Graduation set for
Friday at Miller Field

129 WHS seniors to cross stage

By Cary Shuman

One-hundred-and-twenty-nine seniors will receive their diplomas at the Winthrop High School graduation exercises Friday, June 2 at 6 p.m. at Miller Field.

Class Marshall Colin Kinsella will begin the program by leading the assemblage in the Pledge of Allegiance.

Class President Mia Norris, a three-sport (hockey, soccer, and lacrosse) standout, will deliver the presidential address. Norris has carried on the superb leadership mantle of her older sister, Mikayla Norris, a 2022 Quinnipiac graduate who also had the honor of serving as WHS senior class president. Mia will be attending Syracuse University.

Benjamin Prew, who

Winthrop Ferry service begins with new stop, additional funding

By Adam Swift

There was plenty of good news on the Winthrop Ferry front this week, as the ferry officially launched for the season on Tuesday.

The town added a brand-new terminal to its ferry route at Logan

Airport. The inclusion of this stop will provide hundreds of residents the opportunity to make their daily commute to work at Logan without traveling through the roads of a local neighborhood.

On Tuesday, there was an initial ferry ride celebrating the start of the

season and the new Logan stop that included a number of Winthrop, Quincy, and the state.

Among those representing Winthrop were state Senator Lydia Edwards, state Representative Jeff Turco, and Town Manager Tony Marino, as well as Massport CEO Lisa

Wieland.

Edwards recently announced that the state Senate budget includes \$1 million for lower Winthrop Ferry fares and to add the stop at Logan.

“An incredible win for the Town of Winthrop includes \$1 million allocated to subsidize ferry

services while the Summer Tunnel is closed July 5 – August 31,” stated Edwards. “Notably, the Winthrop Ferry will now make a stop at the Logan Airport Ferry Terminal, making travel from East of Boston to Downtown Boston

SPICE-RUBBED CHICKEN LEG QUARTERS

INGREDIENTS:

Brine and Chicken:

- 5 cups water
- ½ cup white sugar
- ½ cup kosher salt
- ½ cup white vinegar
- 5 pounds chicken leg quarters

Dry Rub:

- 7 tbsps dark brown sugar
- 4 tbsps smoked paprika

- 3 tbsps chipotle chile powder
- 1 ½ tbsps kosher salt
- 1 tbsp coarsely ground black pepper
- 2 teaspoons garlic powder
- 1 teaspoon onion powder
- 1 teaspoon cayenne pepper (Optional)
- 1 teaspoon ground cumin
- ½ teaspoon ground nutmeg

DIRECTIONS

STEP 1: Mix water, sugar, salt, and vinegar for brine in a food-grade, nonreactive container.

STEP 2: Rinse chicken and pat dry. Place it in the brine, cover, and let sit for 2 hours.

STEP 3: Mix brown sugar, paprika, chile powder, salt, pepper, garlic powder, onion powder, cayenne, cumin, and nutmeg for dry rub together in a small bowl.

STEP 4: Preheat the oven to 300 degrees F (150 degrees C). Line a baking dish with foil.

STEP 5: Remove chicken from the brine and pat dry. Place it on a tray and generously sprinkle dry rub all over each piece, rubbing it into the skin and meat. (You will have some dry rub remaining.)

STEP 6: Place chicken, skin-side down, in the prepared baking dish. Cover with foil, making sure not to wrap it too tightly.

STEP 7: Bake in the preheated oven for 1 hour. Remove from the oven. Increase the temperature to 450 degrees F (230 degrees C).

STEP 8: Remove the foil cover and turn chicken over. Sprinkle more dry rub onto the skin and return to the oven.

STEP 9: Bake until skin is crispy, chicken is no longer pink in the center, and the juices run clear, about 20 more minutes. An instant-read thermometer inserted into the center should read at least 165 degrees F (74 degrees C).

gan, Runway 15R-33L is primarily used by the

FAA during northwest winds, which are typically prevalent in winter and spring months, and is the preferred late-night over Boston Harbor runway for noise abatement purposes. Runway 15R-33L was last rehabilitated in 2012.

Beginning August 14, Runway 15R-33L will be closed to all aircraft arrivals and departures. Consistent with FAA requirements, the project will improve runway safety by enhancing the lighting and the surface conditions. Work will be done in several phases to include the following:

- Replacing pavement and improving runway and taxiway intersections;
- Upgrading electrical infrastructure;
- Converting runway lights to energy efficient LEDs.

In addition to the runway rehabilitation elements, FAA recommended safety improvements

will be made to several taxiway intersections to reduce the potential risk of aircraft runway incursions and to enhance airfield safety overall.

This August date was determined based on close coordination with the FAA and airline stakeholders while being mindful of the Summer Tunnel closure. During the first few weeks of the closure, pavement will be removed and electrical elements will be installed. The majority of the pavement installation will occur in September and October..

Comprehensive mitigation measures will be put in place to reduce construction noise and other impacts to the surrounding communities. Those measures include:

- Reducing noise from truck back-up alarms within OSHA guidelines and other regulations;
- Maximizing daytime work, particularly noise

producing activities;

- Establishing airside haul routes that will maximize distance from neighboring homes, particularly at night;
- Hauling waste and other materials during the day to the extent possible;
- Prohibiting trucks from using City of Boston streets to and from the airport

- All construction traffic will access the airport via Routes 90/93/1A and Coughlin Bypass Rd.
- Aiming all lighting used for night operations away from the communities

Massport will be holding a Virtual Information Session on Tuesday, June 13 at 6:00 p.m. and encourages members of the public with any questions or concerns to attend.

WPD HOSTS ANOTHER SUCCESSFUL LAW ENFORCEMENT EXPLORING COMPETITION

Participants in the Law Enforcement Exploring Competition .

Special to the Transcript

On Saturday, May 20, 2023, over 60 Law Enforcement Explorers from the Spirit of Adventure Council (SoA) participated in the annual statewide Law Enforcement Exploring Competition hosted by the Winthrop Police Department. The day was opened by Executive Director of the Massachusetts Police Training Committee (MPTC), retired Woburn Police Chief Robert Ferullo, welcom-

ing all posts to the day of competition and fellowship. Chief Ferullo spoke about the importance of providing excellent training as policing evolves and of the important roles and responsibilities that future law enforcement officers will hold in the country. He also noted that there is a position for the participants in the criminal justice field as a career and welcomed all advisors to visit the state’s training academies with their posts.

Competitions then began with stations including Arrest and Search, Family Disturbance, First Aid/Officer Down, OUI/SFST, Street Crimes, Accident Investigation, Traffic Stops, Felony Traffic Stops, Emotionally Disturbed Person, Burglary in Progress, and MILO Shoot/Don’t Shoot scenarios. There was also a firearms competition, Professional Development exercise, High Stress incident, Judgmental Driving course, Physical Agility

course, and a Mountain Bike course. Exploring and Cadet programs from Winthrop, North Andover, Westwood, Methuen, and Winchester participated in the day. Lt. Robert Impemba from the Revere Police Department provided an outstanding presentation in the afternoon on Gangs and criminal activities in the region, state and nation. This was followed by a presentation by retired Winchester Sgt. Dan Perenick on the SoA Council’s

Community Emergency Response Team (CERT and Teen CERT) program. At the end of a long and exciting day of competition and learning, medals and trophies were presented by event coordinator Lt. Steve Rogers from Winthrop PD to the top three individuals/teams in each of the above categories, and trophies were presented to the top three overall units. First place in the statewide competition was presented to the Westwood Police Explorer

Post, second place was the Methuen Police Explorer Post, and in third place was the North Andover Police Explorer Post. For more information about Exploring , please contact SoA Membership Executive Jennifer Erickson at Jennifer.erickson@scouting.org or SoA Exploring Commissioner and CERT/Teen CERT Coordinator Dan Perenick at fema-scouting@scoutspirit.org.

Superintendent rates high in School Committee evaluation

By Adam Swift

It was exemplary marks across the board for Superintendent of Schools Lisa Howard as the School Committee approved her performance review at last

week’s meeting. Due to the lingering effects of the Covid-19 pandemic and efforts to get students back in classrooms, the performance evaluation, which is mandated by the state, cov-

ered most of the past two school years. “Although here 2021-22 goals were developed at the start of the 21-22 school year, they were not officially voted on by the committee until February

of ‘22, due to the focus of us meeting to prioritize other things, such as in-person learning and getting kids back to school,” said School Committee member Julie Barry, who headed up and helped organize the review process. As a result, the committee voted to hold off on the performance evaluation until the 22-23 school year, voting to extend the approved 21-22 goals and add a few new areas of focus. “The School Committee evaluates Superintendent Howard using the Department of Education Superintendent Administrative Rubric,” said Barry. “It provides a reflection of her leadership practices as it relates to the standards of instructional practice, management and operations, family and communication engagement, and professional culture.” Each of the seven School Committee members rated Howard on a scale from unsatisfactory to exemplary in each of those four categories, with the majority of the scores from the committee members coming back as exemplary in each category.

“The 21-22 school year presented many challenges as we opened the schools for the first year of in-person learning since the start of the pandemic,” said Barry, reading from the summary of the evaluation. “The return to school required significant operational adjustment related to teacher shortages, as well as having to kick off contract negotiations with seven different bargaining groups. In addition, there were multiple changes in state guidance and mandates, and children post pandemic presented with new and more challenging learning and emotional needs.” Barry said the emotional wellbeing of students and staff post pandemic was a priority for the school district. “Ms. Howard was steadfast in her focus on student learning with implementing and maximizing funds to mitigate learning loss and to support the social and emotional wellbeing of students and staff,” said Barry. “With grant allocations, focus was put on improving the safety of school buildings, technology, and curriculum

enhancement and proper staffing for each school building.” Barry said Howard showed tremendous fortitude in her work to successfully ratify several contracts and build a ground-up budget that aligned with the district’s strategic plan. “She is a strong leader who enhances a positive and inclusive culture within the Winthrop Public Schools,” said Barry. “Ms. Howard is a high-performing leader who has demonstrated resilience and professionalism in her ability to lead the district out of the pandemic. She provides active listening and a relentless commitment to the students, staff, and mission of the Winthrop Public Schools.” Howard thanked the School Committee for its evaluation and feedback, as well as for its willingness to delay the evaluation to focus on other issues in the district. “My appreciation in allowing that to happen and putting students before me speaks to everything that I’m about, having students come first,” said Howard.

Rep. Jeff Turco, Fire Chief Scott Wiley, Police Chief Terence Delehanty, School Committee Chairperson Jen Powell, and School Committee members Gus Martucci, Suzanne Swope, Suzanne Leonard, Julie Barry, and Layne Petrie are among the dignitaries that will join the Class of 2023 graduates for a milestone in their lives. WHS Principal Matt Crombie said this week about the Class of 2023, “It’s one of the most gifted and talented academic classes we’ve had for a while. We’re sending two kids off to Harvard and other graduates on to great schools like Tufts, Smith, Tulane, and Northeastern. We have a student heading to Embry-Riddle

[Aeronautical University] in Florida to become an airline pilot. They are a really talented group that is really focused and definitely dialed into what they’re going to be doing next year.” Athletically, the class also distinguished itself on the fields and courts, and in the hockey rinks. One example of the athletic prowess of the Class of 2023 is the extraordinarily talented Holmes triplets, Emma, Julia, and Abigail, who led the Winthrop High girls hockey program to lofty heights during their spectacular careers. Also of note, graduating senior Robert Noonan, despite having sustained a serious knee injury just weeks earlier, led the Vikings to

a victory over Revere on Thanksgiving in a gallant performance at quarterback that will be long remembered by his teammates and coaches. “Our teams won five conference championships this school year,” lauded Crombie. “Across the board, our achievements in athletics were very impressive. It’s just been a really wonderful class and a great group of students. We had our prom Tuesday night, and everyone had an incredible time and I think that just speaks to how close they are with each other and how much they’re part of each other’s lives in the school community.”

Winthrop, Quincy, and state officials took part in the initial Winthrop Ferry launch of the season on Tuesday, including state Representative Jeff Turco, state Senator Lydia Edwards, Town Councilor Joseph Aiello, Town Manager Tony Marino, and Massport CEO Lisa Wieland.

OUR Opinions

CONGRATULATIONS TO THE CLASS OF 2023

A high school graduation is a singular event in the life of every community, where almost everybody knows one of the graduates or their families. All of us share the happiness and sense of achievement of our young people who will be receiving their diplomas. And for all of us, a high school graduation brings back our own fond memories from our long-gone youth.

For the graduates themselves, their high school graduation marks both an end and a beginning. They no longer are children, either in the eyes of the law or in reality. They are full-fledged adults who will be leaving the sheltered harbor of their families and communities and setting sail on a journey that none of them will be able to anticipate, but which will be full of surprises, both good and otherwise.

Yes, graduation is a bittersweet time, both for the grads and their family members.

For the parents who will be watching their sons and daughters step to the podium when their name is called, no doubt they will be thinking of how fast time has gone by since they first brought their child by the hand to preschool and kindergarten.

Such moments bring to mind the sentiments expressed in the lyrics of the song, Sunrise, Sunset, from the musical Fiddler on the Roof:

Is this the little girl I carried
Is this the little boy at play?
I don't remember growing older
When did they?
When did she get to be a beauty
When did he grow to be so tall?
Wasn't it yesterday when they were small?

We congratulate the Class of 2023 for all of the accomplishments that have earned them the right to step onto that podium to receive their diplomas.

We know we join with all of the members of our community in wishing them blue skies and sunny days, both on their Graduation Day and in the years ahead.

BIDEN, MCCARTHY DESERVE PRAISE

As this is being written, it would appear that the deal struck between President Joe Biden and House Speaker Kevin McCarthy over the weekend to raise the nation's debt limit has averted what would have been a cataclysmic economic event, not only for the United States, but for the entire world.

By no means are we experts in the intricacies of the bond markets and their interaction with the world economy, but it's clear that if the U.S. government had been unable to pay its bills, there would have been significant consequences for the entire global economy.

In our country, there would be a question as to whether Social Security payments, salaries for the military and other government employees, and countless other obligations would be paid on time.

We have to admit that we were among the skeptics who thought that Joe Biden could not have pulled it off, but he managed to do it. And yes, we also have to say that Kevin McCarthy rose above the fray, so to speak, for the good of the country.

Hopefully, their agreement will receive the support it deserves from the members of their parties in Congress so that our elected officials can return to the job of actually governing.

PROGRESSIVES: PLEASE GET REAL

If you've been following the histrionics of the debt limit negotiations these past few weeks, the political theatre on all sides of the political spectrum has been amusing. Republicans will tell us that the country's burgeoning deficit will lead us to ruin thanks to the Democrats, and a few minutes later, the Democrats will assert that the Republicans are holding the country hostage to their unreasonable demands.

As always, the reality lies somewhere in the middle.

We know that a good chunk of the so-called Republican Party has only one goal -- to sow as much chaos as possible, whether by overt means (e.g., January 6) or otherwise -- so their posturing on the debt ceiling is not surprising. But what has been disappointing is that the Progressives on the Democratic side have been bad-mouthing the deal -- for which we have a few comments:

1) The Democratic agenda came out way ahead in the final bill. To the extent that President Biden and his team made some concessions, they were minimal. We would remind Progressives that politics is the art of compromise.

2) Progressives who complain that Republicans were holding the country "hostage" are being hypocritical because that's exactly what they did when they refused to pass the Build Back Better infrastructure bill until they got what turned out to be the Inflation Reduction Act (although their strategy backfired and they ended up with a lot less than they would have gotten if they'd moved ahead with the BBB quickly).

3) But the biggest problem with Progressives' deceptive assertion that, "Joe Biden let us down," is that some of their supporters might actually believe it -- when that is not even remotely the truth -- and in so doing, these Progressives only contribute to the sort of cynicism about government that brought us the outcome in 2016 when many Progressive voters either did not turn out to support Hillary Clinton or voted for Jill Stein.

The bottom line is that Progressive officeholders need to stop their constant stream of exaggerated negativism. It's bad for the country and ultimately is counterproductive to their own agenda.

CHICKENS AND THE BOARD OF HEALTH

Dear Editor:

I'm writing regarding "the chicken story" reported by Adam Swift in the 05-25-23 issue of the "Winthrop Sun Transcript." The story covered the issue of raising chickens and in what part of a resident's yard.

I need to start by saying I do NOT envy the Chairman and other members of our Winthrop Board of Public Health. It appears that not all the residents will ever agree with the Board's public health decrees and safeguards. This current order to raise chickens in a side or back yard vs a front yard is the

latest of some citizens taking issue with the Board.

Historically speaking, however, I remember when non-smoking areas of restaurants were first introduced in our Town and in our Commonwealth. As years went on, the public realized that mixing smoke with food intake couldn't be all that healthy. Currently, folks who still smoke exit the restaurant for a while for the general wellbeing of other customers.

Again, looking at history, I know a few people who still complain about the need to use paper or recyclable bags vs plastic bags. Again, the Board of Health Chair and members become not the most popular people in Town.

Moving on to chickens and bees, however, Chairman Schmidt noted that the Board of Health decision went through several public hearings and took into consideration the regulations in other communities before being approved 3-0 by the Board. The end result was that chickens should be raised in side or back yards, not front yards. Again, however, some residents may differ with this decision.

Looking back, the Board of Health tries to insure the health and safety of our Winthrop citizens. Often, the ordinances (smoking, plastic bags, and chicken raising) may be unpopular with some people, but, in the long run, the enforcement

of these ordinances often have positive global benefits.

I close by upholding the current chicken and bee ordinance sanctioned by our Winthrop Board of Health. Raising chickens in a front yard isn't good for the public health of our community.

Lastly, I recall that for about 10 years, my parents raised chickens as well as tended to a large vegetable garden at our home in Pittsburgh, PA. The chicken coop was at the absolute end of our back yard. This is just a matter of consideration for our neighbors and ensuring overall public health.

Thank you.
Donna Segreti Reilly

GUEST OP-ED

Enjoy your stuff, but be prepared to let it go

we have. We remember days when we didn't have much, wanted more and maybe felt poor. It felt good to get a check and even better to put a few dollars in the bank.

Me, me, and I often became our most significant heroes. We applaud ourselves because we did it, whatever it is. It's all good because we know where we could be or what could have been or what even might be if luck, circumstances and health had changed or still might change.

The problem with stuff is that it does change. It fades, erodes, rots, burns, is stolen, or simply becomes worthless. What might have been valuable may have changed. Life is always changing.

If you have a lot of stuff then you have lot to worry about. You can't keep from worrying some.

In time, all of your stuff will belong to someone else. Your land. Your prized possessions. All that you have worked to collect and preserve. Stuff is passed on or gained by someone else. You can make a plan of passing your stuff on to someone else but they may not really care about it and immediately hand it over to a complete stranger. Once anything is out of your hands then who knows what will happen.

We all die sooner or later and we take nothing with us. All of our stuff is left behind and eventually, sometime down the road of life, everything will end up in a junk or trash pile. Fifty years from now people you have never heard of might sleep in your bed in your house, if your house is still in existence.

There once was a man who had so much stuff

that he had to build multiple barns. One day he was self-talking, "I have so much stored up for many years. I'm going to take it easy, eat drink and be merry." Later that day he died. Jesus talked about this guy in one of his stories found in Luke chapter 16. Chances are anyone might identify with the man Jesus talked about if our existence becomes too wrapped up in all of our stuff.

Enjoy your stuff but be prepared to let it all go.

Avenue, Winthrop, MA, to take part in the annual Deer Island Stroll - Stepping Out to Cure Scleroderma walk. Scleroderma is a rare rheumatic disease that affects connective tissue and the vascular system, producing excessive collagen that causes fibrosis in the skin (localized) or in internal organs (systemic sclerosis). The disease can cause disfigurement and disability. For some, it's life-threatening. There is no known cause or cure. More than 300,000 Americans live with the disease.

This year marks a special occasion for the organization. The National Scleroderma Foundation is celebrating its 25th anniversary. Founded in 1998, the Foundation has been advancing medical research, promoting disease awareness, and providing support to people with scleroderma, their families and support networks for 25 years. For the last 20 of those years, walks have taken place across the country to bring awareness to the disease and raise funds to support the National Scleroderma Foundation's mission.

"The scope of our work is nationwide," said Mary Wheatley, CEO of the National Scleroderma Foundation. "And we are grateful to our supporters across the country who are leading the fight against this disease. Our Deer Island Stroll is a special one with walkers, organizers,

and volunteers who are incredibly committed and passionate."

Our local New England Chapter makes a difference in the lives of those living with and affected by scleroderma. The work to help individuals find their best path is happening nationwide and right here in the Boston community. Our walk is an opportunity to celebrate our scleroderma warriors.

ART 1002 - COLONIAL CHIMNEY FOUNDATION ARCHES

One of the most unique features of many colonial homes built, reconstructed or renovated during the mid 1700's was the design of their multi-flue chimneys and the extensive brick foundations upon which the chimneys were mounted. Those chimneys that were built during the 17th century were constructed of first period bricks, which were larger in all dimensions than bricks typical of the 18th century and those of modern day. They were also laid up in clay rather than lime mortar as can be seen in the chimney arch shown in pictures 3 & 4. Picture one is of the Deane Winthrop House, which was originally built in 1637 and would have then appeared similar to the homes now seen in the Plymouth Plantation. It was enlarged a number of times from 1650 to 1695 and in 1750 had the lean-to kitchen added to the back, a full basement under the entire house along with the present central five flue

chimney installed on the arched foundation shown in picture one. This arch is some five feet nine inches high times 6 ft 8 inches wide and about 12 feet long. One can easily walk through it and the space was probably used to store food. In between the five flues that service three fireplaces on the first floor and two fireplaces on the second floor is an 18 foot high hidden chamber that we have been told were of the type that might have had metal hooks secured to its walls upon which fresh meat was hung. One brick would then be removed from the back wall of each fireplace so that smoke could enter the center chamber to smoke the meat hanging there. In the case of the Deane Winthrop House, there is no evidence of smoke ever entering this center chamber and it probably was used as a storage area. We researched information on chimneys in other colonial homes and have reviewed it all with Richard Irons,

of Limerick Maine, who is the Masonry expert that maintains most of the chimneys in New England Colonial Homes. Two brick colonial homes built in 1753 and 1756, which are still standing on Siren Street in Winthrop, he believes were constructed by the same mason that built the Deane Winthrop chimney in the 1750's. The 1753 home, built at 7 Siren Street is a federalist style home with a chimney on each side of the house that services two fireplaces, one on each floor. See picture two, for a view of one of the arches, which was kindly provided by the current owner John Rogers. It is interesting to note that each of these two chimneys is 88 inches wide in the basement with a small arch in the base 29 inches wide, 55 inches deep and four feet high but are only open in the front. Picture three is of the arch in the basement of the House of Seven Gables that is similar to the one in the Deane Winthrop House, about six feet tall, but not open in the rear. This was given to us by Anita Blackaby, Executive Director of the House of Seven Gables Association when she spoke at one of our dinner meetings. Picture four is of the arch in the foundation of the Paul Revere House, which, as can be seen, is about seven feet tall and also only open in the front. The lady standing in the arch is Nina Zannieri, Executive Director of the Paul Revere House Memorial Association who was kind enough to permit us to enter the basement to take this picture.

State Secretary of Housing and Economic Development Greg Bialecki, Town Manager James McKenna, and Council President Peter Gill walked through French Square during a tour of the Winthrop Center business district this week. Bialecki then met with town and business leaders to discuss strategies to improve local small business development, the ongoing projects in the town, and attracting more visitors to partake of the great restaurant and cultural opportunities. Speaker of the House Robert A. DeLeo and Chamber of Commerce President Dr. Paul McGee provided the Secretary with a thorough update of the local business community

The Winthrop School Committee voted to raise Assistant Superintendent of Schools Lisa Howard's salary from \$105,000 to \$120,000 per year. Howard's contract was set to expire so the committee voted 3-2 to approve a new, four-year pact that will pay Howard \$113,000 until the end of Fiscal Year 2013 and \$120,000 until 2016. School Committee member Todd Sacco and Melissa Polino voted against the pay raise. Members Gary Skomro, Bill Holden, and Mary Alice Sharkey voted for the pay raise. School Committee members Peter Gill and Brian Perrin abstained from voting. Gill is the father of Lisa Howard.

Townpeople joined Winthrop High students this week in mourning the sudden passing of WHS sophomore Alessandra Ianuzzi, a typically healthy teenager who two weeks ago was diagnosed with a liver ailment that required an emergency liver transplant. However, the new liver failed shortly after the surgery and she passed away at the Mass. General Hospital Monday evening. Alessandra was remembered as a vibrant and caring person by WHS Principal Steven Chrabaszcz and her classmates, who began a memorial banner on the second floor corridor of the high school. She is survived by her mother Lena, father Gerardo, and sister Carmen, a junior at WHS.

The 91 members of the WHS Class of 2003 received their diplomas in the high school gymnasium after torrential downpours throughout the day Sunday forced cancellation of the exercises at Miller Field. BOYS LACROSSE HONORS SENIORS, TOPS MALDEN

The Winthrop High boys lacrosse team celebrated Senior Night in appropriate fashion with a 15-3 triumph over Malden last Thursday evening at Miller Field.

"It was a great day celebrating all the hard work our seniors have put in," said WHS head coach Brian Donnelly. "We were able to get a lot of first-year players goals, including seniors Matt Hurley, Loert Mana, and Colin Banfield, along with Jack Hayes and Welvis Acosta. It was great to see most of our seniors score and have a good time in what for some of them will be their last game together.

"This year the boys lacrosse team went from a club team with barely enough numbers to make a full squad to building the program back into a full varsity and JV team," Donnelly continued. "The varsity team won the NEC south with an overall record of 14-4, going 9-2 in our conference and beating teams like Peabody, Danvers, and Beverly for the first time in program history. A lot of this success had to do with the hard work and dedication of the members of this senior class."

Donnelly honored each of the seniors with appropriate remarks as follows:

Nate Evangelista
Sideline by a hockey injury Nate was an excellent lacrosse player whose athletic ability and speed was sorely missed this year. Nate will go down in WHS lacrosse history as the best ever and first ever

social media coordinator for the team. He brought his design skills and humor to the WHS lax Instagram and after this year we have no doubt he will be very successful as he attends High Point University to go into sports management. Although he did not see the field this year, he will always be a part of our team's history and thank him for developing our WHS LAX Instagram account. . Good luck Nate Evangelista!

Loert Mana
This was Loert's first year playing lacrosse and he brought excitement and liveliness to the team. He challenged his team mates every day in practice and was a force at defensive middle when he saw the field. He is one of the fastest players on the field and can run like a gazelle. He will be attending Suffolk University next year studying international relations. We wish him the best of luck.

Esteban Alvarez
Esteban was another first year player to the lacrosse squad this year. He brought his speed, agility and tenacity to the field every day. As the year went on he developed his sticks skills and worked every day to make himself and the players around him better. He kept a positive attitude and used every day as an opportunity to improve. Next year he will be attending Bentley University to study finance and is hoping to join the soccer team. Good luck Esteban.

Colin Banfield
Colin Banfield is another first year player that joined the lacrosse program for his senior year. Colin turned into an excel-

lent feeder at attack who created opportunities for those around him. Colin used his physicality from

The Winthrop High softball team will open play in the Division 3 North Sectional of the MIAA state softball tournament this Saturday on the local field. The Lady Vikings, who finished the regular season with a 14-6 record to earn the sixth seed in the 22-team D-3 North, drew a bye in the opening round. The Lady Vikings won two of their final three contests last week to wrap up their regular season. One of the victories came against perennial Northeastern Conference power Lynn Classical in the season finale last Thursday at Breed Park in Lynn. Classical has been a nemesis of the Lady Vikings for the past few seasons, but this time the Winthrop girls turned the tables on the Lady Rams, rallying from three runs down to earn a 4-3 victory which knocked Classical out of first place in the NEC North Division. The Lady Vikings' statistics for the regular season show that sophomore hurler Maura Lanza turned in some impressive numbers. Maura tossed 125 innings and posted a 14-6 record. She allowed 144 hits and 28 earned runs for a sterling 1.18 ERA. The top Lady Viking hitters were Jen Adamson (26-for-59 for a .441 average with five doubles, a triple, a homer, 13 RBI, and 13 runs scored; Michelle Lasala (23-for-63 for a .319 avg. with three doubles, nine RBI, and seven runs); Olivia Grillo (20-for-51 for a .392 avg. with two doubles, a homer, six RBI, and 14 runs); and Liana Ferullo (20-for-62 for a .323 avg. with six doubles, five RBI, and 17 runs).

Winthrop High outdoor trackman Mike Eruzione won the triple jump at the recent Northeastern Conference All-League Meet with a distance of 40'-9.5". Eruzione came into the meet as the top seed, having attained the best jump in the NEC during the season. He now will compete in the Class D Meet this Saturday. The Winthrop High baseball team ended its 2003 season on a winning note, taking all three of its final games, to finish with a 7-13 record. Vikings Matt Driscoll, Lucas Guarino, and Tom Pevear were named to the NEC all-star team. Driscoll tossed a brilliant one-hitter for a 3-1 win over Gloucester in nine innings. Pevear allowed just two hits in a 7-1 triumph over Salem and also hit a homer. In a 4-1 triumph over Saugus, Guarino was immense, scattering five hits. The WHS softball team will play Our Lady of Nazareth Academy in the opening round of the Division 3 state tournament. Two Lady Vikings, Marie Trainor and Briana Kneeland, were named to the NEC all-star team.

The WHS baseball team will host Trinity Catholic Saturday in the opening round of the Division 3 North state baseball tournament. Winthrop is the third seed in the North Sectional with a 15-3 record. The baseball Vikings will be looking to get some revenge for their school against Trinity, which knocked the WHS basketball team out of the hoop

state tourney this winter.

The WHS girls track team finished in third place in the Class D State Meet. Erica Towlson took the Class D title with a first-place performance in the 100 meter high hurdles in a time of 15.3 and placed second in the high jump with a leap of 5'-4". Stephanie Balaouras took home a second place ribbon with a discus toss of 120'-3" and Nicole Zedalis finished second in the shot-put with a throw of 33'-0".

Former Viking baseball star Dennis Ricupero, who hit .430 for Bentley College this season as a freshman, will be playing in Fenway Park in the college all-star game between the Division 2 and Division 3 all-stars vs. the Division 1 all-stars.

The WHS track team successfully defended its NEC title to bring home the crown for the sixth time in seven years in the all-league meet among the six NEC schools. Leading the way for coach Wallace McLean's Winthrop team were Charlie Moran in the shot-put, Al Fearing in the high jump, and Warren Treanor in the 880.

Coach John Domenico's WHS baseball team continued its winning ways of late with wins over Swampscott and Woburn. A two-run homer by Dick McKenna lifted Winthrop in the Woburn contest. Kevin Connolly tossed a shutout in the triumph over Swampscott. WHS shortstop Freddy Lewis set a modern-day Winthrop record with 11 assists in one game.

hockey to also be a ground ball machine when on the field. He brought his sense of humor to the field and always had his teammates smiling. He will be going to Plymouth State in New Hampshire next year. Good luck with all of your future pursuits.

Raesean Bebri Raesean was another first year lacrosse player this year who joined the team. Resean uses his athleticism and strength to make his mark on the field. As his stick skills improved throughout the year Raesean has become a playmaker getting time both at long pole defense and as a short stick midfielder. He also brings a sense of humor to the team that keeps things light and his personality shines on and off the field. He has worked hard to improve this year and his drive will no doubt help him next year as he attends Suffolk University next fall to pursue supply chain management. Good luck Raesean.

Andrew Hurley Andrew Hurley joined the lacrosse team last year and continues to make his mark on the field at the attack position. Andrew plays an excellent crease attack man with a deadly quick shot from the middle. He brings excitement to the field at the position and plays everyday with a great attitude. Andrew is a crowd favorite on the team and in the stands and his attitude and effort is second to none. He helped preserve the program last year as a pivotal member of the team and his dedication to the program will be remembered. He will be attending UNH in the fall to pursue a degree in homeland security. Thanks for everything you brought the team over and good luck in the future.

Donnelly and his crew now will await word of their seeding and first-round opponent in the upcoming Division 4 State Tournament. The Vikings presently are ranked 13th in Division 4 and appear likely to host 20th ranked Archbishop Williams in a Round of 32 contest next Monday.

Welvis Acosta Welvis has had an amazing senior year for the lacrosse program. Welvis played for the program his freshman year starting at our defensive position. He went to Malden Catholic for a year and we are happy he returned to us this year to rejoin the squad. Welvis is the heart and soul of our defense and can be seen all over the field from long stick middle, taking face off or covering whoever the other team's best offense man, Welvis's mark on the team can be felt every game. He has two assists and a goal on the season, but creates goals and looks for his teammates through his feicce ground ball battles and uncanny ability to clear the ball in traffic. He has the most vicious checks on the team and challenges our guys every day to improve their skills. Welvis's mark will forever be a part of WHS lacrosse and through his amazing attitude and effort the coaches named him a late season captain that is a true testament to his character. He will be attending UNH in

the fall and we wish him the best of luck in all his future endeavors.

Jack Hayes Jack Hayes is a two-year captain of the Lacrosse team whose leadership, positive attitude and skills have taken the program to the next level. He was one of a few returning players who helped keep the team together through the difficulty of building back up after the COVID years. His dedication to the program and investment into Winthrop High School lacrosse is unmatched. WHS lax is eternally grateful for his grit, determination and dedication to the team and program. Jack is a true leader of a young attack core and recorded 18 assists and 21 goals on the season so far. Jack is a true example of what it means to be a Winthrop Viking and we hope that his leadership skills and attitude will continue on with the players that he has mentored over the last few years. Jack will be sorely missed on the squad, and we thank him for his lasting marks on the program. Next year Jack plans to join the armed forces and hopes one day to be a state trooper. Congratulations and good luck in the future.

NICK CAPPUCCIO WINS TWO MEDALS; ARIANNA C. WINS ONE; GALURIS SETS JAVELIN RECORD

Winthrop's standout track and field man, sophomore Nick Cappuccio, brought home two medals from last week's Division 6 State Meet. Nick took a third-place ribbon in the 200 meter dash with a sprint of 22.50, just off the winning time of 22.07 by Winston Lewis of Springfield. Cappuccio, who was the only sophomore in the final eight, had the fastest time, 22.57, in the qualifying round.

Nick also earned a seventh place medal in the 100 meter event with a dash of 11.35. The race was won by Monomoy Regional eighth grader, Alique Brown, who clocked in at 11.03. Teammate George Galuris set a new Winthrop High record in the javelin with a throw of 141'-11", shattering the previous mark of 132' that had been held by Jimmy Barker. George's toss was good for ninth place, leaving him just shy of an eighth-place medal by two inches.

On the girls' side, freshman Arianna Cappuccio brought home an eighth-place medal in the long jump with a leap of 15'-9".

WHS BASEBALL READY FOR STATE TOURNAMENT

The Winthrop High baseball team, which is ranked 28th in the MIAA's Division 4 Power Rankings with an 8-11 record, appeared set to host a play-in game when the final seedings were to be announced yesterday (Wednesday) as the Sun-Transcript was going to press.

If the rankings remain status quo from yesterday morning, coach Mark Degregorio and his Vikings would entertain Charlestown, which sports a 12-6 and is ranked 37th in the seedings.

If Winthrop advances, and assuming the rankings remain intact, they would travel to Billerica to take on fifth-ranked Shawshen Tech in the Round of 32.

WHS GIRLS LACROSSE WINS FINAL TWO MATCHES, AWAITS WORD OF TOURNEY FOE

The Winthrop High girls lacrosse team won its final two contests of the season last week to conclude their 2023 campaign with a 9-9 record. Coach Emma Marrs and her crew were awaiting word of their seeding and first round opponent in the upcoming Division 4 state lacrosse tournament as the Sun-Transcript went to press.

The Lady Vikings are ranked 23rd in D-4 and appear likely to be headed to take on 10th-ranked Nipmuc Regional for a Round of 32 contest. Nipmuc is located in Upton, just west of I-495.

Last Tuesday the Lady Vikings dispatched Revere, 12-1. Emma Holmes paced the scoring attack with four goals. Hannah Parker struck for three goals and earned three assists. Julia Holmes scored two goals with an assist and Talia Martucci notched a pair of goals.

Sam DiMento added a goal and Mia Norris earned three assists. Kira Diaz also earned an assist.

In the season finale last Thursday, the Lady Vikings celebrated Senior Night with a display of offensive fireworks in an 18-4 triumph over Malden.

Parker struck for five goals and Emma Holmes scored three goals with two assists. Elizabeth Quinn and Kailey Sullivan both scored two goals. Julia Holmes made a nice contribution with a goal and five assists.

Also reaching the back of the Malden net for a goal each were Kira Diaz, Talia Martucci, Sam DiMento, Abby Holmes, and Mia Norris. Tegan Pereira made three saves in goal.

"It was a really great way to end our regular season," said Marrs. "Everything seemed to be clicking across the field and it felt like the energy was very high throughout the game. We are really going to miss our seniors next season. Each of them has been a huge asset to the team and we cannot wait to see what the future holds for them. As a team, we are looking forward to the big week ahead and preparing for the tournament."

‘Goodnight from Paris’ presentation at the Winthrop Public Library

Story & Photos by Marianne Salza

Washington Post and Amazon Charts best-selling author, Jane Healey, presented her fourth novel, “Goodnight from Paris,” on May 24 at Winthrop Public Library. The biographical fiction set in Nazi-occupied France was inspired by the true story of feisty American actress, Drue Leyton, who became a resistance heroine during the Second World War. “Goodnight from Paris” is a fascinating tale of loyalty, romance, and adventure.

“It was a stranger-than-fiction story,” exclaimed Healey. “She was incredibly brave and took many risks.”

When Leyton’s husband, Jacques Tartiére, a Parisian film actor, is sent to Brittany in 1939 to work as a translator for the British military, Leyton embarks on her own dangerous journey.

Leyton broadcasts radio programming in the evening to enlighten Americans on the situation in Europe, and encourages them to join the fight against the Nazis. She relays these reports until June 1940, when Paris falls to German

ny. France is completely occupied by 1942.

Leyton flees, settling in a Barbizon village, in the south of France.

“She managed to evade the Germans by hiding in plain sight. She grew food to feed her friends in Paris,” said Healey, who is fascinated by WWII, as her grandfather served as a firefighter in the Navy, off the coast of Europe and Africa.

Following the attack on Pearl Harbor, Germans capture American and British women around Paris, and imprison them in the monkey house of a zoo for two days before relocating them to the Vitel internment camp on the German border, where Leyton is imprisoned for several months before being released in poor health in December 1942.

“It was fascinating to read Drue’s account. It had elements of comedy and tragedy,” Healey described. “Their friends had to pay five francs admission to the zoo to talk to them and ask what to bring.”

Leyton returns to her residence in Barbizon and becomes involved in an underground network of

safe houses around Paris.

“It was extraordinary work by average, French citizens,” Healey explained. “She helps as a translator, and aids directly in the escape of British, American, and Canadian fliers.”

Leyton hides five soldiers in the two cottages at the rear of the property. They remain indoors until the evening, when they are allowed to smoke beneath the shadow of a tree in the courtyard.

“She describes it in her autobiography as a huge

party in the streets of Barbizon,” said Healey about France’s liberation in 1944. “By the end of the war, Drue had overseen the escape of 42 American, British, and Canadian fliers, and assisted in helping over 100 others escape France.”

Published in March, “Goodnight from Paris” includes photographs acquired from Drue Leyton’s personal scrapbooks that her granddaughter shared with Healey.

Healey has also written: “The Saturday Eve-

ning Girls Club,” “The Secret Stealers,” and “The Beantown Girls.” The former high-tech product manager is a graduate of the University of New Hampshire and Northeastern University. The mother of two daughters lives with her family north of Boston, and enjoys traveling, running, cooking, and visiting the beach.

The selectmen gave a hearing on the proposed electric railway through certain streets of the town. About 100 persons were present. George T. Sleeper spoke of the need for another railway company to compete with the present steam train, while others mentioned that real estate values would increase with additional rail service. The opponents said that Winthrop would become an area of tenement homes if an electric rail

service to Orient Heights were built and residents of the streets that would be attached to the proposed line said they would sell their homes if a rail line were to be built in front of their property. Altogether there appears to be less sentiment now for an electric rail line than there has been in years past.

Brendan Collier joins Malden Catholic as varsity boys hockey coach

Special to the Journal

William Raycraft, Malden Catholic Director of Athletics has announced that MC alum, Brendan Collier '12, will head the Malden Catholic Varsity Boys Hockey program.

"I am extremely thrilled and grateful to return 'home' to Malden Catholic and I'm very excited about the opportunity to lead these young athletes," Collier stated. "Malden Catholic has a rich and storied hockey program history and having experienced two Super 8 Championships myself when I attended the school, I understand the overwhelming pride and value that ensues from being part of MC's tradition of excellence. I look forward to building upon the school's legacy of success."

Brendan Collier's accolades as a four-year Lancer are second to none in Massachusetts and in New England hockey. The former Lancer hockey captain and Charlestown resident led MC's hockey program to two straight Super 8 tournament titles in 2011 and 2012. In addition to tallying a goal in his senior year's Super 8 final, Collier also netted the overtime game-winner during the Division 1A final the previous season against St. John's Prep. Collier led all Division 1 scorers his senior season, holding a six-point advantage over the second-place finisher. He was named ESPN Boston's Mr. Hockey and committed to Boston University and then moved on

Brendan Collier

to finish as captain of the Northeastern University program while earning Hockey East All-Academic Team status. Ultimately, he was selected by the Carolina Hurricanes in the 2012 NHL.

Since his playing days, Collier has turned his passion for the game toward coaching where he has recently been the Head Hockey Coach for Catholic Conference rival, Boston College High School. His other stints include Northern Mass Hockey, Max Pro Skills and GBL Junior Bruins.

"Coach Collier is an outstanding leader who has a deep and thorough knowledge of the game and is determined to reignite the winning tradition of MC Boys Hockey. He knows how to inspire, listen, teach and win – all qualities that will translate well to the ice and make him a terrific and successful head coach," commented Raycraft. "He emerged out of a very strong pool of applicants, and we are very excited to have him onboard."

Collier was also inducted into the Brother Daniel Cremin C.F.X., Malden Catholic Hall of Fame in March 2023 along with the members of the MC 2010-2011 hockey team. Plus, he was a multi-sport athlete while at Malden Catholic, playing Varsity Golf and Lacrosse.

Cummings Foundation awards Malden Catholic grant

Special to the Journal

Malden Catholic will share in \$30 million of Cummings Foundation's major annual grants program to provide (STEM) Science Engineering Technology and Math education to middle school students in the surrounding communities. MC's proposal was selected from a pool of 630 Cummings Foundation Grant applications during a competitive review process and the school will receive \$225,000 over the next three years.

Malden Catholic will use the funds from the Foundation to offer up to 180 middle school students a customized course entitled, Cummings Community STEM Program, which will be designed to provide project-based engineering curricula that exposes middle school

students to real world engineering design problems and scientific research.

"This incredible grant from Cummings Foundation will allow MC to give middle school students from public and private schools early exposure to STEM studies. Numerous academic reports have indicated that students who receive advanced STEM and engineering experiences at a young age, tend to enter into STEM-based occupations, which may be very beneficial for both the student and the needs of the industry," stated President John Thornburg.

Cummings Foundation's intention is to give back in areas where it owns commercial real estate and therefore supports Massachusetts nonprofits based in and serving Middlesex, Essex, and Suffolk counties. The nonprofits are spread across 46 different cities and towns, and this year's

Malden Catholic students working together to perform a lab experiment. The Cummings Foundation grant provides funding for Middle School STEM education.

grant recipients represent a wide variety of causes, including education, housing and food insecurity, workforce development, immigrant services, social justice and mental health services. The Foundation and volunteers identified 150 organizations to receive three-year grants of up to \$225,000 each. The winners included first-time recipients as well as nonprofits that had previously received Cummings grants.

"The way the local schools and the nonprofit sector persevere, step up and pivot to meet the

shifting needs of the community is most impressive," said Cummings Foundation Executive Director Joyce Vyriotes. "We are incredibly grateful for these tireless efforts to support people in the community and to increase equity and access to opportunities."

Cummings Foundation has now awarded \$480 million to greater Boston nonprofits. The complete list of this year's 150 grant winners, plus nearly 1,500 previous recipients, will be available May 31 at www.CummingsFoundation.org.

Suffolk DA Hayden names Charlene Luma as Chief of Staff

Special to the Journal

Suffolk District Attorney Kevin Hayden last week named Charlene Luma, current chief of the office's Victim Witness Assistance Program, to be his next chief of staff.

"Charlene is a smart, organized and driven public servant who not only knows the office but also knows the city and the county. Her deep knowledge of our operations and her many ties in the neighborhoods and communities throughout Suffolk County make her a superb fit for the job. I'm thrilled to have her in this important position," Hayden said.

Luma is a native of Bos-

ton with over 18 years of experience as a clinical social worker working with high-risk individuals and families. In addition to her SCDAO responsibilities, Luma is a Commissioner of the Massachusetts Peace Officer & Standards Training Commission and adjunct professor in the Boston College School of Social Work. Luma launched and served as director at the Boston Trauma Response Team providing trauma response services to those impacted by homicides and violent crimes in Boston.

Luma's past experience includes managing a program that provides clinical services to court-involved youth and adults, providing therapeutic services to victims of domestic violence, and working as a clinician alongside police officers to provide ser-

vices to the most high-risk youth in the Boston community.

"I am honored and thrilled to be named chief of staff for the Suffolk County District Attorney's Office. This is an incredible opportunity to contribute to and serve the Suffolk County community. I look forward to working alongside District Attorney Hayden and a team of dedicated colleagues in implementing transformative initiatives, creating safer communities, and finding new ways to enhance engagement with our communities," said Luma.

Outside of her professional career, Luma enjoys serving her community through volunteerism. She has been an active member of the Urban League of Eastern Massachusetts, previous-

ly serving in numerous leadership roles, including board member of the Urban League of Eastern Massachusetts, president of the Young Professionals Network of the Urban League of Eastern Massachusetts, and national secretary for the National Urban League Young Professionals. She currently serves on the Community Advisory Board for the Center on Crime, Race, and Justice at Northeastern University.

Luma has received the 2021 Boston College School of Social Work Distinguished Alumni Award, 2020 National Association of Social Workers Massachusetts Emerging Leader award, and the Boston NAACP Difference Maker award. She was a Boston Business Journal "40 under 40" award recipient in 2015.

Major budget wins this week in the State Senate

Special to the Journal

The Massachusetts State Senate convened last week to debate and finalize the Senate budget package. There is a lot to celebrate this year for the residents of the Commonwealth, especially for the constituents of Senator Lydia Edwards' Third Suffolk district, which covers East Boston, Winthrop, Revere, and portions of Back Bay in Downtown Boston. The community-minded budget success this session is poised to invest in the things residents of the Commonwealth need most.

Tenancy Protections Secured through Eviction Sealing and Preservation of RAFT

Among the most impactful achievements in the Senate's budget package is the passage of Senator Edwards' Tenancy Protection Amendment. This amendment to the budget assures that those who qualify for Residential Assistance for Families in Transition (RAFT) and pay their landlord the amount of money owed can avoid eviction, dismiss their case, and seal their record. This achievement also means that tenants who are waiting on approval of RAFT will not face a judgement on an eviction case. Importantly, this accomplishment allows a tenant to petition to seal their eviction record in

certain situations, such as no-fault evictions, RAFT approval, or where the eviction case is dismissed. The Tenancy Protection Amendment delivers the infrastructure necessary to prevent unfair treatment based on eviction records and improve access to safe, affordable, and dignified housing.

Investment in the Urban League of Eastern Massachusetts

Senator Edwards secured \$400,000 for the Urban League of Eastern Massachusetts (ULEM), which supports adults of Eastern Massachusetts in accessing employment and economic development opportunities by providing support to overcome racial, social, economic, and sexual and domestic violence barriers. Their programs and services offer an array of crucial skills-training classes and workshops at no cost.

Winthrop Ferry Funds Add a Stop at Logan Airport and Aim for Affordable Fares

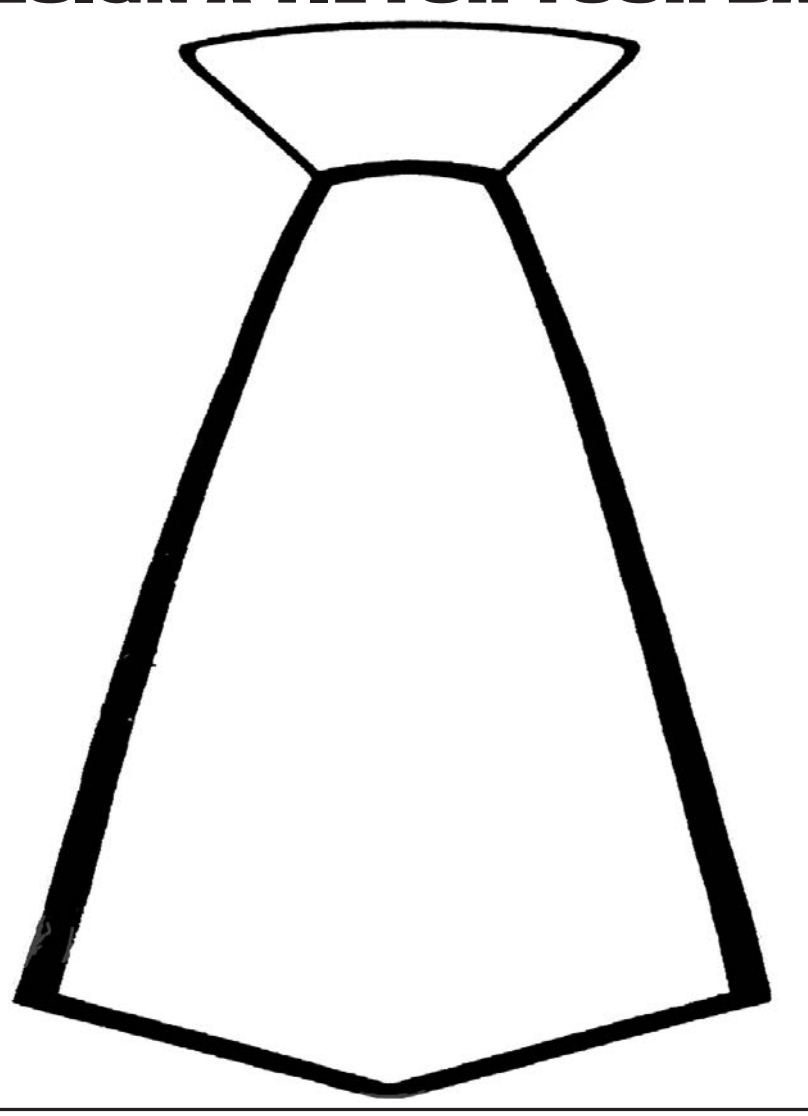

An incredible win for the Town of Winthrop includes \$1 million allocated to subsidize ferry services while the Sumner Tunnel is closed July 5 – August 31, 2023. Notably, the Winthrop Ferry will now make a stop at the Logan Airport Ferry Terminal, making travel from East of Boston to Downtown Boston more ac-

cessible and dependable. Investing funds in these ferry services will provide a much-needed alternative method of transportation for residents and is set to decrease traffic congestion on neighborhood roads.

Funds to Aid the Local Food Shelters in East Boston and Back Bay

East Boston and Back Bay will receive \$30,000 to support local food services, including the East Boston Community Soup Kitchen, the Grace Church Federated in East Boston, and the Arlington Street Church's Friday Night Supper Program in the Back Bay section of Boston. The East Boston Community Soup Kitchen in Maverick Square is open every Tuesday at 9 am and is the go-to destination for those facing food and resource insecurity. The Grace Church Food Pantry is open every Saturday from 10 am – 12 pm, which East Boston residents can access once per month to receive several bags of food to take home. The Arlington Street Church's Friday Night Supper is one of the oldest food shelters in Boston and has served thousands of meals every Friday night, including on holidays and through snow, storms, power outages, and pandemics. Friday Night Supper is located at Arlington Street Church on Boylston Street. Funds for these

OBITUARIES

Genevieve Tyrell

Retired RN and Laboure College Nursing Instructor

Genevieve A. (Doonan) Tyrell, 92, a longtime Winthrop resident, passed away on May 24 at the Jeffrey and Susan Brudnick Center for Living in Peabody.

Genevieve was the beloved wife of the late Richard S. "Dick" Tyrell. Born in Lynn, she was the cherished daughter of Patrick and Catherine (Heslin) Doonan.

Genevieve graduated from Boston College, School of Nursing in 1952, a proud member of the school's first graduating class. She went on to earn her Master's Degree in Nursing from Boston University. Prior to her retirement, she worked as a nursing instructor at Laboure College. She was a member of the Winthrop Improvement and Historical Association and the Cottage Park Yacht Club Ladies Bowling League.

Genevieve was the devoted mother of Patrice T. Flack and her husband, Warren of San Jose, CA, Richard S. Tyrell Jr. of Winthrop, David C. Tyrell II and his wife, Susan Levy of Framingham and Jennifer T. Walter and her husband, Richard of Wakefield; the adored grandmother of Nathan, Abigail and Emily Tyrell, Matthew Walter and the late Geoffrey Walter and Daniel Thibodeau; the dear sister of the late Dr. James M., William P. and George P. Doonan and the beloved "Aunt Gen" to many dear nieces and nephews.

The family extends a heartfelt thank you to the staff at the Brudnick Center for Living for their kind and compassionate care.

Genevieve's funeral

al will be held from the Maurice W. Kirby Funeral Home, 210 Winthrop St., Winthrop, today, Thursday, June 1, at 9 a.m. followed by a Funeral Mass at 10 a.m. in St. John the Evangelist Church (St. Michael's Parish)-Winthrop. Relatives and friends are invited. Interment will be in Winthrop Cemetery (Belle Isle Section).

Donations in Genevieve's memory can be made to The Scholarship Foundation of Wakefield-Geoffrey A. Walter Fund, P.O. Box 321, Wakefield, MA 01880 or to the Make-A-Wish Foundation, in memory of Daniel Thibodeau, 1 Bulfinch PL, 2nd Floor, Boston, MA, 02114.

Budget // CONTINUED FROM PAGE 10

incredible services promises the community that we can meet one of their most basic human needs: adequate nourishment.

Budget Win Invests in East Boston Latin American Arts and Culture

East Boston will see \$50,000 funding the Veronica Robles Cultural Center (VROCC), a central community resource which promotes Latin American arts and culture as an engine for stronger communities and economic growth. The VROCC offers a safe space for immigrants and their families, as a source of connection to their cultural heritage, and for people of all backgrounds to celebrate Latino cultures.

An additional \$50,000 will be provided to support the East Boston Latino Festival in Summer 2023, presented by ZUMIX and Senator Lydia Edwards. Last year, Senator Edwards partnered with ZUMIX to celebrate

the diverse Latin American cultures of East Boston and their vibrant music. This year, the Latino Festival will be hosted on September 9, 2023. Stay tuned for updates! Along with showcases of talented performers and community events, ZUMIX offers programs and lessons to help young people reach their full potential and create a safe space for youth to explore who they are and who they want to be.

Progress for the Green Workforce and Environmental Resiliency

To help protect the largest surviving salt marsh in Boston Harbor, this budget win will allocate at least \$50,000 in funds for Friends of Belle Isle Marsh, Inc., a grassroots organization that preserves the Belle Isle Marsh in East Boston, Revere, and Winthrop.

Additionally, \$75,000 will go to other green workforce and environmental resilience programs, including Eastie

Farm, Inc., Mass Save, and Community Choice Electricity (BCCE) Eastie Farm, Inc. aims to create green job pathways for teens and young adults in environmental justice communities, including the development of skills in energy efficiency, conservation, and clean energy. Funds are also provided to increase the utilization of ecosocial state and city programs like Mass Save and Community Choice Electricity (BCCE). Mass Save helps homes and businesses become more energy efficient, and BCCE gives Boston residents greater control over the electricity that powers their homes, places of worship, and small businesses. These programs will create more access to Massachusetts-grown fresh produce for low-income families in environmental justice communities.

Financial Assistance for First-time Homebuyers

To help first-time homebuyers with financial stress

and hardship, this achievement will provide \$25,000 to the city of Revere to create a pilot program for grants of \$5,000 for eligible first-time homebuyers in Revere. With this funding, the new pilot program will be able to distribute grants over the next year and a half.

Support for survivors of the April 21st fire in the town of Winthrop

A four-alarm fire broke out in Winthrop on April 21, 2023, leaving over 100 individuals and families without a home. After 64 apartments were no longer available, Winthrop residents were placed at the Senior Center, and then provided services through the support of the Red Cross, Winthrop Foundation, and other local organizations. The Town Manager Tony Marino said that about 15 families are still in need of another apartment. Senator Edwards secured \$100,000 in the budget to support those who lost their homes in the fire.

All types of services for all types of people.

Some people prefer traditional funeral services. Others prefer cremation. Some want an elaborate ceremony. Then there are others who don't want any ceremony at all. When it comes to funerals, there are as many options as there are people. And we take pride in being able to say we offer them all.

REMEMBERING VETERAN JOHN F. EADE AND HONORING VETERAN RICH MINICHIELLO

Senator Lydia Edwards is shown with (rear) Ron Hayes, Kevin Adamson, and Bob Minichiello, seated: Frank Pomeromy, Rich Minichiello, and Janice Pomeromy.

Cadet Cody Wojcik reads the proclamation of the flag that flew over our nation's capital in Washington D.C. on November 11, 2022, offered by Congresswoman Katherine Clark.

May 29, Memorial Day, was a day to remember those who gave so much so we can live free. Winthrop held their annual services at the town cemetery and following that paid tribute to two of the town's finest. John F. Eade, was an US Army decorated combat veteran, who was lost to the Town of Winthrop in 2022, Rich Minichiello a decorated combat "Hump Pilot" turned 101 on this day was recognized for his service to his country, flying a C-46 over India, Burma, and China during WWII.

Cadet Cody Wojcik and Peter Soloman unveil the plaque, officially dedicating the flagpole to John F. Eade.

there are still those who lived through those times, and will never forget their brothers in arms, that serve, fight and protect us all and the freedoms we cherish as Americans.

Both ceremonies being intertwined shows that while remembering those who gave the ultimate sacrifice for love of country,

State Senator Lydia presents Veteran Rich Minichiello with a citation from the senate.

State Representative Jeff Turco with his remarks about John F. Eade.

Senator Lydia Edwards spoke to those gathered at the flagpole dedication of John F. Eade.

Winthrop Council President James Letterie addresses the crowd last Monday morning.

The flagpole in Winthrop's Town Hall Green was dedicated to U.S. Army decorated veteran John F. Eade. 1943-2022.

Peter Soloman addresses the crowd at the Town Hall Green during the dedication ceremony in his name, he died in 2022, but his family and friends will never forget his accomplishments.

Veterans from American Legion Post 146, bring the services to an end with a volley and taps.

As Taps echoes across the Town Hall Green, everyone pauses to reflect on the day and remember and honor those that have be lost.

Family photo, celebrating his 101st Birthday Veteran Rich Minichiello is shown with his family, Stephane Batton, Grand Daughter Bryony Darcy and Son Robert

State and Local elected officials and guests at the dedication ceremony for John F. Eade. From left: Rob DeMarco, Heather Flockhart, Hannah Belcher, Stephen Ruggiero, Senator Lydia Edwards, Cadet Cody Wojcik, State Representative Jeff Turco, Council President James Letterie, Winthrop Town manager Tony Marino, Tracey Honan, Linda Calla and Peter Soloman.

Raising the flag back to full mast, following the dedication, Winthrop veterans, Richard Honan, Roseann Trionfi-Maz-zuchelli and Cody Wojcik.

Commander of American Legion Post Steve White presented Rich Minichiello a plaque and flag from Post 146. Also shown is Rich's son, Bob Minichiello.

State Representative Jeffery Rosario Turco presents a House of Representative citation to Rich Minichiello for his 101st Birthday.

Winthrop Council President James Letterie congratulates Rich Minichiello on his 101st Birthday with a Town of Winthrop Proclamation.

Winthrop's Veteran's Service Officer, Phil Ronan is shown with Veteran Rich Minichiello, as he addresses the crowd last Monday afternoon.
