CITY OF BOSTON TRAFFIC ADVISORY FOR FIRST NIGHT **FESTIVITIES**

Events happening in the City of Boston will bring some parking restrictions and street closures.

People attending these events are encouraged to walk, bike, or take public transit. Information on Bluebikes, the regional bike share service, may be found on the website and information on the MBTA may be found online. The MBTA advises riders to purchase a round-trip rather than a one-way ticket for a faster return trip. Walking is also a great way to move around.

Year in Review

The debate over the MBTA 3A Communities Act highlighted a busy year in Winthrop that also saw continued discussions over the fate of a new fire station, the school budget, and flooding issues in town.

In November, the town council voted not to accept the Massachusetts 3A Communities Act compliance plan recommended by the planning board.

Over the past year, the planning board was charged with crafting and recommending a plan to comply with the state law, which aims to increase multi-family housing in MBTA and MBTA-adjacent communities. The town was supposed to have a compliance plan approved by the state by the end of the calendar year, or risk losing out on state grant opportunities.

Opponents of 3A noted that the state should not be forcing zoning mandates ready densely populated.

Planning board members noted that the compliance plan crafted by an outside consultant would create overlay districts in several areas of town, as well as ask for credit for the existing Central Business District, and would have a minimal impact at best on development in the town.

During the November vote, Town Council President Jim Letterie said he believed there is very little debate that 3A is a flawed

"There are towns that are unique, we like to think of ourselves as unique, and we are to me unique, and there are other towns that I'm sure consider themselves unique for different reasons," he said. "To me, one of the biggest problems with this is we are being punished for doing this work ahead of time, for being ahead of the curve. We created zoning to add additional units

The beginning of the year, Winthrop and the surrounding area were rocked by floods brought on by frequent heavy storms. Flood waters made their way up Revere Street nearby Short Beach as a result.

to help our base."

During 2024, the town also prepared for two ballot votes that are expected to take place in early 2025.

In November of 2023, voters rejected a debt exclusion to fund the construction of a new fire station at the site of the Wadsworth Building and former Kirby Funeral Home.

Over the past year, the town council and administration worked on plans to bring another proposal before voters to replace the town's two aging fire stations.

After narrowing the site selection down to the town basketball courts on Walden Street and the old middle school, the council voted to move forward with the Walden Street site, citing the lower cost of the proposal, estimated at about \$35.5 million.

A survey of residents showed slightly more support for the old middle school option, but Letterie said he believed some of that was fueled by a lack of development of the site over the past nearly eight years. Letterie said the council will be taking up

The other big vote slated to come before the town in early 2025 is a school budget Proposition 2-½ override.

In November, voters rejected a \$4.95 million override that would have eral years beyond that.

town.

The committee's finance subcommittee recommended going back to voters with the \$4.95 million amount, but some committee members cautioned against going back with the same amount that was recently defeated and recommended a lower amount.

In December, the town council approved the school committee's ultimate recommendation to place a tiered question on the ballot, where voters can choose either a \$4.95 million override, a \$3.5 million override, both, or neither amount.

If both override amounts are successful, the higher amount would prevail.

Letterie and Superintendent of Schools Lisa Howard both noted that if the override does not pass in early 2025, the schools will be faced with potential staff cuts and larger class sizes. They have stated that it would also impact all town departments, as the town would have to

try to cover some of the expected school budget shortfalls.

At the end of May, 141 students graduated as part of Winthrop High School's Class of 2024. Samantha DiMento was the class Valedictorian and John Tracy was the Salutatorian.

In October, utes poured in from the schools, the town, and beyond for former Winthrop High football coach Bob DeFelice, who died at the age of 82. In addition to his role in Winthrop, DeFelice was a key figure at Bentley University where he served as the long-time baseball coach and athletic director.

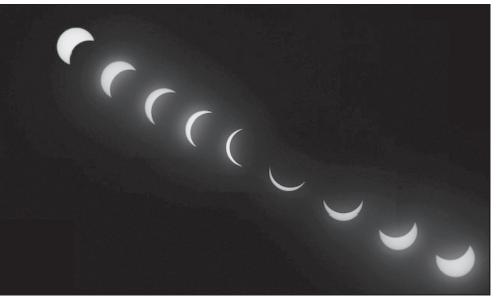

While there was no municipal election in 2024, the town council did welcome one new member. In May, the council selected Pat Costigan to represent Precinct 1. Costigan will serve out the remainder of Richard Fucillo's term. Fucillo stepped down from office to move to another community.

Locally in the state election in 2024, incumbent Democratic State Representative Jeff Turco was returned to office, as was incumbent Democratic State Senator Lydia Ed-

The year also saw new leadership in the police department, as former chief Terrence Delehanty retired and Deputy Chief John Goodwin was appointed the town's new chief by Town Manager Tony Marino.

The town also got its first assistant town manager in 2024, as Marino selected Cheryl McCormick for that position. McCor mick will help oversee much of the planning and development work done by former town planner Rachel Kelly, as well as provide assistance with grants.

In November, former Winthrop Police Lt. James Feeley pleaded guilty to rape and abuse of a child and sentenced to four to six years in prison followed by probation.

went anywhere, interested in ... redeveloping it as apartments," said Letterie. "I don't know what the thought process is on a substantial amount of units in that area."

Letterie said there have been multiple plans and discussion about the property by the council over the years, but that there needs to be further discussion about moving forward with a project for the site. He said he is open to the council holding a roundtable meeting with public participation on the old middle school early in the new year.

"We really need to adopt a formal plan," said Precinct 5 Councilor Joseph Aiello. "We need to dimensionalize things like how deep would the residential element be, what kind of green space would be provided."

Aiello said some of the ideas for the site that have been discussed for part of the property in the past include building a boutique hotel, as well as building affordable housing that would allow teachers and public safety officials to be able to afford to live in the town.

"But we need a robust discussion about what can happen there, we need to think about a loose master plan but with some real dimensions on it to try to make sure we understand what we have and don't have," said Aiello. "I believe we have a lot of detail about the history of the ownership of the property, so we understand what's possible without legislative

needs, because some of that where the utilities would has been deemed to be posbe, what would happen to sibly parkland in the past." other parts of the project, Once the town has a for-

mal plan for the entire site, Aiello said it could then decide on a sequence for releasing requests for proposals for development.

"We really need a workshop on it to understand it and then drive ourselves to a consensus master plan for that site," said Aiello, adding that once the process gets underway, it could happen fast.

Letterie said he believes that discussions for the overall site need to include an ice rink and gymnasi-

"We've been incredibly fortunate to build three new schools, unfortunately, we have gone from four gyms to three," said Letterie. "There is a huge need for gymnasium space. There is also a demand for parks and recreation, which provides an incredible service to our town, both young and

OUR Opinions

MERRY CHRISTMAS

This is the most wonderful time of the year, to paraphrase the popular song, with holiday music playing in the malls and on our car radios, resurrecting our earliest childhood memories of Christmases-past.

We choose just the right tree, decorate it carefully with our family-heirloom ornaments, and when we first turn on the lights, it brings a smile to the faces of even the most-jaded among us. Despite our hectic rushing to and fro', everybody, it

seems, is in a good mood. We endure the traffic and the long lines in stores because we know that what we are doing will bring joy and happiness to others. For those of us with young children, we get to see Christmas through their eyes, giving us a second chance

to experience the wonder and joy that we felt when we Although all of us celebrate the holiday season in our own way, the common thread is one of peace, joy, and happiness, regardless of religious or secular beliefs.

Whether it be Christmas, Hanukkah, Kwanzaa, or a Seinfeldian Festivus, the spirit of the season imbues us with a sense of togetherness that transcends whatever negativity may exist both in our own lives and in the

We wish all of our readers a Merry Christmas and a happy holiday season.

HAPPY HANUKKAH

The eight-day observance of Hanukkah, also known as the Festival of Lights, started Wednesday evening, December 25, and will culminate on Thursday, January

Hanukkah is observed for eight nights and days by lighting the candles of the Menorah, one on each day of the eight-day celebration. (The Menorah itself consists of nine candles, one of which typically stands above the rest and is used to light the other eight.)

Hanukkah commemorates the victory of the Maccabees in 166 BCE when the Maccabees liberated the Jewish people from the Greek-based rulers who essentially had outlawed the Jewish religion.

When the triumphant Maccabees captured the city of Jerusalem, they quickly entered the Holy Temple, tossing out the images of the Greek gods that had been installed there by the occupying rulers. When the Maccabees went to light the Menorah candles in the Temple, they thought they only had one day's worth of oil. However, the candles remained lit for eight days -- hence the miracle of the Festival of Lights.

Hanukkah usually is a joyous occasion for Jews world-wide, marked by gatherings of friends and families and the playing of traditional games such as the dreidel and eating traditional -- and delicious! -- foods such as latkes. Needless to say, in the aftermath of the events of October 7, 2024, as well as the subsequent increase in anti-semitic incidents, Hanukkah this year will have special meaning for Jews the world over.

We wish to take this opportunity to wish our triends and readers of the Jewish community a happy, healthy, and joyful Hanukkah season and we join them in solidarity against anti-semitism in all its forms.

ENJOY THE HOLIDAYS SAFELY

The upcoming holiday week means that most of us will be partaking in traditional gatherings with our families, friends, and co-workers to share the joy of the hol-

Unfortunately, this also means that many among us

will be overindulging in holiday "spirits."

It is the responsibility of each of us to ensure that where alcohol is present, it is used responsibly, not only by ourselves, but by those around us at our holiday gatherings. None of us wants to wake up the next morning with the regret, "If only I had taken their car keys."

We wish all of our readers a happy, and safe, holiday

REGARDING THE FIRE HOUSE

Dear Editor,

At the recent Town Council Meeting, December 17, 2024, held at the DeLeo Center, 16-20 Winthrop Firefighters stood at the back and were certainly noticed by those in attendance and viewers on WCAT. The first speaker, President of Local 1070, spoke of the disappointment in the council after the last meeting. Deputy Chief Calanda next reminded the council of the

Town's promise "you are next" after the completion of the last 7 major new builds in the last 35 plus years. Captain Higginbotham was next and after a descriptive accounting of the job of a Winthrop Firefighter, and then proceeded to call out each councilor on their choice not to second a motion at the last council meeting. or brought up "Rehab" as neighboring Cities and Towns have done. Those projects had the mandated square footage that comes from OSHA and National Fire Associations. Our VERY old stations do not meet those requirements.

The Debt exclusion for building a new Fire Station will be brought to the voters of Winthrop in the next few months. The total cost for Walden Street is \$34,669,000.00. I understand that this project will be in the vicinity of the now under used Baseball area.

Debt Exclusion is not a onetime hit to the tax base. It is done in increments as the project needs funding. The Town will go out for bonding as the money is needed. Please don't 'confuse this with an override.

I am asking every voter in Winthrop to go to the Polls and vote YES for this project. As I said before, when you call WFD whether medical or Fire they come! Now they need us, the citizens of Winthrop to come.

The defendant then completed the money orders, writing his name or the names of family members, as the payee of the orders, rather than the management company, according to the district attorney's office.

In one instance,the district attorney's office alleged that a renter provided a payment to Riel through the cash transfer mobile application Zelle, which investigators allegedly tracked to his per-

sonal Zelle account. When the applicants followed up with the defendant about the apart-

ments, he made excuses

for the delays, repeatedly

telling one victim that the inspection of the apartment was delayed for months, according to the district attorney. "In this case the defen-

led to believe they had secured." The defendant was arraigned on Thursday, Dec. 19 in Malden District Court before Judge Fran-

at \$10,000. The next date

in this case is Jan. 17.

LODGE OF ELKS HOSTS HOLIDAY PARTY FOR SENIORS

Cary Shuman Photos

The Winthrop Lodge of Elks hosted a Holiday Party for seniors Sunday, Dec. 8 in the club's function room.

Event organizer Rober-

ta DiPierro welcomed the many guests to the event that featured a catered luncheon, dessert, and holiday-themed musical entertainment by the Just The Three Of Us trio.

DiPierro thanked the

REASON 48:

THE WAY OUR SYSTEM MAP SHOULD LOOK

Last fall, our MBTA map showed more than 200 slow zones across all our subway lines. Today? It's the way our system map should look – free of slow zones and ready to deliver smoother, faster, and safer rides for you. And now even when new slow zones do pop up occasionally, we are committed to removing them within 30 days. This milestone is thanks to months of tireless effort by our teams and the patience and support of our riders. While there's still more to come in 2025, this marks a significant leap toward a better MBTA experience for everyone.

WINNING FORMULA

Martucci, Pereira, Towse power Winthrop to 3-0 start

By Cary Shuman

Winthrop High girls hockey coach Butch Martucci couldn't be happier with his team's 3-0 start to the new season.

Senior captain Talia Martucci has five goals and one assist in three games - including a huge game-winner in a 2-1 decision over Leominster Saturday. Junior defenseman Junior Tegan Pereira has been a force at the blue line, netting two goals in three games.

Meanwhile, junior goaltender Riley Towse is climbing the all-time shutout ladder with two blankings in the trio of victories.

the net out, and Riley has been absolutely dialed in and completely laser-focused," credited Butch Martucci. "Also, in front of her, our defense is not giving up a ton of shots. Our defensemen (Amelia Spencer, Tegan Pereira, Avallina Coffey, Francesca Indrisano, and Izi Hain) have been unbelievable."

Pereira's two goals have been sizzlers from the point. "She's shooting the puck really well. And Amelia [Spencer] has a goal as well," noted Coach

With wins over Med-"Our success starts from ford, Leominster and Bishop Fenwick (3-0) Monday, the Vikings sit just outside the top 10 in the statewide rankings.

> Amelia Serino broke a scoreless deadlock versus Fenwick in the second period, with senior captain Amelia Spencer notching an assist. Pereira made it 2-0 on a goal assisted by Chloe Couture and Avalina Coffey. Martucci scored an unassisted goal in the third period.

Winthrop claimed a hard-fought 2-1 win over a fast and physical Leominster team.

Pereira opened the scoring in the second period, assisted by Coffey. Leominster tied the game at 1-1 in the second peri-

But Talia took over late in the third period, netting the game-winner in unassisted fashion. Martucci skated around a defender and ripped a shot on net for the scoreboard decider.

Martucci has been drawing considerable attention from opposing de-

fensive corps, with teams assigning multiple players to try and contain the Salem State-bound star.

VIKING NOTEBOOK

Talia Martucci, who earned Boston Globe "Star of the Week" honors for her 100th career point and hat trick (versus Medford), is moving up the WHS list of all-time scorers with 105 points, two shy of current assistant coach Caroline McKinnon's total. Former assistant coach Taylor Brown is at 109 points. McKinnon played college hockey at Salem State while Brown was a captain at Nichols College.

Former WHS superstar Emma Holmes, who had 146 career points, is skating for the Plattsburgh State (N.Y.) Cardinals, along with her sister, Julia Holmes.

WHS SPORTS ROUNDUP

DAVID GREEN HOOP TOURNEY DEC. 27-28

The Winthrop High boys and girls basketball teams will host the fourth annual David Green Memorial Basketball Tournament this Friday and Saturday at the Winthrop High gym.

The Viking boys will take on No. Reading at 2:00 and the girls will face Gloucester at 4:00 in their opening round contests on Friday afternoon. The tournament's consolation and championship contests will be played on Saturday. Lynnfield and Stoneham are the two other teams in the girls' division.

The tourney is named after lifelong resident and former Winthrop High star athlete David Green, who was shot in the summer of 2021 during a race-motivated hate crime in which Green, a retired State Trooper, came to the scene of the shooting from his home, which was just around the corner from where the shooter had crashed his truck. David's heroism is credited with saving the lives of his fellow residents.

WHS BOYS HOCKEY TO PLAY IN HOLIDAY TOURNEY

The Winthrop High boys hockey team once again will play in the Mi-

chael Giordano Christmas Classic hockey tournament on December 26 and 27. The Vikings will meet Lynnfield in a preliminary round contest on Thursday and then meet either Ha-

or Boston Latin at 10 a.m. in the consolation game or at noon in the championship contest on Friday.

The tournament will take place at the Murphy Rink in South Boston.

Coach Dale Dunbar's crew is coming off a big 4-1 victory over Norwell, until January 4 when they which is one of the perennial powers in Division 4, this past Saturday at Larsen Rink.

The triumph was Winthrop's first win of the season after two losses and was a nice bounceback victory after the Vikings had dropped a tough 5-3 decision at Essex Tech three days previously.

In the battle with the Essex Tech Hawks last Wednesday, junior Nick Romano scored Winthrop's first goal of the 2025 season, assisted by senior Jay Fotiades and sophomore Dom Spinale. After Essex came back to tie the game at 1-1, Viking sophomore Joe Pumphret reached the back of the Hawks' net twice to give Winthrop a 3-1 advantage after two periods. Pumphret's first tally came on a power play on which senior captain Phil Boncore and sophomore Paul Ferrara earned assists. Ferrara also assisted on Pumphret's second goal, as did senior captain Mike Holgersen.

However, some costly mistakes by the Vikings in the third period allowed Essex to push across three goals to grab a 4-3 lead and an empty-netter accounted for the 5-3 finale.

WHS senior captain Mike Donahue turned in a solid effort in the net for the Vikings.

After the tournament, the Vikings will be off will travel to Gloucester.

WHS SPORTS THROUGH THE YEARS

10 years ago **December 26, 2014**

Winthrop High senior Sean Gillis has been named to the Boston Globe All-Scholastic football team. Sean played a key role in leading the Vikings to a 10-1 record. Sean's father, John Gillis, starred for back-to-back undefeated Winthrop High School teams in 1981 and 1982. Sean also is one of the top-ranked students in the WHS Class of 2015.

The Winthrop High girls basketball team continued to brandish a suffocating style of defense against its opponents this past week, Marblehead and Pope John XXIII, to earn two more victories and improve to 4-1 on the season. In the Marblehead contest, coach Ignacio Oyola's Lady Vikings led 33-8 after three periods en route to the victory. Nina Bartlette (nine points, nine rebounds) and Kristen Siscamanis (nine points, seven rebounds) turned in solid, all-around efforts for the Lady Vikings. The Lady Vikings trekked to Everett on Sunday to take on the Lady Tigers and came away with a 62-34 triumph. The duo of Siscamanis (18 points on 9-for-13 shooting and 11 rebounds) and Bartlette (18 points on 8-for-13 from the field) pretty much had their way against the

Lady Tigers. The Winthrop High girls indoor track team chalked up a 51-32 triumph over Saugus last week. The Lady Vikings took five of the nine individual events. Carly O'Keefe captured the 50 hurdles in a clocking of 8.1 seconds; Holly Benson took the 600 dash in a time of 1:53.3; Heidy Benson claimed the 1000 in 3:33.9; Abigail Love won the mile in 6:42.3; and Kristen Ford was the

two-mile winner in 14:30. Although the Winthrop High boys indoor track team came out on the short end of a 67-19 decision to Saugus last week, a pair of Vikings, Chris Beaudry and William Holden, topped the field in their respective events to capture first place. Chris won the 600 dash in a clocking of 1:48.1 and William captured the two mile run with a time of 11:37.

Rachele DeLeo poured in 24 points to lead the WHS basketball team to a 49-29 win over Cathedral High in the opening game of the Stop & Shop Holiday Classic that was he'd at Chelsea High. Kristen Visco pulled down 11 rebounds and freshmen Kristen Finn and Nicole Giaquinto reached double figures with 10 points apiece.

The WHS hockey team dropped a 6-3 decision to Andover in the opening round of the Haverhill Holiday Tournament. Nick Bettano, Brian Breau, and Mario Marenghi scored the goals for Winthrop.

30 years ago **January 5, 1995**

The WHS boys' basketball team dropped its first contest of the season to a strong Salem squad, 75-69, before a packed house at the WHS gym. Paul Struzziero led Winthrop with 28 points, including six three-pointers. However, the Vikings rebounded with a 78-61 triumph over Danvers in which David Lynch claimed scoring

honors with 30 points. Brooks Geraghty scored two goals and Michael Palmer and Jack Cimino added a goal apiece as the WHS hockey team improved to 3-1 with a 4-1

win over Swampscott. Luis Bonilla took firsts in the hurdles and high jump to lead the WHS boys indoor track team to a 46-40 win over Danvers. Mike Giuliano took first place in the 600 and Ste-

ven Hale won the 1000. Rachel Gray scored 14 points to lead the WHS girls basketball team to a 54-49 win over Salem.

40 years ago **January 2, 1985**

WHS girls basketball captain Maureen Sheltry set a new Lady Viking record when she pulled down 19 rebounds in a 45-21 win over Lynn English. Sheltry eclipsed the previous mark of 17 rebounds set by Maureen McManus

CITY PAWS

Strollers, joggers, and wagons

By Penny & Ed Cherubino

One of the nicest additions to our city life this year has been a combination of a Strolee pet stroller and shopping cart. As a pet stroller, it has allowed us to take longer walks and adventure into places that might have frightened our anxious little pup.

We've enjoyed picnics with Poppy, using the stroller to carry our supplies until we arrive at the perfect spot. Then, we set up our table, secured Poppy in her carriage, and enjoyed a meal without her jumping up or begging. The same is true of meals on legally dog-friendly patios. We may arrive walking Poppy, but before we sit down, we set her and her stroller between us and enjoy our meal without bothering those at nearby tables.

Strollers, Joggers and Wagons

As we researched before purchasing, we were pleased with the wide selection of vehicles for dogs (and cats) from tiny to large. We spotted ones with high ratings that accommodated dogs of 60 to 70 pounds.

A few allow a large dog to enter at ground level with only mild encouragement from their human. Wagons are also a good option for a large breed. Joggers are perfect for those who want to run longer than might be good for their dog.

What to Look For

Reading reviews is a great way to learn what features to consider when evaluating options. One of our top considerations was size folded and weight since we live in a small condo. The fact that it transformed into a shopping cart and would replace our trusty old Rolster Trolley was a bonus.

Reviewers look for sturdiness, storage on the stroller, SPF protection fabrics, strong, comfortable straps to hold the dog in place, recommended weight limits, solid tires, and ease of use. Consider the stroller's weight, ease of folding, and the amount of storage space it will take up when not in use.

Accessories can increase the price, so compare the total cost of the vehicle equipped for your use to the cost of the product alone.

Benefits for You and Your Dog

We have found that Poppy's stroller allows us to spend more time with her. In the past, there were times when we opted to leave her at home because she wouldn't be happy with what we planned. Now, she's included more often.

If your dog has a mobility issue due to injury, surHere's Poppy enjoying lunch with us at one of her favorite restaurants. gery, or old age, a stroller can bring them with you while you or another dog in your family enjoys a longer walk. These can also benefit dogs with disabilities like arthritis, blindness, deafness, and

hicle or taxi that might refuse a dog on a leash.

Having the stroller along when traversing a crowded area or attending an open-air event can make the experience safer for Poppy and less stressful for us. In the heat of summer or with salty sidewalks in winter, the stroller can protect paws by taking your dog to a grassy surface.

Many shops that might not welcome dogs could be open to dogs in carriers. In fact, we hope that one day soon, officials might decide that dogs in strollers are welcome in many places where they are now prohibited by law.

THE MADARO FOUNDATION HOSTS ANNUAL EASTIE'S ELVES TOY DRIVE AT THE HARBORSIDE HYATT IN EAST BOSTON

Eastie's Elves started over 20 years ago and it has been passed down to the Madaro Foundation, headed by State Representative Adrian Madaro & family.

This holiday toy drive / dinner dance tradition has brought smiles and happiness to thousands of children around the East Boston community, and now has expanded its range to include the communities of Revere and Winthrop.

With the generosity of many local businesses and donations from residents of all these communities the Eastie's Elves toy drive has become a staple in the community of good will, and thanks to the hard work of the many volunteers it grows bigger every year.

The volunteers of the Madaro Foundation have just hosted a Thanksgiving Dinner program, during which they fed over 1,000 families, and still stayed focused on the Christmas venue of Eastie's Elves, collecting toys and donations, to make this Christmas a very merry one for lots of deserving children.
