SECTIONS OF BLUE LINE REPLACED WITH SHUTTLES UNTIL JUNE 10

Beginning Sunday, May 22, through Wednesday, June 8, Blue Line train service will be suspended between Wonderland and Orient Heights stations to allow for critical work to take place on the Suffolk Downs pedestrian bridge. Riders will be provided with free shuttle bus service between these stations during the work.

This important work to repair and reopen the Suffolk Down pedestrian bridge needs to be proactively accomplished and complete prior to the beginning of MassDOT's Summer Tunnel Restoration project, which begins June 10 with the shutdown of the Summer Tunnel on weekends from Spring 2022 to Spring 2023; seven days a week from May 2023 to September 2023; and on weekends from Fall 2023 to Winter 2023. If the MBTA does not complete this work on the Suffolk Downs pedestrian bridge now, the pedestrian bridge will likely not be repaired

Tony Marino begins as Winthrop's new town manager

By Cary Shuman

Tony Marino arrived bright and early Monday for his first day as the new town manager of Winthrop.

He walked energetically up the steps of Town Hall and strode business-like into the second floor Town Manager's Office officially as the new chief executive in charge. As Town

Historian David Hubbard will chronicle: a new era in the history of Winthrop had officially begun.

Town Council President Jim Letterie arrived at the Town Manager's Office to personally greet Marino.

"I'm excited to be here on my first day," Marino told the Sun-Transcript. "I have my first meeting with the department heads at 10 a.m. and I hit the ground running."

Marino credited Interim Town Manager Terence Delehanty for making it a smooth transition.

"He left everything nice and neat and a good pass-down, so I have a list of items that I have to get started on right away and I'm looking forward to getting to work," said Marino.

WELCOME TO WINTHROP: Town Council President Jim Letterie extends a welcoming handshake to Town Manager Tony Marino Monday outside the Town Manager's Office at Town Hall.

Town Manager Tony Marino prepares to enter the Joseph M. Harvey Room for a meeting with the leaders of Winthrop's town departments.

Jim Letterie calls it 'a great day for Winthrop'

Jim Letterie illuminated on Marino's arrival and the special day at Town Hall.

"Tony brings new energy, excitement, and enthusiasm, which I believe are extremely important at this time," said Letterie. "I believe his skill set is a perfect fit for our needs, and I can't wait to see what the next three years will bring. I believe Tony and I, along with the other councilors, share very similar goals of getting our key positions fully staffed, bringing a vision for the middle school site to the public, and addressing the needs of a fire and police station. This is a great day for Winthrop."

“Nick is the frontrunner because he was officer that took the suspect down,” said Chief Delehanty. “He’s deserving of a tremendous honor.”

Referring to Sgt. Bettano and other first responders on the scene that day last June, Council Pres. James Letterie said, “We are incredibly thankful and owe them all a debt of gratitude, and Nick especially.”

A date for the dedication has not yet been set.

GRILLED BUFFALO WINGS

INGREDIENTS:

- 3 pounds chicken wings, separated at joints, tips discarded
- 1 cup Louisiana-style hot sauce
- 1 (12 fluid ounce) can or bottle

DIRECTIONS:

STEP 1: Preheat a grill to medium heat.

STEP 2: In a large pot, mix together the hot sauce, cola, cayenne pepper, black pepper and soy sauce. Add the wings to the sauce - frozen is okay. Place the pot to one side of the grill, so the sauce comes to a simmer.

STEP 3: Use tongs to fish wings out of the sauce, and place them on the grill for 8 to 10 minutes. Then return to the sauce to simmer. Re-peat this process for about 50 minutes. The sauce will thicken. When the chicken is tender and pulls easily off of the bone, you have two options. You can dip one last time and serve for sloppy style wings, or serve right off the grill for dryer wings.

OUR Opinions

A MEMORIAL DAY TRUISM: FREEDOM ISN'T FREE

For the first time in 20 years -- that's an entire generation -- America's military men and women are not fighting a war on foreign soil.

The withdrawal of our remaining troops from Afghanistan last August brought to an end a conflict that had long-outlasted its purpose, which initially was meant to destroy the al-Qaeda terrorist organization that was responsible for the 9/11 attacks, but which somehow morphed into a long-term, nation-building undertaking. Although we technically are at peace, the world stage feels anything but peaceful. Totalitarian adversaries either are wreaking havoc (Russia in Ukraine) or threatening to do so (No. Korea and China).

If the lessons of the past and present teach us anything, it is that we cannot take our freedom for granted.

The same troops who are delivering baby formula today could be called upon to engage in a far different and more dangerous mission at any moment.

This realization made us think back to the roots of Memorial Day, originally known as Decoration Day, with the proclamation by Gen. Logan on May 5, 1868, in which he declared:

"The 30th day of May, 1868, is designated for the purpose of strewing with flowers or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village, and hamlet churchyard in the land. In this observance no form or ceremony is prescribed, but posts and comrades will in their own way arrange such fitting services and testimonials of respect as circumstances may permit. Let us, then, at the time appointed, gather around their sacred remains and garland the passionless mounds above them with choicest flowers of springtime; let us raise above them the dear old flag they saved from dishonor; let us in this solemn presence renew our pledges to aid and assist those whom they have left among us as sacred charges upon the Nation's gratitude, the soldier's and sailor's widow and orphan."

That in turn got us to thinking of what rates as the greatest testament to the memory of those brave Americans who made the Supreme Sacrifice, the Gettysburg Address by President Abraham Lincoln, in order to preserve our democratic way of life:

"Four score and seven years ago our fathers brought forth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal.

"Now we are engaged in a great civil war, testing whether that nation, or any nation, so conceived and so dedicated, can long endure.

"We are met on a great battle-field of that war. We have come to dedicate a portion of that field, as a final resting place for those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this.

"But, in a larger sense, we can not dedicate, we can not consecrate, we can not hallow this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our poor power to add or detract. The world will little note, nor long remember what we say here, but it can never forget what they did here. It is for us the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion that we here highly resolve that these dead shall not have died in vain that this nation, under God, shall have a new birth of freedom and that government of the people, by the people, for the people, shall not perish from the earth."

We hope our readers appreciate the eternal truths of Lincoln's sentiments, which are as relevant today as they have been since the founding of our nation.

We wish all of our readers a happy and safe Memorial Day weekend.

GUEST OP-ED

Why did Memorial Day Change?

By Dr. Glenn Mollette

Decoration Day was observed on May 30th from 1868 to 1970 to decorate the graves and honor those dying in military service for our country. In 1971 Congress officially made the last Monday in May Memorial Day.

On this day, Americans take time to pay respect

and decorate the graves of our military service Americans who died to keep America free. Because of them we can travel the country, have picnics, go to ballgames and more.

For me, Memorial Day has changed. Memorial weekend was a big time of family gathering. I can still remember Mamaw and Grandpa, all nine of their

children and the grandchildren gathering to eat, play, talk and laugh. But then Mamaw and Grandpa died and the reunions changed. One by one the siblings passed away. Today, all nine of them and their spouses are gone.

The grandchildren are now passing away. This is my generation. As I begin to think of their names

it's a surprising number. All five of my dad's brothers and sister are gone. Throughout the years I've attended too many funerals. This includes my wife of 27 years and our little stillborn baby. Memorial Day has changed. So many people I celebrated the day with are gone. It

LETTER to the Editor

by the changes, including many people here in Winthrop.

The goal of the redesign is to make taking the bus more efficient and convenient for people throughout the region, particularly for those who depend on the bus as their primary way of getting where they need to go. By re-drawing route lines to match travel design lines revealed through cell phone data, more people who ride the bus will experience:

- 25% more overall service and 70% more weekend service.
- Buses coming at least every 15 minutes, 20 hours a day, 7 days a week along busy routes (via 30 "high-frequency" corridors crisscrossing the region).
- 275,000 more residents across the region with access to the high frequency network.

• A simpler, easier system to navigate, with 68% of routes running the same service all day, every weekday (up from 28%).

• New connections to more places -- with less waiting and fewer transfers for most.

Of course, the MBTA's plan on its own only gets us partway to this vision and to what people who ride the bus deserve. We need municipalities and other roadway owners to do their part by dedicating street space for buses where possible by building bus lanes and improved bus stops, and we need the T to procure many more buses and hire more operators. By working together, we can bring to life a bus experience so efficient and convenient, it becomes true rapid transit -- creating cleaner air, reducing traffic, and making our streets safer for every-

one.

Public input is critical to this process. The redesign will change the network in major ways, and there will be trade-offs in doing so. Unfortunately, some of those tradeoffs are being seen in Winthrop, particularly through the removal of service to the entire Point Shirley neighborhood. Make your voice heard -- both in support of better bus service in general and around any specific changes you want to see to the map.

A public feedback survey, list of public meetings, and interactive maps for the project (particular to each municipality) can be found at <https://www.mbta.com/projects/bus-network-redesign>

The Daw Playground on Veterans Road has a new look and a community wide effort made it happen. Residents, town officials, Winthrop DPW representatives, and Pepsi-Cola employees gathered at the playground Saturday to lay wood chips on the ground and get the area ready for its new playground equipment. A new fence will soon be installed at the site.

The Winthrop 21st Century Community Learning Center’s after-school program is drawing to a close next week, but according to Executive Director Cathy DelVento, parents will continue to have access to an affordable after school option through the end of the school year, thanks to 21st CCLC’s partnership with Kathy’s Place Youth Center.

Local veteran and supporter of our troops Richard Honan said this week that he and the Memorial Day Committee comprised of Veterans Agent Larry Holmes, Lou Camacho, Richard Duvall, John O’Maley, Bill Brown, Richard Gay, and Charles Northrup have been hard at work signing up participants for the parade and the Winthrop American Legion Post 146 has stepped up to pay for the cost of having four bands participate.

Local resident Susan Martucci is the recipient of the Unsung Heroine Award, thus becoming one of a select group of women who have been recognized by the Massachusetts Commission on the Status of Women for their efforts to improve communities with their daily acts of service. House Speaker Robert A. DeLeo nominated Martucci for this award, which was celebrated by a ceremony held at the Massachusetts State House, for her 20 years of service as a well-known figure in the local schools as a dedicated volunteer and devoted mother.

The 110 members of the WHS Class of 2002 will graduate Sunday afternoon in exercises to be held at Miller Field. Corinne Petraglia is the Class President and Danielle Stokes the Class Marshall. Gerta Sinani is the Valedictorian and Newton Ikhariale the Salutatorian.

The first session of the annual Town Meeting resulted in members being informed that the selectmen and Advisory Committee had agreed to withdraw all 20 appropriation articles because of a lack of money available to the town for discretionary spending. However, the selectmen and Advisory Committee disagreed on the town budget, with Selectwoman Marie Turner urging Town Meeting to provide more funds for the School Department than the Advisory Committee is recommending. The Advisory Committee is urging Town Meeting to reduce all town department budgets by an across-the-board 5.6 percent.

Memorial Day ceremonies were highlighted by the dedication of Bartlett Rd. and Pleasant St. in honor of Marine Lance Corporal John A. “Jay” Countaway, who died in Vietnam in May, 1968. Countaway was a 1965 grad of Winthrop High. He joined the Marines in January, 1967, and was wounded in action in April, 1968. He could have left Vietnam, but decided to return. He was killed in action on May 14, 1968, just shy of his 21st birthday.

The annual Winthrop Hospital/Mike Eruzione Gold Medal Day will be held Saturday. The day-long event features activities and health and fitness booths for the entire family. The 10K road race has been designated for the second straight year as the championship event of the New England Athletic Congress Grand Prix series.

Gov. William Weld is expected to cut the ribbon at the dedication ceremonies of the newly-renovated French Square June 9.

With the term of long-time Massport Board member and Winthrop resident John Vitagliano, who has served on the Massport Board for 14 years, about to expire, speculation is mounting about his replacement to be named by Gov. Weld.

The local political world was jolted this week by the announcement by State Senator Mike Lopresti, who has held the post for 20 years, that he will not be a candidate for re-election. With the withdrawal from the race by Cambridge resident Michael Sullivan, the only candidate remaining is Boston City Councillor Robert Travaglini.

Op-Ed // CONTINUED FROM PAGE 1

would be impossible for me to visit all the graves of all these dear people. They are scattered out between Kentucky, Ohio, West Virginia and other states.

When Memorial Day comes, I try my best to make the six-hour trip to decorate my deceased wife’s grave. Carole, who I married 17 years ago has deceased parents who are buried three hours away from where we live. It’s never easy. There are flowers to buy. The drive is not easy and we have those who are alive we want to visit. It’s makes us feel bad that we don’t have hours to go and spend at the cemetery and respect those we loved.

Sadly, there are so many forgotten graves of loved ones and American soldiers. The older we get the number of deceased people we know can become more than the living we know.

Do the best you can. This is all any human being can ever do. There are graves you know you must attend to and others you will have to trust to

other family members or friends.

While we are trying to celebrate Memorial Day the right way, please continue to celebrate the living people in your life. There is a story in the Bible where a friend of Jesus anointed him with expensive ointment while they were having dinner. It was her way of celebrating him and what he meant to her. Try to find ways to anoint people in your life who are meaningful to you. Buy them flowers now if you can afford them. I hate to say it but it’s true – dead noses smell no roses.

I’ve always tried to buy flowers for those I love while they can enjoy them. It may not be flowers but maybe it could be a nice smile. A word of thanks or praise for a person in your life would be meaningful. One way you might make Memorial Day meaningful is celebrating those people you have in your life today because, as we know, it won’t last long.

Back in February, my brother-in-law Harold was very sick and I knew his

time was limited. My wife and I agreed we needed to go and visit with him. We had a good visit and a good talk. When I left him that day and we said goodbye to each other, I felt that it was truly goodbye at least for this life. He died just a couple of weeks later.

Memorial Day has changed for most of us. However, try to make a good memory or two with those people who are still alive in your life. What you remember about those who have gone on is what you enjoyed while they were living.

This Memorial Day weekend, be very safe and take time to enjoy the living.

WHS SPORTS ROUNDUP

CAPPUCCIO WINS NEC 200 DASH CROWN, TAKES 2ND IN THE 100 AND LONG JUMP

Nicholas Cappuccio turned in one of the most outstanding performances in Winthrop High track history at this weekend's Northeastern Conference championship meet, taking first place in the 200 meter dash and grabbing second place in both the 100 dash and the long jump.

Nicholas, who is only a freshman, sped to victory in the 200 with a time of 22.92 and came across the line in second in the 100 with a sprint of 11.45. He traded places in those events with his chief rival, Masconomet senior Alex Kessel.

Kessel edged Cappuccio in the 100 by 0.18 of a second, but Nick came back to win the 200 by a margin of 0.53.

Cappuccio's flight of 21'-7" in the long jump was just 1/4 of an inch behind the winning jump of 21'-7.25".

Altogether, Nicholas scored 26 points on the day, earning him the ranking as the top individual scorer at the conference meet. He also was the lone Viking to score a point.

Cappuccio now will set his sights on the upcoming state meet.

On the girls' side, junior Sophia Munson earned a medal with a sixth-place

finish in the 100 dash with a clocking of 13.65.

WHS BASEBALL TEAM TOPS PEABODY WITH LAST-INNING RALLY

The Winthrop High baseball team earned one of its most scintillating victories of the season with a come-from-behind victory over Northeastern Conference rival (and Division 1 foe) Peabody.

The Vikings overcame a 3-1 deficit entering the top of the seventh with a three-run rally.

Pinch hitter Anthony Indrisano got the ball rolling for the Vikings with a lead-off base hit.

Pete Sliverman then came through with his second hit of the day to put the tying run on base.

"In that situation we wanted to bunt the two men over with our number three hitter coming up," said WHS head coach Mark DeGregorio.

However, Jay Fotiades who had entered the game to pitch in the previous inning, exceeded his coach's expectations of a sacrifice by laying down a perfect bunt that he beat out to leave all three runners safe.

Peabody got the next Viking hitter, but Matt DeCarney stepped up to drive in two runs with a clutch base hit, tying the game at 3-3.

That brought up Joseph Hayes, who has had some big hits for the Vikings this season, and Joe belted a deep drive to centerfield that was hauled in by the Peabody centerfielder, but still allowed the go-ahead run to score all the way from second.

That left matters up to Fotiades, who had come on in the middle of the sixth for starter Cam Martin. Jay, who is a freshman, handled the pressure situation with aplomb and set down the Tanner hitters to preserve the 4-3 win.

"We were able to compete at a very high level against a very good team.," said DeGregorio. "We got a great pitching performance from Cam Martin, who went five and one-third innings, striking out three, and from there we turned the ball over to Jay, who has been spectacular on the mound for us as a freshman.

"He does not care the team, or the moment," DeGregorio continued. "He is ready whenever his number is called. He was able to limit Peabody to one hit the rest of the way

which allowed us to initiate the comeback, and he ended up getting the win on the day.

"It was a great game and the players believed in themselves from start to finish," DeGregorio added. "We got some great defensive play from Pete Silverman, Chris Gibbons, and Colin Kinsella. Colin was able to control the game behind the plate as he threw out two runners on three steal attempts. It was also an errorless game for us, which at the high school level is a rare feat."

Winthrop received some strong hitting performances from Kinsella, who was 2-for-4, and DeCarney who also was 2-for-4.

The Vikings did not enjoy similar success in their next two encounters against NEC rivals Swampscott and Gloucester.

"We lost both games," noted DeGregorio. "We had some costly errors early against Swampscott. We were unable to overcome the early errors and misplays in the field. It was a shame because the

coaches, including myself, thought it was the best the ball game out of starting pitcher Zach Bogusz's hand since early in the season.

"Zach had his curveball working and his fastball seemed to have some extra zip on it. Unfortunately, we were not able to make the plays behind him and we lost a tough one," DeGregorio said.

"We also lost a tough one to Gloucester," said DeGregorio. "We got a solid pitching performance from Cam Martin, who went the first five innings. allowing only two earned runs.

"Gloucester was able to get more runs across the board in the sixth and we were not able to capitalize, despite getting men on base later in the game," DeGregorio added. "Their pitcher pitched a great game and we were not able to generate much offense."

DeGregorio and his crew wrap up their regular season today (Thursday) at non-league rival Chelsea.

"We hope to get back on

track and finish the season with double digit wins," said DeGregorio.

The Vikings then will await word of their seeding and first-round opponent in the upcoming state tournament. Winthrop presently is ranked 24th in Division 4. The top 32 teams in the power rankings receive automatic berths in the tourney, regardless of record. A team not ranked in the top 32 must attain a record of .500 or better in order to qualify for the post-season.

WHS GIRLS LACROSSE BLANKS NORTHEAST, 15-0

The Winthrop High girls lacrosse team earned a 15-0 victory over Northeast Regional this past Monday.

Mia Martucci paced the Lady Viking attack with four goals and two assists. Emma Holmes reached the back of the Lady Golden Knight net for three goals and added two assists.

Talia Martucci recorded two goals and two assists. Mia Norris had a goal and two assists; Reese Brodin scored two goals; Elizabeth Quinn had a goal and an assist; and Kira Diaz added one goal.

"Kira Diaz and Elizabeth Quinn each scored their first varsity goals," noted WHS head coach Emma Marrs.

WHS goalie Adrianna Rizzotto earned the shut-out with 14 saves.

In a 13-2 loss to Swampcott last week, the Lady Vikings trailed by a slim 3-0 margin at the half before the Lady Big Blue pulled away after the intermission.

Mia Martucci and Emma Holmes scored the Winthrop goals, with Holmes also earning an assist.

Rizzotto had 11 saves in net.

In a 15-4 loss to Danvers last Thursday, Mia Martucci scored all four of the Winthrop goals. Julia Holmes, Mia Norris, and Kailey Sullivan each had an assist.

Rizzotto made 16 saves in goal.

WHS GIRLS TENNIS AWAITS TOURNNEY MATCHUP

Although the Winthrop High girls tennis team fell short in its matches this past week with Danvers and Beverly, the Lady Vikings turned in strong performances in both contests.

"The last two matches were tough," said WHS head coach Mike Nickerson. "Danvers and Beverly in the past have handled us pretty easily. We lost to Danvers 5-0, but the score was so much closer.

"Four matches went to three sets and we just couldn't seem to win the really big points to close out games," Nickerson continued. "I am really proud of how the girls have improved because Danvers blew us out earlier this year.

"The loss to Beverly stings," Nickerson added. "We had to play it over two days and that hurt us. We were playing really well last Friday, but the rain suspended our match and we had to finish on Monday."

Winthrop was ahead, 2-0, when the match was suspended on Friday, with wins from Mira Ivanis at second singles and from the second doubles tandem of Ava Beshere & Casey Petersen.

"Ava and Casey played their best match of the year to get the straight-set win," said Nickerson. "Unfortunately, the rain gave Beverly a chance to

regroup and make adjustments."

Kendall Brant lost a tough three-setter at first singles against a very talented opponent.

"I can't say how proud I am of what Kendall has accomplished this year," said Nickerson. "At first singles, you play the best players every match. Traditionally, first singles has been a tough spot for us because of the talent level, but Kendall has competed in every match and has won quite a few of her matches. It's astounding to see how much she has improved and the only negative thing I can say about her is that she's a senior. I wish I could have her for a few more years."

Winthrop lost a tight match at second singles, with Genesis Bueno taking the loss. "Genesis fought hard against a really good player and came up just short in each set," noted Nickerson.

"Unfortunately, we lost at first doubles as well," added the coach. "Maddie Rossi & Emma Forsyth had leads in each set, but we just couldn't find a way to close them out. The match was there for the taking, but we just didn't take advantage of our opportunities."

Nickerson and his crew ended their season with a winning record at 9-7 and now will await the pairings to come from the MIAA for the post-season state tournament. That announcement is expected on May 31.

"This is the first time Winthrop has qualified since I have been here, so that shows the level of improvement the girls have displayed," said Nickerson. "Hopefully, we will get matched up with a team of similar ability and we can have a competitive match."

The full bench of the State Supreme Judicial Court has declared unconstitutional a recent act of the legislature relative to the appointment of commissioners to apportion finances and expenses of Suffolk County, which would have included Chelsea, Winthrop, and Revere in the assessments. The court held that under an agreement in 1831, the City of Boston contracted with Chelsea, which originally contained all of what are now Winthrop and Revere, to assume all of the expenses of the county and in return received full control of county affairs. With the growth of Chelsea, Winthrop, and Revere in recent years, Boston has sought unsuccessfully to have those communities pay their share of the county's expenses.

FRESH & LOCAL

Asparagus Season

By Penny & Ed Cherubino

The opportunity to enjoy local asparagus is an excellent reason to wait in line for the opening bell at local farmers' markets. We'll be enjoying asparagus often in the weeks ahead - sometimes twice a week. Supplies at local markets are usually slim and sell out quickly. We'll choose Hadley Grass, the legendary asparagus from Hadley,

MA, in the Pioneer Valley when we can find it. The farmers from Hadley say cold winters and rich soil make for a sweeter, more tender stalk. And, since we try to be fair to all the farmers we love, we'll be testing the flavor of stalks from farms located in other Massachusetts towns. Hadley once declared itself the "Asparagus Capital of the World." Unfortunately, in the 1970s, a fungus destroyed much of

the popular Mary Washington variety. Today a few determined farmers have replaced it with disease-resistant varieties that deliver that all-important Hadley terroir. Yes, Asparagus Is Versatile Early days will find us cooking asparagus in simple ways. Ed loves it roasted and would gladly eat that night-after-night. Penny loves to use aspar-

Asparagus // CONTINUED FROM PAGE 14

two ways. A favorite combo is roasted for Ed with a salad of raw, shaved asparagus and fennel tossed with a lemon and caper vinaigrette on the side.

Another take on the lemon-asparagus combo is to make a lemon risotto with crosscut discs of lightly cooked asparagus mixed in and asparagus tips as a garnish. One evening, this recipe was featured on a menu when we were invited to act as “guest chefs” at the old Cafe Louis. We knew our friend Chef David Reynoso made a fabulous risotto, and the date was in the right season.

Eggs are a traditional pairing with asparagus. Today breeds of hens lay eggs year-round. In the

past, many hens didn’t lay in winter, so this pairing was a celebration of spring. You can sprinkle chopped hard-boiled eggs as a topping. You can also cook up a big batch of asparagus and use the leftovers in a frittata, omelet, fried rice, or pasta.

We love restaurants where the chef treats vegetables with the same respect as traditional proteins. When seasonal vegetables like asparagus are given star treatment, we return repeatedly. When we see both asparagus soup and an asparagus side on the menu, we know that this is a place that reduces food waste and respects the farmers’ work.

We’re happy to see

more asparagus on the menu as specials, tossed with other vegetables under a piece of fish, or offered as a sharing or side dish. We hope you’ll keep an eye out for asparagus and support seasonal specials by ordering it.

that supports the microbiome by actually feeding the beneficial bacteria, like a fertilizer, making your gut a healthier place. By supporting the friendly bacteria with PREbiotic foods like asparagus you

create a more beneficial ratio of healthy to unhealthy bacteria.”

All that plus asparagus is delicious and versatile. Enjoy the local crop as often as you can in the weeks ahead!

SECTIONS OF BLUE LINE REPLACED WITH SHUTTLES UNTIL JUNE 10

Beginning Sunday, May 22, through Wednesday, June 8, Blue Line train service will be suspended between Wonderland and Orient Heights stations to allow for critical work to take place on the Suffolk Downs pedestrian bridge. Riders will be provided with free shuttle bus service between these stations during the work.

This important work to repair and reopen the Suffolk Down pedestrian bridge needs to be proactively accomplished and complete prior to the beginning of MassDOT's Summer Tunnel Restoration project, which begins June 10 with the shutdown of the Summer Tunnel on weekends from Spring 2022 to Spring 2023; seven days a week from May 2023 to September 2023; and on weekends from Fall 2023 to Winter 2023. If the MBTA does not complete this work on the Suffolk Downs pedestrian bridge now, the pedestrian bridge will likely not be repaired

Tony Marino begins as Winthrop's new town manager

By Cary Shuman

Tony Marino arrived bright and early Monday for his first day as the new town manager of Winthrop.

He walked energetically up the steps of Town Hall and strode business-like into the second floor Town Manager's Office officially as the new chief executive in charge. As Town

Historian David Hubbard will chronicle: a new era in the history of Winthrop had officially begun.

Town Council President Jim Letterie arrived at the Town Manager's Office to personally greet Marino.

"I'm excited to be here on my first day," Marino told the Sun-Transcript. "I have my first meeting with the department heads at 10 a.m. and I hit the ground running."

Marino credited Interim Town Manager Terence Delehanty for making it a smooth transition.

"He left everything nice and neat and a good pass-down, so I have a list of items that I have to get started on right away and I'm looking forward to getting to work," said Marino.

WELCOME TO WINTHROP: Town Council President Jim Letterie extends a welcoming handshake to Town Manager Tony Marino Monday outside the Town Manager's Office at Town Hall.

Town Manager Tony Marino prepares to enter the Joseph M. Harvey Room for a meeting with the leaders of Winthrop's town departments.

Jim Letterie calls it 'a great day for Winthrop'

Jim Letterie illuminated on Marino's arrival and the special day at Town Hall.

"Tony brings new energy, excitement, and enthusiasm, which I believe are extremely important at this time," said Letterie. "I believe his skill set is a perfect fit for our needs, and I can't wait to see what the next three years will bring. I believe Tony and I, along with the other councilors, share very similar goals of getting our key positions fully staffed, bringing a vision for the middle school site to the public, and addressing the needs of a fire and police station. This is a great day for Winthrop."

Town of Winthrop rededicates Wallace B. McClean Tennis Courts

Photo and story by Cary Shuman

The Town of Winthrop held a rededication ceremony for the new Wallace B. McClean Tennis Courts. Mr. McClean

was a science, physical training, and driver safety teacher at Winthrop High School in the mid-1950s. He received his bachelor's degree from Rhode Island

State College in 1929 and attended graduate school at Harvard University. The original tennis courts and the old Winthrop High School were built in 1965.

Pictured at the rededication ceremony are, from left, Winthrop High Director of Athletics Matt Serino, WHS Assistant Tennis Coach Augie Cherico, WHS Principal Matt Crombie, Tennis Courts Project Committee Chair Dave Girard, Town Council President Jim Letterie, Karin Chavis of the School Building Assistance Committee, WHS Boys Tennis Head Coach Marie Finn, Dick Lawton of the School Building Assistance Committee, Town Clerk Denise Quist, and State Rep. for another two years until the Sumner Tunnel reopens seven days a week in Winter 2023. The Suffolk Downs pedestrian bridge will fully reopen to the public later this summer 2022.

MBTA understands how frustrating service diversions can be, and thanks Blue Line riders for their patience while this important Blue Line work on the Suffolk Downs pedestrian bridge is completed.

During this 18-day Blue Line suspension, free shuttle buses will replace Blue Line service between Wonderland and Orient Heights stations all day and every day between May 22 and June 8.

Riders should also note that shuttle buses are currently replacing Rockport Commuter Rail Line train service between Rockport and Orient Heights as well as Newburyport Com-

muter Rail Line train service between Beverly and Orient Heights. All riders are asked and encouraged to make sure they have boarded the correct shut-

tle bus at Orient Heights. MBTA personnel will be on hand at Orient Heights to assist shuttle bus riders.

“Nick is the frontrunner because he was officer that took the suspect down,” said Chief Delehanty. “He’s deserving of a tremendous honor.”

Referring to Sgt. Bettano and other first responders on the scene that day last June, Council Pres. James Letterie said, “We are incredibly thankful and owe them all a debt of gratitude, and Nick especially.”

Once cleared by the DA’s Office, the Winthrop Police Dept. will be hosting its own award ceremony recognizing the officers who were involved in the 2021 incident.

Dog Park Dedication

Council Pres. James Letterie announced that the newly finished dog park will be named after Councilor Michael McDuffee, who passed away suddenly in 2019 at 62.

“He was a tremendous guy and left his mark on the council,” Pres. Letterie. “He was the leader of the project to get the dog park done, and we owe him a debt of gratitude for that.”

A date for the dedication has not yet been set.

General Updates

As the CBD project draws to a close, the Town is looking to update its parking ordinances in the vicinity. New ordinances were presented and the item will be reviewed by the Rules and Ordinances Committee.

Town Planner Rachel Kelly presented several changes to the Town’s Zoning Ordinance, separate from the new parking ordinances. Public hearings will follow.

Limited Blue Line service and Sumner Tunnel closures may result in mitigation for Winthrop.

GRILLED BUFFALO WINGS

INGREDIENTS:

- 3 pounds chicken wings, separated at joints, tips discarded
- 1 cup Louisiana-style hot sauce
- 1 (12 fluid ounce) can or bottle

- cola-flavored carbonated beverage
- ¼ teaspoon cayenne pepper, or to taste
- ¼ teaspoon ground black pepper, or to taste
- 1 tablespoon soy sauce

DIRECTIONS:

STEP 1: Preheat a grill to medium heat.

STEP 2: In a large pot, mix together the hot sauce, cola, cayenne pepper, black pepper and soy sauce. Add the wings to the sauce - frozen is okay. Place the pot to one side of the grill, so the sauce comes to a simmer.

STEP 3: Use tongs to fish wings out of the sauce, and place them on the grill for 8 to 10 minutes. Then return to the sauce to simmer. Re-peat this process for about 50 minutes. The sauce will thicken. When the chicken is tender and pulls easily off of the bone, you have two options. You can dip one last time and serve for sloppy style wings, or serve right off the grill for dryer wings.

OUR Opinions

A MEMORIAL DAY TRUISM: FREEDOM ISN'T FREE

For the first time in 20 years -- that's an entire generation -- America's military men and women are not fighting a war on foreign soil.

The withdrawal of our remaining troops from Afghanistan last August brought to an end a conflict that had long-outlasted its purpose, which initially was meant to destroy the al-Qaeda terrorist organization that was responsible for the 9/11 attacks, but which somehow morphed into a long-term, nation-building undertaking. Although we technically are at peace, the world stage feels anything but peaceful. Totalitarian adversaries either are wreaking havoc (Russia in Ukraine) or threatening to do so (No. Korea and China).

If the lessons of the past and present teach us anything, it is that we cannot take our freedom for granted.

The same troops who are delivering baby formula today could be called upon to engage in a far different and more dangerous mission at any moment.

This realization made us think back to the roots of Memorial Day, originally known as Decoration Day, with the proclamation by Gen. Logan on May 5, 1868, in which he declared:

"The 30th day of May, 1868, is designated for the purpose of strewing with flowers or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village, and hamlet churchyard in the land. In this observance no form or ceremony is prescribed, but posts and comrades will in their own way arrange such fitting services and testimonials of respect as circumstances may permit. Let us, then, at the time appointed, gather around their sacred remains and garland the passionless mounds above them with choicest flowers of springtime; let us raise above them the dear old flag they saved from dishonor; let us in this solemn presence renew our pledges to aid and assist those whom they have left among us as sacred charges upon the Nation's gratitude, the soldier's and sailor's widow and orphan."

That in turn got us to thinking of what rates as the greatest testament to the memory of those brave Americans who made the Supreme Sacrifice, the Gettysburg Address by President Abraham Lincoln, in order to preserve our democratic way of life:

"Four score and seven years ago our fathers brought forth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal.

"Now we are engaged in a great civil war, testing whether that nation, or any nation, so conceived and so dedicated, can long endure.

"We are met on a great battle-field of that war. We have come to dedicate a portion of that field, as a final resting place for those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this.

"But, in a larger sense, we can not dedicate, we can not consecrate, we can not hallow this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our poor power to add or detract. The world will little note, nor long remember what we say here, but it can never forget what they did here. It is for us the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion that we here highly resolve that these dead shall not have died in vain that this nation, under God, shall have a new birth of freedom and that government of the people, by the people, for the people, shall not perish from the earth."

We hope our readers appreciate the eternal truths of Lincoln's sentiments, which are as relevant today as they have been since the founding of our nation.

We wish all of our readers a happy and safe Memorial Day weekend.

GUEST OP-ED

Why did Memorial Day Change?

By Dr. Glenn Mollette

Decoration Day was observed on May 30th from 1868 to 1970 to decorate the graves and honor those dying in military service for our country. In 1971 Congress officially made the last Monday in May Memorial Day.

On this day, Americans take time to pay respect

and decorate the graves of our military service Americans who died to keep America free. Because of them we can travel the country, have picnics, go to ballgames and more.

For me, Memorial Day has changed. Memorial weekend was a big time of family gathering. I can still remember Mamaw and Grandpa, all nine of their

children and the grandchildren gathering to eat, play, talk and laugh. But then Mamaw and Grandpa died and the reunions changed. One by one the siblings passed away. Today, all nine of them and their spouses are gone.

The grandchildren are now passing away. This is my generation. As I begin to think of their names

it's a surprising number. All five of my dad's brothers and sister are gone. Throughout the years I've attended too many funerals. This includes my wife of 27 years and our little stillborn baby. Memorial Day has changed. So many people I celebrated the day with are gone. It

LETTER to the Editor

MBTA'S NEW BUS NETWORK REDESIGN PROPOSAL: WINTHROP VOICES NEEDED

Dear Editor,

Last week the MBTA unveiled its long awaited proposal for a newly revamped regional bus system that has only been changed at the margins for the last half century, known as "Bus Network Redesign". While far from perfect, this is a once-in-a-generation opportunity to transform the MBTA's bus network to meet the needs of people who ride the bus today-not the people who rode it 50 years ago- and encourage more people to ride in the future. But to be successful, it needs to be shaped by the voices of the people most impacted

by the changes, including many people here in Winthrop.

The goal of the redesign is to make taking the bus more efficient and convenient for people throughout the region, particularly for those who depend on the bus as their primary way of getting where they need to go. By re-drawing route lines to match travel design lines revealed through cell phone data, more people who ride the bus will experience:

- 25% more overall service and 70% more weekend service.
- Buses coming at least every 15 minutes, 20 hours a day, 7 days a week along busy routes (via 30 "high-frequency" corridors crisscrossing the region).
- 275,000 more residents across the region with access to the high frequency network.

- A simpler, easier system to navigate, with 68% of routes running the same service all day, every weekday (up from 28%).
- New connections to more places – with less waiting and fewer transfers for most.

Of course, the MBTA's plan on its own only gets us partway to this vision and to what people who ride the bus deserve. We need municipalities and other roadway owners to do their part by dedicating street space for buses where possible by building bus lanes and improved bus stops, and we need the T to procure many more buses and hire more operators. By working together, we can bring to life a bus experience so efficient and convenient, it becomes true rapid transit – creating cleaner air, reducing traffic, and making our streets safer for every-

one.

Public input is critical to this process. The redesign will change the network in major ways, and there will be trade-offs in doing so. Unfortunately, some of those tradeoffs are being seen in Winthrop, particularly through the removal of service to the entire Point Shirley neighborhood. Make your voice heard – both in support of better bus service in general and around any specific changes you want to see to the map.

A public feedback survey, list of public meetings, and interactive maps for the project (particularly to each municipality) can be found at <https://www.mbta.com/projects/bus-network-redesign>

ART 950 - TWO RESORT ROOMING HOUSES

In 1875, Doctor Samuel Ingalls purchased forty three acres of land originally owned by the Wheeler estate between Shirley Street and what is now known as Winthrop Shore Drive. On this prime ocean front property he established the Ocean Spray resort community which included eight streets, all with names related to the sea - Neptune, Mermaid, Coral, Trident, Sea Foam, Waveway, Pearl and Dolphin Avenues. Each street was 30 feet wide with a 20 foot frontage from the street to the homes down each side thus ensuring a 70 foot corridor for the sea breezes to pass through and circulate among the cottages he had built. All cottages built there had a “T” shaped floor plan with porches on three sides. Although most of these buildings have been modified to varying degrees, one can still drive down these streets and easily identify many homes that reflect the original unique design. Each of these properties had a clause

in their deed prohibiting any alcoholic beverage from being consumed or brought onto the premises. This writer checked the current validity of this requirement with our previous Town Council, Joseph Harvey, who stated that while such a clause still appears on some deeds even today, it is no longer enforceable. Along Winthrop Shore Drive, then called Crest Avenue, a few of the houses were converted into Inns or Rooming Houses. Also, along Shirley Street at the rear of Ocean Spray, several smaller Inns were established and two of these are featured in today’s article. The first, located at 169 Shirley Street, was called The Coronet House which can be seen in the first picture as it appeared in 1900. The second picture depicts the same building as it appears today in 2012. Note how the original appearance of the porch railing and windows has been carefully preserved. The second such rooming house, as seen in the third picture, was known as the

Hazelhurst which opened about 1900 with a dining room that accommodated 100 patrons. It was located at 11 Neptune Avenue, on the corner of Shirley Street, almost across the street from the previously named Coronet House. Picture four depicts this building as it appears today. Note that the roof line at the front of the building remains the same with the small triangular overhang which can still be seen on the right of the building. Many such Inns and Rooming Houses existed in Winthrop from the 1880 to 1930 period of time. To date we have identified some 55 buildings which operated under 80 different names depending upon who the current owner was. We have written Then and Now articles on a number of them and as further information is obtained will continue to provide additional articles on them. If anyone knows of other such resort facilities that have existed in Winthrop, it would be appreciated if you would please advise us accordingly.

The Daw Playground on Veterans Road has a new look and a community wide effort made it happen. Residents, town officials, Winthrop DPW representatives, and Pepsi-Cola employees gathered at the playground Saturday to lay wood chips on the ground and get the area ready for its new playground equipment. A new fence will soon be installed at the site.

The Winthrop 21st Century Community Learning Center’s after-school program is drawing to a close next week, but according to Executive Director Cathy DelVento, parents will continue to have access to an affordable after school option through the end of the school year, thanks to 21st CCLC’s partnership with Kathy’s Place Youth Center.

Local veteran and supporter of our troops Richard Honan said this week that he and the Memorial Day Committee comprised of Veterans Agent Larry Holmes, Lou Camacho, Richard Duvall, John O’Maley, Bill Brown, Richard Gay, and Charles Northrup have been hard at work signing up participants for the parade and the Winthrop American Legion Post 146 has stepped up to pay for the cost of having four bands participate.

Local resident Susan Martucci is the recipient of the Unsung Heroine Award, thus becoming one of a select group of women who have been recognized by the Massachusetts Commission on the Status of Women for their efforts to improve communities with their daily acts of service. House Speaker Robert A. DeLeo nominated Martucci for this award, which was celebrated by a ceremony held at the Massachusetts State House, for her 20 years of service as a well-known figure in the local schools as a dedicated volunteer and devoted mother.

The first session of the annual Town Meeting resulted in members being informed that the selectmen and Advisory Committee had agreed to withdraw all 20 appropriation articles because of a lack of money available to the town for discretionary spending. However, the selectmen and Advisory Committee disagreed on the town budget, with Selectwoman Marie Turner urging Town Meeting to provide more funds for the School Department than the Advisory Committee is recommending. The Advisory Committee is urging Town Meeting to reduce all town department budgets by an across-the-board 5.6 percent.

Memorial Day ceremonies were highlighted by the dedication of Bartlett Rd. and Pleasant St. in honor of Marine Lance Corporal John A. “Jay” Countaway, who died in Vietnam in May, 1968. Countaway was a 1965 grad of Winthrop High. He joined the Marines in January, 1967, and was wounded in action in April, 1968. He could have left Vietnam, but decided to return. He was killed in action on May 14, 1968, just shy of his 21st birthday.

Gov. William Weld is expected to cut the ribbon at the dedication ceremonies of the newly-renovated French Square June 9.

With the term of longtime Massport Board member and Winthrop resident John Vitagliano, who has served on the Massport Board for 14 years, about to expire, speculation is mounting about his replacement to be named by Gov. Weld.

The local political world was jolted this week by the announcement by State Senator Mike Lopresti, who has held the post for 20 years, that he will not be a candidate for re-election. With the withdrawal from the race by Cambridge resident Michael Sullivan, the only candidate remaining is Boston City Councillor Robert Travaglini.

would be impossible for me to visit all the graves of all these dear people. They are scattered out between Kentucky, Ohio, West Virginia and other states.

When Memorial Day comes, I try my best to make the six-hour trip to decorate my deceased wife’s grave. Carole, who I married 17 years ago has deceased parents who are buried three hours away from where we live. It’s never easy. There are flowers to buy. The drive is not easy and we have those who are alive we want to visit. It’s makes us feel bad that we don’t have hours to go and spend at the cemetery and respect those we loved.

Sadly, there are so many forgotten graves of loved ones and American soldiers. The older we get the number of deceased people we know can become more than the living we know.

Do the best you can. This is all any human being can ever do. There are graves you know you must attend to and others you will have to trust to

other family members or friends.

While we are trying to celebrate Memorial Day the right way, please continue to celebrate the living people in your life. There is a story in the Bible where a friend of Jesus anointed him with expensive ointment while they were having dinner. It was her way of celebrating him and what he meant to her. Try to find ways to anoint people in your life who are meaningful to you. Buy them flowers now if you can afford them. I hate to say it but it’s true – dead noses smell no roses.

I’ve always tried to buy flowers for those I love while they can enjoy them. It may not be flowers but maybe it could be a nice smile. A word of thanks or praise for a person in your life would be meaningful. One way you might make Memorial Day meaningful is celebrating those people you have in your life today because, as we know, it won’t last long.

Back in February, my brother-in-law Harold was very sick and I knew his

time was limited. My wife and I agreed we needed to go and visit with him. We had a good visit and a good talk. When I left him that day and we said goodbye to each other, I felt that it was truly goodbye at least for this life. He died just a couple of weeks later.

Memorial Day has changed for most of us. However, try to make a good memory or two with those people who are still alive in your life. What you remember about those who have gone on is what you enjoyed while they were living.

This Memorial Day weekend, be very safe and take time to enjoy the living.

WHS SPORTS ROUNDUP

CAPPUCCIO WINS NEC 200 DASH CROWN, TAKES 2ND IN THE 100 AND LONG JUMP

Nicholas Cappuccio turned in one of the most outstanding performances in Winthrop High track history at this weekend's Northeastern Conference championship meet, taking first place in the 200 meter dash and grabbing second place in both the 100 dash and the long jump.

Nicholas, who is only a freshman, sped to victory in the 200 with a time of 22.92 and came across the line in second in the 100 with a sprint of 11.45. He traded places in those events with his chief rival, Masconomet senior Alex Kessel.

Kessel edged Cappuccio in the 100 by 0.18 of a second, but Nick came back to win the 200 by a margin of 0.53.

Cappuccio's flight of 21'-7" in the long jump was just 1/4 of an inch behind the winning jump of 21'-7.25".

Altogether, Nicholas scored 26 points on the day, earning him the ranking as the top individual scorer at the conference meet. He also was the lone Viking to score a point.

Cappuccio now will set his sights on the upcoming state meet.

On the girls' side, junior Sophia Munson earned a medal with a sixth-place

finish in the 100 dash with a clocking of 13.65.

WHS BASEBALL TEAM TOPS PEABODY WITH LAST-INNING RALLY

The Winthrop High baseball team earned one of its most scintillating victories of the season with a come-from-behind victory over Northeastern Conference rival (and Division 1 foe) Peabody.

The Vikings overcame a 3-1 deficit entering the top of the seventh with a three-run rally.

Pinch hitter Anthony Indrisano got the ball rolling for the Vikings with a lead-off base hit.

Pete Sliverman then came through with his second hit of the day to put the tying run on base.

"In that situation we wanted to bunt the two men over with our number three hitter coming up," said WHS head coach Mark DeGregorio.

However, Jay Fotiades who had entered the game to pitch in the previous inning, exceeded his coach's expectations of a sacrifice by laying down a perfect bunt that he beat out to leave all three runners safe.

Peabody got the next Viking hitter, but Matt DeCarney stepped up to drive in two runs with a clutch base hit, tying the game at 3-3.

That brought up Joseph Hayes, who has had some big hits for the Vikings this season, and Joe belted a deep drive to centerfield that was hauled in by the Peabody centerfielder, but still allowed the go-ahead run to score all the way from second.

That left matters up to Fotiades, who had come on in the middle of the sixth for starter Cam Martin. Jay, who is a freshman, handled the pressure situation with aplomb and set down the Tanner hitters to preserve the 4-3 win.

"We were able to compete at a very high level against a very good team.," said DeGregorio. "We got a great pitching performance from Cam Martin, who went five and one-third innings, striking out three, and from there we turned the ball over to Jay, who has been spectacular on the mound for us as a freshman.

"He does not care the team, or the moment," DeGregorio continued. "He is ready whenever his number is called. He was able to limit Peabody to one hit the rest of the way

which allowed us to initiate the comeback, and he ended up getting the win on the day.

"It was a great game and the players believed in themselves from start to finish," DeGregorio added. "We got some great defensive play from Pete Silverman, Chris Gibbons, and Colin Kinsella. Colin was able to control the game behind the plate as he threw out two runners on three steal attempts. It was also an errorless game for us, which at the high school level is a rare feat."

Winthrop received some strong hitting performances from Kinsella, who was 2-for-4, and DeCarney who also was 2-for-4.

The Vikings did not enjoy similar success in their next two encounters against NEC rivals Swampscott and Gloucester.

"We lost both games," noted DeGregorio. "We had some costly errors early against Swampscott. We were unable to overcome the early errors and misplays in the field. It was a shame because the

coaches, including myself, thought it was the best the ball game out of starting pitcher Zach Bogusz's hand since early in the season.

"Zach had his curveball working and his fastball seemed to have some extra zip on it. Unfortunately, we were not able to make the plays behind him and we lost a tough one," DeGregorio said.

"We also lost a tough one to Gloucester," said DeGregorio. "We got a solid pitching performance from Cam Martin, who went the first five innings. allowing only two earned runs.

"Gloucester was able to get more runs across the board in the sixth and we were not able to capitalize, despite getting men on base later in the game," DeGregorio added. "Their pitcher pitched a great game and we were not able to generate much offense."

DeGregorio and his crew wrap up their regular season today (Thursday) at non-league rival Chelsea.

"We hope to get back on

track and finish the season with double digit wins," said DeGregorio.

The Vikings then will await word of their seeding and first-round opponent in the upcoming state tournament. Winthrop presently is ranked 24th in Division 4. The top 32 teams in the power rankings receive automatic berths in the tourney, regardless of record. A team not ranked in the top 32 must attain a record of .500 or better in order to qualify for the post-season.

WHS GIRLS LACROSSE BLANKS NORTHEAST, 15-0

The Winthrop High girls lacrosse team earned a 15-0 victory over Northeast Regional this past Monday.

Mia Martucci paced the Lady Viking attack with four goals and two assists. Emma Holmes reached the back of the Lady Golden Knight net for three goals and added two assists.

Talia Martucci recorded two goals and two assists. Mia Norris had a goal and two assists; Reese Brodin scored two goals; Elizabeth Quinn had a goal and an assist; and Kira Diaz added one goal.

"Kira Diaz and Elizabeth Quinn each scored their first varsity goals," noted WHS head coach Emma Marrs.

WHS goalie Adrianna Rizzotto earned the shut-out with 14 saves.

In a 13-2 loss to Swampcott last week, the Lady Vikings trailed by a slim 3-0 margin at the half before the Lady Big Blue pulled away after the intermission.

Mia Martucci and Emma Holmes scored the Winthrop goals, with Holmes also earning an assist.

Rizzotto had 11 saves in net.

In a 15-4 loss to Danvers last Thursday, Mia Martucci scored all four of the Winthrop goals. Julia Holmes, Mia Norris, and Kailey Sullivan each had an assist.

Rizzotto made 16 saves in goal.

WHS GIRLS TENNIS AWAITS TOURNNEY MATCHUP

Although the Winthrop High girls tennis team fell short in its matches this past week with Danvers and Beverly, the Lady Vikings turned in strong performances in both contests.

"The last two matches were tough," said WHS head coach Mike Nickerson. "Danvers and Beverly in the past have handled us pretty easily. We lost to Danvers 5-0, but the score was so much closer.

"Four matches went to three sets and we just couldn't seem to win the really big points to close out games," Nickerson continued. "I am really proud of how the girls have improved because Danvers blew us out earlier this year.

"The loss to Beverly stings," Nickerson added. "We had to play it over two days and that hurt us. We were playing really well last Friday, but the rain suspended our match and we had to finish on Monday."

Winthrop was ahead, 2-0, when the match was suspended on Friday, with wins from Mira Ivanis at second singles and from the second doubles tandem of Ava Beshere & Casey Petersen.

"Ava and Casey played their best match of the year to get the straight-set win," said Nickerson. "Unfortunately, the rain gave Beverly a chance to

regroup and make adjustments."

Kendall Brant lost a tough three-setter at first singles against a very talented opponent.

"I can't say how proud I am of what Kendall has accomplished this year," said Nickerson. "At first singles, you play the best players every match. Traditionally, first singles has been a tough spot for us because of the talent level, but Kendall has competed in every match and has won quite a few of her matches. It's astounding to see how much she has improved and the only negative thing I can say about her is that she's a senior. I wish I could have her for a few more years."

Winthrop lost a tight match at second singles, with Genesis Bueno taking the loss. "Genesis fought hard against a really good player and came up just short in each set," noted Nickerson.

"Unfortunately, we lost at first doubles as well," added the coach. "Maddie Rossi & Emma Forsyth had leads in each set, but we just couldn't find a way to close them out. The match was there for the taking, but we just didn't take advantage of our opportunities."

Nickerson and his crew ended their season with a winning record at 9-7 and now will await the pairings to come from the MIAA for the post-season state tournament. That announcement is expected on May 31.

"This is the first time Winthrop has qualified since I have been here, so that shows the level of improvement the girls have displayed," said Nickerson. "Hopefully, we will get matched up with a team of similar ability and we can have a competitive match."

The full bench of the State Supreme Judicial Court has declared unconstitutional a recent act of the legislature relative to the appointment of commissioners to apportion finances and expenses of Suffolk County, which would have included Chelsea, Winthrop, and Revere in the assessments. The court held that under an agreement in 1831, the City of Boston contracted with Chelsea, which originally contained all of what are now Winthrop and Revere, to assume all of the expenses of the county and in return received full control of county affairs. With the growth of Chelsea, Winthrop, and Revere in recent years, Boston has sought unsuccessfully to have those communities pay their share of the county's expenses.

FRESH & LOCAL

Asparagus Season

By Penny & Ed Cherubino

The opportunity to enjoy local asparagus is an excellent reason to wait in line for the opening bell at local farmers' markets. We'll be enjoying asparagus often in the weeks ahead - sometimes twice a week. Supplies at local markets are usually slim and sell out quickly. We'll choose Hadley Grass, the legendary asparagus from Hadley,

MA, in the Pioneer Valley when we can find it. The farmers from Hadley say cold winters and rich soil make for a sweeter, more tender stalk. And, since we try to be fair to all the farmers we love, we'll be testing the flavor of stalks from farms located in other Massachusetts towns. Hadley once declared itself the "Asparagus Capital of the World." Unfortunately, in the 1970s, a fungus destroyed much of

the popular Mary Washington variety. Today a few determined farmers have replaced it with disease-resistant varieties that deliver that all-important Hadley terroir. Yes, Asparagus Is Versatile Early days will find us cooking asparagus in simple ways. Ed loves it roasted and would gladly eat that night-after-night. Penny loves to use aspar-

Asparagus // CONTINUED FROM PAGE 14

two ways. A favorite combo is roasted for Ed with a salad of raw, shaved asparagus and fennel tossed with a lemon and caper vinaigrette on the side.

Another take on the lemon-asparagus combo is to make a lemon risotto with crosscut discs of lightly cooked asparagus mixed in and asparagus tips as a garnish. One evening, this recipe was featured on a menu when we were invited to act as “guest chefs” at the old Cafe Louis. We knew our friend Chef David Reynoso made a fabulous risotto, and the date was in the right season.

Eggs are a traditional pairing with asparagus. Today breeds of hens lay eggs year-round. In the past, many hens didn’t lay in winter, so this pairing was a celebration of spring. You can sprinkle

chopped hard-boiled eggs as a topping. You can also cook up a big batch of asparagus and use the leftovers in a frittata, omelet, fried rice, or pasta.

We love restaurants where the chef treats vegetables with the same respect as traditional proteins. When seasonal vegetables like asparagus are given star treatment, we return repeatedly. When we see both asparagus soup and an asparagus side on the menu, we know that this is a place that reduces food waste and respects the farmers’ work.

We’re happy to see more asparagus on the menu as specials, tossed with other vegetables under a piece of fish, or offered as a sharing or side dish. We hope you’ll keep an eye out for asparagus and support seasonal spe-

cials by ordering it.

Asparagus’ Superpower

Writing for the Harbor Health Group, Sandra Farrell made us aware of a particular benefit of eating asparagus. “Asparagus has a Super Power because it is considered a PREbiotic,” she explains. “While PRObiotic foods have organisms that add to the living strains of good bacteria in your gut, this PREbiotic food contains soluble fiber called inulin that supports the microbiome by actually feeding the beneficial bacteria, like a fertilizer, making your gut a healthier place. By supporting the friendly bacteria with PREbiotic foods like asparagus you create a more beneficial ratio of healthy to unhealthy bacteria.”

All that plus asparagus

is delicious and versatile. Enjoy the local crop as often as you can in the weeks ahead!
