Face coverings no longer required for
travelers aboard MBTA, at airport

Staff Report

The Massachusetts Department of Transportation (MassDOT), MBTA and the Massachusetts Port Authority (Massport) are announcing updates to masking requirements following a U.S. District Court judge’s decision on Monday voiding the national mask mandate covering airplanes and other public transportation.

Beginning this week, the mask mandate on MBTA vehicles and MBTA properties will be lifted for all MBTA customers. Masks will still be required by users of The RIDE paratransit services.

In line with updated guidance from the Transportation Security Administration (TSA), travelers using the Commonwealth’s Massport facilities are no longer required to wear face coverings. This includes air-

ports, Conley Terminal, and the Logan Express service.

Most of the state’s 15 Regional Transit Authorities (RTA) are also rescinding the face-covering mandate but members of the public should check with a specific RTA to confirm the requirement.

“The Commonwealth has followed federal guidance in terms of face coverings and to be consistent with that, we are lifting the face covering mandate at the Commonwealth’s transportation hubs and on most public transportation vehicles,” said Transportation Secretary and CEO Jamey Tesler. “While these face covering requirements are being lifted, we remind travelers

New town manager
Anthony Marino receives
a three-year contract

By Cary Shuman

The Winthrop Town Council has given a three-year contract to the new town manager, Anthony Marino.

Council President James Letterie said the Council and Marino agreed to the contract during an executive session. The Council then voted unanimously to approve the contract in open session before Letterie and Marino officially signed it.

Marino, 51, will begin as Winthrop town manager on May 23. He has been the Ipswich town manager for the past four years.

Letterie said Marino will receive a salary of \$205,000 per year for the length of the contract.

“I’m looking forward to being the town manager of Winthrop,” said Marino. “I was excited to apply for the position, and I had a great interview process with the Council, and I’m excited to get started on May 23.”

Marino has begun collaborating with Interim Town Manager Terence Delehan on job descriptions for the vacant Winthrop positions of chief financial officer, treasurer, and assessor.

Marino has met with several Winthrop department heads, including Supt. of Schools Lisa Howard.

Marino grew up on the South Shore in the town of Pembroke. “My father [Leo

New Town Manager Anthony Marino.

Marino] was a Boston firefighter and moved us down there from Dorchester when I was 3 years old,” said Marino.

Marino served in the United States Navy for four years and received his college degree from Bridgewater University. He resides in Lynnfield and is married with two children ages 28 and 11.

Letterie said he is pleased to bring Marino aboard and happy with the contract.

“A great deal is when both sides get what they want and this agreement is absolutely that,” said Letterie. “Tony gets to come work for a town that he already has a passion for and has been on his radar for a while, and Winthrop gets a town manager that has all the attributes we have been looking for.

“Tony has a great skill set, personality, and that blue-collar work ethic that will be able to lead us out of stagnation,” Letterie added. “I am in-credibly excited to get started working with Tony.”

WINTHROP POLICE BLOTTER

The following incident reports are among the calls to which the Winthrop Police Department responded on the listed dates. The log is a public record and available for review. All persons who are arrested or charged with a crime are presumed innocent until proven guilty in a court of law.

MONDAY, MARCH 28

1523: An officer stopped a motor vehicle (MV) on Main St. for the criminal offense of operation of an MV with a registration revoked for insurance cancellation. The officer did not give a citation to the operator because the MV's registered owner is his boss and the operator was unaware of the vehicle's insurance status. The MV was towed.

2316: An officer stopped a motor vehicle (MV) at Revere and Central Sts. for the civil moving infraction of an equipment violation (defective lights). When the officer determined that the operator only had a learner's permit, he issued a citation to her for the criminal offense of unlicensed operation of an MV and for the civil infraction. The officer stood by until the operator's brother, who is licensed, came by to take control of the MV.

2340: An officer stopped a motor vehicle (MV) on Shirley St. near the Public Landing for the civil moving infractions of speeding and a stop sign violation. The officer issued a citation to the operator.

TUESDAY, MARCH 29

0039: An officer responded to a report of persons in a Jefferson St. apartment making a lot of noise and directed them to quiet down for the night.

0248: An officer issued parking tickets to two vehicles without resident parking stickers on Moore St.

1456: Officers responded to a report of an erratic operator with a blown-out tire who had just pulled into the parking lot on Golden Drive. A witness reported that the vehicle had struck a curb near Dimino's on the Parkway which had caused the blown-out tire. The officers reported that they will be applying to the RMV to have the operator's license revoked on the basis of being an immediate threat and in view of his driver's history.

1656: An officer provided assistance to the operator

of a disabled motor vehicle (MV) at Pauline St. and Hagman Rd. The officer helped push the MV to the side of the road until a tow truck came to the scene.

1710: A motor vehicle (MV) operator called the station to report that his MV had been sideswiped near the Cumberland Farms on Revere St. by another vehicle, which then fled the scene. A UPS driver was a witness to the incident. The matter will be referred to the detectives, who will view the camera footage in the area.

2004: An officer dispersed two persons in a motor vehicle (MV) from Hannaford Park, which is closed after dark.

2009: An officer stopped a motor vehicle (MV) at Grovers and Crest Ave. being operated by a person with an expired license. The officer followed the operator to his home and the operator will renew his license on-line.

WEDNESDAY, MARCH 30

0115: An officer issued parking tickets to five vehicles without resident parking stickers on Moore St.

0857: An officer stopped a motor vehicle (MV) at Shirley and Crescent Sts. for a civil moving infraction and gave a verbal warning to the operator.

1012: An officer stopped a motor vehicle (MV) at Winthrop and Atlantic Sts. for a civil moving infraction and gave a verbal warning to the operator.

1105: A person came into the station to report that the rear windshield of her motor vehicle had been shattered overnight while it was parked on Veterans Rd. The officer filed a report.

1613: An officer stopped a motor vehicle (MV) at Main and Marshall Sts. for a civil moving infraction and gave a verbal warning to the operator.

1804: An officer stopped a motor vehicle (MV) at Walden St. and Plummer Ave. for the civil moving infraction of a stop sign violation. The officer gave a verbal warning to the operator.

1843: An officer stopped a motor vehicle (MV) on Veterans Rd. for the civil moving infraction of a marked lanes violation. The officer gave a verbal warning to the operator.

1908: An officer stopped a motor vehicle (MV) on Argyle St. for the civil

moving infractions of a red light violation and excessive window tint. The officer issued a citation to the operator.

2004: An officer ordered a tow for a motor vehicle (MV) parked on Crest Ave. with a registration revoked for insurance cancellation.

2040: An officer stopped a motor vehicle (MV) on Winthrop St. for the civil moving infraction of an obstructed registration plate. The officer gave a verbal warning to the operator.

2337: An officer directed persons causing a disturbance with their scooter at Bowdon and Ocean View Sts. to cease doing so for the rest of the night.

THURSDAY, MARCH 31

0024: A fire truck crashed into a parked vehicle on Locust St. while responding to a call. The officer will file a report.

0819: An officer stopped a motor vehicle (MV) at Pleasant St. and Woodside Ave. for a civil moving infraction and gave a verbal warning to the operator.

1717: An officer responded to a report of a group of youths causing a disturbance at the basketball courts on Walden St. The officer stood by until the youths' parents came to pick them up. The officer filed a report.

2103: An officer spoke to a person who reported that he had been assaulted by another person at a local yacht club. The officer spoke to the involved parties and no one wanted to press charges. The officer filed a report.

FRIDAY, APRIL 1

0059: An officer dispersed a group of youths in a vehicle who were home from college from the area of the Ft. Banks School.

1411: An officer issued a parking ticket to a vehicle parked too closely to a crosswalk at the Ft. Banks School on Kennedy Rd.

1552: An officer ordered a tow for a disabled motor vehicle (MV) with temporary plates on Bartlett Rd. The officer confiscated the plates and issued a citation to the owner.

1630: An officer responded to a report of a parked motor vehicle (MV) being struck by a passing MV on Bartlett Rd. The operator of the latter left his information on the windshield of the parked MV. The officer filed a report.

1749: An officer responded to a report of a fight between two parties on Lincoln St. The officer filed a report.

1836: An officer stopped a motor vehicle (MV) on Pleasant St. for the civil moving infraction of a red light violation. The officer gave a verbal warning to the operator.

2110: An officer dispersed a group of youths from a fire-damaged home on Maple St.

SATURDAY, APRIL 2

0007: An officer stopped a motor vehicle (MV) at Revere and Hutchinson Sts. for the civil moving infraction of failing to stop for a traffic control sign. The officer issued a citation to the operator.

0956: An officer assisted the parties with the exchange of papers at a motor vehicle accident (MVA) in which a passing MV struck a parked MV at Summit Ave. and Revere St. One MV was towed.

1258: The Animal Control Officer assisted with the return of a dog to its owner after the dog had been loose and had been found by a party on Pleasant St.

North Suburban Consortium seeking input from residents for use of funds

Staff Report

Everett Mayor Carlo DeMaria is pleased to announce that the North Suburban Consortium (NSC), which consists of cities that have collectively agreed to sign a cooperative agreement to gain access to the U.S. Department of Housing & Urban Development Program funds, are in the process of surveying residents to determine the best use of their \$6.2 million allo-

cation of their American Rescue Plan Act funds. These funds must be used to provide homelessness assistance and supportive services to qualifying populations in Arlington, Chelsea, Everett, Malden, Medford, Melrose, Revere, and Winthrop.

The NSC’s survey is seeking input from a variety of individuals ranging from residents to those who work in the community on how to spend

these funds to address our communities’ needs. The survey can be found here: <https://malden.abalancin-gact.com/malden>.

While the funds must address homelessness, they may be distributed into the following categories: Affordable Rental Housing Development (which includes rehabilitation of existing units and creation of new units), Non-Profit Assistance (including non-profit operat-

ing and non-profit capacity building), Supportive Services (including substance abuse treatment services, mental health services, life skill training, child care, housing search and counseling services,

outreach services, case management, landlord/tenant liaison, financial assistance, employment assistance and job training, credit repair, education services, legal services, and food security),

Non-Congregate Shelters, and Tenant-Based Rental Assistance.

RMV announces road test applicants will need to provide their own vehicles

Staff Report

The Massachusetts Registry of Motor Vehicles (RMV) is informing Class D learner’s permit holders applying for a Massachusetts issued driver’s license that all applicants will be required to supply their own vehicle for road testing beginning on Monday, May 2.

Due to the pandemic and health and safety protocols, since June of 2020, the RMV deployed a fleet of Commonwealth-owned vehicles for road tests which were cleaned and sanitized on a regular basis. The use of these Commonwealth-owned vehicles will

end on April 29, 2022. Applicants for a Class M, or Motorcycle license, supply their own motorcycle for testing. Applicants scheduled for testing through a driving school should confirm they have access to the school’s vehicle for their road test.

“Vehicles on loan from our MassDOT Highway Division partners and other Commonwealth agencies’ vehicles allowed us to continue road testing and licensing in a safe and healthy manner during the State of Emergency and continued COVID-19 restrictions,” said Registrar of Motor Vehicles Colleen Ogilvie. “As we prepare

for the transition back to private cars, we want applicants to be aware of our requirements and to be prepared to arrive sufficiently skilled behind the wheel to pass the road test on their first try.”

Applicants must bring a physical copy of their learner’s permit, a printed and completed copy of the Road Test Application and be accompanied by a qualified sponsor. A sponsor is a person who is a licensed driver over the age of 21 with at least one year of experience driving. Should it be required, the sponsor will be responsible for op-

that masks are welcome if people choose to wear them.”

MBTA General Manager Steve Poftak added, “Customers are no longer required to wear a mask on MBTA vehicles, or at stations or facilities if they choose not to; however, if people feel more comfortable wearing a facemask, then by all means continue to do so. The MBTA remains committed to safety and will continue adhering to all CDC and Massachusetts’ public health guidance. The T is continuing to clean vehicles and stations regularly

and upgrade air filtration systems.”

“In line with the TSA’s guidance, mask wearing will now be optional within our airport facilities and on Logan Express buses,” said Massport CEO Lisa Wieland. “There may still be certain requirements onboard international flights, so we would encourage those passengers to check with their airline and destination.”

The MBTA continues its robust cleaning programs for passenger vehicles and stations, and the T regularly upgrades vehicles' air filtration sys-

tems. Please find more information here on the MBTA's Ride Safer program: https://www.mbta.com/covid19/ride-safer?utm_campaign=curation-content&utm_content=Ride+Safer&utm_medium=whats-happening&utm_source=homepage&utm_term=null

Per the Department of Public Health, masks remain required in several settings including health-care facilities and congregate care facilities. For a full list of requirements, please visit: mass.gov/maskupma.

OUR Opinions

EARTH DAY REPORT, 2022:
THE PLANET IS DOOMED

We were around for the first Earth Day in 1970.

We clearly recall the incident a year earlier that spurred Congress and President Richard Nixon to create the Environmental Protection Agency when the Cuyahoga River, which feeds into Lake Erie in Cleveland, literally caught fire after a spark from an industrial plant on the shoreline ignited the chemicals and other pollutants that laced the river.

The Boston area was not much better. The mid-1960s song, Dirty Water, which is played at Fenway after a Red Sox victory, was about the famously-polluted Charles River. In addition, until the Deer Island treatment plant was built in the early 1990s, Boston Harbor was considered the most-polluted harbor in the U.S.

The Clean Water Act and the modern Clean Air Act, both of which enjoyed wide bipartisan support in Congress, came into existence in the aftermath of the creation of the EPA as the result of the environmental movement and enjoyed widespread support throughout the country.

However, terms such as global warming and climate change were not in the lexicon at that time. We thought that if we could clean-up our waterways and air by reducing the levels of pollutants, everything would be fine.

And to a large extent, the goals of cleaner air -- lead was removed from gasoline, there are far fewer coal-burning plants -- and cleaner water -- we now can swim in the Charles and Boston Harbor -- have been attained.

But fast-forwarding 50 years, we now can see that we did not anticipate the global scale that air and water pollution would achieve thanks to industrial development in Third World countries and real estate development in our country.

Nor did we know then that the buildup of greenhouse gases would lead to a warmer and more dangerous planet. Indeed, we recall reading in U.S. News and World Report a cover story in the mid-1980s that predicted that the effect of air pollution would be a colder planet. According to the article, the climate in Florida would resemble that of New England within 100 years or so because, it was theorized, smog would block out the sun's rays.

But, as is evident today in the news headlines every day, just the opposite is occurring.

The Antarctic, the coldest location on the planet, recently experienced an episode of warm weather unlike any ever observed, with temperatures over the eastern Antarctic ice sheet soaring 50 to 90 degrees above normal. The warmth has smashed records and shocked scientists.

At the globe's other pole, the Arctic is warming three times faster than the rest of the planet and atmospheric scientists are trying to better understand the processes contributing to such swiftly-rising temperatures.

In Australia, the Great Barrier Reef continues to experience unprecedented coral bleaching because of rising seawater temperatures. In Florida, the manatees are dying at unprecedented rates because they are starving, thanks to the run-off from housing and agricultural developments that is choking the seagrass, their main food source.

All in all, our planet is in far worse shape, despite many notable successes, than it was on the first Earth Day in 1970. And the sad reality is that at the rate we're going, in another 52 years things are going to be exponentially worse.

4/20, 2022: TIME TO
LEGALIZE MARIJUANA

As our long-time readers know, we have been advocating for the full legalization of marijuana for more than 25 years.

Despite the large number of states where marijuana is sold legally (38, including medical use-only states), the federal government still labels marijuana as a Schedule I drug, the same category as heroin and other truly dangerous substances.

But as we now know thanks to the release of White House tapes, the Schedule I listing of marijuana in 1970 had no basis in fact or science. The Nixon administration placed marijuana into the Schedule I category solely to use it as a means for prosecuting Black and minority communities and handing out lengthy sentences even for possession of small amounts of marijuana.

Thanks to the real-time experience of fully-legalized marijuana for the past 10 years when Colorado became the first state to do so in 2012, we now know that marijuana is as benign a substance as exists and has many significant medical uses.

In addition, marijuana legalization has not led to an increase in use among young people as some had feared.

The U.S. House recently passed a bill that would legalize marijuana nationwide. We hope that the Senate can take up the legislation soon and make this common-sense measure a reality.

LETTERS to the Editor

ON THE TREES

Dear Town Council Members,

As you consider the FY23 Town Budget, please allocate a small portion of the Massport PILOT funds to establish a line item specifically for ‘tree planting and maintenance’. Funding at a level of approximately \$100,000.00 for planting and maintenance-only would be a first step in replenishing our diminished tree canopy and ensure new and existing trees are properly cared for. This is particularly imperative for the survival of the new trees to be planted in the Center Business District. Given DPW’s limited resources, this line item should be an addition to their budget, not a reallocation of DPW funds. Having dedicated funds should allow DPW to contract tree services as needed, thereby relieving a stretched staff and budget.

Over time, this modest allocation of funds will benefit the Town budget and residents as sufficient tree canopy has been proven to bring economic benefits such as energy savings from reduced heating/cooling costs; better stormwater management; and higher property values.

Funding for trees has been squeezed out by other budget priorities over the years. It is time to re-assess and recognize that living next to busy Logan Airport demands we prioritize the health of our community. Trees are a direct mitigant to the air and noise pollution from the airport and funding them is consistent with the intent of the Massport PILOT payments. Please consider budgeting this modest amount to begin re-investing in our green infrastructure.

Respectfully Submitted,
Miriam Regan-Fiore

THANK YOU

Dear Editor,

The Winthrop Police and Fire Departments wish to extend a big thanks to the people of Winthrop for participating in the annual Flutie Foundation Autism Awareness fundraising efforts. Through a local hockey game and the sale of specially designed tee shirts and patches, which are still available for purchase at the Winthrop Police Department, over \$5,000 has been raised, which will be donated to the Doug Flutie Jr. Foundation for Autism. Additionally, another \$2,030 was raised and donated to a local family to defray the cost of a Cubby special needs bed that insurance denied.

A special thanks to State Rep. Jeffrey Turco, Town Councilors Stephen Ruggerio and Heather Belcher and School Committee member Layne Petrie for

coming out and showing their support.

A huge shout out to the players, 35 in total, for undertaking the hockey challenge, and to the honorary coaches for the Police/Fire Team, Deputy Police Chief John Goodwin and Acting Fire Chief Scott Wiley; and for the Allstars, Rep. Jeffrey Turco.

“We are proud to work with the Flutie Foundation to increase autism awareness in our community while raising money to be donated to this great organization, and we are grateful to the people of Winthrop who made this donation to the Flutie foundation possible as well as making a Winthrop family very happy.” said Chief Terence Delehanty.

GUEST OP-ED

Living life lighter

is filled with more positive happy events.

I heard the story about a young man who loved his cat. The cat died and his mother gave him permission to bury his cat in the backyard. The mother became appalled when she discovered her son was digging up the cat every few days to see how the cat was doing. Too often we live our lives this way. We dig up old stuff that needs to remain buried forever.

Too often the mind carries what cannot be physically buried, good or bad. We are frequently impacted by what we keep stored. One cold morning, a little boy put his backside up against an old coal stove. The hot stove burned his bottom and he knew never to do that again. What we have stored up in our minds can often serve us well. Wisdom is gained the hard

way. The school of hard knocks is educational and expensive. We pay dearly throughout life to learn the hard way. Thus, what we have stored up can be very valuable to us as we face additional life challenges and opportunities.

Your past decisions, work, interests, achievements, failures and mistakes all play a part in where you are today. This could be very good. Or, it could be very bad. If you learned from your mistakes and moved forward then you may be further ahead than you ever imagined. If you didn't learn from your mistakes and you continue to make them then frustration and sadness is haunting you.

Today is a new day. You can't change the past. You do not know the future. Live your best life now. Dispose of as much baggage as you can. Do away

with old resentments and regrets. Forgive people. Forgive yourself. Don't live in the cemetery but live with hope of seeing your loved one in a better place.

Paul, the author of Philippians said it this way, “Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus.”

MVES SEEKS VOLUNTEERS

Mystic Valley Elder Services (MVES) is seeking volunteers who have a passion for giving back to the community, and the skills, knowledge and temperament (empathy, compassion and patience) to volunteer in their program of choice. MVES volunteers donate their time to perform a variety of tasks such as serving nutritious meals to elders at local meal sites, participating in our Social Engagement program, acting as money management and SHINE counselors, and leading our Healthy Aging programs. Volunteers are essential to the success of MVES, helping older adults and adults with disabilities live independently.

National Volunteer Week—April 17-23, 2022—celebrates the im-

pact volunteers have on our lives and encourages active volunteerism in generations to come. During this week, and all year long, we salute our volunteers for their unwavering services to our agency and communities and hold aloft their examples to inspire everyone towards volunteerism.

National Volunteer Week is an opportunity to recognize the impact of volunteer service and the power of volunteers to tackle society's greatest challenges, to build stronger communities and be a force that transforms

the world. Each year, we shine a light on the people and causes that inspire us to serve, recognizing and thanking volunteers who lend their time, talent and voice to make a difference in their communities.

For more info on current volunteer opportunities in Chelsea, Everett, Malden, Medford, Melrose, North Reading, Reading, Revere, Stoneham, Wakefield and Winthrop through MVES, please call Volunteer Engagement Manager, Nicole Sanders O'Toole, at 781-388-2375 or visit www.mves.org/volunteer-programs-opportunities.

ART 953 - WINTHROP'S MILITARY SITE AT CAMP LORBEER

Over the years Winthrop has had the privilege of hosting the military personnel of seven encampments, Fort Banks, Fort Heath, the Revolutionary War Fortification on Hale Avenue at Point Shirley the Cutler Street/Crest Avenue Civil War Canon Test Firing Range and Camp Lorbeer (all within our peninsula's 1.63 square mile land area) as well as those troops operating out of the Coast Guard facility on Shirley Street across from the Crystal Cove Inn and those troops stationed at Fort Dawes on Deer Island. While we are all aware of Fort Banks, Fort Heath, Fort Dawes (Deer Island), and the Point Shirley Revolutionary War rock wall fortification, few remember Camp Lorbeer, the 1915 to 1918 World War I encampment located on the waterside of Court Road where the present houses at #165 thru #195 currently exist. It derived its name from the previous owner of the site, Henry Lorbeer. As the first shadow of World War I was cast over Winthrop, two military companies were

formed in our Town. One was the Winthrop Machine Gun Company (WMGC #5) Regiment – Massachusetts Volunteer Militia and the second, a detachment of the mounted scouts. Winthrop was the first Town in our Commonwealth to have its own Machine Gun Company. The Town financed these two organizations but was subsequently reimbursed in large by the state. In 1916, the WMGC, under the command of 1st Lt. Richmond G. Stoehr, and the Mounted Scouts were called into action at the Mexican Border. The Selectmen officially commended Winthrop's 61 young men who were members of the WMGC as they were dispatched for duty for "their remarkable record of efficiency and high standing." Upon their return, the WMGC again set up an encampment at Camp Lorbeer to wait further orders. A short time later they were called for service in WW1 where 1100 of Winthrop's young men eventually participated at home and abroad in the European conflict. All four of the pictures present-

ed here look out across the bay toward Orient Heights and the same home can be seen, to varying degrees, at the rear of each. In the first photograph, one can see most of the pyramid tents standing like unopened umbrellas. In the second picture, the troops are lined up between the two rows of fully opened tents ready to march out for a training hike. The third picture depicts a group of soldiers posed with their mascot, a dog seen held by one of the men standing in the third row at the right hand side. The fourth picture is titled "this is the life" and shows a group doing their laundry by hand. We are writing a book on the seven military sites that have been located in Winthrop and if any reader can identify those persons appearing in any of these pictures, your information would be greatly appreciated. The WMGC was distinctly a local outfit and very proud of its individuality as the only group of all – Winthrop servicemen.

Speaker of the House Robert A. DeLeo hit a home run in his appearance at the Winthrop Town Council meeting Tuesday night. DeLeo delivered the outstanding news in person that it's full steam ahead for the long-awaited and much-anticipated re-nourishing of Winthrop Shore Reservation's Winthrop and Short Beaches. After what the Speaker himself called years of frustration in trying to get the project moving forward, DeLeo assured Winthrop residents that the project is a go and it will get underway in the near future. The funding mechanisms for the project are in place and will be there until the end when DeLeo said the beach will look beautiful once again and the community will be safer by providing flood protection for the residential areas along the coastline.

Thanks to the efforts and leadership of Emerson Road resident Todd Sacco, the street has new tree plantings to replace some of the trees that were lost during the severe storms last summer. Sacco started with the idea of planting new trees and visited his neighbors on Emerson Road, who agreed to pay their share in the town's tree-planting program. Sacco then sat down with DPW director, Steve Calla, who was receptive to Sacco's project and good things sprung out of that first meeting. The trees soon will bloom on Emerson Road, providing beauty and shade.

OBITUARIES

Patricia McPhail

Being a wife and mom was her greatest and happiest achievement

Patricia M. (Murray) McPhail, 73, of Billerica, formerly of Winthrop, peacefully passed away at home on Saturday, April 16 surrounded by her loving family after a long, courageous battle with metastatic cancer.

Patricia was born on October 23, 1948 in Winthrop, the cherished daughter of the late John and Josephine (Vincenti) Murray.

She grew up in Winthrop and graduated from Mt. St. Joseph Academy in Brighton.

Patty treasured time spent with her family, especially her three grandchildren. More than anything, Patty cherished spending time supporting the many activities of her children and grandchildren.

Being a wife and Mom was her greatest and happiest achievement.

She will be remembered most for her kindness and dedication to her family and their friends.

Patty was a devoted wife of 51 years to her husband, John and beloved mother to her four children: Michael

McPhail and his wife, Patty of Beverly, Lisa McPhail of Wilmington, Danielle Jamieson and her husband, Danny of Andover and Brian McPhail and his wife, Kristen of Pepperell. She was also an adoring Grammy to Nathan, Leah and Henry McPhail.

Patricia is survived by her dear brother, Bill Murray and his wife, Denise of Danville, NH, special sister-in-law, Shayne Reardon of Billerica, as well as many cherished nieces and nephews. In addition to her parents, she was pre-deceased by her brother, John Murray, Jr.

Family and friends will gather at the Burns Funeral Home, 354 Boston Road, (Rt 3A), Billerica, today, Thursday, April 21 from 4 to 7 p.m. Her Funeral will be held from the Burns Funeral Home on Friday, April 22 at 9 a.m. followed by a Funeral Mass at St. Matthew Evangelist Parish at St. Theresa's Church, 466 Boston Rd, Billerica at 10 a.m.

Interment, Fox Hill Cemetery, Billerica. Patricia's family would like to thank the doctors, nurses and staff at the MGH Cancer Center as well as the nurses of Beacon Hospice for their extraordinary care throughout her illness.

Donations can be made in Patricia's memory to the Massachusetts General Hospital Cancer Center (<https://giving.massgeneral.org/donate>) or Beacon Hospice Care/ Amedisys Foundation, 290 Merrimack Street, Suite 242, Lawrence, MA 01843.

Patty will forever be in the hearts of those she loved.

erating the vehicle if at any point the road test examiner determines the applicant cannot continue testing.

In addition to meeting the application and sponsor qualifications, the applicant must make sure the vehicle brought for testing meets all functional and safety requirements. Some practices adopted during the pandemic will continue -- license applicants will be asked to keep open windows for ventilation.

Face covering requirements will be dependent on guidance provided by the federal Transportation Security Administration (TSA). All applicants and sponsors are required to arrive prepared to wear a face covering during their scheduled road test and to follow all face covering protocols in place at the time of the test.

Private passenger vehicles used for a Class D road test must meet the following requirements, (including vehicles with an ignition interlock device, and vehicles with adaptive equipment for a competency test):

- Be in good working condition and be able to pass a safety check.
- Have a valid registration and current inspection sticker.
- Contain adequate seating accommodations next to the operator for the use of the examiner and have a rear seat for the sponsor.
- Be designed to let the examiner make an emergency stop using the parking brake. If not, the vehicle

cannot be used for the road test.

- Any vehicle with a center console that does not have a parking brake as part of the console cannot be used.

- Any vehicle that does not allow the examiner unobstructed access to the parking brake cannot be used.

Customers are advised that if the road test examiner identifies any of the following conditions, the road test will not go forward and rescheduling will be the responsibility of the applicant:

- Road test examiner identifies the applicant and/or sponsor is displaying signs of impairment.
- Road test examiner identifies an odor of cannabis or alcohol emanating from the applicant and/or sponsor; including from their clothing or from inside the vehicle to be used for the road test.
- Road test examiner observes present minor children, including babies in car seats, or animals, other than service animals, which cannot be unsupervised at the Service Center during the test.

The RMV has a new webpage to help applicants locate all information related to their road test, Mass. Gov/RoadTest. The page includes information on what to expect, videos to help prepare for the road test, links to checklists and applications to increase an applicant's chance of passing their exam.

MS. DEMPSEY BRINGS THE ISOBEL CUP TO CUMMINGS ELEMENTARY SCHOOL

Ms. Jillian Dempsey, captain of the Boston Pride women's professional hockey team, shares the Premier Hockey Federation's championship trophy, the Isobel Cup, with her fifth-grade students at the Cummings Elementary School where she is a teacher.

Cummings Elementary School Principal Andrea O'Leary joins fifth grade teacher Jillian Dempsey for a display of the Isobel Cup.

Boston Pride captain Jillian Dempsey proudly holds the Isobel Cup trophy in the company of her professional teaching colleague, Denise Robertson, at the Cummings Elementary School.

Cary Shuman Photos

At the Cummings Elementary School, she is known by her fifth-grade students as “Ms. Dempsey.”

But in the world of women's professional hockey, she is Jillian Dempsey, the league's greatest player of all time.

And like her Cummings School teaching colleague, triathlon performer Warren MacPhail, Dempsey is a world-class athlete who has represented the United States in international competition.

This season Dempsey, captain of the Boston Pride, led her team to the Premier Hockey Federation (PHF) championship. Selected the championship game's most outstanding player, Dempsey accepted the Isobel Cup following the game that was televised live on ESPN2.

Last Friday, the Isobel Cup was on display at the Cummings Elementary School to the viewing delight of students and staff.

The honors continue to pile up for the Boston Pride captain and Harvard graduate. On Monday she was a Grand Marshal of the 2022 Boston Marathon. On Wednesday Dempsey was set to meet with another hometown hockey hero, Olympic gold medalist Mike Eruzione, at the Larsen Rink at the Mike Eruzione Center, where Dempsey's Boston Pride jersey will be permanently displayed inside the rink.

WINTHROP FIRE AND POLICE PLAY ANNUAL HOCKEY GAME FOR AUTISM AWARENESS, ALL PROCEEDS DONATED TO THE DOUG FLUTIE JR. AUTISM AWARENESS FOUNDATION

Last Saturday evening the Winthrop Fire and Police hosted the annual hockey game at Larsen Rink to raise funds and raise autism awareness. Donations from local merchants and residents made this event a huge success and placed the Winthrop Police Department top in the state for fund raising for autism awareness.

The players, who paid a fifty-dollar entry fee, all voted to keep the registration money and use it locally to help a local family with an autistic child in need of specialized equipment that their insurance company denied.

Events like these, bring out the best in people and allows those in need to have a better life thanks to their generosity.

VIKINGS BASEBALL TRIUMPH OVER SALEM WITCHES, 6-4

WAY TO GO: Assistant coach Matt Vatalaro exchanges 'fist bump' with Pete Silverman after his leadoff walk in the first inning. Silverman got as far as third but was stranded there, but the Vikings eventually prevailed 6-4 over Salem Thursday at Veterans Field.

SAFE LANDING: Colin Kinsella holds on to second base as he slid under the tag for a stolen base. Kinsella had reached base on an error and eventually came around to score Winthrop's fourth run.

WHS SPORTS ROUNDUP

VIKING BASEBALL TEAM KNOCKS OFF SAUGUS, SALEM

The Winthrop High baseball team parlayed a trifecta of strong pitching, timely hitting, and solid defense to post a pair of come-from-behind victories over Northeastern Conference rivals Saugus and Salem last week.

In a 9-4 win at Saugus last Wednesday, the Vikings overcame a 3-0 deficit with a four-run uprising in the fourth inning and then added a solo marker in the fifth before tacking on four more insurance runs in the seventh.

Cam Martin paced the Winthrop offense, going 2-for-4 with two doubles, two RBI, and two stolen bases. Ryan Gagnon went 2-for-3 with three RBI. Colin Kinsella was the proverbial thorn in the Sachems' side all game, going 2-for-2 with an RBI, two stolen bases, and three walks.

Zach Bogusz started for the Vikings and tossed four solid innings.

"Zach battled through four innings of work," said WHS head coach Mark DeGregorio. "He was able to get out of tough situations all day. It was indicative of the type of player he has been for us all year. He is not afraid in the moment and is willing to take the ball in any situation and against any team. He attacked the strike zone and held Saugus to four runs early on. He kept us in the game, which enabled us to mount our comeback."

Martin came into the game in the fifth inning in relief of Bogusz and shut the door with three score-

less innings, striking out six enemy batters in the process, to secure the victory.

The Vikings displayed some stellar defense throughout the contest. Second baseman Chris Gibbons made a diving stop to his right to save two runs, while also getting the second out at first base, in the first inning. "We were able to get out of the first inning by only letting up one run owing in large part to this play by Chris," said DeGregorio.

"Pete Silverman had one of the best plays that you will see all year, which ended up being the final out for us," DeGregorio added. "Saugus had a runner on and I told the outfield that we can not let any balls in the gaps and to keep everything in front of them. One of the Saugus batters hit a shot in the gap and Pete, from centerfield, tracked it down and made a full-out diving catch. It was an ESPN top-10 play type of catch."

"It was a fitting end to the game as we displayed an intensity and effort that we have been asking our players to show all year," DeGregorio noted.

The following day the Vikings took on Salem and earned a 6-4 victory. Sophomore Matt DeCarney got his first start as a varsity pitcher and did not disappoint. Matt went the full seven-inning route, fanning six while allowing just four runs.

"Matt showed great poise on the mound and demonstrated that the moment was not too big for him," said DeGregorio. "It was impressive to see. After a leadoff walk in the

sixth inning, in what was a 6-3 game at the time, I went to the mound to check on him and the first thing he said to me was, 'I am good, coach.' It just goes to show what type of competitor he is. He wanted to stay in the game and finish."

After spotting Salem a 1-0 lead in the opening inning, Winthrop gave DeCarney all the run support he would need with a three-run rally in the second frame and a two-run outburst in the third.

"This was the second game in a row where we had to come from behind

after being down early," said DeGregorio. "This team does not get flustered in the moment and truly believes in themselves and their abilities."

"We knew going into the game that we wanted to play our brand of baseball, which is to be aggressive and get on base by any means necessary," DeGregorio continued. "We ended up stealing seven bases during the game and put constant pressure on Salem's defense by getting runners on base by putting the ball in play and limiting our strikeouts. This

is something that we have stressed all year: Get on base and be aggressive on the base paths.

"Beside Matt's great pitching performance, we

also had some solid defensive plays in this game," DeGregorio noted. "Chris Gibbons continues to play

WHS VIKINGS BASEBALL CONTINUE WIN STREAK WITH VICTORY OVER SALEM

Photos by Bob Marra

The Vikings continued their early-season winning ways with a 6-4 win over Salem Thursday at Veterans Field in a 6-inning game

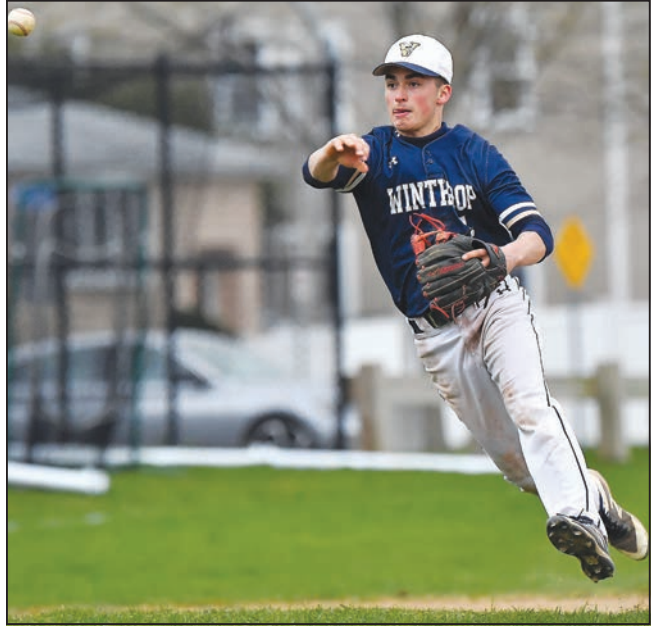

that was shortened due to impending darkness. Matt DeCarney went the distance on the mound, striking out 7 and helping his own cause with a second inning RBI-single that gave Winthrop a 2-1 lead.

GOTCHA: Winthrop second baseman Chris Gibbons tags out Salem's Eros Fernandez, who tried to steal second, for the third out in the Salem half of the third inning.

MOUND MASTER: Matt DeCarney pitched a complete game—(though shortened to six innings due to darkness)—to lead Winthrop to a 6-4 win over Salem Thursday at Veterans Field.

FINE FORM: Winthrop shortstop Joe Hayes gets some air as he throws out a Salem runner.

FIRST RUN: Designated Hitter Phil Boncore makes contact for a second-inning, one-out single that keyed a Viking rally during a three-run second inning en route to a 6-4 win over Salem.

T CONTROL: Ryan Gagnon lays down a bunt that knocked in Winthrop's second run during a second-inning three-run rally.

NOT IN TIME, JUST BRIEFLY: Winthrop third baseman Joe Ferullo waits for the throw as Salem's Jack Doyle slides safely into third base with a steal, but moments later Doyle strayed off the base and Ferullo tagged him out.

WHAT'S THE CALL: Shown above, Salem shortstop Jack Doyle and Winthrop's Pete Silverman look to the umpire for the call after Silverman's attempted steal. Silverman was called out to end the Winthrop fourth inning.

CLOSING THE GAP: Shown to the right, Third baseman Joe Ferullo (left) stops quickly to steer clear as shortstop Joe Hayes backhands a grounder that was headed for the gap between third and short.

CELEBRATION TIME: Winthrop players surround pitcher Matt DeCarney after he hurled six innings, striking out seven, to pace the Vikings to a 6-4 win over Salem Thursday at Veteran's Field.

excellent defense at second base and Joe Ferullo made some great plays at third base. Joe Hayes continues to play a very solid short-stop for us as he makes it look easy out there at times.

"Saugus and Salem are two tough NEC opponents," said DeGregorio. "These games were great confidence boosters for us, as we have been aiming to be competitive in the NEC. As a coach I believe it to be, if not the toughest, one of the toughest conferences in Massachusetts. Saugus is a great team which is evident by their record and has one of the best players in the conference, Nathan Ing. We were able to keep them at bay most of the game by the gritty pitching performances and some outstanding defensive plays when we needed them most."

After their back-to-back wins, the Vikings hosted non-league rival Boston English this past Saturday morning.

Winthrop fell behind early, 3-0, but once again the resilient Vikings battled back, erasing the deficit and moving out to a 5-3 lead with a five-run rally in the third that was keyed by a two-RBI triple by Kinsella and a two-RBI base hit by Ferullo.

However, English showed their own grit, re-taking the lead in the sixth with a bases-clearing hit that paved the way for what would be an eventual 9-6 victory for the visitors.

In addition to Kinsella, who was 2-for-3 with three RBI and a stolen base, Phil Boncore had a productive day at the plate, going 2-for-3 with two stolen bases, and Ferullo was 1-for-3 with two RBI and a stolen base.

"Overall, we competed hard in this game against a very good team that has a lot of high-end talent," said DeGregorio. "We knew they were going to be aggressive on us and try to take extra bases and utilize their speed. We were able to keep their running game in check for the most part as we were able to pick them off once and Colin Kinsella threw out two runners trying to steal second.

"We continue to be able

to take positives from games like this, as this is only our second loss of the season," said DeGregorio. "We had a nice pitching performance late in the game from Jay Fotiades. We had some great base running from our team, which really put Boston English on their heels most of the game.

"We knew going into the game that they were going to be a tough opponent as they are rated very high in all of Division 4," added DeGregorio. "We hope to see them again in the playoffs later on down the road."

DeGregorio and his crew, who now stand at 4-2 on the season, were scheduled to take on NEC foe Peabody yesterday (Wednesday) and will host Danvers tomorrow (Friday) morning at Veterans Field at 10:00.

They will entertain Swampscott next Wednesday.

TWO WINS FOR WHS GIRLS LACROSSE AS MIA MARTUCCI REACHES 100 CAREER POINTS

The Winthrop High girls lacrosse team won a pair of contests with strong performances this past week, defeating Saugus, 12-0, and Malden, 14-1.

Mia Martucci paced the Lady Viking offense in the Saugus encounter on Thursday, scoring three goals and adding an assist to break the 100-point barrier for her career, a feat that is a major accomplishment.

Teammate Hannah Parker added two goals. Talia Martucci, Mia Norris and Sam DiMento each had a goal and two assists.

Also reaching the back of the Saugus net were Emely Norena, Emma Holmes, Abby Holmes, and Reese Brodin with a goal apiece.

WHS goalie Adrianna Rizzotto earned the shutout in net.

"Emma Holmes played an incredible defensive game, as well as her sister Abby Holmes," noted WHS head coach Emma Marrs.

The following day the Lady Vikings made the short trip to Malden and brought home a 14-1 triumph.

Mia Martucci rattled the Lady Golden Tornado cage for six goals and younger sister Talia added a hat trick.

Parker scored two goals. Other contributors to the Winthrop offensive output were Mia Norris with a goal and three assists, Brianna Marley with a goal and an assist, Kailey Sullivan with a goal, and Emely Norena and Julia Holmes with an assist apiece.

Rizzotto once again was solid in net with five saves.

Emma Holmes had a great defensive game, as well as Annika Holgerson and Abby Holmes," said Marrs. "Sami DiMento had some great caused-turnovers/interceptions in the midfield, as well as Mia Norris."

This past Monday on the holiday the Lady Vikings made the long trek to Beverly and came up on the short end of a 17-3 decision.

Talia Martucci scored two goals and Parker added one tally.

Rizzotto made 10 saves in goal.

"Annika Holgerson played a very good defensive game," said Marrs. "Although it was not the outcome the team was hoping for, we had a really great second half. During half time we talked about some adjustments that we could make and we went out there and competed."

Marrs and her crew are scheduled to make the long ride to Gloucester today (Thursday) and will play at Masconomet on Monday and at Swampscott next Wednesday.

WHS SOFTBALL TEAM DROPS 12-10 DECISION TO MARBLEHEAD

The Winthrop High softball team jumped out to an early lead in their contest last week with Marblehead, but proved unable to hold their advantage, eventually falling by a score of 12-10 to the Lady Magicians.

Marblehead took a 3-1 lead in the opening inning, but the Lady Vikings stormed in the second frame back to forge ahead, 6-3.

However, by the end of

the fourth, the teams stood deadlocked at 10-10, and Marblehead pushed across single tallies in the fifth and sixth for the 12-10 finale.

Lily Tallent had a monster day at the plate for the Lady Vikings, going 4-for-5 with two RBI and three runs scored. Ava Martello also swung a big bat, going 4-for-4 with two RBI and a run scored. Sammy Harris was 2-for-4 with an RBI and also reached on an error that produced a pair of Winthrop runs. Izzy Cash was 2-for-5 with an RBI and two runs scored.

Lilly Tallent shone in the field with four putouts and an assist. Harris recorded four putouts and shortstop Summer Tallent recorded two putouts and two assists.

Coach Dave Guffey and his crew were scheduled to play at Salem yesterday (Wednesday) and will host Peabody tomorrow (Friday) afternoon at 2:00 at the Little League Field. They will entertain Masconomet next Wednesday.

WHS BOYS AND GIRLS TRACK TEAMS RUN INTO PEABODY; CAPPUCCIO SCORES 16 POINTS

The Winthrop High boys and girls outdoor track and field teams took on Northeastern Conference rival Peabody last Wednesday.

On the boys' side, Nicholas Cappuccio was the top scorer for the Vikings with 16 points that included a pair of first-place finishes. Nicholas sped to victory in the 200 meter dash with a clocking of 23.4 seconds and leapt to a triumph in the long jump with a flight of 19'-6.75".

He also added six points to the Winthrop side of the scoresheet with two second-place performances in the high jump with a leap of 5'-2" and in the 100 meter dash with a sprint of 11.4 seconds.

The other point scorers for Winthrop were Ryan Cash with a third-place effort in the 400 hurdles in a time of 73.6 seconds and William McMullen with a third in the 200 dash in 28.9.

For the girls, the top point-scorers on the day

were Nora McCarey and April Ferguson with six points apiece. Nora won the triple jump with a final landing of 29'-1" and grabbed third in the 400 hurdles with a clocking of 82.2 seconds. April took the top spot in the two-mile run with a time of 13:34.1 and a third in the 800 in 2:55.6.

Shannon Abbott contributed three points to the Lady Viking total with a second-place effort in the long jump with a leap of 14'-2.25." Cori Powell also added three points to the Winthrop cause with a second-place in the 100 hurdles in 20.1.

Sophia Munson added a point with a third-place performance in the 100 dash in 13.8. Shannon Abbott did likewise with a third in the 200 dash in 30.2. Olivia Skomro scored a point in the 400 dash in 77.9. Arianna Cappuccio took third place in the long jump with a leap of 14'-1.5."

The Lady Vikings captured the 4 x 100 relay with a clocking of 56.9, compared to Peabody's time of 57.9.

Both the boys and girls squad were scheduled to make the long trek to Gloucester yesterday (Wednesday) morning and will take on Salem next Wednesday.

BOYS TENNIS TEAM SPLITS TWO MATCHES

The Winthrop High boys tennis team split its two matches this past week.

In a 5-0 blanking of non-league opponent Stoneham last Friday, Carlo Baretti led the way at first singles with a victory in straight sets, 6-2, 6-1. James Sicurella won his match at second singles with a come-from-behind effort, 5-7, 6-3, 7-6 (7-3).

Bobby Diaz, who was moved into the third singles slot because of the absence of the Vikings' top player, Carlos Penalba, came through in a big way for coach Marie Finn with a 6-1, 6-3 triumph.

In the doubles matches, the number one duo of Ryan Kfoury and JD Parker cruised, 6-0, 6-1, as did the second doubles tandem of Ari Hain and Bruno Giordano, 6-3, 6-1.

Last Wednesday the Vikings trekked to Swampscott and came up on the short end of a 3-2 decision to the Big Blue, who traditionally are one of the top teams in the Northeastern Conference.

Both of the Viking doubles teams achieved come-from-behind wins. Kfoury and Parker defeated their Swampscott counterparts at first doubles, 3-6, 6-4, 7-5, and the tandem of Hain and Giordano also won in a tight three-setter, 3-6, 6-1, 7-6 (7-5), at second doubles.

Penalba fell at first singles, 6-2, 6-1, as did Baretti at second singles, 6-2, 6-3, and Sicurella at third singles, 6-2, 6-4.

Also seeing action were the doubles teams of Diaz and Declan Donovan, who triumphed by a score of 6-1; Ty Calinda and Liam Turner, who won their match, 6-2; and Shane Fitzpatrick and Michael Soares, who won their contest, 6-4.

Finn has had the biggest turnout of players in her long tenure as the WHS head coach, with 26 boys on the team. The full roster is as follows: Carlo Baretti, Matthew Bower, Gabriel Brandao, Orind Bytyqi, Ty Calinda, Nicholas Cirelli, Robert Diaz, Samuel Dinh, Declan Donovan, Shane Fitzpatrick, Bruno Giordano, Ari Hain, Ryan Kfoury, Eric Mendoza, Jack Osburn, Luke Owen, Jonathan (JD) Parker, Carlos Penalba, Joseph Romano, James Sicurella, Michael Soares, Andrew Stangie, Tommaso Tronca, Liam Turner, Damian Vidal, and Luca Zanelli.

Finn and her crew have three matches in succession next week, all on the road, at Gloucester on Tuesday, at Beverly on Wednesday, and at Lynn Classical next Thursday.

TERIYAKI STEAK TIPS

INGREDIENTS:

- ½ cup Italian dressing
- ¼ cup teriyaki sauce
- ¼ cup Worcestershire sauce
- ¼ cup chili sauce
- ½ cup soy sauce
- 1 tablespoon garlic powder
- 1 teaspoon onion powder
- 1 teaspoon ground black pepper
- 5 pounds sirloin steak tips

DIRECTIONS:

STEP 1: Combine teriyaki sauce, Worcestershire, chili sauce, soy sauce, garlic powder, onion powder, and pepper into a resealable plastic bag. Add steak tips. Squeeze out excess air and seal the bag. Marinate in the refrigerator for at least 2 hours.

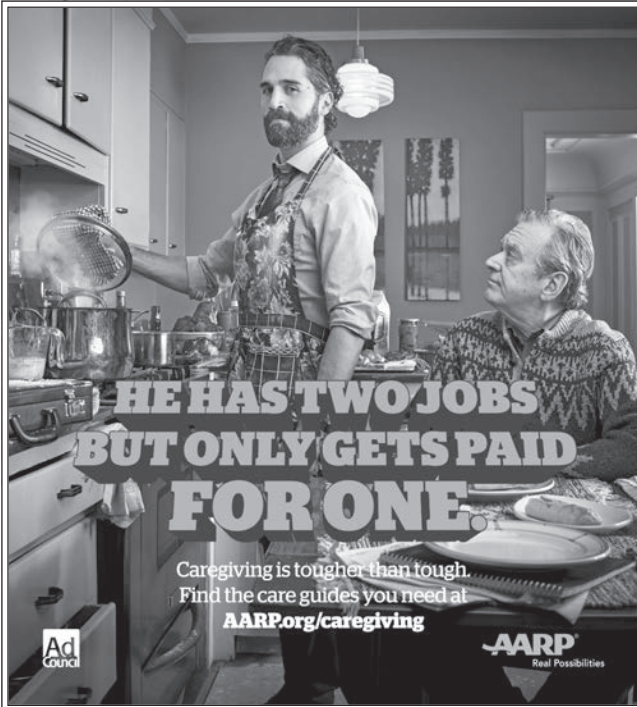

STEP 2: Preheat an outdoor grill for medium-high heat and lightly oil the grate.

STEP 3: Remove steak tips from the marinade and shake off excess. Pour marinade into a small saucepan and bring to a boil. Reduce heat to medium-low and simmer for 10 minutes; set aside.

STEP 4: While the marinade is simmering, place steak tips on the preheated grill and cook for about 10 minutes for medium-rare or medium, flipping once halfway through. An instant-read thermometer inserted into the center should read 140 degrees F (60 degrees C).

STEP 5: Serve steak tips with sauce in a bowl on the side.

WINTHROP FLAG FOOTBALL LEAGUE SPONSORED BY WINTHROP’S PARK AND REC DEPARTMENT

Last Saturday afternoon at Miller Field the Winthrop Parks and Recreation Flag Football League gathered for the regular schedule game. The players range from 1-8 grades, the start time range from early ages at 4pm and escalate every hour. Full uniform and ref-

erees are part of this great program. This will continue until the first week in June, it is a terrific way for the children to make new friends with a common interest and learn fair play with rules and sportsmanship.

contests, with a 6-0 blanking of Gloucester offset by a pair of 4-1 losses to Danvers and Swampscott. Ferri was superb in all three outings. She fanned 13 in the Danvers contest, 15 against Gloucester, and 10 against Swampscott.

The Gloucester victory was paced at the plate by Lanza, who was 3 for 3, drew two walks, and stole a base; Ferri with three hits, including a two bagger, and two runs scored; and Del-Solio with an RBI base hit.

Although the Winthrop High baseball team dropped contests with Gloucester, Danvers, and Swampscott this past week, WHS head coach Frank DeMarco has seen a lot of good signs that could bode well for his Vikings in the season ahead. Sophomore righthander Steve Goddard has established himself as the mainstay of the pitching staff. Goddard earned the “W” in the first game of the season against Watertown with a

strong, five inning effort in which he allowed just one earned run. He tossed four and two thirds innings against Danvers, yielding just three earned runs to the potent Falcons. Zach Mills, who has appeared in three games for Winthrop, “throws hard and is very competitive,” said DeMarco, and teammate Mitch Paulsen had a strong outing against Swampscott before his arm started to tire. Offensively, senior Chris LeBlanc leads the Vikings with

a .385 average, while also playing staunch defense at his shortstop spot. Other Vikings who have shone thus far are Mike Paulsen, who has provided excellent defense upon taking over at first base this season; sophomore catcher James Baxter, who has proven a steady force behind the plate; and freshman Dylan Driscoll, who has become the starting second baseman. Dylan, who is hitting .308, also will see action at shortstop.

Massachusetts unemployment and job estimates for March

The state's March total unemployment rate dropped by four-tenths of a percentage point at 4.3 percent over the month, the Executive Office of Labor and Workforce Development announced Friday.

The Bureau of Labor Statistics' preliminary job estimates indicate Massachusetts gained 21,000 jobs in March. This follows last month's revised gain of 22,300 jobs. The largest over the month private sector job gains were in Professional, Scientific, and Business Services, Education and Health Services, and Leisure and Hospitality. Employment now stands at 3,651,100. Since the employment trough in April 2020, Massachusetts gained 600,100 jobs.

From March 2021 to March 2022, BLS estimates Massachusetts gained 186,400 jobs. The largest over the year gains occurred in Leisure and Hospitality; Professional, Scientific, and Business Services; and Education and Health Services. Financial Activities was the only sector to see job losses.

The March unemployment rate of 4.3 percent was 0.7 percentage point above the national rate reported by the Bureau of Labor Statistics.

The labor force grew by an estimated 2,700 from 3,772,500 in February, as 18,000 more residents were employed, and 15,300 fewer residents were unemployed over the month.

Over the year, the state's

seasonally adjusted unemployment rate was down by 2.1 percentage points.

The state's labor force participation rate – the total number of residents 16 or older who worked or were unemployed and actively sought work in the last four weeks – was up one-tenth of a percentage point at 66.0 percent over the month. Compared to March 2021, the labor force participation rate was up 0.8 percentage point.

March 2022 Employment Overview

Professional and Business Services gained 7,200 (+1.2%) jobs over the month. Over the year, 33,300 (+5.6%) jobs were added.

Education and Health

Services gained 6,900 (+0.9%) jobs over the month. Over the year, 30,400 (+3.9%) jobs were added.

Leisure and Hospitality gained 3,900 (+1.2%) jobs over the month. Over the year, 69,400 (+25.5%) jobs were added.

Trade, Transportation and Utilities gained 2,000 (+0.4%) over the month. Over the year, 16,400 (+3.0%) jobs were added.

Information gained 900 (+0.9%) jobs over the month. Over the year, 4,900 (+5.4%) jobs were added.

Government gained 800 (+0.2%) jobs over the month. Over the year, 11,900 (+2.8%) jobs were added.

Manufacturing gained 600 (+0.3%) jobs over the

month. Over the year, 6,600 (+2.9%) jobs were added.

Construction gained 100 (+0.1%) jobs over the month. Over the year, 8,700 (+5.3%) jobs were added.

Financial Activities lost 100 jobs (-0.0%) over the month. Over the year, 4,200 (-1.9%) jobs were lost.

Other Services lost 1,200 (-0.9%) jobs over the month. Over the year, 9,000 (+7.6%) jobs were added.

Labor Force Overview

The March estimates show 3,614,700 Massachusetts residents were employed and 160,600 were unemployed, for a total labor force of 3,775,300. The unemployment rate was down 0.4 percentage point at 4.3 percent from the February rate of 4.7 percent.

Over the month, the March labor force was up by 2,700 from 3,772,500 in February, with 18,000 more residents employed and 15,300 fewer residents unemployed. The labor force participation rate, the share of working age population employed and unemployed, increased by 0.1 percentage point at 66.0 percent. The labor force was up 39,900 from the March 2021 estimate of 3,735,400, as 118,000 more residents were employed, and 78,100 fewer residents were unemployed.

The unemployment rate is based on a monthly sample of households. The job estimates are derived from a monthly sample survey of employers. As a result, the two statistics may exhibit different monthly trends.

ST. MICHAEL THE ARCHANGEL EASTER EGG HUNT

Photos By Marianne Salza

Little ones burst into the side lawn of St. Michael the Archangel Parish for an egg hunt following Easter mass

on April 17. Confirmation candidates hid eggs that were swiftly scooped by children into their baskets and straw hats before greet- ing the Easter Bunny.

Vanessa Bohorquez Gil, John Bohorquez, and Valentine Bohorquez.
