Annual Health Forum for Women held

Photos & Story by Marianne Salza

Senator Lydia Edwards hosted the annual Women's Health Forum on October 19 at Winthrop High School. Sponsored by Commonwealth Clinical Services, Inc., and East Boston Neighborhood Health Center (EBNHC), the Forum raised awareness about physical and mental health by providing opportunities for visitors to speak with over 40 local businesses and organizations that specialize in health and wellness.

"Taking care of your mental and emotional health is like how you should be taking care of your physical health," said Senator Lydia Edwards. "It's about all of us being healthier together, and

Winthrop leads the way with CLEAR program

By Adam Swift

Nearly a decade ago, Winthrop's public health and public safety programs began working together to provide better mental health and substance abuse resources for the town's residents.

The program, now known as CLEAR (Community and Law Enforcement Assistance Recovery) program, has become a model for communities throughout the state and the country.

At last week's community fall forum, Meredith Hurley, the town's Public Health Nurse, updated the community on the history and goals of the program.

"Back in 2014, I personally had never heard the phrase 'police reform' at that point, but that is really when public health aligned with public safety," said Hurley. "As a result of the opioid epidemic, we were seeing a lot of loss in the community and we were concerned about that."

Hurley began conversations with the police and fire chiefs at the time to try to determine different strategies to deal with the epidemic.

"We started with looking at the high rates of fatal and nonfatal opioid overdoses, and public health and public safety came together and formed our collaboration," said Hurley.

At that early stage, she said the collaboration al-

Tufo will go "Beyond The Music" in new theatrical production

By Cary Shuman

From musician, singer, and songwriter to author of children's books, Winthrop's Ralph Tufo has earned a reputation as an

entertainer par excellence.

In his current project, Tufo is serving as the playwright, director, and songwriter for the musical, "Beyond The Blues," that will hit the stage Nov.

11-13 at the Washington Street Baptist Church in Lynn. The event is a fundraiser for the church's food pantry.

Tufo said his inspiration for the musical was his

previous self-written blues songs "that had a story to them."

Tufo wanted to connect those stories and he wrote

Fred Campatelli remembers Mike Eruzione's 'other' 4-3 victory

By Cary Shuman

In Lynn, they still talk about Mike Eruzione.

When Fred Campatelli (Class of 1972) was being inducted into the Lynn English Hall of Fame at an Oct. 12 dinner at Spinelli's in Lynnfield, Campatelli told the audience the story of how he was the English goaltender when the

Bulldogs were beating the Winthrop High Vikings, 3-1, at the old North Shore Sports Center in Lynn.

"I think I set some kind of record, said Campatelli, smiling. "I allowed three goals in 29 seconds. Mike Eruzione was on that team. I think it inspired him for the Olympics."

Eruzione recalls that

memorable 4-3 victory over English. "Chris Costonis scored the three goals and I had three assists," said Eruzione, who later in the season had a five-goal game against the Bulldogs. Stephen Christopher was the third member of the Vikings' No. 1 line.

Of course, the 4-3 score

is very familiar to hockey fans everywhere. That's the identical score of the game against the Soviet Union when Captain Mike scored the game-winner for the 1980 Olympic gold medalists.

Two days later, the USA beat Finland and the greatest sports moment of the 20th century (according to Sports Illustrated) was achieved.

And people around the globe still remember Mike Eruzione's goal and Al Michaels' unforgettable call: "Do you believe in miracles? Yes!"

Temple Tifereth Israel celebrates the Jewish New Year of 5783

Special to the Transcript

Sundown, on Tuesday, 18 October 2023, marked the end of the High Holidays season of the new Jewish year 5783. As they have been well over a century, these Hebrew holidays – New Year, Day of Atonement, and Tabernacles - were again celebrated at Temple Tifereth Israel of Winthrop.

Back in 1912, a new Jewish organization - what was then called the “Tifereth Israel Congregation of Winthrop” - was organized. Now known as Congregation Tifereth Israel, this organization is well into its second century of serving the religious and social needs of the Jewish community in Winthrop and in the area surrounding Winthrop.

Today’s Temple Tifereth Israel conducts services every Saturday and Sunday morning and on Hebrew Holidays. Its Hebrew school holds classes on Sunday mornings and is the only Hebrew School available to

residents of Winthrop and the nearby communities.

The Temple continues to stand as a tribute to those who established a Jewish presence in the town of Winthrop at the start of the twentieth century and as a powerful reminder of America’s religious and ethnic diversity and tolerance.

Temple Tifereth Israel of Winthrop has played a significant role in the history of Winthrop and its surrounding communities for more than a century.

By the middle of the 20th century, it became clear that the continued growth of the congregation required a new and larger synagogue. A new building committee was formed, resulting in the design of a larger and more modern structure. Religious services were temporarily transferred to the community center in 1962 and the original synagogue was razed, along with two neighboring houses. Four years later, in March of 1966, the new home for the Tifereth Israel Congregation was ded-

icated as Temple Tifereth Israel. A festive parade was held to carry the Torah scrolls the short distance from the community center to their new home at 93 Veterans Road.

During the 1960s and 1970s, Temple Tifereth Israel was a vibrant and flourishing organization in the town of Winthrop, with Temple membership exceeding 1,000. The Temple was served by a full-time rabbi, a sexton and a cantor, along with office staff and a maintenance person. Morning, afternoon and evening services were held every day of the year. The Temple maintained a vigorous Hebrew school with

full and part-time teachers.

Since the beginning of the new millennium, the outlook for Temple Tifereth Israel has brightened considerably. Temple membership since the year 2000 has stabilized at around 100 families. In addition to religious services, a number of non-religious events are held throughout the year, some for fund raising and others for purely social reasons.

These days, Winthrop’s Temple Tifereth Israel serves as the focus for those members of the Jewish faith that have remained in Winthrop, for returnees, for newcomers to

Winthrop and for members of Winthrop’s surrounding communities. The Temple serves as the center of Jewish life and culture for anyone contemplating a move to Winthrop. The Temple maintains a web site at jewishwinthrop.org and is also represented on Facebook at Temple Tifereth Israel – Winthrop.

The most important element of any temple is its youth. Temple Tifereth Israel has a Hebrew School which offers a Jewish education to children in Winthrop and the surrounding communities. Graduates of the Temple’s Hebrew School have gone on to further their Hebrew education at higher institutions of Jewish learning, such as the Gann Academy and Prozdor.

This past September, a new rabbi - Rabbi Benjamin Flax – was hired by the Temple. Rabbi Flax has bought a new, dynamic and modern atmosphere to the Temple – both in its religious and its social aspects. The new look at the

Temple was never more evident than in the recently concluded 2022 High Holiday services that the rabbi led at the end of September and in the beginning of October. Attendees at these services were unanimous and effusive in praising the conduct of these services which were conducted jointly and seamlessly in English and in Hebrew.

Today’s Temple Tifereth Israel blends together Orthodox, Conservative and Reform elements into its participatory services and practices. It welcomes all who seek a friendly, comfortable and non-judgmental congregation in a relaxed and unintimidating atmosphere.

With the start of the Jewish New Year 5783, Temple Tifereth Israel looks forward to continuing to serve the Town of Winthrop and the surrounding communities. It wishes all residents of these communities a happy, prosperous, and healthy new year. Above all, it wishes people everywhere a peaceful new year.

lowed for a police officer to knock on doors along with a peer recovery coach at homes following overdoses.

“The peer recovery coach is somebody with lived experience who works (with someone with substance abuse issues) to take them down the path of recovery,” said Hurley. “It can look many different ways, it can be harm reduction, it can be giving Narcan so they or a family member can have it in the house for safety.”

As the partnership progressed, the public health department received a

grant to hire a part-time social worker who worked with public safety on a jail diversion program.

“What we really want to do is keep people out of the emergency system,” said Hurley. “We don’t want to see people in jail and we don’t want to see people in emergency rooms. That’s what it really boils down to.”

Recent good news for the CLEAR program has included a licensed clinician trained in de-escalation working with the police department, and nearly all police officers having been trained in the

crisis intervention team model. Hurley said the goal is to also train the town’s firefighters on the model.

Hurley said the program has also been able to pivot from the earlier opioid-intensive model to address other mental health and substance issues in the town.

“In Winthrop, alcohol was a bigger issue and continues to be a bigger issue, a bigger substance that we are concerned about, so it felt funny for (us) to tell somebody we would love to work with you, but you are not a

heroin user so we cannot because of our funding,” said Hurley.

For more information on the CLEAR program, visit their website by scanning this code with your mobile device.

The CLEAR program was able to address its

funding in order to serve a wider variety of issues in the town, she said.

The program continued to grow and grow, and when the Covid-19 pandemic hit in 2020, Hurley said the town had many resources in place to help deal with the pandemic itself, as well as the many mental health challenges associated with it.

“The CLEAR team has been pivoting and pivoting and pivoting with the needs of the community, and that is really where the success has been with this program,” Hurley said.

The latest highlights of

the program include a police lieutenant assigned to the health department and increased resources to deal with domestic violence.

“CLEAR is on the cutting edge because we have been doing things that are now emerging as best practices,” said Hurley. With that increased visibility has come more opportunities for grant funding to expand the program even more, including a partnership with the Boston University School of Public Health.

open mind. Consider that streets with designated space for cars and designated space for bikes are not inherently more dangerous than streets that only designate space for cars. They are no more catering to the young professional in spandex than to the student in Converse sneakers or the grandparent with groceries. Complete streets are streets for everyone, and that is just what this TIP project supports.

Learning to share space that was once exclusive can feel jarring, but it's what we must do to make our streets the truly public spaces that they are, and it's how we build inclusive, accessible communities. The Revere Street TIP project isn't about bike lanes, and it isn't about any special interest. It's about making Winthrop a better place for everyone, and that is something to make us all proud.

DEMOCRATIC PARTY HAS OUTSTANDING WOMEN CANDIDATES IN THIS YEAR'S STATE ELECTION

Dear Editor,

In the upcoming State Election, there are seven outstanding Democratic women on the ballot that the voters of Winthrop can elect. They are Maura Healey for Governor, Kim Driscoll for Lieutenant Governor, Andrea Campbell for Attorney General, Deb Goldberg for Treasurer, Diana DiZoglio for Auditor, Katherine Clark for Congress, and Lydia

Edwards for State Senate.

Maura Healey has spent her career standing up for the people of Massachusetts and pursuing justice and equality. As Attorney General, Maura has taken on some of the most powerful institutions on behalf of the Commonwealth’s residents. She has protected student borrowers and homeowners from predatory lenders, sued Exxon Mobil for lying about climate change, and held Purdue Pharma and the Sackler family accountable for their role in fueling the opioid epidemic. Maura Healey is running for Governor to bring people together and expand economic opportunities for everyone in Massachusetts.

Kim Driscoll was elected Salem’s first woman Mayor in 2005 on a platform of professional, inclusive, and transparent government and she has been enthusiastically re-elected as Mayor every term since. Kim took office when Salem was in tough shape and turned its government around with efficiencies, and revitalized Salem’s downtown. Kim Driscoll knows how to get things done in government and she will be a great partner to Maura Healey as her Lieutenant Governor.

Andrea Campbell has dedicated her life to fighting for greater equity and opportunity. In 2015, Andrea successfully ran for the Boston City Council and in 2018, she was unanimously elected City Council President – the first Black woman to hold the title. Now, An-

drea Campbell is running for Attorney General to be our voice, our advocate, our champion – for fundamental change and progress. To be an attorney general for justice for all. To be an attorney general for opportunity for all. Truly, to be an attorney general for all of us.

Deb Goldberg ran for State Treasurer in 2014 to give every woman, every man, and every family the financial power and skills they need to get ahead in today’s tough economy. Economic empowerment, economic security, and economic stability have been her personal mission and inspire her in everything she does. Since being elected, Deb has redefined the role of State Treasurer. promoting fiscal policies and programs to ensure opportunity for all. Deb Goldberg’s desire to bring common-sense business principles to benefit the public good comes from lessons she has learned her entire life.

Diana DiZoglio has served as a State Representative and State Senator for the past ten years where she has used her experience as a champion for the people of Massachusetts to advocate for transparency and accountability in our halls of power. Diana is running for State Auditor to make sure that no one – no matter their background, bank balance or zip code – receives different treatment on Beacon Hill. Diana DiZoglio will use her experience to fight for transparency and accountability in state government for the citizens of our state.

Katherine Clark ran for Congress in 2013 because

she saw the issues facing women, children, and families and knew that we could build a stronger, more just country where everyone has a fair shot at a good life. Katherine has achieved remarkable success in Congress in the past ten years delivering results for people in her district and across the country. Every day, Katherine Clark uses her voice and position as Assistant Speaker to work on the issues families are talking about around their kitchen tables: ensuring voting rights for all Americans,

addressing the climate crisis, achieving access to health care, and supporting a more equitable economy for women, kids, and communities of color.

State Senator Lydia Edwards is a career advocate, activist, and voice on behalf of society’s most vulnerable. Prior to being elected to the State Senate and Boston City Council, Lydia worked extensively in the legal field as a public interest attorney focusing on labor issues. As a City Councilor, Lydia Edwards pushed to protect Boston’s affordable hous-

ing stock, reduce airport pollution, expand water transportation, address traffic congestion, ensure community voice in major energy projects, rebuild public housing, and stop proposed highway expansion. As a State Senator, Lydia is continuing to fight for workers, renters, unions, immigrants, teachers, and others to make our Commonwealth more affordable, more inclusive, and more democratic.

Vote for seven women who make sense for Winthrop and Massachusetts!

OUR Opinions

THOSE 30 HOUSE DEMOCRATS:
DID YOU SEND YOUR
LETTER TO PUTIN TOO?

Earlier this week, a group of 30 House Democrats sent a letter to President Joe Biden urging him to seek a diplomatic solution with Russia to end the war in Ukraine. “In conclusion, we urge you to make vigorous diplomatic efforts in support of a negotiated settlement and ceasefire, engage in direct talks with Russia, explore prospects for a new European security arrangement acceptable to all parties that will allow for a sovereign and independent Ukraine, and, in coordination with our Ukrainian partners, seek a rapid end to the conflict and reiterate this goal as America’s chief priority.” Really? What planet are they living on? There has been NO hint from Russian President Vladimir Putin that he is even remotely willing to negotiate an end to the war in Ukraine. To the contrary, he repeatedly has reaffirmed his commitment to “de-Nazify Ukraine,” which is code for eliminating it from the map as a sovereign nation.

He continues to engage in nothing less than the genocide of the Ukrainian people, whether by directly murdering and raping innocent civilians and deporting women and children to Russia, or indirectly through the bombing of civilian housing, hospitals, and infrastructure.

Other world leaders have tried to talk to Putin, most notably presidents Macron of France and Erdogan of Turkey, but all to no avail. If Putin were willing to negotiate an end to the war, why would he be sending an additional 300,000 troops into Ukraine?

The letter from these 30 members of Congress has been applauded by one group in our country who call themselves CODEPINK, whose position on the war in Ukraine is as follows, “As a leading peace and anti-war organization, CODEPINK also asks that all members of Congress, regardless of political party, vote against future weapons and military dollars for Ukraine.”

Essentially, organizations such as these are willing to give carte blanche to Putin to commit further atrocities in Ukraine. Theirs is precisely the sort of thinking that allowed Hitler to engage in his genocide that ultimately resulted in the Holocaust.

Just as it takes two to tango, so too, it takes two to negotiate at the peace table.

Until Putin gives some indication of being willing to end the war that he started, any hint of a lack of solidarity by our members of Congress with the Ukrainian people will serve only to prolong the war and encourage Putin to expand his aggression even more dangerously.

If these 30 Democrats are serious about ending the war in Ukraine (as opposed to just scoring points with random groups like CODEPINK), we assume that they also sent their letter to Putin.

We’ll be eager to hear what he says to them.

ENJOY A HAPPY — AND
SAFE — HALLOWEEN

With the Halloween holiday on Monday, and with many celebrating it over the weekend, we urge all of our readers to take part in the holiday festivities in a safe manner.

Motorists should be extra cautious — by which we mean drive VERY slowly — for the safety of children who will be trick-or-treating in our streets.

Adults also need to be extra careful when “celebrating.” Halloween has become a huge excuse for an adult party night (not that there’s anything wrong with that), but unfortunately, far too many will have too much to drink and then will drive.

We urge all party hosts to ensure that their guests are not inebriated. Parents have to be extra vigilant to make sure that their high school children and friends are not drinking or behaving in a rowdy manner.

We wish all of our readers a happy — and safe — Halloween.

By East Boston’s Delegation
Senator Lydia Edwards,
Representative Adrian Madaro and
City Councilor Gabriela Coletta

In East Boston, we represent one of the most diverse populations in the state. We are not only proud of diversity but we know that, but for immigrants from all over the world, East Boston would not be the vibrant beautiful community that we know and love. We know that for our community to thrive, we must be safe, we must have policies that treat people equally, and we must be practical. That is why we hope you will join us in voting YES on Question 4. Question 4 is a ballot question concerning driver’s licenses in Massachusetts. A yes vote assures keeping the law we (the legislature) just passed. A no vote would repeal the law. The law allows for residents of Massachusetts to apply for and earn a driver’s license. You have to be tested and insured. A test includes the road test, and of course proof that you can read and understand the signs. It makes sense.

Assuring that all drivers are tested, licensed, and insured creates safer roads for all of us. That’s

THE REVERE
STREET TIP
PROJECT IS FOR
EVERYONE

Dear Editor,
Winthrop is fortunate to be on the receiving end of over \$6 million in federal funds allocated through the Boston region’s Transportation Improvement Program (TIP) to improve transportation infrastructure on Revere Street from Crest Ave to Winthrop Street. This half mile segment of road is actually a continuation of town’s last TIP project which improved Winthrop Street from Metcalf Square to McGee’s corner (at Revere St) and part of a larger pool of federal transportation dollars allocated to projects in 97 cities and towns throughout Greater Boston each year (learn more at bostonmpo.org/tip) As Winthrop’s most heavily trafficked roadway, and the only street that runs directly from one entrance of town to the other, the quality and design of Revere Street has an enormous impact on the quality and safety of transportation in our community.

Currently, traffic on Revere Street moves well above the 25 mph speed

why the majority of sheriffs, police chiefs, and district attorneys from across the Commonwealth support it. Allowing people to earn a license regardless of their immigration status doesn’t provide for protection against deportation; it also doesn’t allow for drivers to get on planes, access government benefits, or vote. It only allows a person to drive. In addition, it generates \$5 million in fees and \$6 million in taxes for our state. Finally, this law is supported by law enforcement. That’s why we should keep it!

Driving Families Forward is the coalition that has worked tirelessly to push the drivers’-licenses-for-all initiative forward. Licensed drivers ultimately make the roads safer to travel on for everyone in the state. In addition to the substantial increase in public safety, Massachusetts district attorneys and police chiefs support the modification because it simply makes sense. Leaders in law enforcement understand that insured drivers make the roads safer. They also realize that the licenses will reduce the number of hours it takes a law enforcement officer to

LETTERS to the Editor

limit through an area with a large concentration of elderly residents, children, and schools. The wide travel lanes with few crosswalks incentivize this, resulting in an environment that is generally hostile to people on foot or in wheelchairs and unwelcoming to people on bikes. Buses make their way through general traffic but the people riding them face dangerous crossings to reach their stops and, with the exception of the inbound stops by Governors Park and Golden Drive, must wait on narrow sidewalks with no shelter or seating. As a result, we have a dangerous road that isolates the neighborhoods, schools, and businesses on either side from each other and generates the highest volume of crashes in town.

The Revere Street TIP project seeks to address this. By upgrading ADA facilities, narrowing travel lanes (which slows traffic), reducing distances to cross the street, striping bus stops and painting bike lanes, the new design will facilitate a new way of moving people on this street. The project’s engineers have created a design that makes walking, biking, and using transit

verify a person’s identity during traffic stops.

Other states that issue these types of licenses have seen a significant reduction in hit-and-run accidents. The District of Columbia and 16 other states have taken the steps toward safer roads for their citizens by passing laws that allow people without status to obtain state driver’s licenses.

Studies show that the number of uninsured drivers drops dramatically when all drivers can acquire licenses. Drivers generally feel more comfortable knowing they are less likely to foot the bill for damage stemming from an accident. This is because the probability of a hit-and-run is reduced when more people are covered. Licensing all qualified state residents with a Massachusetts driver’s license or ID, regardless of their immigration status, is a common sense proposal that allows the 78% of workers in the Commonwealth, who rely on vehicles to get to their jobs, to travel the roads as licensed, registered, and insured drivers. Safety is the lowest common denominator. At the base level, the removal of the barrier to licensing ensures consistency. Licensing for all

provides uniformity in the learned rules of the road and the road test required to obtain that license.

Additionally, Massachusetts gains an economic benefit from issuing more licenses. More revenue is generated through biennial registration fees, title certification, and inspection costs. Not to mention, the issuing of licenses brings economic stimulation for small businesses not easily accessible by public transit. Having permission to drive should not be conflated with immigration authority, citizenship status, collection agencies, or the numerous arguments used to distract voters from ultimately having safer roads and a uniform understanding of the rules of the road. Non-citizens have a wide range of rights and privileges that do not require documentation status, and moving about the state should be added to the list.

When November 8th arrives and you’re confronted with the choice of yes or no on Question 4, consider how voting YES on 4 will make our roads safer, make identification processes easier for police officers, and will provide economic stimulus to the Commonwealth.

are critical for the senior population in particular) or gather (expanded curb space at Revere and Shirley St provides new pedestrian space while slowing turning vehicles). In short, Revere Street will become a street for everyone, and that’s as good for the community as it is for business. With the town’s most densely populated residential areas, including senior housing, lining the north side of the street, three schools within a quarter mile, and two of the town’s major retail centers (McGee’s Corner and Crest Ave) at either end, the benefits yielded are enormous, from cleaner air to safer streets to a more active, connected community.

Road construction is never fun or convenient, and this project will be no exception. But after what we’ve just been through with the Center and continue to experience on the segment of Revere Street heading out towards Short Beach, this will be nothing we can’t handle! And while change can be difficult- and the way Revere Street will look and function will indeed change- I encourage my fellow Winthrop residents to keep an

ART 974 - MIRROR IMAGE HOMES #2

Last week, Winthrop Then and Now published the first of two articles on local mirror image buildings. Six sets of such homes have been discovered in town and have been photographed for your enjoyment. Each “pair” of such buildings were constructed by a single contractor who wanted these buildings to not look absolutely identical when sited next door to one another. However, to reduce the cost, they could be built to the same set of drawings. From a non historic viewpoint, we found these six sets of mirror image buildings to be unique and just wanted to share them with our readers. They are not related to any specific period of time since the oldest was built about 103 years ago and the latest about 12 years ago. The four such sets of homes presented last week are located at the following addresses:

- 266 and 270 Main Street
- 468/470 and 472/474

Pleasant Street

- 27/29 Lincoln Street
- 92/94 Lincoln Street

In today’s article, Picture One depicts the only set of Queen Anne Colonial style mirror image homes in Winthrop. Built about a century ago, they are located at 27 and 29 Washington Avenue just opposite the opening to Thornton Park. All of the five pairs of mirror homes presented to date (the four last week and the one above) were originally built on what was, at the time, open land. The remaining sixth set of such buildings was built on part of the site of the Aloha Inn (see picture two), originally built about 1880 at the corner of Highland and Cliff Avenues. Initially opened in 1885 by Mrs. A.W. Fitch, it was owned by Messer’s Hill and White who also owned the Argyle House which is now the rear part of the Winthrop Arms where the kitchen and dining area is today. Picture three depicts the same Highland/Cliff Avenue cor-

ner after the Inn was raised in 1963 and the three homes which now occupy this land were built. Picture four depicts the second and third house from the corner as seen from across the street. Please note that these two homes are also of the mirror image design featured in our article. Councillor James Letterie announced that the Planning Board had given a green light to a new assisted living center project on the site of the Winthrop Hospital which has been dormant for years. Letterie has been leading the effort and has been in contact with the developer since the project’s inception.

Town Manager James McKenna received a strong report card from the Town Council on the evaluation that the nine-member council performs each year. The manager’s performance and leadership abilities are graded in 10 different categories by each member of the Council with a range of scores from one to five and, as Town Councillor James Letterie reported at Tuesday’s meeting, the manager was at or near the upper end of the ladder in virtually every area.

Winthrop voters gave overwhelming support to all Democratic candidates in Tuesday’s state election, favoring Michael Dukakis for governor, Edward M. Kennedy for U.S. Senator, and Francis X. Bellotti for Attorney General.

Town Meeting voted by a 2-1 margin against the recommendation of the Advisory Committee and gave its support to the selectmen to authorize the selectmen to purchase the Post Office building from the Postal Service. The selectmen have said their goal is to convert the Post Office building into a badly-needed new police station.

Tuesday’s Presidential election will be highlighted by the local contest for State Representative between Democratic incumbent Ralph Sirianni and Republican challenger Dick Dimes, a member of the Board of Selectmen. A capacity crowd filled the WHS gymnasium last week for a debate between the pair. In the contest for president, Democratic Senator George McGovern of South Dakota is challenging Republican incumbent Richard M. Nixon.

The new Winthrop Junior High School finally opened its doors this week, seven weeks behind schedule, thus bringing to an end the double sessions which many students have had to endure since school started.

Winthrop has received a check for \$20,000 from the federal government for storm damage caused by the fierce Nor’easter that struck last February 19.

It cannot be sad that Winthrop is a rebel, as the town’s voters mirrored the rest of the state in Tuesday’s state election, giving a narrow majority to Democrat Endicott “Chub” Peabody in the race for governor over GOP incumbent John A. Volpe in the seat-squirming gubernatorial contest that saw Peabody narrowly prevail. Local voters gave a big majority to Edward M. Kennedy, brother of the President, in the race for U.S. Senate. Voters returned incumbent State Rep. Fred Baumeister, 4438-3215, over Democratic challenger Walter Van Dalinda.

An emergency hospital, monitoring stations to detect radiation in the air, and emergency food supplies are some of the items that are ready should a nuclear attack strike here, Civil Defense Director Jerry Wyman informed the selectmen this past week. Wyman said that

fallout shelters will be designated shortly. Winthrop, the nation, and the world have been on edge in recent days because of the Cuban Missile Crisis.

A record turnout of 10,628 Winthrop voters, 92 percent of the local electorate, supported Republican Dwight D. Eisenhower over Democrat Adlai Stevenson for President of the United States, mirroring the nationwide voting.

In state election contests, Winthrop voters joined the rest of the state in supporting Democratic Congressman John F. Kennedy over incumbent Republican Henry Cabot Lodge for the U.S. Senate. Local voters supported Democratic incumbent Governor Paul Dever in his losing bid to Republican Christian Herter.

Winthrop gave a strong show of support to incumbent Democrat Andrew P. Quigley of Chelsea, who also is publisher of the Winthrop Transcript, for the State Senate seat. Quigley handily defeated GOP rival Paul Buonfiglio of Revere. Local voters supported GOP State Rep. Thomas Key in his reelection effort over Democrat Henry Moynihan.

In the ballot questions, local voters supported the question to allow the sale of liquor in package stores in the town, but as usual, voted against allowing the town to license the sale of alcoholic beverages in bar room establishments.

Just 67 percent of the town’s voters turned out for the lackluster state election. However, voters ousted incumbent State Rep. Walter G. Baker in favor of Board of Selectmen Chairman Arthur Vecsey. Voters overwhelmingly voted in favor of allowing alcoholic beverages to be sold in package stores. However, they rejected by a vote of 3027-2345 the so-called birth control question.

About 60 percent of the town’s 5000 homeowners thus far have filled out applications for the rationing of heating oil for the coming winter.

the play in which the characters “will talk about the origins of the song and how music has helped them to overcome difficulties in life.”

Tufo’s own band, The Squeezebox Stompers, will appear in the musical as The Blue Blazers. “We’ll be playing the music and the cast members are singing the songs and doing the monologues,” said Tufo.

Tufo, 72, sets the story in a bar in the Brickyard section of Lynn, where he grew up on South Street. “I have a lot of fond memories of that area,” said Tufo. “My family later moved to East Lynn, and I attended Lynn English High School (Class of 1967).”

Tufo is excited to bring

his latest work to Lynn.

“I’m really happy with our cast,” said Tufo, who held auditions in Winthrop for the play. “We have assembled a cast of talented actors from throughout Massachusetts and Rhode Island.”

Tufo has previously produced, “The Katrina Roadhouse,” a musical about Hurricane Katrina that was performed at the Winthrop School For Performing Arts, and “I’d Rather Be Lucky Than Good,” a farcical comedy about golf, also staged in Winthrop. He has also written short plays for regional festivals and venues.

SCENES FROM WHS VIKINGS FOOTBALL VS. SALEM WITCHES

Photos by Bob Marra

AIR PRESSURE: Winthrop's Alessio Marcoccio zeroes in on Salem quarterback Corey Grimes. The Vikings defensive pressure kept the Salem offense on the run all night as Winthrop won the game 27-21 to improve to 4-3 and a top five spot in the MIAA Division 6 Power Rankings.

OFF AND RUNNIIING: Winthrop's Demetri Koutsouflakis breaks behind the key block by teammate Alessio Marcoccio (51) and takes off to a 44-yard touchdown run that cut the Salem lead to 14-12 in the third quarter.

WITCHES DON'T SCARE ME: Ryan Harris (52) swoops in on Salem quarterback Corey Grimes.

TIE BALLGAME: George Galuris lands in the end zone for a two-point conversion that tied the game at 14-14 in the third quarter.

BY GEORGE, A BIG PLAY

Galuris' punt return for a touchdown propels Winthrop to 27-21 win over Salem

By Cary Shuman

Make a play.

That's been a mantra in Jon Cadigan's football program since he took over as head coach of the Winthrop Vikings.

Who will ever forget Ryan Hovermale's defensive play that saved a victory over Masconomet in the finale of the 2021 spring season? In that same 6-1 campaign, Mikey Chaves had both a Pick-6 and an option pass for a touchdown in a victory over then-undefeated Framingham, which was once America's largest town before it became a city.

George Galuris and the

Winthrop special teams made a play versus Salem, and most everyone agreed it was a turning point in the Vikings' 27-21 victory over Salem at Bertram Field.

Galuris' 67-yard punt return for a touchdown extended beyond the field and into the all-important playoff rankings for Winthrop (4-3). The Vikings are No. 4 in the division, with the playoffs set to start next week at Miller Field following Senior Night today (Thursday).

"It was certainly one of the bigger plays in the game," said Coach Cadigan. "After our film city."

I GOT IT: Mark Johnson (11) looks a pass into his hands for a Winthrop gain.

UNFRIENDLY NEIGHBORHOOD: Salem's Devonte Azuna finds himself surrounded by hostile defenders, including Viking Ryan Harris (52).

HITTING THE OPEN ROAD: Shown above, George Galuris has nothing but open field ahead of him—and his teammates on the sidelines know what's coming: a 67-yard touchdown on a third quarter punt return that put Winthrop ahead to stay 20-14, during Friday's 27-21 win at Salem.

DYNAMIC DUO: Shown to the right, George Galuris (2), who scored twice, and Welvis Acosta (8), who scored what turned out to be the game-winning score, led Winthrop to their fourth win of the season by a 27-21 score at Salem's Bertram Field Friday, October 21.

## WHS SPORTS ROUNDUP

### WHS GIRLS SOCCER CELEBRATES SENIOR NIGHT WITH 1-0 WIN

The Winthrop High girls soccer team celebrated Senior Night in the best possible fashion with a 1-0 victory over Northeastern Conference rival Salem under the lights at Miller Field this past Tuesday evening.

Prior to the contest, the 12 members of the Class of 2023, captain Maddie Stiglets, capt. Lily Tal- lent, capt. Mia Norris, capt. Abby Holmes, Julia Holmes, Emma Holmes, Elizabeth Quinn, Kira Diaz, Cori Powell, Paola Ivanova, Malin Flatner, and Olivia Skomro, were honored for their contribu- tions to the Lady Viking soccer program.

Winthrop notched the winning goal when Kaylee Farrell made a nice run to the Salem goal to deliver a header into the back of the net off a pass from Hannah Parker. Kaylee headed the ball high into the Salem goal over the outstretched arms of the Salem keeper.

Last Friday, the Lady Vikings edged non-league opponent Boston Latin Academy, 1-0. Sopho- more Taia Martucci, as- sisted by Hannah Parker, netted the game-winner late in the match.

"It was a struggle for us to find the back of the net the whole game, even though we dominated play," said WHS head coach Tracey Martucci.

In between those con- tests, the Lady Vikings took on an undefeated (15-0-1) Masconomet squad that is the second-ranked team in the state in Divi- sion 2.

Although Winthrop came out on the short end of a 6-0 decision, Martuc- ci was pleased with her team's effort.

"They are a very tal- ented team and we knew it was going to be a tough game," said Martucci. "But they never quit and worked their hardest."

The Lady Vikings presently stand at 6-9-1 on the season and were

set to wrap up their 2022 campaign with two home matches against Marble- head yesterday (Wednes- day) and Peabody tomor- row (Friday).

### WHS BOYS SOCCER TEAM PLAYS WELL ON SENIOR NIGHT

The Winthrop High boys soccer team played its best game of year on Senior Night last Thursday evening against Gloucester under the lights at Mill- er Field.

The Vikings had dropped the first meeting between the teams earlier in the season by a wide 7-0 margin, but the Vikings parlayed the spectac- ular goalkeeping of Mateo Martinez, some excellent play by Loert Mana up top, and their second goal of the year by Eron Muja to take a 1-0 lead at the in- termission.

The Vikings maintained their slim lead through most of the second half, but with about 10 minutes to play, the refs awarded the Fishermen a penalty kick. Gloucester convert- ed the PK to bring the game back to level and took advantage of a cou- ple of bad breaks for the Vikings late in the game to claim a 3-1 victory.

"I was extremely proud of the boys, who had noth- ing to play for but pride at 0-15," said WHS head coach Phil Ronan. "They played their hearts out."

Ronan and his crew will conclude their 2022 sea- son when they travel to Salem today (Thursday) and to Northeast Regional tomorrow (Friday).

study, we felt good about the play during the week. It was our standard wall-punt and we wanted to return the football to the left side for the first time this season. George's responsibility is to make a couple of defenders miss tackles and get behind the wall of blockers – and he was gone [to the end zone] after that."

Cadigan credited sophomores Will Murphy and Michael Holgersen and junior Mark Johnson for taking care of Salem's "gunners" with blocks during the punt return.

Interestingly, one possession earlier following a Salem touchdown, Galuris caught a key 30-yard pass on a 2nd-and-12 play from quarterback Robert Noonan. Sophomore Demetri Koutsouflakis raced 44 yards down the sidelines on the next play for a touchdown. Galuris followed that TD for a rush or a two-point conversion. Also now handling the role as the placekicker, Galuris booted the PAT after his electrifying punt return for a touchdown.

Galuris joins good company in the punt-return-for-a-TD category versus Salem. All-Scholastic Bobby Hubert returned a punt for a touchdown two seasons ago.

Guauque makes a triumphant return

Daniel Guauque, a senior captain and defensive end, returned to the field after missing five games due to an injury. Guauque made his presence felt as the Vikings' Black Shirt Defensive Player of the Game.

"He was all over the field making hustle plays and hurrying the Salem quarterback," said Coach Cadigan. "Danny has always been a high-motor guy. We've obviously missed him. It's important to have him on the field for the stretch run. I was extremely happy for him to get back, No. 1, and play the way that he's capable of playing in his first game back."

DK goes all the way for a TD

Demetri Koutsouflakis

took the football 44 yards for a TD on a jet-sweep play. Was it a breakout moment for the sophomore?

"In Demetri's last two games (versus Salem and Peabody), he's had success on the jet-sweep," said Cadigan. "I think he's starting to get the hang of it. He understands the importance of getting to the sidelines. You have to be fast, but you also have to be patient at the same time, but you're trying to get the corner."

Junior Alessio Marcocio did a superb job as the pulling guard on the play, "sealing the corner inside so Demetri could get the sideline."

Koutsouflakis was Winthrop's leading rusher with nine carries for 78 yards.

Welvis Acosta, who is certainly heading to the NEC All-Star Team, had 14 carries for 70 yards and a touchdown. George Galuris had 13 carries for 51 yards and caught three passes for 44 yards. Mark Johnson caught three passes for 25 yards.

Quarterback Robert Noonan was 6-of-11 for 87 yards and once again excelled at middle linebacker, where he also leads the signal-calling on the defensive unit.

"Robert is doing the things you need to do to win football games," said Jon Cadigan. "He's emerged in the last few weeks as a weapon in our passing game. He's been very steady all year on defense. I though he played a very good game."

Seniors to be honored

Team captains Robert Noonan, Welvis Acosta, and Daniel Guauque, and their families will be honored on Senior Night before Thursday's game versus Saugus High at Miller Field. Kickoff is 6:30 p.m.

"Senior Night is always a special night," said Cadigan.

The senior student-athletes on the Winthrop High cheerleading team and their families will also be honored during the pre-game ceremony.

and Sage Calinda will represent the WHS girls, while the duo of Liam Natareno and Liam Kenney will carry the Viking banner for the boys.

Coach Nik Tower's squad completed its regular season last Thursday when they hosted Masconomet on the 2.6-mile course at Deer Island in a meet that was highlighted by Senior Day festivities.

Senior Libby Carney once again led the Lady Vikings across the line in a time of 18:46.

She was followed by teammates April Ferguson (19:41), senior Marie Vittoria Cimaglia (20:25), Sage Calinda (22:02), and Shams Karzan (26:40).

On the boys side, Liam Natareno blazed to a clocking of 16:56, followed by Mason Whatley in 21:22 and Dawson Franks in 33:13.

WHS VOLLEYBALL TEAM DEFEATS SAUGUS, 3-1

The Winthrop High volleyball team earned a 3-1 victory over Saugus last Wednesday by scores of 25-20, 25-19, 22-25, and 25-20.

Among the highlights of the match for the Lady Vikings were the play of Bridget Hickey, who

delivered the first points of the first and third sets through kills and who also had a serving streak of three points in the fourth set; Lara Ferrari, who had a serving streak of seven points in the second set; and freshman Anastasia Gajica, who had two blocks and two kills in the second set.

The following day, the Lady Vikings came up short in an exciting five-set match with Mt. Alvernia, 19-25, 14-25, 25-21, 29-27, and 7-15.

"This was a thrilling game for everyone involved," said WHS head coach Lauren Kelly. "We ended up winning the fourth set, after going into overtime more or less, which put us through to a fifth set.

"Although we lost, the team fought really hard," Kelly continued. "In the first set, Mira Ivanis and Anastasia Gajica each had two kills. Rachel Flynn, Lara Ferarri, Anastasia Gajica, and Sara DeGennaro all got aces in the first set. Captain Sara DeGennaro had a serving streak in the fourth set which helped us win that set."

Kelly and her crew are scheduled to conclude their season today (Thursday) at Peabody.

Deanna Marie Rauseo

She will be missed by many

Deanna Marie Rauseo of Winthrop, formerly of Saugus and East Boston, passed away on October 22.

Deanna worked for nearly 50 years at Pace-Spataro & Bellino Insurance Agency in East Boston.

She will be missed by many.

The loving daughter of the late Frank and Mary (Buonopane) Rauseo, she was the dear sister of Anthony Rauseo of Winthrop and her late twin brother, Michael Rauseo. Deanna was always surrounded and cherished by her many adored cousins and friends.

Family and friends will honor Deanna's life by gathering at the Ruggiero Family Memorial Home, 971 Saratoga Street, East Boston, today, Thursday,

October 27 from 4 to 8 p.m. and again on Friday at 10 a.m. for a prayer service in our serenity chapel. Services will conclude with Deanna being laid to rest in Winthrop Cemetery in Winthrop. May she rest in peace.

All types of services for all types of people.

Some people prefer traditional funeral services. Others prefer cremation. Some want an elaborate ceremony. Then there are others who don't want any ceremony at all. When it comes to funerals, there are as many options as there are people. And we take pride in being able to say we offer them all.

WINTHROP YOUTH CHEERING SQUADS COMPETE AT IPSWICH HIGH SCHOOL

Recently, three local teams competed at Ipswich High School Cheer for a Cure invitational to benefit Susan G. Komen Foundation to help fight breast cancer. Our E team, the youngest team to participate, made up of first and second graders came in first place! Both the A (seventh and eighth grade) and C (fifth and sixth grade) teams earned third place! Coaches and parents are incredibly proud of all the teams. It was a special

weekend for the program to have all three teams place. Cheer is a very short season and the girls work very hard preparing for competition with the

limited practice time that they have. This is the first competition experience for many of the girls so coming in first and third place is very impressive.

Congratulations to all WVYC girls on your accomplishment

The Winthrop Youth Cheering A Team: Ava Dutra, Brianna Rizzotto, Ella Giacalone , Emma Holgerson , Giuliana Martin , Juliet Bettano, Kelsey Tallent, Kylie McFarland , Lucy Boncore, Makayla Herdt, Phoebe Calinda, Scarlett Bomarsi, Sofia Gonzales, and Sofia Deprimeo.

The Winthrop Youth Cheering C Team: Alena Capasso, Allen Rockefeller, Aiofe Turner, Audra Currier, Ava MacKenzie, Briella MacFarland, Ella Grace Ferrara, Emily Harkins, Emma Previte, Gabriela Biancardi, Giuliana Graygor, Giuliana Grimaldi, Leah Laquerre, Lincoln Banfield, Maddie Calla, Molly Titemore, Olivia Green, and Sophia Sciaraffa

The Winthrop Viking Youth Cheer E Competition Team competed at their very first competition ever this past weekend on Saturday Oct. 22,2022 at Cheer for a Cure located at Ipswich High School and won First Place!!! Great Job Team!!! and we want to say Thank You to the Coaches for all their hard work!  
The Winthrop Youth Cheering E team (shown above celebrating their win): Alexia Graygor, Alexia Farmer, Adeline Morris, Sloane Morris, Sienna Dougherty, Adria Belanger, Isabella Brandao, Tessa Cafarelli, Hunter Nigro, Leah Logan, LilyAnne Barron and Maya Murray.

WHS SPORTS *Through the Years*

10 years ago  
October 25, 2012

The Winthrop High football team was hoping to continue the positive feeling after its memorable win over Saugus a week ago, but Pentucket running back Cody Rothwell had other plans. Winthrop's defense was unable to consistently contain Rothwell (271 yards rushing, 4 TDs) and the result was a tough 26-21 loss to the Sachems Saturday night at Miller Field. The Vikings started slowly and fell behind 12-0 after one quarter, but would answer in the second quarter thanks to Ruben Powell, who made a great catch of a pass from Dylan Driscoll that resulted in a 31-yard gain. Driscoll then connected with Powell for a 15-yard touchdown. Eric Castro booted the PAT to close the gap to 12-7. The Vikings would then take the lead on their first possession of the second after orchestrating what was arguably the best scoring drive of the season. With Driscoll running the hurry-up offense to perfection and Jordan Corbett-Frank taking control in the rushing game, the Vikings used ten plays to reach paydirt. Corbett-Frank scored on a three-yard run before Castro added the PAT to give the Vikings a 14-12 advantage. After Pentucket moved out to a 26-14 lead, Driscoll found Powell in the end zone for their second TD connection and Winthrop was within striking distance at 26-21 late in the fourth quarter. But with precious few seconds remaining after stopping Pentucket on downs, the Vikings were unable to go the length of the field for the winning score. Winthrop amassed more than 400 yards of total offense and ran more than 60 plays. Dylan Driscoll was 13-for-19 for 183 yards and two touchdown passes. Corbett-Frank had 13 carries for 85 yards and a touchdown. Driscoll said the offensive line of Dan Feeley, Tommy Lund, Luke Hodgkins, Eric Castro, and James Baxter excelled and helped Winthrop produce 280 yards on the ground.

The Winthrop High football team saw its hopes for a possible Northeastern Conference title all but dashed in the wake of a disappointing 14-10 loss to Beverly, which ran over

the Viking defense for 310 yards rushing. Beverly, which was pounded by a 33-0 score last year by Winthrop, scored the winning touchdown in the final quarter after Lucas Guarino had scored to give Winthrop a 10-7 lead. Sophomore Anthony Fucillo kicked a 36 yard field goal for Winthrop in the second period.

Lady Viking cross country runners Andrea Bruno and sisters Caitlin and Danielle Doherty were named to the NEC all star team for their top 10 finishes at the NEC all league meet held on the 3.1 mile Bradley Palmer State Park course. Bruno, a freshman, was sixth overall in 20:39 in rainy conditions. Coach Warren MacPhail was named Coach of the Year for his team's 9-2 record and second place finish.

November 5, 1992

The Winthrop High football team earned its biggest victory in nearly a decade with a 15-8 triumph over previously-undefeated Lynn English before a large crowd at Miller Field who saw the Vikings outplay and outmuscle the Bulldogs. The Vikings, who have just one loss this season, now are in a position to clinch at least a share of an Northeastern Conference title and a chance to reach the Super Bowl. The contest was not decided until the very last play, when Winthrop linebacker Freddie Long tackled the English tight end at the

Winthrop five yard line to put a stop to an English last ditch scoring drive. Anthony Palmer ran for 162 yards on 24 carries, including a spectacular 53 yard rumble for a TD in the fourth quarter in which he eluded eight would-be tacklers. Robert Ferland picked up 60 yards on 18 attempts and scored the other Winthrop TD. Linebacker Ryan Gaughan earned the Lynn Item Defensive Player of the Week award and a Boston Globe Division 3 All-Star of the week award for his stellar defensive play.

Tracey Gigliello, who scored 15 goals to go with seven assists on the season and who is the WHS girls soccer all-time leading scorer, has been named to the NEC all-star team. The Lady Viking team also was honored with the NEC's Team Sportsmanship Trophy.

Junior Boris Barrow, the second leading scorer for the WHS boys soccer team this season, has been named to the NEC all-star team.

Winthrop cross country stars John Mullane and Brandi Beach became the first boy and girl duo from the same school ever to capture the All League Meet of the NEC on Saturday. Mullane outran all of his NEC rivals to take first place in 16:20 over the 2.95 mile course at the Pingree School. His closest foe was four seconds behind. Beach did likewise in a time of 19:46, eight seconds faster than her nearest opponent.

WINTHROP MARKETPLACE

MONGOLIAN CHICKEN

INGREDIENTS:

• 1 pound chicken breast tenders, cut into thin strips

• 1 cup cornstarch

• 2 tablespoons vegetable oil

• 1 teaspoon minced garlic

• 1 teaspoon ginger puree

• 1 teaspoon Sriracha sauce

• 1 tablespoon sesame oil

• 1 tablespoon rice vinegar

• ¼ cup brown sugar

• ½ cup soy sauce

• 4 green onions, chopped

DIRECTIONS:

**STEP 1:** Place chicken strips and cornstarch in a large resealable plastic bag. Shake to coat.

**STEP 2:** Heat vegetable oil in a large skillet over medium-high heat. Add chicken and cook until golden brown on the outside and juices run clear, about 5 minutes on each side. Transfer to a paper towel-lined plate.

**STEP 3:** Whisk together garlic, ginger puree, Sriracha, sesame oil, rice vinegar, brown sugar, and soy sauce. Add mixture to the skillet and bring to a boil. Reduce heat and simmer until sauce has thickened, about 3 minutes.

**STEP 4:** Return chicken to the skillet. Add green onions and toss to coat. Cook over medium-high until heated through, about 2 minutes. Serve immediately.

# As Halloween creeps closer, NFPA urges public to keep fire safety in mind

Staff Report

Halloween is a boo-tiful time of year, full of spooky celebrations and activities, but it also presents some real and scary fire safety hazards. As the holiday nears, the National Fire Protection Association® (NFPA®) is encouraging everyone to take simple precautions that can help ensure the holiday remains festively fun.

“As more people plan to celebrate the holiday this year, whether it be trick-

or-treating or costume parties, we want everyone to know where potential fire risks exist so they can take the steps needed to minimize them,” said Lorraine Carli, vice president of Outreach and Advocacy at NFPA.

According to NFPA, an annual average of 770 home structure fires began with decorations between 2014 and 2019, resulting in one civilian fire death, 26 civilian fire injuries and \$13 million in direct property damage. More than two of every five (44 per-

cent) of these fires occurred because the decorations were too close to a heat source, such as a candle or hot equipment.

NFPA offers these tips and guidelines for enjoying a fire-safe Halloween:

- Decorations: Many common decorations like cornstalks, crepe paper, and dried flowers are very flammable. Keep these and similar decorations far away from any open flames or heat sources, like candles, heaters, and light bulbs.
- Candles: Using candles

as decoration can be risky if not done correctly. Keep them in a well-attended area out of the path of potential trick-or-treaters. Remind children of the dangers of open flames, and make sure they are always supervised when candles are lit. Extinguish candles before leaving an area.

- Jack-o-lanterns: Glow sticks or electric candles are the safest choice when it comes to lighting up your jack-o-lantern, but if you choose to use a real candle, do so with extreme cau-

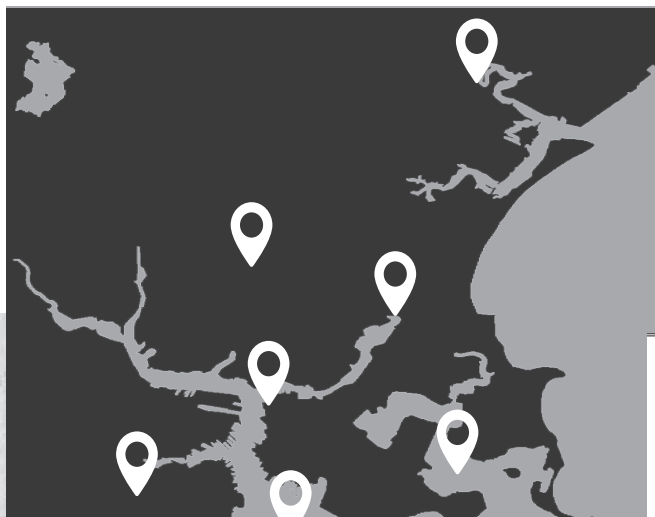

tion. Light a candle inside a jack-o-lantern using long fireplace matches or a utility lighter and keep it away from other decorations.

- Costumes: Avoid fabric that billows or trails behind you, as these can easily ignite. If you are making your own costume, avoid loosely woven fabrics like linen and cotton, which can be very flammable.
- Visibility: Give children flashlights or glowsticks for lighting, these can even be incorporated into the costume. If your

child has a mask, ensure the eye holes are large enough for them to see clearly.

- Smoke Alarms: This is a great time to make sure your smoke alarms are functional and up to date.
- Exits: Exits are NOT an appropriate place for decorations. When decorating, ensure that nothing is blocking any escape routes.

“With a little added awareness and planning, people can enjoy a fun-filled Halloween and stay fire-safe in the process,” said Carli.

Nicole DeFelice, Jeanne Holgersen, Clinical Nursing Director of Commonwealth Clinical Services, and her mother, Sandra Hurley, President of Commonwealth Clinical Services, and Lisa-Ann Pacino.

## Health Forum // CONTINUED FROM PAGE 1

President of Commonwealth Clinical Services, Inc., is the co-founder of Winthrop's only visiting nurse association, which provides full-service healthcare. Commonwealth Clinical offers physical and occupational therapy, skilled nurses, certified home health aides, speech and language therapy, and social workers.

"We also offer 24-hour home private care to assist you through rehabilitation," noted Hurley. "We can assist you through confusing and complicated insurance problems."

Hurley introduced her daughter, Jeanne Holgersen, Clinical Nursing Director of Commonwealth Clinical. The nurse practitioner specializes in private care in adult gerontology at the office of Doctor P.C. Shah, M.D., in Winthrop. The mother of five children serves as the Vice Chair of the Winthrop Board of Health Advisory Board, which identifies and solves community health problems in collaboration with other town organizations.

"The past couple of years have been challenging. We have learned a lot from the Covid-19 pandemic, including identifying loneliness, isolation, and physical limitations of sickness," Holgersen revealed. "This is our community, and we are responsible for one another. The greatness of a community is measured by the compassionate actions of its members."

Holgersen explained

the Board of Health's commitment to keeping Winthrop a healthy and environmentally safe place to live in and enjoy. The Board of Health supports residents who need personal assistance, and provides referrals to resources. They develop policies and procedures to protect the people of Winthrop, and educate residents about healthy behaviors.

Speaker, Doctor Jackie Fantes, is the Executive Vice President and Chief Medical Officer at EB-NHC, one of the largest community health centers in the nation, serving over 120,000 patients a year. She has served in the United States Navy as a general medical officer and emergency department physician on the coast and abroad.

"Women's health is of particular interest in my career as a family physician," explained Doctor Fantes. "I've had the privilege of caring for women locally and around the globe. There is one common thing: we give of

ourselves before taking care of ourselves. It's important that we take care of ourselves, too."

Doctor Fantes introduced her friend and colleague, Doctor Karin Leschly, EB-NHC Vice President and Chief Quality Officer, who is committed to reducing food insecurity, and promoting access to nutritious foods. As a family medical physician, Doctor Leschly feels like she cares for the entire family.

"To truly care for a patient, we need to address issues around their mental health and physical health," advised Doctor Leschly, a mother of five daughters.

She discussed the importance of nutrition to our overall well-being, and dispelled common myths about nutrition. According to Doctor Leschly, there are no foods that will

make you lose weight, and fats such as avocados, nuts, and olive oils are part of a healthy diet. She suggests shopping seasonally, and considering frozen or canned vegetables to save money.

Speaker, LeighAnn Eruzione, serves youth and families impacted by substance use and mental health needs as the Director of the Community Diversion and Intervention Program at CASA (Community Against Substance Use). The mother of three boys explained CASA initiatives such as career readiness, social justice, and gender identification programs that provide youth a place to explore.

"Our goal is to identify risky behaviors, bolster the positives, and create impactful, educational opportunities to help young people carve their own successful paths," described Eruzione. "Our youth are the future foun-

dation of our communities, and these important developmental milestones need special attention to foster healthy progress."

Keynote Speaker J.C. Monahan, is an Emmy Award-winning journalist, NBC newscaster, and recipient of the 2022 Hope Award. The mother of two daughters shared her struggles with depression and anxiety, and the pressure on women to be family caregivers that are also focused on their careers.

"Mental health is good

health," declared Monahan, who reminded listeners to take time for themselves, set boundaries, drink water, and sleep restfully. "Depression is a disease. I have to keep on top of it; but now I have the tools to succeed. I'm not alone. My life is realistically balanced. Remember, you can't be there for others if you're not there for yourself."
