aid the high school students with their yearly expenses. Rally Day of the First Baptist Church Sunday School was observed

Sunday. It was deemed a grand success with 245 persons out of a membership of 312 being present.

130 years ago Sept. 23, 1892

It was a gala night last Tuesday for Winthrop Republicans, who held their flag raising rallies in two locations around town before marching to the Town Hall, which they had rented for the occasion, to convene together.

Our night police officers soon will have their hands full protecting the properties of our absentee taxpayers, as the merry burglar may soon be expected to get on with his work.

The local railroad has petitioned the state commission for an exemption from the new state law to take effect October 1 that requires all railroad corporations to offer its riders a \$20 ticket which may be used for 100 miles of travel.

In this season of general fright on account of the rumor of cholera and the prevalence of other sicknesses in many sections of town, Winthrop is fortunate to have on its Board of Health a man as energetic as Dr. Doonan.
