## Letterie elected Council President

By Cary Shuman

James Letterie swept all six precincts to win election as the president of the Winthrop Town Council Tuesday.

Letterie, who has served as Precinct 2 councillor for 16 years, defeated current Council President Philip Boncore in the election. Letterie received 1,807 votes, while Boncore received 1,108 votes.

Letterie attributed his victory to "hard work, integrity, and honesty."

Letterie, 61, was a member of the Winthrop Charter Commission from 2003 to 2005. The Commission changed the structure of Winthrop government, notably instituting a Town

Council to replace the former Board of Selectmen and bringing aboard a full-time town manager to run the day-to-day operations.

Letterie was elected to the Council in 2005 and has represented Precinct 2 since that time. His diligence and accessibility in his role as a councillor were recognized beyond Precinct 2 and resonated with residents town wide. He has also served commendably as vice president of the Council having been elected by his colleagues.

"I think my hard work over the years and working for the citizens of Winthrop - I don't do it to build a following, I do it to do what I think is right for Winthrop," said Letterie.

Letterie began his involvement in Winthrop government when he served as a Town Meeting member. He ran for a seat

on the Winthrop Charter Commission and was one of nine residents elected to the board.

## Architects present concepts for public safety building

By Laura Plummer

At the annual fall forum on Oct. 19, architecture firm Kaestle Boos Associates presented potential concept designs for a new public safety facility that would combine fire and police service into one state-of-the-art building.

A feasibility team decided to focus on two potential sites: the Little League field on Veterans Road, and the seventh hole of the golf course. Both designs could be achieved in either a single phase construction or a multiphase construction.

### Veterans Road Little League Field

The Veteran's Road location would create a three-story building, each shared by both the fire and police departments.

The first floor would feature apparatus storage for the fire department, patrol and detention centers for the police department, a building maintenance center, and a training facility that is also open to the public.

The second floor would host a dayroom and bunks for the fire department, an investigations unit for the police department, and a shared fitness center.

The third floor would

house the offices of fire and police administrators, as well as a shared conference room.

The site would feature 35 staff parking spaces and 15 visitor parking areas.

A single phase construction option would cost almost \$37 million, while a multiphase approach would cost closer to \$47 million. These estimates do not include the costs to relocate the Little League field.

### 7th Hole of the Golf Course

The golf course concept is a two-story building.

Golf course concept design

# Public Safety // CONTINUED FROM PAGE 1

On the first floor, the fire department would have apparatus storage. The police department would have patrol, detention and training facilities, as well as a secure garage. This floor also features a shared fitness center and a training center that is open to the public.

On the second floor would be the mezzanine, bunks and administrative offices for the fire department, the investigative unit for the police department, and shared conference rooms.

The site would feature 29 parking spaces for fire personnel, 59 parking spaces for police staff, and 10 vis-

itor parking areas, including three handicap parking spaces. There would also be a shooting range on site.

A single phase construction option would cost almost \$46 million, while a multiphase approach would cost closer to \$54 million. These estimates do not include the costs to renovate the golf course.

### Next Steps

Council President-Elect James Letterie voiced his support for a single phase approach, regardless of the chosen design.

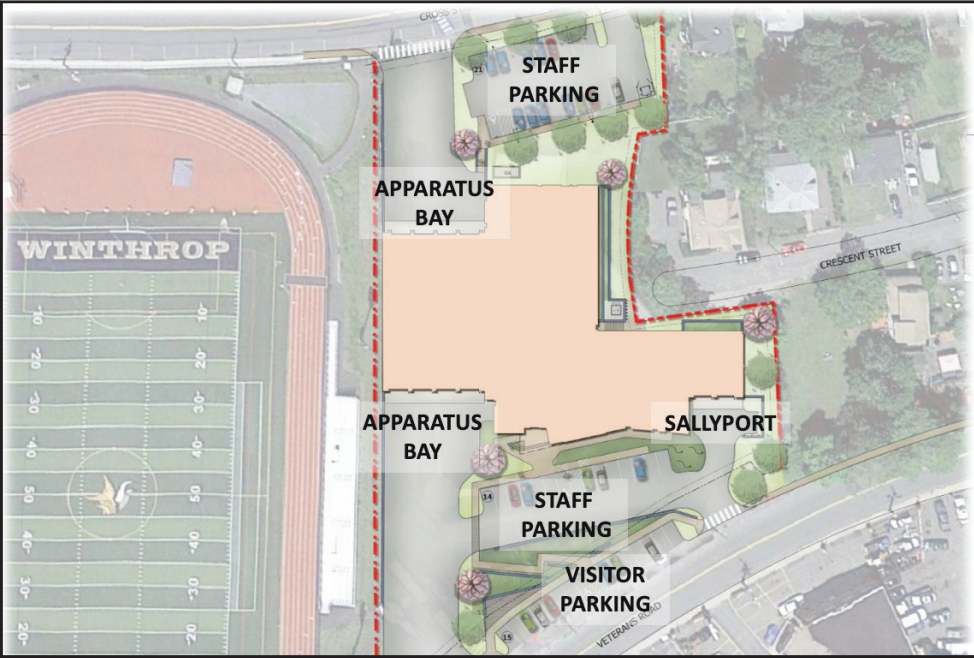

“If we’re gonna do it, we’re gonna do it right and

do it once,” he said. “This has been talked about since the 1980s. Let’s stop talking about it.”

Once a design is chosen, construction could begin on one of the proposed designs as early as spring of 2023.

Other sites considered were the old middle school, the Pauline Street fire and police station, Shirley Street Station, the Veteran’s Road Expert Auto, the Veteran’s Road golf maintenance site, the Walden Street Muffin Town, the Walden Street basketball courts, and the Winthrop Street municipal parking lot.

For each potential site,

the feasibility team considered factors such as traffic, flooding, land ownership, response times, predevelopment costs and neighborhood impacts.

## North Shore Philharmonic Orchestra returns live Nov. 14

Staff Report

After a twenty-month pandemic-induced hiatus, the North Shore Philharmonic Orchestra returns to the stage and opens its 73rd season Sunday, November 14, 3:00 p.m. at Swampscott High School when Music Director Robert Lehmann conducts a program that features Beethoven’s heralded Symphony No. 5.

“Little did we know, when we played our last concert on March 1, 2020, that we would be unable to play live music together for almost two years,” said Lehmann, who has led the NSPO since 1998.

Music Director Robert Lehmann will conduct the North Shore Philharmonic Orchestra in its first live performance in 20 months as the Orchestra begins its 73rd season on Sunday, November 14, 3:00 p.m. at Swampscott High School.

The North Shore Philharmonic Orchestra resumes live concert performance on Sunday, November 14 with a 3 p.m. concert at Swampscott High School.

The concert will open with Eduard Lalo’s Prelude to the ballet “Namouna” in tribute to longtime NSPO violinist Marcia Jones, who died earlier this year. “Marcia was a passionate and dedicated member of the NSPO for more than 50 years, a charismatic and dear person greatly missed by her NSPO family. ‘Namouna’ was one of her favorite works.”

Tickets will be available at the door for \$30, \$25 for Seniors and students, and children 12 and under are admitted free. Advance purchase is available through the Orchestra’s website [www.nspo.org](http://www.nspo.org).

In compliance with local regulations and the practice of similarly-sit-

uated organizations, the NSPO requires all patrons attending the concert present proof of a Covid-19 vaccination, or proof of a negative Covid-19 test no more than 72 hours prior to the concert. Patrons will be required to wear masks and socially distance in the auditorium.

Lehmann and his musicians are excited about their return. “The pandemic has had a catastrophic effect on the performing arts, which depend on in-person collaboration and interaction to do what we do. We can’t wait to be together as an Orchestra and play our music once again,” he said.

OUR Opinions

## IF TAIWAN IS ATTACKED, SHOULD WE DEFEND IT?

We are living in unprecedented times -- from the COVID-19 pandemic, to the supply chain issues that are affecting all aspects of our economy, to the dire consequences of climate change, to the messy pullout in Afghanistan, to the spike in energy prices, to the craziness that has engulfed our politics.

It seems that we are living in a period of crisis-after-crisis-after-crisis.

But there is another potential source of disruption looming on the horizon that will dwarf all others: The spectre of a Chinese invasion of Taiwan.

So the question is this: If the Chinese decide to invade Taiwan -- as they clearly are preparing to do -- what should be our response?

We have a few thoughts:

1) The possibility of a military move by the Chinese against Taiwan has been a foreign policy issue for more than 60 years. Nixon and Kennedy debated the appropriate U.S. response should the Chinese invade Quemoy and Matsu, two small islands that belong to Taiwan, but that are within a very short distance (just a few miles) from the Chinese mainland. Kennedy made it very clear that the two islands were indefensible and not worth risking a large-scale war. Quemoy, Matsu, and Taiwan have fallen off our national radar, so to speak, since then, but they are back in the spotlight thanks to the recent Chinese provocations.

2) Although the Chinese government never has been a model of Western-style democracy, there always have been competing factions within the Communist Party. However, to whatever extent the Chinese Communist Party exhibited democratic tendencies within its own ranks, they are a thing of the past thanks to President Xi Jinping, who essentially has established himself as a dictator for life.

From abolishing term limits for his office, to destroying democracy in Hong Kong, to placing a million Uighurs into detention camps, to building up the Chinese military, Xi has abandoned the former model of a China that adhered to some semblance of international norms. The China of today is not the China of even 10 years ago.

3) The recent obsession with Taiwan by Xi is one of those issues that lacks rationality to non-Chinese. Although Taiwan poses no threat to China, there is no room for compromise on Taiwan in Xi's world-view. But that is what makes it such a potential tinderbox for world peace.

4) Some suggest that a Chinese invasion and takeover of Taiwan would be a prelude to further Chinese military domination in Asia, including So. Korea and Japan. But that's a version of the Domino Theory that got us into the war in Vietnam. We didn't understand that the Vietnamese War was merely a civil war. It was our misguided intervention that destabilized the surrounding region, just as we did 40 years later in the Mideast with our invasion of Iraq. Similarly, an American capitulation on Taiwan hardly would be a modern-day equivalent of a Neville Chamberlain-style appeasement that would be a prelude to Chinese domination of the Pacific.

5) Do we have a national interest in defending Taiwan? The only plausible reason in this regard is that the Taiwan Semiconductor Manufacturing Co. is the largest supplier of computer chips in the world. We all know about the chip shortage. But while a Chinese invasion of Taiwan might make the chip shortage worse in the short term, is TSMC really worth fighting for?

6) On that note, we should keep in mind that an all-out shooting war with the Chinese would result in thousands of U.S. casualties and the sinking of just about every ship we have in the Pacific fleet.

7) Finally, why should the Taiwanese expect us to defend them when they themselves have shown little or no interest in their national defense? As a recent news article made clear, the Taiwanese are a far cry from the Israelis, for whom national defense is an imperative that is taken seriously by every Israeli citizen.

In our view, when you add it all up, Taiwan is not worth shedding one drop of American blood. We shouldn't let our emotions get in the way of reality. Whatever treaty the U.S. has with Taiwan was conceived in a different world.

But this is 2021, and the present generations should not be bound by something that they have had no part in.

GUEST OP-ED

## We need to invest in America

from these wars. Thousands of American families are still grieving.

The stimulus proposal, approximately \$1.75 trillion is about investing in America. We are long overdue for a major investment in America. We don't all agree on the infrastructure bill's spending list. However, can't these "great" politicians come up with an "essential" needs list that is starkly visible to any naked eye?"

Maybe we could get busy in our nation and stay out of other countries' business for a while. Maybe we could take a break from fighting among ourselves. A working nation will be a much happier nation. We hear all this bull talk about we'll never get out of debt from this infrastructure bill and we won't. However, we've spent too much time trying to solve the world's issues while ignoring our own problems. We need to work on our homeland. The roof is leaking, the walls are crumbling, the electrical work needs to be repaired. The water we are drinking is dirty. The driveway is crumbling and potholes abound. The plant down in town relocated and the local coal mine closed. Things are tough.

The house needs a lot of repair but it's hard to repair

America needs attention to our infrastructure. It's pathetic that our Congress and President are having so much trouble putting something together they can agree on. We managed to spend the equivalent of a trillion dollars in today's currency on the Vietnam war. What did we get for a trillion dollars? Over fifty-eight thousand dead American soldiers. Plus, over 1500 missing in action and thousands of wounded. Many who have never recovered.

We lost 4,497 American soldiers in Iraq. We spent two trillion dollars in Iraq. We had over 32,000 other casualties. What does America have to show for the war in Iraq?

We spent 20 years in Afghanistan. Over 2,400 American soldiers were killed and over 20,000 were wounded. We spent at least 2.3 trillion dollars. What does America have to show for our war in that country? (United States Military casualties of war, Wikipedia.org)

Did these wars make us safer? Did they make our country greater and stronger? Is America better and freer because of these wars? America suffered great loss

a house and buy expensive groceries on the meager wages that are available to most Americans. Families can't live on \$15 an hour, or go to the doctor. Over forty million Americans still live in poverty. Millions more live right above the poverty line and struggle. "According to Pew Research, a household with an income between two-thirds of and double the median household income is considered middle class. The national median income in 2021 is \$79,900, which would mean an individual would fall squarely in the middle class with an income between \$53,266 and \$159,800." (Motley Fool Service, fool.com) Is this you? The average household income for 2021 has been \$79,900 according to huduser.gov.

A financially strapped American living in an aging house that is desperate for repairs is symbolic of much of America. Yes, we have seen a stock market boom. Americans selling houses are doing well financially. Yes, a lot of people in America are in the medium income level which is not bad.

However, too many Americans are still financially insecure. They don't make enough money. They can't afford adequate housing. They still put off going to the doctor because of costs. They aren't saving any money. More senior Americans are working than ever before because they can no longer live on their meager pensions and Social Security is being eaten away by rapid inflation.

We need an investment at home, our home, America. Congress, please make a reasonable list. Our needs are so visible. We need clean water, Internet, available affordable healthcare including prescriptions, affordable clean energy, chips for our cars and phones, roads and bridges and real paying jobs for Americans who are willing to work. Why is this so hard?

In comparison to over 5 trillion dollars and thousands of American lives spent around this world, spending a few dollars at home should be a cakewalk for this Congress and President.

## ART 9289 – POINT SHIRLEY IN THE 1750’S

By a division deed signed by John Grover, grandson of Deane Winthrop, and by Joseph Belcher, who had purchased the interest of other heirs for that part of the Winthrop Farm now known as Point Shirley, Great Head and the beaches south of Locust Street, became the property of Joseph Belcher in 1720. In May 1748, Mr. Belcher sold the premises to Lieutenant Thomas Pratt, who was born in 1699 in that part of Boston, which is now known as Chelsea. He then sold his holdings in 1752 to Henry Atkins, John Baker, Ezekial Goldthwait, Thomas Goldthwait, Nathaniel Holmes, Thomas Mitchell and John Rowe, capitalists of the town of Boston who then attempted to carry on an extensive fishing business at the point. This fishing industry functioned for about 10 years (1753-1763) and was followed by a salt works which obtained salt from ocean water in large stone tanks along what is now Triton Avenue that was then sold in Boston. Picture one shows the four houses on Fish Lane, named for the earlier fishing industry residents or users, that was drawn by Charles Russell Sturgis in 1817, when he was about 14 years of age. It later became Syren Street and is now Siren Street. From left to right it shows the buildings as follows.

1. The first is a brick house which still stands at number 99 Siren St. It was built in 1756 by Thomas Hancock, uncle of John Hancock of Revolutionary War fame, who often vacationed there with his wife Dorothy.
2. Little information on the second house is known except it was constructed

in the mid 1700's in connection with the Fishing Industry that operated for 10 years at the Point. As noted on the drawing, there was a chapel located for a while at the top of the hill behind it.

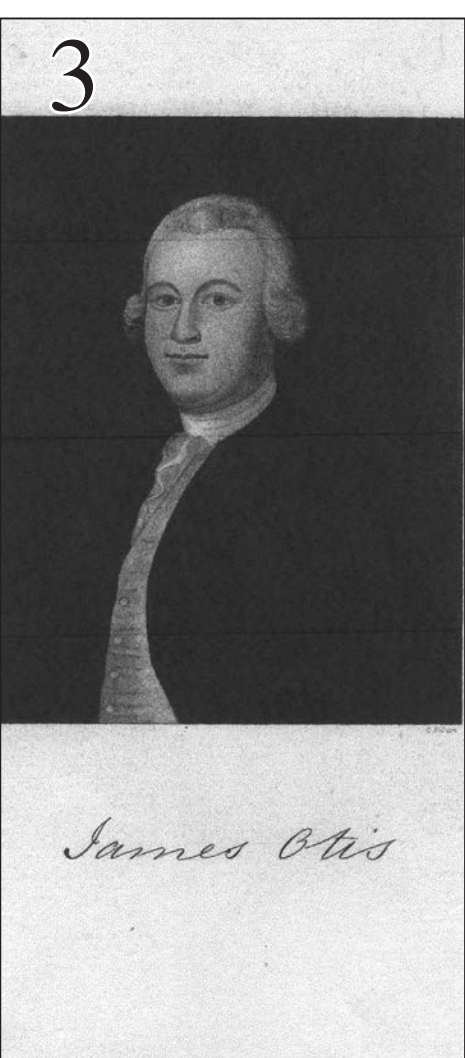

3. The third house was built about 1739 by John Tewksbury and became known as the Tewksbury/Wyman house.
4. The fourth house, known as the Sturges home. Was built in 1753 and still stands at 7 Siren Street.

This is a picture of unusual historic value. First we must credit the young man's ability to so painstakingly draw such a good representation of the area. The accuracy of it is evident by the two remaining homes of Hancock and St-

urgis which today have the same window, door and chimney pattern as shown in this picture. Second, note the salt frames and store houses shown on the lower mid right side of the picture.

In September 1753, a large gala dinner was given at the point when the area was then named for Governor William Shirley (1741 – 1756) who is shown in Picture 2.

Picture 3 is of the Governor's son in law James Otis (for whom Otis Street was named). Picture 4 is of John Hancock who was at the time visiting at his Uncle Robert's earlier home in the area.

Steve Calla has been appointed to the position of director of the Winthrop Department of Public Works. Calla has worked for the DPW for several years and has been the interim director since the departure of former director Dave Hickey. Calla was selected from a large field of candidates after an extensive application and interview process.

Town Clerk Carla Vitale said this week that the clerk's office is preparing for a big voter turnout at next week's Town Election based on the high number of absentee ballots being sought at Town Hall in advance of the election.

Winthrop voters had a chance to view the four candidates who are vying for three seats on the Winthrop School Committee during the PTO-sponsored forum last Wednesday night at the Ft. Banks School. The candidates included two incumbents, Melissa Polino and Mark Rotondo, both of whom were chosen to fill two vacancies when School Committee members Gus Martucci and Pat Milano resigned in 2010, and political newcomers Maryalice Sharkey, a former local teacher, and Gary Skomro. The current \$15.6M school budget, as well as the need to keep many diverse groups involved in the public school system, were key points among all the candidates.

Just a few short years after first voting to dramatically change the way government operates in town, voters will be asked at next Tuesday's Town Election to consider some changes to the new charter. Five ballot questions dealing with Town Charter amendments will be up for consideration of the voters. Among the changes that are being sought are a shorter "cooling off period" when elected officials can take paid positions in the town; authority for the Council to confirm Town Manager appointments; a change in the filling of vacancies on the Housing Authority board; a change in the authority of the Ordinance Review Committee; and a name change for the Handicap Access Commission.

The new MCAS scores show continued improvement by Winthrop students. Winthrop has moved up in the rankings from the 136th school district four years ago to the 97th with the present scores. However, School Supt. Thomas Giancristiano said that the schools need to focus on improving math scores.

Winthrop Fire Chief Larry Powers said that the town's public safety departments are ready to face any terrorist threat, whether from another attack related to Logan Airport or from anthrax.

Damage caused by the No Name Storm last week is estimated at \$7 million locally. Waves 50 feet high battered the Winthrop coastline and caused extensive flooding on Pt. Shirley and in the Winthrop Beach section of town not seen

since the Blizzard of '78. The Winthrop golf course was turned into a lake with residents canoeing through it; the seawall at Pico Beach was washed out; tons of rock and sand poured onto coastal roads; and traffic was gridlocked at Belle Isle bridge at rush hour when the Beachmont access into town was flooded out. The power and intensity of the freak storm caught forecasters by surprise, as a combination of a high pressure system from Canada joined with a tropical low at sea and then moved westward, rather than taking a typical easterly course.

The selectmen have denied a request by local contracting firm Bic-Com Inc. to move a 100 year-old house from Ingleside Ave. to Putnam St. The selectmen cited possible damage to town property and inconvenience to businesses. The house is slated to be razed by the Winthrop Community Hospital to make way for a parking lot for 130 cars.

Fire Chief Edward Hazlett told the selectmen that he will be forced to bring action in East Boston District Court to bring about compliance with the fire safety laws at Larsen Rink unless the violations are corrected soon.

## Thomas Charles Murray

Known for his gregarious personality and generosity

Thomas Charles "Tommy" Murray, 57, of Hollywood, Fla., passed away on October 22 in North Broward Health's Vitas Hospice.

The first son of Ann (Kelly) and Charles "Chickie" Murray, he was born in Winthrop on Sept. 20, 1964. He was preceded in death by his father, a Hollywood local and Winthrop native, and his grandparents: Kay and Tim Kelly and Alma and Walter Murray, all of Winthrop. Tom's gregarious personality and generosity is well-known to friends and family. As a boy, he was quick with a smile, ready to lend a helping hand, and eager to tell his latest story. He enjoyed fishing and tinkering with engines. He attended schools in Broward County, Fla., including Nova Elementary/Middle, McArthur High School, Sheridan Tech and "upper state college" where he was a whiz at small engine repair.

In adulthood, he enjoyed driving his race car and owned an independent tow truck business called "Hammerhead Towing." In his later years, he enjoyed connecting with friends and family by phone and had an extensive contact list.

He leaves his mother, his sisters, Marie Murray (Harold) Martin and Michelle Murray, brothers, Kevin Murray and Tim (Brenda) Murray; Uncle Joe Kelly, formerly of Winthrop and Aunt Barbara and Uncle Ed

Survilas of Winthrop. He also leaves his niece, Grace Martin and nephews, Garrison Martin and Carson Martin, all of Hollywood and cousins in Massachusetts and New Hampshire. His life-long friend, Scotty Richitelli will be remembered for his unyielding support and encouragement during difficult times.

Family and friends will honor Tom's life on Wednesday, November 10 at Fred Hunter Funeral Home, 6301 Taft Street, Hollywood, FL. The "Celebration of Life" service begins at 6 p.m. to 8 p.m. with food and refreshments immediately following from 7:30 p.m. to 9:30 p.m. In lieu of flowers, donations in Tom's name may be made to: Broward Education Foundation's Charles "Chickie" Murray Memorial Scholarship Fund for vocational training scholarships. <https://browardededucation.org/charlesmurraymemorialscholarship/> Or by mail at BEF, 600 SE 3rd Avenue, 1st Floor, Fort Lauderdale, FL 33301.

## Penuel 'Penny' Cohen

Of Scituate, formerly of Winthrop

Penuel "Penny" (Sullivan) Cohen, 80, of Scituate, formerly of Winthrop and Quincy, died on October 31 following a courageous battle with Alzheimer's disease.

She was the daughter of the late Russell E. and Penuel E. (Gordon) Sullivan.

Raised in Quincy, Penny graduated from Woodward School for Girls and worked for the former New England Telephone and Telegraph Co. It was during this time that she met and married the love of her life, Eugene G. Cohen, with whom she was celebrating their 60th year of matrimony together; having

been married April 13, 1962. The couple soon-after moved to Winthrop, where they made their home and raised a family until 2004, when they moved to Scituate.

Penny was a voracious reader who also loved to cook and to travel. Her charming, quick-witted sense of humor was disarming, and endeared her to all who knew her.

She was an active member of the Trinitarian Congregational Church of Scituate, where she volunteered -as a senior citizen herself- to cook for the senior citizen group which meets there. She was a former member of Bethany Church, Quincy.

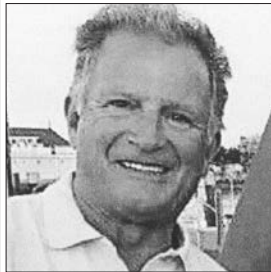

The beloved bride of Eugene G. Cohen, she was the loving mother of Jeffrey S. Cohen of Winthrop, Jennifer A. Casey and her hus-

band, John of Scituate and David B. Cohen and his wife, Linda (McDonald) of Winthrop; dear sister to General Gordon R. Sullivan, US Army (ret.) and his wife, Lori (Boyle) of Falmouth and Palm Springs, CA and sister-in-law of the late Miriam Gay (Loftus) Sullivan; cherished grandmother of Emma, Jake and Grace Casey, and Olivia and Maxwell Cohen. She is also survived by Greggory G. Cohen of Swampscott, several nephews and one niece.

Relatives and friends are cordially invited to attend a service of thanksgiving and tribute on Saturday, November 6 at 11 a.m. in the First Trinitarian Congregational Church, 381 Country Way, Scituate. A private burial is planned in her family plot at Mount Wollaston Cemetery, Quincy. In lieu of flowers, the family asks that donations in her memory be made to: Norwell VNA and Hospice, 120 Longwater Dr, Norwell MA 02061 or to Southwood at Norwell Resident Activities Fund, 501 Cordwainer Dr, Norwell MA 02061.

Marie Tucci

May 20, 1941 — May 9, 2021

Marie A. (Ferrara) Tucci of Winthrop passed away after a short intense battle with COVID19. She was 79 years old. She was the beloved daughter of the late Ann G. (Finn) and Anthony Richard Ferrara both of Winthrop.

Marie loved her cat "Baby" who would keep her company while she enjoyed using Facebook. This allowed her to stay connected to her family and friends who meant the world to her. She had a very special bond with her daughters and her affection for her grandchildren and great grandchildren was obvious when she saw them and spoke about them. Marie also loved to play bingo and take trips to Maine.

She was the loving mother of Debra and her husband, Joseph Consoli of Winthrop and Cheryl and her husband, George Pereira of Saugus; sister of Frank Ferrara and his wife, Ann of Winthrop, the late Frederick J. Ferrara and his surviving wife, Carrolle of Florida and her late twin brother, Joseph J. Ferrara and his surviving wife, Elaine of Cape Cod; the cherished grandmother of Charles J. Esseneheimer, Ashley Carroll, Alexa Grella and Jessica Bernardo and the proud

great grandmother to Charlie, Aubrey, Max, Dante, Bradley, Joviella and Jolena Marie. She is also survived by many nieces and nephews.

On the Six Month Anniversary of her passing, we would love to thank all who prayed or called to check on us during and after the time our mother struggled battling COVID-19.

Also, we want to thank all our friends and family, especially Peter Caggiano for his help with all the funeral planning and helpful support, Peter Graziano from Saint John's Church for a heartfelt service filled with love and Pastor Jason Tallent from Harbor City Church for all his guidance and words of encouragement every day and during the burial service.

D'Ambrosio launches first TV ad of Special Democratic Primary

Special to the Transcript

Candidate for State Senate, Anthony D'Ambrosio, today launched his first television ad in the special Democratic Primary for the 1st Suffolk and Middlesex district. The 30 second ad titled "Unafraid" will be airing across the district on both cable and various social media outlets. The video can be viewed here and the full script is below.

"Unafraid" Text

My name is Anthony D'Ambrosio and I'm a candidate for our State Senate seat. I'm running because it is time for a new generation of outsiders to upend business as usual on Beacon Hill. The COVID-19 pandemic has disrupted life as we know it in virtually every way imaginable. Our current leaders are failing in their obligations to Massachusetts residents. I'm un beholden to anyone. I'm unafraid to shake things up and I'm unafraid to ask the tough questions. Today, I'm asking for your vote.

"As I travel across this District, voters consistently tell me how government has failed them," said D'Ambrosio. "They feel left out, ignored and sold out by politicians willing to say or do anything to get elected. I have never forgotten where I came from and why I want to serve my community. My passion and commitment to hard work comes directly from my family who taught me early in life the value of public service. As State Senator, I will be unafraid to stand up for those left behind and voiceless because I only work for YOU."

## ON THE CAMPAIGN TRAIL

### Lydia Edwards endorsed by community activists

Special to the Transcript

In the special election to the State Senate, Lydia Edwards has been endorsed by: Monique Nguyen, Executive Director of the Matahari Women Workers' Center; Lenita Reason, Workers' Rights Executive Director, Brazilian Worker Center; and Gladys Vega, Executive Director, La Colaborativa. Primary Election Day is December 14, 2021. General Election Day is January 11, 2022.

“Lydia and I worked hand-in-hand to secure the Massachusetts Domestic Workers Bill of Rights, and that was only the beginning of our advocacy work together,” said Monique Nguyen. “Over the decade of knowing Lydia, she has consistently stood up for and help empower the people who need it: exploited workers, immigrant families fighting deportation, people facing displacement from their homes, and countless others. Lydia will be a visionary and effective champion in the Senate and I’m proud to endorse her candidacy.”

Of Lydia, Lenita Reason said: “Long before she was elected to office, Lydia was

honored by the Brazilian Worker Center as a Community Peacemaker for her work helping domestic workers secure job stability and fair benefits. That’s the difference with Lydia: She shows up and does the work, not for headlines or her own benefit. She helps people because that’s what drives her, and I know she’ll have an even greater population to lift up when she is elected to the state senate.”

“Lydia Edwards has been a fearless advocate for people who need affordable housing, for homeowners who are struggling to make ends meet, and as she made important changes to the zoning code,” said Vega. “In her role as a Boston City Councilor, I worked closely with Lydia on issues of climate change and environmental justice. She is the person who has what it takes to make strong policy for Massachusetts.”

Prior to entering the City Council, Councilor Edwards worked extensively in the legal field serving as a judicial law clerk with the Massachusetts Superior Court and the Massachusetts Appeals Court. Edwards worked as

a public interest attorney with Greater Boston Legal Services focusing on labor issues such as fighting for access to unemployment insurance, back wages, fair treatment for domestic workers and combating human trafficking. She served as the statewide campaign coordinator for the Massachusetts Coalition for Domestic Workers, which advocated for the passage of the Domestic Workers Bill of Rights. In 2015, she was named Bostonian of the Year by the Boston Globe.

Lydia Edwards is a candidate for State Senate representing the First Suffolk and Middlesex District, following the departure of Senator Joseph A. Boncore. For a full and up-to-date list of endorsements, visit: [LydiaEdwards.org/endorsements](http://LydiaEdwards.org/endorsements).

Councilor Lydia Edwards is a career advocate, activist, and voice on behalf of society’s most vulnerable. She is currently the Chair of the Committee on Government Operations and the Committee on Housing and Community Development in the Boston City Council. ### WINTHROP AND REVERE FIRE DEPARTMENTS ENDORSE D’AMBROSIO FOR SENATE

The Revere and the Winthrop Fire Departments have proudly endorsed the D'Ambrosio for State Senate campaign.

Eric Cusack, President, Winthrop Firefighters Local 1070, said, “We need leaders on Beacon Hill who are willing to stand up and fight for our members. Anthony immediately impressed us with his knowledge of our issues and commitment to work with us on banning the cancer causing chemicals currently being used in our protective gear,” said Eric Cusack, President, Winthrop Firefighters Local 1070. “We strongly endorse his campaign for State Senate and look forward to working with him at the State House.”

Kevin O’Hara, President, Revere Firefighters Local 926, said, “Revere Firefighters Local 926 is proud to endorse Anthony D’Ambrosio for State Senate. We want a State Senator who we can rely on to stand with us. For us, the choice was clear,” said Kevin O’Hara, President, Revere Firefighters Local 926. “Anthony is dedicated to his community and will be a tireless advocate for fire fighters across the Commonwealth. We will never have to guess where he stands, because he tells it like it is and is beholden to anyone.” Shown above, candidate for State Senate Anthony D’Ambrosio with members of the Winthrop Fire Department.

35 years, and their children, Jake and Jenna.

“My wife and my son were at the polls for 13 hours Tuesday,” related Letterie. “My daughter, who’s away at college, helped by talking to her friends from Winthrop. They all helped tremendously.”

Letterie said as the new council president, he’s looking forward to getting to work on several important issues.

“I think the first thing we have to do is secure a town manager to lead the town,” said Letterie. “The next most important thing we have to do is stabilize everything we’ve built over the last ten years and make sure we have plans in place to maintain the assets that we’ve built. And I think we have to look at the middle school site and finally get that off the ground. We also have to look at a proposed public safety building.”

Letterie said he will also focus on addressing the traffic situation at the Fort Banks School and the ongoing infrastructure projects in Winthrop Center and on Revere Street.

Wednesday morning Letterie was at Letterie’s Italian Market, a popular business on Woodside Avenue that he has owned and operated for 20 years. Several customers stopped by to congratulate Letterie on his election as town council president.

**Belcher wins Precinct 3 election**

Hannah Belcher defeated Jeremy Mahoney-Wright in the Precinct 3 Councilor election Tuesday. Belcher received 235 votes while Mahoney-Wright received 128 votes.

“I would like to thank everyone who came out to vote and the people who gave me words of encouragement from outside the precinct,” said Belcher. “I’m looking forward to fulfilling everything I said I would do – being available, being accountable, and really starting to make some positive change for Precinct 3 and the town.”

In a related matter, current Precinct 3 Councilor Nick LoConte resigned from his position Wednesday “so that the new Precinct 3 Councilor can be sworn in early to hit the ground running.”

Richard Fucillo was elected Precinct 1 Councilor Tuesday. Joseph Aiello was elected Precinct 5 Councilor. Both candidates were unopposed.

Councilor-at-Large Robert DeMarco was re-elected to the Council.

**Barry, Powell re-elected to School Committee; Leonard also wins a seat on the Committee**

Julie Barry and Jennifer Powell were re-elected to the Winthrop School Committee Tuesday. Suzanne Leonard was also elected to the School Committee.

Jim Letterie, Town Council President-elect, celebrated his victory on November 2 at Hong Kong Dragon. Letterie received 62% of the vote (1807 to 1278) against his opponent, Phil Boncore, whose term as Town Council President will conclude on January 1, 2022. His first goal as Town Council President is to hire

a Town Manager.

“It makes me appreciative of the trust they put in me. I want to do the right thing, and make sure I fulfill my promises and make Winthrop a better place,” said Letterie, who is humbled by the support of voters. “I am extremely thankful for those who voted for me. My plan is to bring us all together, to move us forward, and stabilize the town.”

## WHS SPORTS ROUNDUP

## SCENES FROM WINTHROP FOOTBALL VS. SAUGUS

### WHS BOYS SOCCER TO HOST BISHOP CONNOLLY IN TOURNEY ON SATURDAY

The Winthrop High boys soccer team will host Bishop Connolly this Saturday at 1:30 at Miller Field in the MIAA Division 4 state soccer tournament.

Under the new state tourney format, the old and familiar state sectional format, which formerly was divided into the North, South, Central, and West regions of the state, has been abolished.

Rather, all of the state's schools compete in their respective divisions, which are based on school-size and other factors (for boys' soccer, there are five state-wide divisions), across the state.

There are 39 teams that will compete in the Division 4 tourney, of which 32 qualified automatically based upon the MIAA's power ranking system, a calculation based on strength of schedule and margin of victory, regardless of record (six of the top 32 schools have losing records). The other seven teams qualified for the tourney because they had better-than .500 records, even though they did not make the top-32 in the power-ranking system.

Winthrop, which finished with a record of 10-6-2, is the 14th-seeded team in D-4 and Bishop Connolly (8-3-1) is seeded 19th.

The victor will advance to meet the winner of the contest between Rockland, the #3 seed in D-4, and the winner of the Tyngsborough (#30) vs. Advanced Math (#35) contest, which also is set for Saturday afternoon.

### VIKINGS WIN FINAL TWO REGULAR-SEASON GAMES

The Winthrop High boys soccer team concluded its regular season on a high note with victories over Northeastern Conference rivals Salem and Swamp-

scott.

Last Wednesday, the Vikings defeated Salem, 2-1, in a contest that had been postponed because of last Tuesday's storm.

Winthrop scored the first goal off a loose ball from a corner kick. JD Parker delivered the shot that reached the back of the Witches' net amidst the scramble in the Salem box. It was JD's second goal of the season.

Junior Damian Vidal provided the game-winner, his fifth goal of the season, assisted by Tomasso Tronca.

The following evening, Coach Kyle Gagin's squad celebrated their Senior Night in appropriate fashion with a 1-0 conquest of visiting Swampscott.

After the teams battled to a nil-nil standoff at the intermission, Vidal scored the game-winner, assisted by Ryan Kfoury, in the second half.

WHS goalkeeper Mateo Martinez had a great game in net with a number of big saves to earn his fifth clean sheet of the season.

The Northeastern Conference's coaches voted for all-stars Monday night. Viking Gustav Hemmingsen, a visiting student from Denmark who was Winthrop's leading scorer with 16 goals and five assists, was voted to the All-Conference team.

Teammates Juan Guaque and Martinez were named NEC All Stars.

### GIRLS SOCCER EDGES LATIN ACADEMY, 1-0

The Winthrop High girls soccer team defeated Latin Academy, 1-0, last week.

Senior captain Mia Martucci struck the back of the Latin net for the game-winning goal after making a nice run up the sideline and delivering a shot to the top corner that beat the Latin keeper.

"We definitely had a tough game," said WHS head coach Tracey Martucci. "Our energy was low and we just couldn't find our groove until about the

## Winthrop defeats Saugus, hosts playoff game Friday

### Chaves stars in regular season finale

By Cary Shuman

Ask high school sports fans, and most will tell you there's nothing more exciting than the state playoffs. And double that excitement when your team has earned the right to host a home playoff game.

Miller Field should be booming with hometown pride Friday night when Coach Jonathan Cadigan's Winthrop Vikings host South Hadley High School

in the opening round of the Division 6 playoffs.

Winthrop locked up the No. 5 seed and a home playoff date by repelling a challenge from a hungry Saugus High team on Senior Night, ultimately coming away from the newly dedicated Christie Serino Memorial Stadium with a hard-fought 22-0 victory over the stubborn Sachems.

Saugus (0-8) drove to the Vikings' 8-yard line on its first possession, but senior lineman Pete Jurovich

## WHS SPORTS *Through the Years*

### 10 years ago November 3, 2011

The Winthrop Vikings got off on the wrong foot last Friday night at Miller Field as standout kicker Quinton Dale had a rare misstep, missing the opening kickoff and giving the Amesbury Indians the ball at Winthrop 40 to start the game. However, the Vikings survived the early Amesbury onslaught, and went on to win the game 14-12 in overtime. After the opening score by Amesbury, Winthrop was able to block the extra point try by Amesbury, but continued to struggle throughout the half and the team headed to the locker room with Winthrop trailing 6-0 at the half. The Vikings finally broke through and scored in the third quarter on a nine-yard touchdown pass from senior quarterback Jimmy Barker to receiver Jake McKinnon. However, the normally automatic Dale had his second miscue of the night and the extra point attempt failed, leaving the team’s tied 6-6 at the end of regulation. In overtime, Winthrop took all four downs to move the ball from the Amesbury 10-yard line into the end zone, but got the touchdown on a two-yard rush by Barker that was capped by a successful two-point conversion rush by sophomore running back Jordan Corbett-Frank. Corbett-Frank had a team-leading 123 yards on 22 rushes during the game.

### 20 years ago November 8, 2001

The WHS boys soccer team dropped a 3-0 decision to Hamilton-Wenham in the first round of the Division 3 state tournament. This was the first-ever tournament appearance by a Winthrop boys soccer team. The WHS football team dropped a 17-14 decision to Danvers Friday night at Miller Field. Bobby Kneeland scored touchdowns on

runs of 54 and 38 yards.

### 30 years ago Nov. 6, 1991

Junior quarterback Mike Mason tossed two TD passes to Kenny O’Connell and Richard Staff to lead the WHS football team to a 30-7 win over Swampscott. Robert Ferland rushed for 78 yards on 15 carries with a TD and James Faretra returned a kickoff for a touchdown.

Freshman Brandi Beach ran the 2.2 mile Franklin Park course in 14:41 to finish in 14th place among 167 contestants in the State Freshman-Sophomore Meet Saturday. Junior Danielle Govoni was the top varsity finisher for Winthrop, finishing in 23rd place in a time of 22:06 over the three-mile course. On the boys’ side, sophomore John Mullane was 12th in a time of 18:13 over the three-mile course.

### 40 years ago Nov. 11, 1981

The WHS football team made it 8-0 on the season with a 50-14 thumping of Marblehead. Chuck Sullivan scored three touchdowns, including an electrifying 102-yard runback of a kickoff. The 1981 Vikings are now the highest-scoring team in WHS history, eclipsing the 233 point total of the 1971 squad.

### 50 years ago Nov. 10, 1971

The WHS football team breezed to a 41-28 win over Cambridge Latin. Offensive lineman Dave Belcher, linebacker and captain Jim Davie, and defensive lineman Fred Mustope were lauded by head coach Bob DeFelice and staff for their fine play.

### 60 years ago Nov. 6, 1961

WHS quarterback Doug Milne ran for 128 yards on 28 carries and scored a touchdown, but the WHS football team dropped a 16-

12 decision to Revere. Fred Mills scored Winthrop’s other touchdown. Revere scored the winning TD with just 1:17 to play.

### 70 years ago Nov. 9, 1951

The WHS football team improved to 6-1-1 on the season with a 19-6 win over Class B Wakefield Monday after Saturday’s washout. Tommy Trainor tossed a 74-yard TD pass to Phil Derringer for Winthrop’s most exciting play of the day, but the big story for Winthrop was the defense, which held Wakefield to minus-60 net yards of offense on the day. The second successive win over a Class B school gives Winthrop 46 points, the highest rating of any school in Class C. The Winthrop team will be featured in Wednesday’s Boston Herald with sketches of all of the team members.

### 80 years ago Nov. 6, 1941

WHS Senior Class President Billy Genovese scored two touchdowns and Roddy Hanlon made big gains through the middle and scored another TD, but the WHS football team lost to Chelsea, 20-18, thanks to two long interception returns by Chelsea.

### 90 years ago Nov. 7, 1931

The broken-field running of Haley, two touchdowns by Nichols, a 60 yard interception return by Forristall, and the overall fine play of Capt. Waldo led the WHS football team to a 25-0 win over Swampscott, snapping a three-game losing streak for Winthrop.

### 110 years ago Nov. 11, 1911

The Winthrop high school football team defeated Swampscott 37 to 0 at Ingleside Park. The running of O’Donnell and the play of Turner and Webster were the top features for Winthrop.
