Shop Local for Small Business Saturday, Nov. 24

By Sue Ellen Woodcock

In Winthrop, it's the local businesses, which are the backbone of a local economy, so why not patronize them this weekend during Small Business Saturday, Nov. 24?

"We are also encouraging local shopping for the whole holiday season," said Betty Shane, executive director of the Winthrop Chamber of Commerce.

American Express has spearheaded Small Business Saturday for the past few years and local Chambers of Commerce are lending their full support to local retailers this year.

"The Winthrop Chamber of Commerce expands this for the whole weekend, kicking it off Friday, Nov. 23 at the Annual Holiday Lighting Festival in the Center," Shane added. The festival runs from 3-6 p.m. with the tree lighting at 5:30 p.m.

In an effort to support local shops that make our communities strong, American Express launched Small Business Saturday on the Saturday

after Thanksgiving to encourage people to Shop Small and bring more holiday shopping to small businesses.

"We are also encouraging local shopping for the whole holiday season," Shane said.

Small Business Saturday is a day dedicated to supporting small businesses and communities across the country. Founded by American Express in 2010, this day is celebrated each year on the Saturday after Thanksgiving

and U.S. consumers have reported spending an estimated \$85 billion+ at independent retailers and restaurants over these days alone. In 2018, you can get out and support the places you love with the people you love on Nov 24.

"Winthrop has great opportunities, great stores, restaurant gift certificates and Winthrop Gift Certificates which can be used at a number of local establishments. They can be purchased at the Winthrop Chamber of Commerce office (207 Hagman Road) and Woodside Ace Hardware (65 Main St.)," Shane said.

Family embraces Winthrop community and opens new Harbor City Church

By Kate Anslinger

Jason and Micah Tallent have spent their entire lives giving back to the communities that they've lived in, and now, Winthrop is on the receiving end of their big hearts.

Having been a pastor for 22 years, Jason, was convinced at an early age that he was meant to teach and help others. Micah, having always been involved in the church, had dreamed of moving to India to donate her time to helping those in need. The couple then found themselves themselves visiting New York on their

15th wedding anniversary.

From there, they began to explore areas of New England, and soon began asking the question, "where would we go to church if we lived here?"

Unlike the southern communities they have resided in where there is are nearly one church for every 205 people, and then they discovered that there was only one church for every 40,000 people in New England. Immediately they felt compelled to do more and follow their God-given intuition and with the help of other churches nationwide, they

began to raise funds for their mission to open a church in the Boston area.

The couple, along with their five children, Olivia (20), Ethan (18), Olexis (16), Evan (9), and Olissa (5) sold the 20 acres of land and 5,000 square-foot house where they lived in Arkansas, and made the trek to Massachusetts with their belongings in a six by 10 foot trailer. For six months, they lived in Brookline, where they immersed themselves in the Boston area, exploring neighborhoods and stretches

Lord,
We humbly ask Thy blessing
On the Turkey and the dressing
On the yams and the cranberry jelly
And the pickles from the deli.
Bless the apple pie and tea,
Bless each and every calorie.
Let us enjoy Thanksgiving dinner.
Tomorrow we can all get thinner.
For all Thy help along the way
We're thankful this Thanksgiving Day.
We're thankful too, for all our dear ones,
for all the far away and near ones.
Although we may be far apart,
We're together in my heart.
Keep us in Thy loving care,
This is my Thanksgiving prayer.
P.S. Anyone who wishes may help with the dishes.

BLC TO OPEN DOORS ON NOV. 23

On Friday, Nov. 23, from 3-6 p.m., the Boston Local Co-op (BLC), located at 19 Somerset Ave., Winthrop, will open its doors for the grand opening of The Hive, a shared storefront selling high-quality products of local makers and artists.

Founded in 2016, the BLC is a volunteer-based group that provides selling and promotional opportunities to local makers, artists and entrepreneur’s. Since their beginning, it has been the BLC’s mission to open a shared storefront to support local makers and serve as a platform for them to showcase their work as well have a place for hosting workshops.

Over the past three years, the BLC has hosted pop-up events throughout Winthrop, including the annual I Love Winthrop Festival, and the Shop Local Expo. After each event, the BLC collected surveys from vendors assessing their sales. Feedback revealed that people in the town enjoy buying handmade, one-of-a-kind products at a moderate price.

With much help from the community, the BLC has opened the shared storefront, The Hive, located at 19 Somerset Ave., and will officially

open its doors for business beginning December 1st.. with products from fifteen local makers filling the shelves.

“I couldn’t be more excited for The Hive to open”, says Megan Mahoney, current Hive Member. “When you purchase from a small business, there is an actual person doing a little happy dance on the other side!”

The BLC wants to thank those who have supported their journey thus far, and those who have contributed many hours of volunteerism to make this storefront possible.

For more information about the BLC, be sure to visit their website at bostonlocalcoop.org.

NORTHEAST METRO TECH STUDENT EARN JOHN AND ABIGAIL ADAMS SCHOLARSHIPS

School Committee Chair Deborah Davis and Superintendent David DiBarri are pleased to announced that Winthrop student Jordyn DiBattista was among the 74 seniors earned John and Abigail Adams Scholarships for eight semesters tuition free at any Massachusetts state college or university. Principal Carla Scuzzarella presented students with a letter of congratulations from the Massachusetts Department of Education during an awards ceremony on Nov. 15.

To earn a John and Abi-

gail Adams Scholarship, students had to score advanced in either the math or English language arts section on their Grade 10 MCAS. Students also had to score proficient or advanced in the second subject (math or English), and have a combined score on the assessment that ranked in the top 25 percent of their school district based on 12th grade enrollment numbers as of Oct 1, 2018.

The tuition waiver can be used at all four undergraduate campuses at the University of Massachusetts, all nine state universities and all 15 community colleges.

“We’re extremely proud of our students who earned John and Abigail Adams Scholarships for their outstanding MCAS scores,” Superintendent DiBarri said. “This is indicative of the standard of excellence we continue to foster here at Northeast.”

STUDENT HIGHLIGHT:

Freshman shares her fundraising goals

By Kate Anslinger

Fifteen-year-old Mia Martucci learned the importance of kindness at a young age. At just 8 years old, she felt compelled to buy dolls for kids with cancer and her giving heart just expanded from that moment on.

Since then, she has raised over \$30,000 and donated over 70 bags of toys for the young patients at Boston Children's Hospital. "What I enjoy most is that I get to make a difference in children's lives and hope to make their time in the hospital a little easier," said Martucci. "I also love to work with my mom and together we hope to make even more of a contribution in the years to come. I always hoped that my fundraising would become as big as it has, and the reality that it has, is really something special. I have the support of family, friends and the town of Winthrop to thank."

So far, Martucci, has accomplished more than most, and someday hopes to make a career out of helping others.

Mia Martucci.

In addition to fundraising, she leads a busy life filled with school, activities, and family time.

What is your favorite subject?

My favorite subject is history. I really enjoy learning about the past and I love my

class and have a great teacher, Mr. Leonardo.

What activities are you involved in?

Soccer, hockey, and lacrosse. I am also the president of my freshman class, a member of E-Boards, a student council member, and a social committee member.

Who is your role model?

My role model would have to be my mom. She's not only my coach but she's also my best friend. She has taught me so much and I hope to be just like her when I am older.

Any future goals?

My career goal is to become a special events coordinator and work with kids like me to fundraise for different causes. I would also love to play lacrosse at either Notre Dame, or UNH.

For more information on how you can assist Mia Martucci on her mission to help children in need, please contact: tmartucci11@verizon.net.

'Sounds of Christmas' concert at Revere's St. Anthony's Dec. 2

Staff Report

The North Shore Philharmonic Orchestra makes its annual trip to Revere on Sunday, Dec. 2, when it will play the Robert A. Marra Memorial 'Sounds of Christmas' Concert at St. Anthony's Church. The free concert begins at 4

p.m.

The concert has a long tradition, begun in Revere in 1976. Everyone attending the concert is asked to bring a generous donation of non-perishable food to benefit the Revere Food Pantry. Music Director Robert Lehmann has scheduled a program that includes excerpts from "The

Nutcracker" and a collection of holiday-themed music, along with all the sing-a-long favorites.

The 2018 concert is principally sponsored by Global Partners LP, Bocchino Insurance Agency, Arbella Insurance, Action Emergency Services, RCN and Comcast.

Concert organizers are hoping for another packed house at St. Anthony's Church for the annual Robert A. Marra Memorial "Sounds of Christmas" Concert on Sunday, Dec. 2, at 4 p.m. featuring the North Shore Philharmonic Orchestra.

sons and would include underground work and sprucing up of Frenchmen's Square.

Town Manager Austin Faison was expected to form a Town Manager's CBD Committee at the Fall Forum held Tuesday, Nov. 20. Within 90 days of appointment, the Committee is to obtain and publicize the following items concerning the CBD Infrastructure Project:

A construction phasing plan

A new peer review of the engineering work done to date,

Specifically, with a focus on climate change preparedness and modern engineering standards,

A value capture policy for the Town,

Integration of all surface work proposed by the landscape architect into the overall construction documents,

Develop an updated financing plan that accounts for the additional work tasked to the Committee (e.g. additional peer review, surface work,

etc.).

Once the Committee's initial work is complete, the project will then be able to be bid out. All of the items in the charge must be accompanied by public meetings, as to add a level of transparency to the work of the Committee. This would put the Town in the position to bid the project in late February 2019.

The new assistant Town Manager, David Rodrigues, will work closely on this project so that business owners and residents have the opportunity to discuss the impacts of the project on their interests.

Water improvements will include approximately 4,000 linear feet of new eight inch through 16-inch water mains are proposed on Woodside Avenue from Pauline Street to French Square, Somerset Avenue from Woodside Avenue to Pleasant Street, Cottage Park Road from Somerset Avenue to Pleasant Street, Bartlett Road from Woodside Avenue to Pleasant Street, Adams

Street and Williams Street. The water main improvements will replace aging, unlined cast iron water mains with new cement lined ductile iron water mains, Faison said.

Sewer work will be done going deeper and sloped to maintain self-cleansing velocities to reduce maintenance. Sewer services will be replaced to the back of sidewalk for each property. Sewer improvements are proposed on Pauline Street from Woodside Avenue to Walden Street, Woodside Avenue from Pauline Street to Pleasant Street, Bartlett Road from Woodside Avenue to Pleasant Street, Adams Street, Williams Street, Cottage Park Road from Somerset Avenue to Pleasant Street and Somerset Avenue from Woodside Avenue to Pleasant Street.

Drainage work will include approximately 5,280 linear feet of new 12-inch through 60-inch HDPE drains to increase capacity.

of the city every day.

"We walked eight miles a day on average, just getting to know different communities in the Boston area," said Jason Tallent.

And then they met Joe Souza, an experienced church planter and pastor at Celebration Church in Charlestown. Souza instantly recommended that the Tallents check out Winthrop, knowing that it wasn't a transient town and was filled with growing families. Following Souza's advice, the Tallents introduced their five children to Winthrop on a weekend, which happened to be during the I Love Winthrop Fest in 2017.

"I immediately started asking residents what they loved about living in the town, and every single person I spoke to bragged about Winthrop," said Jason Tallent. "And I thought, I'd love to move to a place where people love to live and brag about it."

Not used to the fast-moving real estate market that is

so prevalent in Winthrop, the Tallents found themselves purchasing a home with a small block of yard, in what felt like seconds. Coming from a part of the country where 1,200 people attended church on Sunday mornings to an area that has a limited amount of churches, was a bold step, but the Tallent family is committed to serving the town of Winthrop.

"We believe that one of the responsibilities of the church is to serve and administer the community," said Jason Tallent, who, along with his family, instantly started attending community events and offering sports clinics for kids. "We want to serve Winthrop and the wonderful residents who live here."

So far, the newly planted Harbor City Church, has gone from bible studies run out of the family's home with six people, to services in the middle school gym with preview services that have drawn in a crowd of 40 people. They

regularly attend community events offering popcorn and cotton candy and have formed groups to pick up trash in the beaches and parks. The family also plans on offering their help with Mi Amore, a local non-profit that provides food to struggling families.

"Harbor City Church has been a great asset to the recreation department this last year, said Director of Parks and Recreation, Sean Driscoll. "They have organized parks and beach clean ups this past July and August for us."

"We would love to see the services grow," said Jason, who hopes to assist with serving the community in any way he can. "Harbor City Church is a bible-believing church that accepts the word of God as changing people's lives."

The next service will be held at the old middle school gym, 151 Pauline St., on Dec. 23 at 6 p.m. Starting in January, Harbor City Church will meet every Sunday morning at 10 a.m. in the gym.

OUR *Opinions*

HAPPY THANKSGIVING

Thanksgiving is a uniquely American holiday, tracing its roots back almost 400 years to the Pilgrims, long before there was even a thought of a United States of America.

Thanksgiving is the ultimate family-centered holiday. It has no national-celebration connotations, and no required gift-giving. It lacks the commercialism, and political overtones of all of our other national observances.

It's a day for schoolboy football, family gatherings, and not much else to do other than enjoy a great dinner with those whom we love and care about.

It is the only day on the calendar when we have no obligation other than to spend the day with those who mean the most to us. It asks nothing more from each of us (other than for the person who is doing all the cooking!) beyond just showing up and enjoying the company of our family and friends and then having a great meal.

Even in this time of divisiveness in our country, we all can agree that Thanksgiving makes us aware of what we have to be thankful for. Despite our present trials and tribulations, Americans are remarkably fortunate to be where we are. Thanksgiving is a national celebration that serves to remind us how blessed we are at a time when circumstances are so cruel for so many others in the world.

Thanksgiving serves as a rare day for relaxation, reflection, and inevitably -- at least for some of us -- a post-dinner nap or early night of sleep. In a time when so many of us are connected 24/7 to some instrument of communication, it truly is a relief to have a day when we can just shut it all off.

We wish all of our readers a happy -- and restful -- Thanksgiving.

HELP STOP CLIMATE CHANGE

Dear Editor,

Recently the Intergovernmental Panel on Climate Change from the UN reported that our climate could potentially begin rising significantly. It was stated that an increase of 1.5 degrees Celsius could be felt between 2030 (only 12 years away) and 2050. This rise in temperature could cause catastrophic consequences for our environment.

It is important for all of us to show responsibility for our planet by becoming more aware of our use of fossil fuels. These fuels (gas, oil and coal) cause the release of greenhouse gases (carbon dioxide and methane) which impacts "global warming".

As part of our responsibility to the environment, the local group of Mothers Out Front has initiated a request for an ordinance to stop the use of "single use plastic bags" within Winthrop. As these bags are not biodegradable (byproducts of fossil fuels), they deface our landscape, clog our waters causing severe harm to our animal/marine life, and ultimately entering our food chain.

We understand this may cause an adjustment for our retailers and their customers. We also acknowledge and thank Winthrop residents that already use "reusable bags". Mothers Out Front is looking forward to offering our residents with "reusable bags" within the next 3 months.

Thank you,

Marylalice Sharkey

STOP SMOKING AND VAPING HELP AVAILABLE

Dear Editor,

This Holiday season, I'd like to remind readers to thank a co-worker, friend or family member who has quit smoking, vaping, or using other nicotine delivery products. Many users say quitting is the hardest thing they have ever done and any amount of recognition can help someone stay quit.

Tobacco is the number one cause of preventable death and disease in Massachusetts. Nicotine is the very addictive substance in tobacco products as well as in e-cigarettes and vapes. As a result, repeated tobacco and nicotine use is not

a habit, it's an addiction that should be treated as a chronic relapsing condition. It takes most people with a nicotine addiction several tries to quit for good. So reach out to those who have conquered this addiction. Let them know you are proud of how hard they're working to better their wellbeing. Thank them for improving their health and the health of the people around them.

If you smoke, vape or use any nicotine delivery product, even though the holidays can be a tough time to quit, they are a great time to get support from your loved ones to help you try to quit. If you have tried in the past, keep trying. You learn something new every time you try to quit. Take advantage of the many resources available in Massachusetts to help you reach your goal.

Tobacco and nicotine users of all kinds can call the MA Smokers Helpline at 1-800-QUIT-NOW (1-800-784-8669) to talk with a free quit coach or enroll online through KeepTryingMA.org. The Helpline is open 24 hours each day, seven days a week (excluding Thanksgiving and Christmas). Tobacco and nicotine users can receive a four-

week supply of free nicotine replacement help from the patch, gum or lozenge. Online supports include quit planning tools, peer support and motivational text messages.

Smokers who get support and use stop-smoking medicines are nearly three times as likely to quit for good as those who try to quit on their own. Quitting is hard—give thanks to someone in your life for quitting or for trying to quit. Every email, text message, phone call, or encouraging word makes a difference.

Sincerely,
Edgar Duran Elmudesi,

GUEST OP-ED

Thanksgiving and Very Thankful

thyroid nodules. I have read many die with thyroid malignancy that never caused them any trouble. Of course, cancer anywhere in your body is never working to your advantage.

I agreed to have the surgery and pathology revealed that I not only had a suspicious nodule but four malignant nodules. According to the extensive report I had three malignant ones on the right lobe of my thyroid and one malignant one on the left side of my thyroid. The pathology report, surgeon and supervising Endocrinologist all have assured me that the malignancies were small and contained within the thyroid and no further treatments are necessary at this time. Of course for the rest of my life I will be visiting my doc for surveillance to see if anything nasty pops back up.

This of course is the short version of the story. The main point is I'm better off with cancer out of my body than in my body. This time last year

I was clueless that anything so detrimental to my health was lurking beneath the surface. This year I will celebrate Thanksgiving for a miraculous early detection and a surgery that ended up being the only real choice to make.

My voice is not strong yet after the surgery and I have a little pill to take every day but who cares I am alive, feel good and writing this column. I have to praise God almighty for his grace toward me. I also have to be thankful for medical insurance that provided me a way to go to a place where I chose to go. Two other doctors told me that I only needed half of my thyroid removed and if cancer was found then I could have the other half removed. Who wants to have two surgeries? I did not. The doctor I sought out could not prove I had malignancy on my left lobe but simply said, "I don't like how it looks and I think the whole thing needs to come out." I am grateful that I got to choose my doctor and my

place of surgery. Every American should have the option of choosing their doctor and place of medical care.

Some people are not as fortunate. I have several friends who could not beat cancer and passed on this year. Often times the symptoms was already an indication that things were already too late for them to treat their condition.

As a word of caution I want to strongly say that simply waiting to see what your condition does often ends up being an emergency down the road. If you have an early warning then trying to move forward to aggressively eliminate the problem or treat it is the only way to have a chance of winning. Of course, we are talking about our human bodies and there will always be something to repair or deal with concerning our health. We go from one thing to another if we are blessed to live long enough.

Thus, this Thanksgiving I am thankful - very thankful.

ARTICLE 854 - WINTHROP'S SESQUICENTENNIAL CELEBRATION

One of the most outstanding series of events to have taken place during the past 166 years as “Winthrop” was the 150th Sesquicentennial Celebration held in 2002 of our 1852 incorporation as a town. Picture one depicts 13 of the 21 committee members authorized by our Town Meeting. Back row – Donald Ford, Steve Moran, Joseph Domelovitz, Roger Hathaway, Terry Vazquez, Michael McManus, Larry Powers, Ronald Camacho and front row - Scott McGovern, Janice Larosee, David Hubbard, Patricia Sullivan and Ronald Vecchia. Picture two displays the Logo designed by Richard Honan and used throughout the series of events held during the year of our Sesquicentennial Celebration. A summary of all the major events held was published by Phyllis Fluet for inclusion in a 2002 Time Capsule. Picture three is a copy of this listing of events, each of which was carefully programmed and successfully held with large numbers of our citizens at all of them. All

events were excellently recorded by Thomas McHugh, who was our official sesquicentennial photographer, and were reported weekly by the Winthrop Transcript as well as being televised by our local WCAT television station with appropriate acknowledgements of the many supporting sponsors, granting agencies and contributors. Picture four shows the placing of the Sesquicentennial Time Cap-

sule in a vault in the Library of the new Arthur Cummings School to be opened in 2052 for the 200th Anniversary of Winthrop's incorporation. Those in this picture, from left around to the right, are Paul Marks, Mary Lou Osborne, G. David Hubbard, Arthur Cummings, Patricia Milano and Richard Honan. It was a great year and we all enjoyed participating in the celebrations.

A Special Town Meeting will convene Monday to take up the hot topic of whether to locate one of the two new proposed elementary schools, which already have been approved by a previous vote of Town Meeting and then by a vote of a town-wide referendum, at the Ft. Banks site. The opposition to the Ft. Banks location is being led by former selectman Dick Bangs. However, the opponents have not come up with another site for the school.

The selectmen have approved a petition by local liquor store owners to expand their hours, including being open for business on Sundays, during the holiday season.

The Chamber of Commerce has announced a full schedule for its annual Holiday Tree Lighting and Fireworks festivities for the day after Thanksgiving.

Local officials and residents, citing the burdens already suffered by the town from Logan Airport and the Deer Island Jail, spoke in no uncertain terms of their opposition to the proposed \$771 million expansion of the sewage treatment plant on Deer Island before a hearing held by state and federal officials at Faneuil Hall last week.

Among the speakers from Winthrop were Pt. Shirley resident Alan Lupo, State Rep. Alfred Saggese, and Concerned Citizens Committee members Arthur Cummings and Mrs. Margaret Riley.

Police Chief David Rice has taken a strong stand against expansion of the Deer Island sewage treatment plant by the MDC, stating that there will be an increase in auto emissions from the additional traffic to Deer Island which, Rice said, are a known health hazard.

Police were kept busy over the weekend with reports of break ins and auto thefts. Police arrested many juveniles and teens in connection with the crimes.

Winthrop State Rep. Fred A. Baumeister has announced that he plans to file legislation that will call upon the Airport Management Board to look into eliminating jet aircraft from being used at Logan Airport. Baumeister said he has the support of fellow legislators from other communities nearby to Logan Airport, including newly-elected State Sen. Michael LoPresti Sr. of East Boston, Revere State Sen. Harold Canavan, State Reps. Harry Della Russo and Robert Hill of Revere, and State Reps. Mike Porazzo and Rico Matera of East Boston. Baumeister noted that jet aircraft is prohibited from using Idlewild Airport in New York City and Logan is even closer to residential communities than Idlewild. However, jurisdiction of Logan soon will be turned over to the Massachusetts Port Authority.

New CASA youth coordinator hopes to build engaging and safe community

By Kate Anslinger

Community Action for Safe Alternatives (CASA) is happy to welcome Danny LaMack on board as the new Youth Coordinator. LaMack, 29, has an impressive background with a wide variety of skills including public speaking, sensitivity training, health education, outreach, and programming. Having worked for the North Shore Alliance for Gay and Lesbian Youth (NAGLY) for 10 years, LaMack, a Peabody resident, is well versed in creating an environment that is non-judgmental and inclusive.

“I believe that it’s important to let kids know that this space is safe and accepting,” said LaMack, who hopes to build an educational environment that promotes tolerance.

LaMack is passionate about his new role, and he’s looking forward to getting kids and teens excited about seeking

LaMack named youth coordinator for CASA

help and talking about addiction, substance abuse and domestic violence. In addition to his responsibility as the coordinator and creator for the programing of youth events and curriculum, LaMack has big plans for outreach and

will use his tools and ability to be a leader in the Winthrop community. Talking about the stigma surrounding addiction and offering a safe place to train and educate youth on overdose prevention will be some of the topics that he hopes to focus on.

“If you set up an environment that is non-judgmental, they will come to you. I want to create an exciting and engaging atmosphere for the members of the youth program.”

The Winthrop Middle School was recently awarded a \$11,000 Substance Abuse Prevention grant and LaMack will be partnering up with the school’s adjustment counselor, offering his expertise on hot topics surrounding addiction. He will take on an active role in the planning and executing of the grant’s programming and will provide a safe place for students to engage in

conversations and ask questions.

“We spent a great deal of time interviewing candidates that we felt had the experience working with youth and knowledge about primary prevention and we are thrilled that Danny was interested in taking the journey with us as an organization,” said LeighAnn Eruzione, executive director of CASA. “Danny was interviewed by myself, a member of our board and our youth staff and we all knew he had the skill set to take on our youth programming, the managerial skills to work both independently and as part of the larger organization, and the training to implement research based educational opportunities for our community.”

If you are interested in the youth program at CASA, you can contact Danny LaMack at dlamack@winthropcasa.org.

Letters //CONTINUED FROM PAGE 4

ed by CASA (Community for Safe Alternatives), to Winthrop students in Grades 6-12. The results on page one regarding drug and alcohol abuse wouldn’t be shocking to anyone who attended the Winthrop Public Schools (myself included), but the real shocker comes later.

The most appalling content is buried in the seventh paragraph on the second page of the paper, and given one sentence:

“Dating violence was also noted with about 18 percent stating they were forced to have sex.”

Let me preface this by saying I have a masters in public health, with research and clinical experience in domestic violence, teen dating violence, and sexual assault, in addition to a bachelor’s degree in print journalism. Because of this, especially in light of the #metoo movement and provocative television shows (hint: the controversial theme of teen rape and consent in “Thirteen Reasons Why”), these findings hit incredibly close to

home. I believe that both Sue Ellen Woodcock (writer), and the editors of the Transcript, and CASA, owe the entire town, adults and youth alike, an explanation.

Here’s why. Before we dig into the numbers, it’s important to acknowledge that while dating violence and sexual assault are certainly intertwined; they should not be lumped together into one category as they were presented in these findings. I’m not sure whether it was the wording of the CASA survey or the fragmented journalism with which the editors of the Transcript seem so content, but these two categories, at minimum, should have been presented or reported as separate questions and data.

Particulars aside, let’s come back to that number – 18 percent. EIGHTEEN percent. Eighteen percent of students between Grades 6 and 12 have reported being forced to have sex. Eighteen percent out of the 733 surveyed. And in case you’re still not getting it: Approximately 132 stu-

dents in Winthrop between Grades 6 and 12 have been sexually assaulted. These numbers are staggering in our secluded, oceanside, tight knit community, but abuse knows no bounds. According to the Rape, Abuse & Incest National Network, someone is sexually assaulted every 98 seconds in the United States.

And while we’re on the topic of numbers, let’s face facts: the actual number of students in Winthrop who have experienced sexual assault are probably much higher. According to the Journal of Adolescent Health, 66 percent of adolescent victims fail to disclose or report having been victimized. Assaults in adolescents have been linked to depression, anxiety, PTSD, and risk for being assaulted again later in life. Our children are at risk, here.

And so I have more than a handful of questions for CASA. How did your survey define “forced to have sex”? By definition, this is rape, and because of this I keep circling back to the numbers. Eighteen

percent of students surveyed in Winthrop have been raped? Did you offer resources to participants immediately after giving them this survey? In an anonymous survey, it is unethical not to provide resources at the end for participants who may have been triggered or inspired to seek help. The article says that CASA is hiring a youth coordinator, but what does this mean? Eighteen percent of these students have been forced to have sex. Raped. What are we doing about it?

I could go on and on, but what we need to take from this is that our children are at risk. To the Sun Transcript and the team at CASA – you need to take responsibility for and action on the numbers that have been collected and reported, and if you need a volunteer or advocate to help in any way, I’m your girl.

Respectfully,
Gemma McFarland,

Cost of Thanksgiving meal decreases once again; price at an eight-year low

By Seth Daniel

The cost of a traditional Thanksgiving meal has once-again decreased and is at its lowest cost since 2010, according to the 33rd annual American Farm Bureau Federation’s (AFBF) Thanksgiving dinner survey.

The AFBF reported late last week that it had found the average cost of a traditional Thanksgiving meal for 10 to be at \$48.90 nationwide, which figures to be less than \$5 per person. It was a 22-cent decrease from last year’s low of \$49.12. This year’s new low has put the cost of the traditional meal at the lowest cost since 2010.

After adjusting for inflation, the cost of this year’s Thanksgiving dinner is \$19.37, the most affordable in more than a decade.

“Since 2015, the average

cost of Thanksgiving dinner has declined steadily and is now at the lowest level since 2010,” said AFBF Chief Economist Dr. John Newton.

A total of 166 volunteer shoppers checked prices at grocery stores in 37 states for this year’s survey. Farm Bureau volunteer shoppers are asked to look for the best possible prices, without taking advantage of special promotional coupons or purchase deals, such as spending \$50 and receiving a free turkey. Shoppers with an eye for bargains in all areas of the country should be able to purchase individual menu items at prices comparable to the Farm Bureau survey averages.

The shopping list for Farm Bureau’s informal survey includes turkey, stuffing, sweet potatoes, rolls with butter, peas, cranberries, a veggie tray, pumpkin pie with

whipped cream, and coffee and milk, all in quantities sufficient to serve a family of 10 with plenty for leftovers.

The chief driver of the lowering costs is the most common item – the turkey. AFBF research showed that retail turkey prices are at the lowest costs since 2014, mostly because they are in abundant supply.

The average cost for a 16-pound turkey this year is \$21.71, which is down 3 percent per pound from last year.

“Thanks to an ample supply, turkey remains affordable for consumers, which helps keep the overall cost of the dinner reasonably priced as well,” Newton said.

AFBF also highlighted other foods that showed large decreases as well. They included:

- Gallon of milk, \$2.92;
- three-pound bag of sweet

potatoes, \$3.39;

- one-pound bag of green peas, \$1.47;
- one dozen rolls, \$2.25.

Some items did show an increase, however, including Massachusetts’ own contribution to the Thanksgiving table – the cranberry. Other items on the increase included pumpkin pie mix and cubed bread, among other things.

Those increased prices were as follows:

- 12-ounce bag of fresh cranberries was \$2.65;
- 30-ounce can of pumpkin pie mix was \$3.33;
- 14-ounce package of cubed bread stuffing was \$2.87;
- two nine-inch pie shells came in at \$2.47;
- one-pound veggie tray was \$.75.

A group of miscellaneous items including coffee and in-

gredients necessary to prepare the meal (butter, evaporated milk, onions, eggs, sugar and flour) was also up slightly, to \$3.01.

There was no change in price for a half-pint of whipping cream at \$2.08.

To provide information on the increasingly changing Thanksgiving meal, AFBF looked in at hams and other new additions. Adding a four-pound bone-in ham, five pounds of Russet potatoes, and one pound of frozen green beans added about \$1 per person to the overall cost.

“Adding these foods to the classic Thanksgiving menu increased the overall cost slightly, to \$61.72 or about \$6 per person,” said Newton.

AFBF also surveyed the price of a traditional Thanksgiving meal available from

popular food delivery services. This revealed that the convenience of food delivery does have a larger price tag.

A 16-pound turkey was nearly 50 percent more expensive at nearly \$2 per pound when purchased from a food delivery service. Nearly every individual item was more expensive compared to the do-it-yourself average and the total cost of the dinner was about 60 percent higher at about \$8 per person.

The AFBF Thanksgiving dinner survey was first conducted in 1986, and the menu has not changed since that time for reliable comparison year to year. While AFBF does not make any scientific claims about the data, it is an informal gauge of price trends around the nation.

Safety tips for Thanksgiving

Thanksgiving is a wonderful family holiday, but the day can be ruined with a cooking or candle fire, a burn injury, or a carbon monoxide incident from long-term use of the oven, said State Fire Marshal Peter J. Ostroskey.

There are more home fires on Thanksgiving than any other single day in Massachusetts, twice as many as New Year’s Eve which ranks second.

“The good news is that there are some simple steps you can take to keep your family safe. To start with, every home should have working smoke and carbon monoxide (CO) alarms,” Ostroskey added.

•Cooking Safety Tips

Cooking is the leading cause of fires in the home and the leading cause of fire injuries, so it is not surprising that 87 percent of Thanksgiving Day fires were caused by cooking. State Fire Marshal Ostroskey offered these cooking fire safety tips:

- Check to make sure your oven is empty before turning it on.
- Wear short or tight-fitting sleeves when cooking.
- Turn pot handles inward over the stove.
- Remember to “stand by your pan” and stay in the

kitchen when boiling, frying or broiling.

- Use a timer when baking or roasting and never leave the house with the oven running.

- The best way to respond to a stovetop fire is to “put a lid on it” and turn off the heat.

- The best way to respond to an oven or broiler fire is to keep the doors closed and turn off the heat.

- If the fire is not quickly snuffed out, leave the house and call 9-1-1 from outside.

“Last Thanksgiving, firefighters across the Commonwealth were busy responding to cooking fires,” said Ostroskey.

•Gas Ovens: A Source of CO

Generally, the confined space of a closed gas oven used for cooking does not produce enough carbon monoxide (CO) to be of concern, unless you are using it for several hours like when roasting a turkey. If you have a kitchen exhaust fan, use it; if not, crack a window for fresh air when using the gas oven for an extended period of time.

•Candles

Candles make any holiday table festive, but it is im-

portant to follow these safety tips:

- Use candles inside a 1-foot circle of safety free of anything that can burn.

- Think twice about lighting the candles on that lovely centerpiece if it means you can’t follow the 1-foot circle of safety rule.

- Use extra care with candles when children and pets are around.

- Consider using flameless, battery-operated candles instead.

- Blow out candles when leaving the room; don’t leave candles burning unattended.

- Use non-combustibles holders or saucers.

- Keep all matches and lighters out of reach of children.

•Burn Safety

- Keep children 3-feet away from the stove for safety to prevent burns.

- Run cool water on burns; call 9-1-1 for more serious burn injuries.

- Remember to stop, drop, cover and roll if clothing ignites.

Shirley Street property now zoned SDOD

By Sue Ellen Woodcock

For years, 413-415 Shirley St. has served as a home to a theater, a motor shop and an ambulance service, and now that the Town Council has given the property the Special Development Overlay District designation. It will become housing or mixed-use.

Brothers and builders Mike and Paul Ferrara, M&P Realty, hope to build 10-20 condominiums on the 12,214 square-foot lot, with parking on the first level. The area is zoned RB – residential B.

Cipoletta said there are a couple of concerns from the Inspectional Services Department and M&P Realty is prepared to come and shore up the building.

“This is a commercial building in a residential area,” said the builder’s attorney James Cipolletta. “The SDOD was invented for this.”

The purpose of the SDOD to encourage and redevelop

into reuse existing non-residential properties in a manner compatible with the surrounding neighborhoods and commercial areas to prevent deterioration of these non-residential buildings that have become obsolete, Cipoletta explained.

Although plans aren’t yet laid out, the builders do plan on condominiums.

Each floor will have a one bedroom and the other units on the floor will have two-bedrooms. There will be an elevator and up to four stories above the parking level. On average each unit will be about 1,200 square feet.

M&P Realty purchased the property for \$775,000.

Other SDODs in Winthrop include the old Winthrop Hospital which was turned into The Arbors, The old Dalrymple School, which became housing, the old Playmakers property on Hermon Street and an old nursing home on Pleasant Street turned into

condos.

“Every one of those properties is like a feather in the cap for the town,” Cipoletta said.

The 413-415 Shirley St. proposal did go before the Planning Board last month and the board ended the discussion with a 3-3 tie vote.

“This zoning designation gives more control to the town than to the developer,” Cipoletta said. “The town gets to condition whatever project comes out. It’s a give and taken with a certain area for forgiveness in perhaps parking.”

The project now goes back to the developer to submit plans to the Site Plan Review Committee, because it is a project that exceeds 5,000 square feet. Then more detailed plans will be drawn up for the Planning Board. A public hearing would be held on the plans.

“It’s a very tightly controlled process,” Cipoletta said.

SEAN DRISCOLL'S SPARTANS ADVANCE TO SUPER BOWL

St. Mary's High School head football coach Sean Driscoll of Winthrop has his team heading to the Super Bowl at Gillette Stadium in Foxboro after the Spartans defeated Cohasset, 22-11, Saturday in Medford. Driscoll is the former head coach at Winthrop High and was an assistant coach of the 2006 Super Bowl championship team that was recently inducted in to the WHS Athletic Hall of Fame.

FROM THE PRESS BOX The Rivalry — The Big Game

By: Jim Lederman

The Rivalry – The Big Game

The 87th game in a series that started in 1913, resumes on the holiday – Thanksgiving Day – Thursday, 10 a.m. at Harry Della Russo Stadium.

The Vikings have been dominant, winning 55 games in a series by a huge margin. Revere has won the last two thrilling games. In 2017, by a last second field goal (17-14).

Toss the records into the Atlantic Ocean. The rivalry pits Hong Kong Dragon vs. the legendary Billy Tse's restaurant. Bianchi's Pizza vs. Nicks, The Winthrop House of Pizza vs. Revere House of Pizza, Companions vs. J.W.'s Restaurant. JAC's Café vs. Luberto's, Rossetti's vs. Damaino's, Sen. Joe Boncore vs. Mayor Brian Arrigo, Mr. Speaker Bob DeLeo vs. Danny Rizzo.

The stadium will be packed with legendary coaches and players. Coach Bob DeFelice vs. Mike Cella, Mike Mucci vs. David Tallent, Gus Martucci vs. Bertolino Beef, John Tiano vs. Jimmy Delgaizo, Jimmy Gillis vs. Mike Silvestri. The Vikings hold a (12-4) edge over coach Lou Ciccattelli.

The 'Beachcomber Trophy' will be awarded to the

winner! Broadway will be filled with cars traveling from the little town of Winthrop, trying to knock off a school with 2,000 students – Vikings win 41 – out of last 46 games!

The Patriots are favorites, based on the records – but toss them into the Pines River! You can watch the game live on Revere Cable TV. Bobby Deeb vs. Lou B. Padova, Al Terminello vs. 'The Voice,' Everyone is predicting a big Revere victory, but history will mean another close game.

Revere won last year on a 25-yard field goal (17-14) with one minute on the new Viking Pride/Miller Field scoreboard.

Coach Jon Cadigan is coaching the Vikings in his first year, after a long assistant at defense co-coordinator for the Vikings. The Voice of the Vikings and Al Petrilli will broadcast the game on Winthrop High WCAT vs. Revere Television. Game to be broadcast next week on Viking TV! Herald sports editor Danny Ventura will cover the game.

Are you psyched! Let the 'Big Game' Begin!

Beat Revere!

The WHS football team, which won its first game of the season last week against Swampscott, proved no match for a 7-2 Lynn English squad this past week. The Bulldogs jumped out to a 27-0 lead at the half and the contest never was in doubt. English halfback Richie Moore rushed for an astounding 209 yards in the first half. WHS head coach Tony Fucillo and his team now have their sights set on Thanksgiving Day with a match against a 3-7 Revere squad.

The WHS girls soccer team held its breakup banquet this past week. Captains Celeste Petraglia and Meghan O'Brien received the Coach's Award from head coach Gerry Gigliello. Shannon Barker was the recipient of the top Defensive Player Award. Jen Griffiths was the 12th Player Award winner.

30 years ago Nov. 23, 1988

With just one win on the season, the WHS football team rates a slight favorite as the Vikings prepare for their season finale at archival Revere on Thanksgiving Day against the winless Patriots.

Robert Higdon and Craig Meinhard were the individual honorees at the WHS boys cross country team's breakup banquet held at the Kowloon Restaurant Sunday in Saugus.

After winning seven of eight dual meets this season and being named the Most Valuable Runner on the WHS cross county team, Shannon Rand finished in 10th place in the All-State Cross Country Meet at Franklin Park in Dorchester on Saturday.

40 years ago Nov. 22, 1978

The Winthrop High foot-

ball team, which has won seven straight games after an 0-2 start to earn a share of the Northeastern Conference title, will be a heavy favorite to defeat Revere on Thanksgiving Day. Coach Bob DeFelice's Vikings will be seeking their fourth straight Turkey Day victory over the archrival Patriots. A victory also will give DeFelice's crew its third straight 8-2 season.

The WHS freshman football team, powered by the duo of quarterback John Tiano and halfback Chuck Sullivan, completed a perfect season to capture the NEC title with an 8-0 win over a 7-1 Salem squad in the season finale. Coaches Huckey Larsen and Barney DeGregorio also received strong play from their front line of Mike Brennan, Bubba Jaworski, Danny Govoni, Gus Martucci, and Jay Petersen. Joe Giaquinto and Gregy Cayo also added to the frosh Vikings' offensive firepower.

60 years ago Nov. 20, 1958

The Winthrop Junior High football team completed an undefeated 7-0 season to capture the NEC championship and extend the junior high's winning streak to 14 games over the last two years under the direction of head coach Syd Williams. Co Capt Jackie Keleher scored three touchdowns in the season-ending, 32-0 drubbing of Andover.

The WHS football team dropped a 26-6 decision to Fitchburg Saturday. Halfback Malcolm McLean scored the lone Winthrop TD on a 44 yard gallop. In preparation for the annual Thanksgiving Day game with Danvers, Joe McLaughlin and Ed Towlson were elected the official captains of the 1958 squad.

Vikings Domination!
1964 – Two undefeated teams play for Class B state title – 10,000 fans fill Paul Revere Stadium. All-scholastic Steve ‘The Tank’ Adamson (University of Wyoming Sugar Bowl team) vs. Jim Delgaizo – 12-year NFL quarterback (two Super Bowl rings) Revere wins on last minute touchdown (8-0).

1969 – Vikings win thriller in coach Ed MacFarland’s final game (24-19) Winthrop standout David Tallent vs. Revere quarterback (Aerial Al Petrilli) Viking broadcaster.

1981 – Undefeated Vikings – super bowl champions (Best WHS team in history) Vikings win (49-13) Historic meeting at midfield ‘Coconuts’ wins wager vs. the Horse King at end of game at mid field.

1993 – Anthony ‘Touchdown Tony’ Palmer scores (31 points) Vikings win (49-22) Vikings play in Super Bowl win (14-3).

2007 – Vikings win dramatic comeback game (27-22) Will Milano (31 careers touchdown passes) tosses 27-yard touchdown pass to all-scholastic halfback Chris Beranger two-time all-scholastic UNH super star back.

2014 – Undefeated NEC champs defeat Revere Zach Deeb – brings back kickoff 76-yards to defeat the Patriots (14-6) Vikings dominated series

2015 – 3,500 fans pack Della Russo on new stadium field Vikings win (15-12) huge victory for coach Sean Driscoll and company before 3,500 fans!

The ‘Best of the Best’
Let the Games Begin!

Ten-thousand fans filled Paul Revere Stadium: the undefeated NEC 64 – champions (the first undefeated WHS team in history). Ex-Vikings like coach Barney DeGregorio, John Tipping (fullback), Bobby Katz (are members of the Winthrop Golf Club and attend many Viking games. The 2016 WHS Athletic Hall of Fame honored this team and inducted the team in the Hall of Fame).

1989 – After a holiday snowstorm the game was played on Saturday. Jo-Jo Giordano kicked a 27-yard field goal to upset the Vikings (27-26).

2017 – A 27-yard field goal with one minute to play was the 3-point difference (17-14).

Some 3,500 fans filled the new Miller Field on the first game to be played in the new stadium. It was the last game for coach Sean Driscoll who had an outstanding-11-year record of (7-4) vs. Revere. Sean is the present, very successful St. Mary’s of Lynn coach.

Let’s Go, Vikings!
Beat Revere!
Let the Games Begin!

The Keys to Victory

The Winthrop Vikings have won three in a row. Revere has won 4 out of their six victories via the field goal.

The Vikings defense has been improved with the return of Bryan Conceicao, Feedle Small and unsung number 44 – senior Brian Chalmers playing his first year of football.

The key to a Winthrop upset of the Patriots is the play of the line-backing trio of Small, Chalmers and Conceicao.

The confidence and improvement of the sophomores on the Vikings and the outstanding play of the ‘Super Soph’ – number 16 – Bobby Hubert will lead the Vikings to victory.

In 2017 on Thanksgiving Day, five freshmen, who are now confident sophomores, will make the difference for Winthrop.

Hubert, Daigneault, Rockefeller, Conceicao and Hurley gained confidence. Revere won the 2017 battle before a capacity (3,500 fans) crowd

2014 NEC Champs: Pictured from left to right, Zach Deeb, Voice of the Vikings, Jim Lederman, and Ernie Deeb.

playing the first game on the new Miller Field on the strength of a lat minute field goal (17-14) Revere. The Vikings have lost only two games (yes – two games) at Harry Della Russo Stadium in the last 30 years of the ‘rivalry.’

Winthrop needs to control the ball and clock on the ground behind the running of Hubert, Austin Daigneault; co-capt. Feedle Small and the unsung play of senior Brian Chalmers.

Senior players co-capt. Chris Castro, end Bret Sheehan (his tow best games in the last two victories). Mike McCone, the defense of Andrew Love and Jon Applebee will lead the Vikings to an upset victory.

Let’s Fill the Stadium!
Let’s Go, Vikings!

Three in a Row

The Winthrop Vikings have dominated the arch rivalry – Vikings vs. Patriots. Winthrop has won (41 out of 46 games) in recent years.

The Vikings were on the road 2015, 2016, 2014 was the NEC championship (9-0) under the tutelage of coach Sean Driscoll.

In 2015 – the ‘new’ Harry Della Russo Stadium was opened. The Vikings had a thrilling comeback victory (15-12) over 3,500 filled the new stadium. Revere won in 2016 (14-7) and in a last minute field goal in the new Miller Field – The Patriots won (17-14) last year.

Will the Vikings stop the two game Revere streak? Revere has never defeated Winthrop three in a row!

1964 – Steve ‘The Tank’ Adamson vs. Jim Delgaizo – Adamson plays at University of Wyoming in Sugar Bowl. Delgaizo (Revere’s all-time greatest player – 12-year NFL career – two super bowl rings.

1969 – Winthrop standout – David Tallent Viking quarterback – Jamie Tipping – Revere quarterback – Al Petrilli – Winthrop wins 24-19.

1981 – Vikings crush Patriots (49-13) all-scholastic Chuck Sullivan scores three touchdowns battle in the ‘trenches’ – Gus Martucci vs. Frank Bertolino.

1982 – Winthrop 41 – Revere -0 Steve Staffier and Jimmy Gillis score 28 points.

1993 – Winthrop – Winthrop (49-22) Anthony ‘Touchdown Tony’ scores 30 points.

2007 – Will Milano touchdown pass to Chris Beranger – 46 seconds to play – Vikings win (27-22).

2012 – Vikings win (23-6) Dave Gallo rushes for 109 yards.

2014 – Winthrop 14 – Revere 6 Zach Deeb’s 76-yard second half kickoff return leads Vikings to victory.

Vikings lead series (55-30) Vikings (41-5) last 46 games.

Shutting Out the Patriots

Former Viking captain and quarterback Mark D’Ambrosio, reminded me of the Vikings total domination of the Patriots.

“We shut out the Patriots for 14 consecutive quarters, between 1994 and 1997.” The former Boston Globe, Student-Athlete of the Year and Colby College captain, was proud of the Vikings defense.

Mark is a Vikings volunteer coach and vice-president of the Winthrop Youth Football program.

Patriots win Powder Puff Battle

The Revere Lady ‘Patriots’ brought 1,000 fans to Miller Field on Sunday morning. Revere had a ‘trio’ of backs to lead the ‘Patriots’ to a convincing victory on a sunny day on the new Winthrop ‘turf’ stadium.

The speedy trio of ‘number 44’ – Kiana Napolitano (three touchdowns), Jessica Haggerty and Lilly Deliacono dominated the game for the Patriots. ‘Number 44’ had a 72-yard score and a 19-yard touchdown in the first quarter. Revere lead 18-0 at the half in the second half, a 70-yard Deliacono, turned on the jets to extend the lead in the third quarter.

Standouts for Winthrop were, three-sport Lady Viking all-star Bella Perrotti and quarterback Emma Carleton, Lady Viking’s hockey all-star.

Revere practices three months and was a well-tuned offensive team. Let’s hope it is their only victory this week.

Super Bowl Bound

A Viking three-star salute to ex-Viking coach Sean Driscoll. The former mentor – defensive coordinator and popular coach is headed to Gillette Stadium to playing the Division – super bowl.

The St. Mary’s Spartans (8-3) defeated Cohasset (22-11) to win the division 7 title and a game with Pioneer Valley in the super bowl.

The Spartans defense held a team averaging 38-points per game for three quarters to one field goal.

Good Luck Coach Driscoll!

Legal Notice #023-2018
Notice is hereby given in accordance with Chapter 40A of the Massachusetts General Laws and Chapter 17 of the Code of the Town of Winthrop that the Winthrop Board of Appeals will conduct a public hearing on Thursday, November 29, 2018 at or after 7:00 p.m. in the Joseph Harvey Hearing Room, Town Hall, One Metcalf Square, Winthrop, Massachusetts, 02152, upon the application of Aaron M. Daigneault owner of the property located at, 2 Washington Ter., Winthrop, MA 02152. On August 7, 2018 the applicant submitted for and received a building permit to rebuild the existing structure. The permit issued was to rebuild structure as per plans, same size, same location, and of same design. The permit was based on an engineering report submitted by a registered engineer stating that the structures framing is in substandard condition, that the structure is not safe and should be demolished as soon as possible. On August 15, 2018 the

applicant submitted an application to add two 3rd floor shed dormers, enclose existing porches on 1st and 2nd floors, and rebuild the porch on the ocean side of the structure. Upon receiving this new application, the project was stopped by the Winthrop Conservation Agent and the Winthrop Building Commissioner and advised to file application with the Winthrop Conservation Commission. The applicant has since filed and received approval from the Commission. Based on the change of design from the original application of August 7, 2018 the permit has been denied and will need relief of the following.

1. Whereas the proposed 3rd floor will exceed 50% of the floor below, therefore creating a third story relief of Section 17.16.020 J. General Regulations will be needed. No existing building may be altered to exceed two- and one-half stories
2. In the absence of a detailed elevation plan submitted by a registered engineer detailing the height of the structure and the average grade, I must assume that the height of the structure will exceed the allowed 35

feet. Therefore relief of Section 17.16.020 J will be needed. No existing building may be altered to exceed 35 feet.
3. By enclosing in porches, the square footage will be increased on the first and second floor. Therefore, relief of Section 17.28.030 C.2. Nonconforming uses, structures and lots will be needed. No building area or floor area, where already nonconforming, shall be increased so as to be in greater nonconformity.
4. In order to construct the proposed deck, the applicant will need relief of Section 17.16. 020 J. 1. General Regulations, side yard setback. The public is invited to attend, and interest parties shall have an opportunity to be heard. Copies of the aforementioned application and plans are on file and available for inspection at the Office of the Town Clerk, Town Hall, Monday through Thursday during the normal business hours. Giving Thanks Together In Our Community

Pictured L- R: Paul O'Donnell of the Winthrop Community Food Pantry, Alaina Coppola, Massport's Assistant Director of Administration & Community Giving and Michael Vatalaro, Massport's Manager of State & Community Relations.

Throughout the upcoming holiday season, families and friends throughout the Boston area will gather to give thanks for each other, and for the food we enjoy as part of our traditions.

Most of us are fortunate enough to enjoy full tables, but the Greater Boston Food Bank reports that hunger affects one in ten of our neighbors in Eastern Massachusetts and 47% earn too much to qualify for emergency food assistance provided by the government.

This year, Massport is pleased to provide food donations to three programs in our community: Crossroads Family Center in East Boston; Winthrop Community Food Pantry; and South Boston Community Health Center Food Pantry. These three organizations serve hundreds of people each month, and often mean the difference between paying for heat and having enough food for the family to eat.

As we enter the holiday season, we are reminded that these programs and many others provide critical assistance year-round to the most vulnerable members of our community.
