### LOCAL USPS WILL BE CLOSED IN RECOGNITION OF VETERANS DAY

Post offices across the commonwealth will be closed on Friday, November 11, in honor of Veterans Day. There will be no street delivery, except for guaranteed overnight parcels, and all retail operations will be closed for the day. Full retail and delivery operations will resume on Saturday, November 12.

As one of the largest employers of US veterans, nearly 10% of our workforce nationally, the Postal Service is proud to honor the men and women who have selflessly served our country in war and in peacetime and those who continue that tradition today. As the saying goes, "America is the land of the free because of the brave."

The Postal Service generally receives no tax dollars for operating expenses and relies on the sale of postage, products and services to fund its operations.

The Winthrop Foundation is proud to award a \$70,400 grant to Winthrop Loves Trees, Inc. (WLT), a local nonprofit citizen's group whose mission is to protect and improve Winthrop's urban forest and urban greening by advocacy, planning, planting, conserving, education and

good stewardship.

The Foundation is grateful to Massport for its generous funding appropriation which allows grants like this to benefit our town, and to Michael Vatalaro, Manager of State and Community Relations at Massport, for his ongoing support of the Foundation's mission. Foundation board members, town officials, and WLT members also great-

ly appreciate the strong support of both State Representative Jeffrey Turco and Senator Edwards. On Saturday October 8, 2022, an official Citation from the office of Senator Lydia Edwards was presented to WLT by Eric Reidister, a liaison from Senator Edwards' office, noting the benefits the WLT project will have on the community.

Chairman Russ Sanford

of the Winthrop Foundation and all of the Foundation's board members are thrilled to support WLT. "The tree plantings and greening of our town will beautify Winthrop and benefit the environment for years to come," said Chairman Sanford.

## Winthrop Health Department receives \$571,932 grant

Special to the Transcript

Health Director Meredith Hurley is pleased to announce that the Winthrop Department of Public Health and Clinical Services (WDPW&CS) has been awarded more than half a million dollars in grant funding to address youth mental health in the coming years.

The \$571,932 grant was provided by the Massachusetts Community Health and Healthy Aging Funds (MACHHA) and will be distributed to the Winthrop Health De-

partment over a three-year period.

The goal of the MACHHA is to work with community partners to disrupt barriers to health, increase awareness and address the impact of structural racism on population health, and create long-term, meaningful changes in population health outcomes.

WDPW&CS will use the funds for three initiatives, including hiring a youth social worker who will provide direct clinical services to youths in need in Winthrop. Additionally, the department will cre-

ate a youth mental health workgroup in partnership with Winthrop Community Actions for Safe Alternatives (CASA) in order to develop a program tailored to the community's needs, guided by input from community members.

WDPW&CS will increase the amount of training staff receive regarding mental health needs recognition and referrals to services.

Over the summer, WDPW&CS conducted a

## WINTHROP POLICE BLOTTER

*The following incident reports are among the calls to which the Winthrop Police Department responded on the listed dates. The log is a public record and available for review. All persons who are arrested or charged with a crime are presumed innocent until proven guilty in a court of law.*

### MONDAY, OCT. 24

1040: A resident came into the station to report that his identifying information was used to set up a fraudulent Verizon account.

1450: A caller reported that a window in a neighbor's vacant house on Cottage Ave. was open. The officers who responded discovered a large raccoon inside the premises and called the realtor to take care of the problem.

1612: An officer stopped a motor vehicle (MV) on Revere St. for the civil moving infraction of a red light violation. When the officer determined that the insurance for the MV had been revoked, which is a criminal offense, the operator said she was unaware of that issue. In view of the weather conditions (pouring rain) and that the operator had a small child in the MV, the officer escorted the operator back to her home (rather than ordering the MV to be towed and leaving the operator and the child on the side of the road). He ordered her to park the MV on private property and not to operate it until the insurance issue was resolved. The officer issued a citation for the civil moving infraction of the red light violation.

1624: An officer responded to a report of a disturbance between a group of teens and an adult in the lobby of the Frost Public Library. Most of the teens fled the scene. The officer determined that the incident arose over a teen playing with a cigarette lighter in the library. The officer confiscated the lighter and restored the peace.

### TUESDAY, OCT. 25

0144: An officer issued parking tickets to nine vehicles without resident parking stickers on Lowell and Emerson Rds.

0925: An officer ordered a tow for a motor vehicle with an expired registration and without insurance that was parked on River Rd.

1416: A Shirley St. business reported that two middle school-aged youths shoplifted two cartons of ice cream from the store freezer. The officer filed a report.

### WEDNESDAY, OCT. 26

0126: An officer issued parking tickets to 13 vehicles without resident parking stickers on Hermon St.

0127: An officer issued a parking ticket to a vehicle without a resident parking sticker on Locust St.

0148: An officer issued parking tickets to three vehicles without resident parking stickers on Almont St.

0151: An officer issued parking tickets to four vehicles without resident parking stickers on Locust St.

1021: A Governor's Park resident reported the theft of a package that had been delivered. The officer will review video footage and filed a report.

1159: A business in the Centre reported that the glass on the front door had been broken. The officer filed a report.

1314: A report of a dead raccoon in the middle of Irwin St. was referred to the DPW.

1725: Officers responded to a motor vehicle (MV) accident in which an MV struck a tree on Shirley St. The operator fled the scene and was identified as carrying a guitar case. The MV had a parking pass for a Main St. residence and the operator eventually was located on Main St. Officers arrested Brendan Shay Canning, 24, of Northfield, MN, for the criminal offenses of operating a motor vehicle while under the influence of liquor and leaving the scene of an accident after

causing property damage. He also was cited for the civil moving infraction of having an open container of an alcoholic beverage while operating an MV. The MV was towed.

### THURSDAY, OCT. 27

1515: A report of water bubbling up from the street on Charles St. was referred to the DPW.

1531: An officer spoke to the owner of a large dog that was barking in the backyard of a Sea Foam Ave. residence and directed the owner to manage the situation.

2013: An officer issued a parking ticket to a vehicle without a resident parking sticker on Crest Ave.

### FRIDAY, OCT. 28

0629: An officer ordered a tow for a motor vehicle on Forrest St. that was blocking a driveway.

1249: A resident came into the station to report a case of identity theft.

1251: An officer stopped a motor vehicle at Veterans Rd. and Hadasah Way for the civil moving infraction of speeding. The officer gave a verbal warning to the operator.

1524: An officer stopped a motor vehicle (MV) at Washington Ave. and Veterans Rd. for the civil moving infraction of excessive window tint. When the officer determined that the operator's license was suspended, he directed a licensed operator to take control of the MV. The officer issued a citation to the operator, a 23 year-old Abington man, for the civil infraction of excessive window tint and for the criminal offense of operating an MV with a suspended license (subsequent offense).

1551: An officer assisted the parties with the exchange of papers at a minor motor vehicle accident on Franklin St.

### SATURDAY, OCT. 29

0136: An officer issued parking tickets to four vehicles without resident parking stickers on Her-

mon St.

Shirley Street between Crystal Cove Street and Moore Street is currently blocked off, and there is no bus service to the Point Shirley area. Motorists and pedestrians are asked to avoid the area.

Residents should expect to see a significant police presence in the area for the next several hours.

The investigation remains active and ongoing, but police do not believe that there is any danger to the public. No further information is being released at this time.

mon St.

1120: An officer stopped a motor vehicle on Pleasant St. for the civil moving infraction of speeding. The officer issued a citation to the operator for that offense as well as for a seat belt violation.

1135: An officer stopped a motor vehicle on Washington Ave. for a civil moving infraction. The officer issued a citation to the operator.

1202: An officer stopped a motor vehicle on Washington Ave. at Veterans Rd. for the civil moving infraction of speeding. The officer issued a citation to the operator.

1223: An officer stopped a motor vehicle on Veterans Rd. for the civil moving infraction of a stop sign violation. The officer issued a citation to the operator.

1231: An officer stopped a motor vehicle on Veterans Rd. for the civil moving infraction of a stop sign violation. The officer issued a citation to the operator.

1243: An officer stopped a motor vehicle at Shirley and Cross Sts. for the civil moving infraction of using a cell phone in violation of the hands-free law. The officer issued a citation to the operator.

1654: An officer stopped a motor vehicle on Main St. for a civil moving infraction. The officer gave a verbal warning to the operator.

1720: An officer issued a parking ticket to a vehicle parked in front of a fire hydrant at Wave Way Ave. and Shore Drive.

1856: An officer stopped a motor vehicle on Veterans Rd. for the civil moving infractions of speeding and unsafe operation. The officer issued a citation to the operator for the speeding violation and gave a verbal warning for

the unsafe operation violation.

1917: An officer stopped a motor vehicle on Veterans Rd. for the civil moving infraction of a stop sign violation. The officer issued a citation to the operator.

1932: An officer stopped a motor vehicle on Hermon St. for a civil moving infraction. The officer gave a verbal warning to the operator.

1944: An officer dispersed persons from Hannaford Park, which is closed after dark.

1946: An officer stopped a motor vehicle on Pleasant St. for the civil moving infraction of operating without headlights after dark. The officer gave a verbal warning to the operator.

1952: An officer stopped a motor vehicle on Main St. for the civil moving infraction of a red light violation. The officer issued a citation to the operator.

2013: An officer stopped a motor vehicle at Winthrop and Lincoln Sts. for the civil moving infraction of a stop sign violation. The officer issued a citation to the operator.

2028: An officer stopped a motor vehicle on Cross St. for the civil moving infraction of a stop sign violation. The officer issued a citation to the operator.

2306: An officer moved along a motor vehicle with four persons that was parked on Bayview Ave.

### SUNDAY, OCT. 30

0014: A resident called the station to report that fraudulent charges began to appear on his credit card after he had sent personal information to a potential landlord on Craig's List. The officer filed a report.

0134: An officer issued parking tickets to six vehicles without resident parking stickers on Beacon St.

0142: An officer issued parking tickets to four vehicles without resident parking stickers on Pleasant Park Rd.

0530: An officer ordered a tow for a motor vehicle blocking a driveway on Cliff Ave.

0958: Officers responded to a motor vehicle accident involving a motorcycle at Centre and Atlantic Sts. The operator refused medical attention and the officer filed a report.

1137: An officer responded to a report of a grey pit bull running loose on Locust St. The officer located the owner, who said that the dog got out through a hole in the fence. This is the third time police have been called about the loose dog and the owner said he will repair the fence.

1615: An officer issued a parking ticket to a motor vehicle that was parked partially past the No Parking Here to Corner sign at Bartlett Rd. and Eggleton Park.

1748: An officer stopped a person on a moped that was unregistered. A person came to take the moped in the back of a pick-up truck and the officer educated the moped operator about the news laws pertaining to mopeds having to be registered.

1854: An officer stopped a motor vehicle at Shirley and Cross Sts. for a civil moving infraction. The officer gave a verbal warning to the operator.

Special to the Transcript

Chief Terrence M. Delehanty is pleased to announce that Sgt. Nicholas Bettano received Massachusetts law enforcement's highest honor at the annual George L. Hanna Memorial Awards for Bravery.

Sgt. Nicholas Bettano was awarded the Medal of Honor by Gov. Charlie Baker and Hanna's daughters on Tuesday, Nov. 1 at Mechanics Hall in Worcester.

On June 26, 2021, Winthrop Police responded to an incident in which a suspect crashed a stolen box truck into a vehicle and building, then fatally shooting two bystanders.

Sgt. Bettano was the first to arrive on scene, learning en route that he was responding to an active shooter incident. Upon arrival, a bystander directed Sgt. Bettano to-

ward the suspect, whom he observed to be in possession of a handgun.

Sgt. Bettano assisted multiple bystanders to safety before making several attempts at commanding the suspect to drop his weapon. The suspect aimed his firearm at Sgt.

Bettano, forcing him to discharge his weapon. Sgt. Bettano wounded and ultimately killed the suspect, protecting the safety and security of himself and others.

The subsequent investigation revealed the sus-

## Winthrop Police investigating stabbing on Shirley Street

Staff report

Chief Terence M. Delehanty reports that the Winthrop Police Department is currently investigating a stabbing that occurred on Shirley Street Sunday night.

Just before 8 p.m., police responded to Shirley Street between Crystal Cove Street and Moore Street and located a male suffering from a stab wound. He was transported to an area hospital and his condition is unknown

at this time.

Shirley Street between Crystal Cove Street and Moore Street is currently blocked off, and there is no bus service to the Point Shirley area. Motorists and pedestrians are asked to avoid the area.

Residents should expect to see a significant police presence in the area for the next several hours.

The investigation remains active and ongoing, but police do not believe that there is any danger to the public. No further information is being released at this time.

# Temple Tifereth receives grant from state

Staff Report

The Baker-Polito Administration announced grants totaling more than \$4.1 million to help Massachusetts nonprofit faith-based organizations to improve physical security and protect against terroristic and hate-fueled attacks. The awards were announced during the 4th Annual Faith-Based Organizations Safety and Security Seminar hosted by the Commonwealth Fusion Center and attended by more than 150 federal, state, local and nonprofit partners at the Southbridge Hotel and Conference Center in Southbridge, Mass.

Congregation Tifereth Israel in Winthrop received a grant for \$56,942.

“Protecting our Commonwealth means protecting the organizations that are the pillars of our communities. We are commit-

ted to ensuring that these nonprofits and houses of worship are protected and that everyone can feel safe when they gather and worship,” said Governor Charlie Baker.

“Faith-based organizations provide important opportunities for people to worship, gather and connect with their faith and their community,” said Lt. Governor Karyn Polito. “Protecting these institutions from threats ensures that residents of every creed have a safe, dedicated space to engage in the life of their community.”

The funds are made available through the Department of Homeland Security (DHS) Nonprofit Security Grant Program (NSGP). In Massachusetts, these funds are managed by the Office of Grants and Research (OGR), a state agency that is part of the Executive Office of Public Safety and Security (EOPSS).

The grants were awarded through a competitive application process to 37 nonprofits that were determined to be at high risk of a terror attack or hate crime.

“These grants ensure that nonprofit institutions where community members gather have the resources that they need to improve security. Ensuring the right to gather safely and to practice faith without fear is fundamental to our public safety goals,” said Secretary of Public Safety and Security Terrence Reidy.

“Gathering places such as houses of worship have unique security needs. The grants awarded through this program will help the recipients increase the security of their facilities while continuing to provide the open and welcoming gathering places their communities rely on,” said OGR Executive Director Kevin Stanton.

Eric Reidister, liason from Senator Lydia Edwards’ Office, presented a citation to Winthrop Loves Trees on October 8 for their dedication to improving and beautifying the environment in Winthrop: Gus, of WLT, Town Manager Tony Marino, Police Chief Delehanty, Representative Jeff Turco, Harbormaster Arthur Hickey, Paul O’Donnell, Tree Warden, Russ Sanford, of WLT, Maureen MacAdams, of WLT, Betsy Reuder Glynn, of the Winthrop Foundation, Hugh Mattison, of WLT, Eric Reidister, of Senator Lydia Edwards’ Office, and WLT President Joanne Hillman

Also known as Tree Winthrop, WLT/GROW (Gardener Residents of Winthrop) proposed a cohesive, long-term plan for greening the town that was supported by Tree Warden Paul O’Donnell and embraced by Town Manager Tony Marino and DPW Director Steve Calla. With the Foundation’s \$70,400 grant, WLT will undertake a complete tree inventory, plant dozens of trees and greenery throughout the town, and expand its volunteer-based “Adopt-a-Tree” watering program. “We have many citizens interested in the program already, and are confident that it will only grow in numbers,” said WLT board President Joanne Hillman.

WLT/ GROW planted a native species pollinator

garden at the E.B. Newton School and enlisted many volunteers to water this garden. Tree planting and the Adopt-A-Tree watering program began in September, with five Wild Fire Black Gum Tupelos, two Ivory Silk Lilacs, and three October Splendor Red Maples planted at the Town landing. Volunteers watered the new trees daily to ensure that they’d winter over well. In spring 2023, trees including Cop-per Beach, Sugar Maple, American Tulip trees, crab apple trees, and birches will be planted at the E.B. Newton and Ingleside Park.

Winthrop can be proud to have such a committed group of citizens stewarding the land and helping ensure a greener, healthier future for its residents. To

learn more about WLT/ GROW or to become an Adopt-A-Tree volunteer, email joanneshillman@gmail.com or visit the Tree Winthrop - Winthrop Loves Trees and GROW Facebook page.

Since its founding, the Winthrop Foundation has provided nearly \$400,000 in grants to local projects that strengthen our town. Board members include Chairman Russ Sanford, Clerk Vinny Crossman, Treasurer Brian Leslie, and directors Christine D’Ambrosio, Terrence Delehanty, Vasili Mallios and Gus Martucci. Grant recipients have included Mi-Amore; CASA; Hometown Health Heroes; Little League; WHS Robotics Club; WHS Trades Scholarships; Youth Cheer; and many more.

Tree Winthrop - Winthrop Loves Trees, Inc. and GROW includes President Joanne Hillman, Treasurer Denny Mahoney, Clerk Mikayla Dalton, and Directors Cindi Luppi, Maureen McAdams, Frank Costantino and Michael Herbert. WLT members also include Hugh Mattison, Betty Peabody and David Pfeiffer. The project was endorsed and approved by Tree Warden Paul O’Donnell and Tracey Honan, Town Councilwoman; Harbormaster Hickey was on board with plantings at the Town landing which were approved by Douglas Cameron, Director / Chief Engineer Dept of Fish and Game Office of Fishing and Boating Access.

Amore 3,295 to 2,611.

Incumbent Congresswoman Katherine Clark was returned to office with the backing of Winthrop voters.

Democratic Governor’s Councilor Terrence Kennedy and State Senator Lydia Edwards were both unopposed on the ballot, as was State Representative Jeff Turco.

“I want to thank the people of Winthrop and Revere for once again giving me the honor of representing them in the Massa-

chusetts House,” said Rep. Turco. “It is an honor of a lifetime. I want to thank my wife, Melissa and my children, for their love, support and sacrifices that they give me every day as I work to advocate for and represent the people of the 19th Suffolk District.”

“I am honored to continue to serve,” said Sen. Edwards. “I can’t wait to start my first full term and will be making rounds to listen and learn before filing legislation next year. We have major projects

and infrastructure to tackle, including the Sumner Tunnel, Suffolk Downs, and a connector haul road that impacts the region. I look forward to bringing us together to get a lot done.”

Democratic incumbents in Suffolk County, District Attorney Kevin Hayden and Sheriff Steven Tompkins, also faced no challenges and were returned to office.

The two closest contests in Winthrop were for two controversial ballot questions.

Winthrop voters narrowly voted down Question 1, the so-called millionaires tax which would earmark money for education and infrastructure. Voters cast 3,251 no votes compared to 3,152 yes votes.

Question 4, which would do away with citizenship requirements for driver’s licenses, was likewise narrowly defeated by Winthrop voters, with 3,249 no votes to 3,126 yes votes.

community health needs assessment survey, during which a third of respondents indicated that cost and insurance coverage were the primary barriers to access for those seeking mental health care. Approximately one in four respondents also indicated the availability of providers and the wait time to see a provider as barriers as well.

"With this funding, the Winthrop Department of Public Health and Clinical Services will work to change current policies, systems and environmental factors that create obstacles for youth to access mental health care. The challenges of stigma, mistrust and resource distribution contribute to health inequities and

increase opposition when trying to connect youth to behavioral health resources, especially in our most vulnerable populations. In addition, a lack of providers is creating long wait lists for clinical services," Hurley said. "We will work to build a youth-focused system of care where young people can receive clinical and case management services regardless of insurance. We plan to create a network of providers and work together to advocate against the systematic failures in our insurance structure that create extreme barriers to service for our most vulnerable youth. Lastly, the WDPH&CS will partner with CASA to implement a youth lead social norms

campaign around the importance of seeking help when needed as a way to combat stigma."

The Massachusetts Community Health and Healthy Aging Funds were created in January 2017 when the Department of Public Health (DPH) completed a landmark revision of its Determination of Need (DoN) regulation, which authorized the creation of these Funds. DPH provides overall guidance to the Funds and Health Resources in Action, Inc. acts as a trustee and implementing partner. The Massachusetts Executive Office of Elder Affairs (EOEA) partners with DPH to support the Healthy Aging Fund.

pect may have intended to crash the truck into a synagogue.

“Sgt. Bettano exhibited an immense amount of courage and bravery during this tragic incident, and I am proud of his dedication to keeping Winthrop safe,” said Chief Delehanty. “When faced with a dangerous threat he acted both professionally and heroically to neutralize a threat to our community. I am proud of Sgt. Bettano for his quick thinking, bravery, and ability to remain calm un-

der immense pressure. His actions unquestionably saved lives.”

The Medal of Honor is awarded to officers who demonstrate actions above and beyond the call of duty, exhibiting extraordinary bravery and courage, while disregarding the potential for danger or great risk to themselves during the course of an individual incident.

Retired state Trooper David Green, one of the bystanders killed during the incident, was also recognized posthumously for

his bravery in leaving the safety of his home and attempting to provide aid following the crash.

The Hanna Awards, which have been held annually since 1983, have become a symbol of prestige within both the law enforcement community and the Commonwealth as a whole. It is an opportunity to publicly recognize the bravery of members of the law enforcement community who put their lives on the line by dedicating themselves to safety throughout Massachusetts.

## OUR Opinions

### REMEMBER TO THANK OUR VETERANS

This Friday, November 11, marks the national holiday of Veterans Day, a day marked by solemnity and reverence to honor those who have served in our nation's military.

Veteran's Day initially was known as Armistice Day when it was enacted in 1919 in observance of the end of World War I (which at that time was known as The Great War) on the 11th hour of the 11th day of the 11th month in 1918.

A new film on Netflix, All Quiet on the Western Front, a remake of the classic 1930s film based on the book of the same name, graphically depicts the futility of that conflict in which the front lines of the opposing sides became entrenched (literally) from the start of the war to the end.

The only thing that changed during the course of the conflict that began in 1914 was the number of deaths that grew with each passing year of the war. Eventually, 10 million soldiers and another 10 million civilians perished in a war that was fought for nothing and achieved nothing.

The most notable aspect of the carnage of the so-called "war to end all wars," from the perspective of history, is that it laid the groundwork for WWII just 20 years later by imposing such onerous terms upon the defeated Germans that it provided fertile ground for the rise of Adolf Hitler.

Hitler invaded Poland on September 1, 1939, and the world again became enmeshed in a global conflagration that made the first world war seem like a mere practice run for the mass annihilation that took place from 1939-45.

Even after that epic second world war, America has been involved in countless bloody conflicts in the 77 years since General Douglas MacArthur accepted the Japanese surrender on the Battleship USS Missouri and millions of our fellow Americans have fought in our nation's numerous wars and military engagements since then.

Unfortunately, "Peace is at hand" has been nothing but a meaningless slogan for most of the past 103 years.

Armistice Day officially became known as Veterans Day in 1954 so as to include those who served in WWII and the Korean War. All of our many veterans since then also have become part of the annual observance to express our nation's appreciation to the men and women who bravely have answered the call of duty to ensure that the freedoms we enjoy as Americans have been preserved against the many challenges we have overcome.

Although Veterans Day, as with all of our other national holidays, unfortunately has become commercialized, we urge our readers to take a moment, even if just quietly by ourselves, to contemplate the debt we owe to the veterans of all of our wars and to be grateful to them for allowing us to live freely in the greatest nation on earth.

If nothing else, Veterans Day should remind us that freedom isn't free and that maintaining our freedom since our nation's founding has required the personal sacrifice of the millions of our fellow Americans who have placed their lives on the line to preserve our ideals and our way of life.

### WAY TO GEAUX, BRIAN KELLY!

We just wanted to drop a note to offer our congratulations to Everett native and former Chelsea resident Brian Kelly, the new football coach at Louisiana State University, for the gutsy call he made in overtime to defeat Alabama Saturday evening in one of the most exciting college football games in many years.

Alabama scored a touchdown and kicked the extra point to start the overtime period, but LSU responded immediately with a touchdown of its own.

But rather than kick the extra point and continue into another overtime, Kelly decided to have his team go for the two-point conversion -- a win-it-or-lose-it proposition.

LSU made the conversion, thus defeating mighty Alabama for LSU's first home victory against the Crimson Tide since 2010 and possibly setting up LSU for a shot at qualifying for the national championship, despite a slow start to their season, if they can win their remaining games.

Brian Kelly was well-known in Chelsea as a youth. His father served on the Board of Aldermen and Brian and his siblings attended the local elementary schools and played in Little League. He graduated from St. John's Prep in Danvers and then played football at Assumption College before embarking on a coaching career of almost 40 years that took him from small college programs in the midwest to Cincinnati, Notre Dame, and now LSU.

We know we'll be joining with college football fans throughout the Greater Boston area who will be cheering on the Tigers because of our local coaching connection.

Geaux Tigers!

### LETTER to the Editor

**DID YOU VOTE FOR THIS?**

**Dear Editor,**

The July 25, 2022 ScarpTec Engineering Report, (Appendix J – Rock Engineering Design and Recommendations for the Northeast Metro Regional Vocational Technical High School Project), tells us that students, faculty and visitors will be looking at and contending with a 365' long, 35' high sloped rock cliff along the back of the new proposed school.

At the base, will be a 12 foot wide ditch in front of the cliff that is supposed to catch all the falling rocks and ice, and protect the roadway. Site Access Restrictions & Safety Protocols recommend Security Fences and Signage so people are warned about fall hazards and excluded from the slope and crest areas.

To accomplish this, it will be part of the long-term blasting plan and is only part of the \$40 million dollars that the Northeast Building Committee approved to destroy the forest and make way for the new school. When asked regarding the blasting, Michael Mallet from the Gilbane Building Company, informed us that the blasting will take about 6 months to clear the area. I later asked Mr. Mallet, just as he was preparing to leave, What about the destruction of the forest and his response was "I do not get involved with the politics of a project, I am hired to build a building and told were to build it."

In the report, Scartec Engineering states " that they do not rule out the possibility that falling rocks could continue even after construction." Vehicles should not be parked up against the slope or directly adjacent to the

proposed catchment ditch. This is directly where the roadway will be located for student bus travel and used as an exit from the school.

All of this destruction could be avoided and millions of dollars could be saved if the new Vocational school were built on one of the other two buildings sites available – C-2 where the existing football and baseball field's are located now. Both are in desperate need of a facelift due to lack of regular maintenance.

This is not what the taxpayers of Wakefield and the other communities in the district expected, when they voted in January for funding a new Northeast Metro Tech School. It is time to tell them again to change the school location and Save the Forest, that was the original plan 1934 when the property was transferred to the MDC in 1934 and was intended to be preserved for future generations. In 1965 when this section of Breakheart Reservation property was sold to the Northeast Vocational School, times were different and part of the land parcel was developed to make way for the new school. Times have changed, and the need to Save rather than Destroy a forest are greater now than they have ever been in the history of this town, this country, and the world.

As an added note in case the Northeast Building Committee forgot to mention: a recent measurement of the trees in a one acre area that are 5" or greater in diameter including Pine, Hickory and Mature Oaks was 170 trees. With at least 12 acres being destroyed the total comes out to well over 2,000 trees that will gone forever.

**CHRISTMAS TREES FOR TROOPS!**

**Dear Editor,**

Do you have a neighbor, brother, sister, uncle, cousin, or friend serving overseas with the United States Military. My elves and I at Winthrop's American Legion Post 146 would like to send them a holiday box of cheer from Winthrop Mass, complete with a Christmas tree, lights, decorations, garlands, home made cookies, cranberry sauce, brownies, candy, Santa Claus hats, candy canes etc. Email me their address along with a little info, hometown, age, branch of service, location

..... and I'll send them a box filled with support, good thoughts and lots of love and big smiles. I don't have to know them and they don't even have to be from Winthrop, just that 'you know' they'd like to receive one of these boxes. What does it cost? Nothing! It's "FREE"!

Email me the info at: rdhonan@comcast.net

2022 marks twenty years of sending thousands of letters and over twenty two tons of care packages to our servicemen and women serving overseas with the United States Military.

## ART 976 - COTTAGE PARK HOTEL – ESTABLISHED 1880

Of all the fifty-six hotels, inns and resort establishments that have operated in Winthrop from 1880 to date under no less than 75 different names, the largest and most luxurious was the Cottage Park Hotel complex located on Bartlett Road and Bartlett Parkway. We have received numerous requests for more information on this resort hotel and therefore have prepared a mini series of Then and Now articles that will be devoted to describing first its establishment in 1880, then its expansion to its final configuration in the late 1890's and finally the many amenities it had to offer its cliental in the early 1900's. This article begins with the 1850 construction of the first home in this area for Charles W. Bart-

lett at about 175 Bartlett Road where William Francis Bartlett, his son, was raised. For those who are unaware, General William Francis Bartlett was severely wounded during the Civil War, lost a leg in action but returned to duty and led his troops into battle with a wooden leg only to be captured and incarcerated as a prisoner of war. He was one of the most prominent veterans of the Civil War and a statue of him stands in the Massachusetts State House. When discharged, he married the young lady that had nursed him back to health, Agnes Pomeroy of Pittsfield and, after the war, they toured Europe as ambassadors of President Johnson. Picture #1 shows this home as it appeared in the mid 1850s. About

1880, additions were made by Orlando Belcher to expand it into the Cottage Park Hotel shown in picture #2. From 1883 until 1902, passengers from Boston were transported by ferry boat to a terminal located on a pier where the Cottage Park Yacht Club is now located as shown in picture #3. This pier was at the end of Orlando Avenue, just one block from Bartlett Road, where the Cottage Park Hotel complex was located. Looking up what would later become Cottage Park Road, picture #4 depicts the beginning of the hotel complex. The next Then and Now article will describe the further expansion of the hotel to its final configuration of about 1895.

Speaker of the House Robert A. DeLeo scored an impressive victory over challenger Paul Caruccio in the election for Winthrop's state representative seat Tuesday. DeLeo won in all six precincts by a commanding 3-1 margin, recording 6,414 votes to 2,176 for Caruccio. DeLeo also carried Revere 5,028 to 1,113. State Sen. Anthony Petrucelli easily defeated Thomas J. Dooley III while Winthrop residents gave a 157-vote edge to Elizabeth Warren, 4,521-4,364, over U.S. Senator Scott Brown on the way to Warren's statewide victory. President Barack Obama received 5,211 votes in Winthrop to 3,575 for Republican candidate Mitt Romney. Congressman Edward J. Markey won re-election in the district while receiving 6,404 votes in Winthrop.

Santa Claus, Elmo, and Lucky Bob will kick-off the holiday season in Winthrop Center on the day after Thanksgiving. There's lots of fun in store for the whole family as the Chamber of Commerce puts on its 21st annual Holiday Lighting Festival from 3:00-6:00 p.m. November 23 in French Square.

There will be a Veterans Day service at 11:00 a.m. in front of the Winthrop Town Hall on Sunday, November 11. The principal speaker will be Richard Gay, US Army-Vietnam.

The town named the Department of Public Works Building on Kennedy Drive the Richard D. Dimes Public Services Facility at a well-attended dedication ceremony Saturday morning. Dimes has been one of Winthrop's longest-serving public officials and worked in various positions in town government. His efforts were instrumental in the

construction of the DPW facility.

Skyfall, Wreck It Ralph, and Lincoln are playing at the Revere Showcase Cinemas.

The town has reached an agreement for a new health insurance contract for town employees with Blue Cross and Blue Shield which will increase the rate the town is paying by 20 percent, but which is far less than the 81 percent hike the town had been facing with its previous insurer, Bay State, which merged with Blue Cross earlier this year. State Rep. Robert DeLeo arranged the contract talks meeting for the town with Blue Cross officials.

Veterans Day was observed with traditional

ceremonies on the Town Hall lawn last Wednesday.

The selectmen have ordered Muffin Town to quell the noise of its refrigeration trucks which are causing a disturbance to nearby residents at all hours of the night.

A scholarship fund has been started in the memory of Mrs. Mary Ann Vaccaro, a teacher in the Winthrop schools for 27 years, who passed away at her home in Medford after a long battle with cancer. She had taught at the Chase and Dalrymple Schools. She was 51.

The Rotary Club will hold its annual Pancake Jamboree at Winthrop High School on Sunday, November 22. Tickets are \$3.00 and will benefit Rotary's Winthrop High School scholarship fund.

better if we all said thank you and please as often as possible. Amazingly many people don't know how to say thank you, or please.

If someone does anything for you say thank you. Even if they haven't necessarily done it for you but are helping others then say thank you. Thank your community leaders, teachers, politicians, clergy, this media source, family, friends and anyone who is somehow positively impacting your life.

Teaching our kids to say thank you and to say it often is well worth our time for us and them.

Here are some thank you notes from Reader's Digest, RD.com June 2022

About 15 years ago, we purchased a dining set from an older couple after seeing their ad. When we went to pick it up, it was apparent to me that the lady was having a hard time seeing it go, although it hadn't been used for many years. On Thanksgiving, I set the table, took a picture, and sent it to her, saying we were thankful to be enjoying the beautiful set. She sent a note back that read, it looks like it was meant to be. It really has helped me, seeing it happy. Thank you from my heart. —Diane Ensch, Mansfield, Texas

As a volunteer, I recorded several audiobooks for the blind. I received a braille card that said thanks

for my work. Fortunately, the sender also enclosed a reading chart for the braille words. It took me 90 minutes to figure out what the card said. It reminded me of how blessed I am and how much I can keep giving. —Yen Chou, Taipei, Taiwan

My coworker sent me this heartwarming e-mail after I was laid off: Thank you for giving me a chance way back when. This position got me off state assistance, paid for my car, and has blessed me and my son in so many ways. You have been an amazing mentor and friend, Mike. The best! I've learned so much and not just about pest control. To speak up for myself. To be less emotional when things go wrong. To have patience with myself and others. Thank you for being so incredibly patient with me and my thousands of questions and mistakes! It has helped my confidence in so many ways. Thank you! Thank you! It was humbling for me to know that I had that kind of impact on someone's life by just being myself, doing my job. —Michael Shearing, Port Angeles, Washington.

After I had worked as a mail carrier for 30 years, it was time to retire. I put a note in each of my 436 customers' mailboxes, thanking them for allowing me to serve them over the years. I never expected that on my last day so many would hang

balloons on the boxes and put out so many beautiful thank-yous. I hope I delivered all the mail properly that day, as there were tears of gratitude filling my eyes. —Kay Scott, Bucyrus, Ohio

I was gram's favorite, and she was mine. She passed away in September 2016, at 100½—she always said you earned the "half" when you got to be her age. To my surprise, I received a card in the mail that my sweet grandma had tucked away for my aunt to send after she passed. It read, Melis, thank you for all the nice things you did for me. Remember, this is the year you'll meet your man. Be cool and play it safe. Don't screw it up. Be careful. I'll be watching you. All my love, Gram.—Melissa Wegman, Cincinnati, Ohio

# OBITUARIES

## Elizabeth Sawyer

Retired Real Estate Broker

Elizabeth A. (Betty Trites) Sawyer, 93, died on November 4 at Glenridge Nursing Home in Medford.

The widow of Franklin W. Sawyer who died on March 7, 2019, she was the daughter of the late Agnes (Buchanan) and William Trites, Sr. and was born at home in Revere on August 27, 1929.

After graduating from Revere High School, she began working for the former Suburban Gas Company. It was there that she met her late husband and they were married August 6, 1955. The couple built their home in Winthrop and raised their children at that home on Villa Avenue. She had been a member of the former St. John the Evangelist Catholic Church in Winthrop.

Betty obtained her real estate and broker's license later in life, selling homes in Winthrop and Revere. She also babysat her grandchildren regularly. Along with her husband, she enjoyed spending time at their summer home in Center Ossipee, NH. She frequently took Adult Night Education Classes at Winthrop High School, including Millinery and Cake Decorating being among her favorites.

Betty is survived by her daughters, Kathleen Kligge, Diane Videtto and her husband, John, all of New Hampshire and

Nancy Doucette and her husband, Michael of Massachusetts; six grandchildren: Stephanie Kligge of Pennsylvania, Kenneth Kligge of Virginia, Jennifer (Videtto) Bell and her husband, Christopher of New Hampshire, Joseph Videtto and his wife, Jamie Carolyn of Massachusetts, Nicole Doucette and her fiancé, Michael Resweber of Rhode Island and Michael (Max) Doucette, Jr. of North Carolina; one great-grandson, Riley Bell; her sister, Muriel Dunn, brother, Thomas and his wife, Gerry and many nieces and nephews. In addition to her husband and parents, she was preceded in death by a sister, Thelma Leonard, four brothers: William, Jr., Charles, James, and Francis Trites.

A Funeral Mass was celebrated on November 4 at 11:30 a.m. in St. Michael the Archangel Church-Winthrop. Burial took place in the Belle Isle Section of Winthrop Cemetery.

For those desiring, donations in Betty's Memory are preferred to be made Care Dimensions, 75 Sylvan St., Suite B-102, Danvers, MA 01923.

## Anne Ley

Retired secretary

Anne (Koban) Ley from Union, NJ passed away on November 5 after 99 years on earth.

Born in Bayonne, NJ to Frank and Eudokia Koban, she spent the final years of her life in the care and company of her niece, Andrea in Winthrop.

She was married to the late John Ley for 50 years. They enjoyed many vacations, family gatherings, dinners out, trips to discount stores and the occasional glass of bubbly.

Ever the most organized person in the room, Anne worked as a secretary for years at Kodak, Western Electric and Lucent. Known for her immaculate house and terrible cooking, Anne enjoyed being around people and hearing a good joke. She had a large collection of pennies that he collected on her daily walks. She had a full life and will be missed by her family.

She is survived by her nieces: Andrea Warmbold,

Doreen Jones and Gretchen Black and her nephews, Michael Koban, Douglas Koban, Stuart Koban and Michael Kip Koban. She will be joining her siblings in heaven: Michael Koban, Paul Koban and Helen Nygaard. She will be remembered by her many grandnieces and grandnephews. Gracie, her loyal canine companion, will be lost without her.

Funeral arrangements are from the Maurice W. Kirby Funeral Home 210 Winthrop St., Winthrop.

## Jean Taylor Stimolo

Above all else, she valued and adored her family

Jean Taylor Stimolo, 75, of Branford, CT died peacefully on Sunday, October 30 surrounded by her family after a courageous battle with dementia.

Jean was born on May 6, 1947 in New York City, the daughter of Jack and Dorothy Taylor. She grew up in Windsor Locks, CT and attended UCONN in Storrs, CT where she graduated with a Bachelor's Degree in economics. She was a fierce and loving mother to her daughters, Carin and Leigh Stimolo.

Jean was most proud of the work she did as Executive Director of Rideworks in New Haven, a nonprofit that promoted ridesharing, telecommuting, and public transit services for commuters. Her career in city planning spanned 30 years, as she worked with government officials and private companies to expand commuting and telecommuting options for employees.

Outside of work Jean was an avid adventurer. She loved exploring new places, whether travelling locally or abroad with her family. She loved the outdoors, especially the beach. Growing up camping and spending summers on Cape Cod gave her an appreciation for nature that she passed on to her family. Swimming, sailing, hiking, yoga – she was always active. She even spent some time flying small planes as she clocked hours towards a pilot's license. Jean was a vivacious and caring person who made all feel welcome. She made friends wherever she went with her

infectious smile, gift of gab and general excitement for life.

Above all else, Jean valued and adored her family. She was never far from "her girls" and was a source of endless hugs, play, and laughter. She was a constant fixture at her grandchildren's events and loved sharing stories of their accomplishments. She leaves behind her daughters and their families, Carin Stimolo and Jason Osburn, and their children, Jack and Stella Osburn of Winthrop and Leigh Stimolo and Kevin Labbe and their son, Devan Labbe of Revere.

She will be remembered by her family as a forward thinker, a successful leader, and a loyal advocate. She was always able to see the glass half full as she spread love and laughter wherever she went.

Family and friends are cordially invited to attend the visitation from the Caggiano-O'Maley-Frazier Funeral Home, Winthrop today, Thursday, November 10 from 5 to p.m. followed by a funeral service in the funeral home at 7 p.m.

To sign the online guestbook, go to [www.caggianoofuneralhome.com](http://www.caggianoofuneralhome.com)

The vandalized sign at Winthrop Beach.

## Middleton man charged in vandalism of DCR sign

By Adam Swift

A Middleton man is facing charges for vandalizing a DCR Winthrop Beach sign at least three times over the past several months.

The vandalism included vulgarities aimed at President Joe Biden written in black marker.

An investigation by local and State Police led to charges of tagging property and malicious destruction of property under \$1,200 against Mark Evans, 61, of Middleton being filed last week.

At last week's Town Council meeting, State Police Lt. Donald Bossi, commander of the Revere barracks, addressed the vandalism and the investigation.

"We've had a lot of emails and complaints about the defamation of the DCR sign at the beginning of the beach, and we are lucky enough here tonight to have ... State Trooper Lt. Bossi give an update on that situation," said Council President James Letterie.

Bossi said he wanted to update the town and the council on the investigation, as well as address some emails he said questioned the investigation and the incidents of vandalism.

Bossi said he and Winthrop Police Chief Terence Delehanty were first made aware of the vandalism after the second or third instance.

"The first two times, DCR addressed it and fixed the vandalism, it was the third time that it happened following that they let us know that it happened," said Bossi. "Following that, we began an investigation. Without getting into the specifics of the investigation we identified a person

by sight, and ultimately, it took us a little while longer to get a positive identification on him."

The man, later identified as Evans, was taken to the Revere barracks where he was interviewed and later admitted to all the acts of vandalism, according to Bossi.

"I don't have an explanation for why he did it, he did not expand on why he did it, but he did take full responsibility for each and every occasion," said Bossi.

Bossi went on to address several emails about what the police were doing to address the issue beforehand.

"I'm sure that Chief Delehanty would agree with me that as part of a criminal investigation, we tend to keep things close to the vest," said Bossi. "I've been on the State Police for 30 years, and I spent 20 years of that as a fire and explosions investigator, and generally, the only people I brief when an investigation is going on are my superiors. Even in incidents of local things, I'll talk to the local police chief or local detective, but ask that it doesn't go any further than that."

He stressed that there was an active investigation underway, and also praised the relationship between his barracks and the Winthrop police.

"If there are any issues with the DCR state properties, or even within the town itself, I am always available," said Bossi.

Letterie thanked Bossi for the update, and said he would also like to see a DCR representative appear before the council at a future meeting to address issues regarding beach accessibility.

The selectmen may call for a Special Town Meeting to address the issue raised by a legal ruling by Town Counsel Fred Fisher that has declared that the Town Meeting’s vote in March to change the method of electing selectmen may be illegal. Town Meeting members approved an article that would stagger the terms of the selectmen, so that one will be elected each year for a three-year term, instead of the present system of all three members being elected every year. Town Meeting had voted to implement a system so that the top vote-getter in the next election would receive a three-year term, the next a two-year term, and the third a one-year term. However, Fisher said that state law requires a separate ballot for each of the three, two, and one year offices.

## WHS football team upset by Cardinal Spellman, 21-8, in MIAA playoffs

By Cary Shuman

The Winthrop High football team was ousted from the MIAA Division 6 playoffs by Cardinal Spellman, 21-8, in a first-round game played Friday night at Miller Field.

The No. 13 seed Cardinals were able to contain the No. 4 seed Vikings' powerful running game while Cardinal Spellman senior QB Jack Duffy threw three touchdown passes, all while scrambling amidst a heavy pass rush. All three scoring passes were caught inside the end zone.

Sophomore Nick Cappuccio scored Winthrop's only touchdown on a 53-yard run in the second quarter. Cappuccio's two-point conversion gave Winthrop an 8-7 lead that it carried into the break.

Duffy's two TD passes to receiver Jay Comeau in the third and fourth quarters were the difference in the second half.

"He [Duffy] was one of the better overall athletes that we faced all year," credited Winthrop head coach Jon Cadigan. "He's a great football player and a guy who could make the end zone."

OH SO CLOSE: Nick Cappuccio (20) gets a fingertip on the ball but Spellman's Jay Comeau came down with it in the end zone on the first play of the fourth quarter to give the Cardinals a 20-8 lead.

SCENES FROM WINTHROP VS. CARDINAL SPELLMAN AT THE MIAA DIVISION 6 TOURNAMENT

LUMBAR SUPPORT: Welvis Acosta has a grip on a tailbone pad worn by Cardinal Spellman quarterback Jack Duffy, using the leverage to force an off-balance pass that fell incomplete.

ELUSIVE TARGET: Cardinal Spellman quarterback Jack Duffy (2) looks for running room as Welvis Acosta gives chase. Duffy was a problem all night as he threw three touchdown passes to lead Spellman to a 21-8 victory that knocked the 4th-seeded Vikings out of the MIAA Division 6 football tournament Friday night at Miller Field.

YOU CAN'T DO THAT: Demetri Koutsouflakis (25) tries to avoid Spellman receiver D'Anthony Amado as the ball arrives but earlier contact in the end zone already had drawn a penalty flag for pass interference.

VIKING FLEET: Allesio Marcoccio (51) and Welvis Acosta provide an escort for running back Nick Cappuccio.

ALMOST: The ball is just out of reach for Nick Cappuccio as he is defended by Spellman's Brian Gallagher.

LONG REACH: Spellman's Luke McSharry stretches and gets hold of Winthrop's Matt Noonan (6).

WHEN IT'S NOT YOUR NIGHT: On a fourth down play from the Winthrop six yard line, the Viking defense chased Spellman quarterback Jack Duffy to the 30-yard line from where he heaved a pass that overshot intended target Kristian Simpson (11, defended by Winthrop's Nick Cappuccio, 20), but the ball fell into the hands of Spellman's Luke McSharry to give the Cardinal's a 6-0 lead in the second quarter.

GREAT EFFORT: Shown above, down 21-8 in the fourth quarter the Vikings went all out to block a punt, but Spellman punter Nick Duffy got the kick off in front of Demetri Koutsouflakis (25), Philip Boncore (50) and Vasili Tsiotos (53)

MIDFIELD ADVANCE: Shown to the right, Mark Johnson snags a pass near midfield.

WHS SPORTS *Through the Years*

**10 years ago  
November 8, 2012**  
The Winthrop High football team made sure its senior class would enjoy a fond farewell at Miller Field, taking control early against Triton and racing to a 40-14 victory over the visitors Friday night. Winthrop's 12 seniors were honored in pre-game ceremonies. Not long after that the Vikings were on their way to a 28-0 halftime lead. Jordan Corbett-Frank earned Boston Herald "Star of the Week"

Honors for 123 yards rushing, two touchdowns, and a two-point conversion. Corbett-Frank showed his speed on a 66-yard touchdown run. Quarterback Dylan Driscoll rushed for a score and had a 21-yard touchdown pass to David Capone. Reese Turransky and David Gallo also scored touchdowns. Gallo and fellow senior Bo Diaz each had interceptions.  
Head coach Tracey Martucci and the WHS girls soccer team saw their

run in the MIAA State Tournament come to an end Tuesday with a 2-0 loss to St. Mary's of Lynn. However, the Winthrop girls can be proud of their season, especially the seniors who wore the Viking uniform proudly for the past few years. The Lady Vikings won two tourney games in convincing fashion to advance to the quarterfinal round and showed that they were one of the top teams in Division 3 this season.

Football // CONTINUED FROM PAGE 9

plays."  
Cadigan felt his team played below the level of its regular-season performances that saw the Vikings earn a high seed for the playoffs.  
"We picked a pretty bad time to play our worst game of the year," said Cadigan. "I know our players and coaches were disappointed. That's playoff football – you can't expect to just show up and beat somebody, even though you're the higher seed. It really came down to their best players made plays and our best players didn't."  
Sophomore quarterback Matthew Noonan made the first start of his varsity career in place of his brother, Robert Noonan, who injured his knee in the game against Saugus.  
"I was certainly proud of the way Matthew played," said Cadigan. "I thought he played very well in his first start and made some throws when he needed to. He had a big, fourth-down pass to Mark Johnson late in the game to keep a drive alive."  
Evan Rockefeller made a strong debut at linebacker for the Vikings. "I was very happy that he was on the field and he played as well as you would expect from someone who hadn't played in a long time," lauded Cadigan.  
**Spellman coach Jaquan Johnson on his team's defensive strategy**  
After leaving his team's jubilant, post-game huddle,

Spellman head coach Jaquan Johnson talked about his team's "physical" week of practice and the well-executed defensive strategy that his team employed against the Vikings.  
"We came in with a nice physical week of practice," said Johnson. "We were focused. We watched a lot more film that we usually have done all year and we came out and we executed a game plan offensively and defensively."  
One of the major keys to the Cardinals' victory was stopping the Vikings' formidable ground game in which Welvis Acosta, Nick Cappuccio, Demetri Koutsouflakis, and George Galuris had flourished during the regular season.  
"One of the biggest things today was following No. 8 [Acosta] and we had him in the backfield, and we didn't let him get loose," said Johnson. "We thought he was their best player, and that he led us to the ball if he was blocking or he had the ball in his hands, we were attacking."  
Johnson knew his team faced a monumental challenge against the Vikings.  
"We were big underdogs, but we knew we were ready," said Johnson. "We knew that we had changed the physicality of this team after what happened (Johnson took over the team following the resignation of the previous head coach) during

the middle of the season. We went full pads all week and we executed. I'm very proud of my team. We had great respect for Winthrop. They're a strong team and well-coached. Their offensive line made their blocks. We just knew that if we could see the plays and see the formations, that we could take away what their strengths were on each play."  
**Marcoccio receives defensive player of the game award**  
Junior defensive lineman Allesio Marcoccio was named the Vikings' defensive player of the game for the second week in a row.  
Marcoccio was also the team's highest rated blocker on the offensive line. "Alessio had himself a pretty good ballgame," said Coach Cadigan.  
**An old rival comes to Winthrop**  
Winthrop will host Swampscott today (Thursday at 6:30 p.m.) at Miller Field.  
"I'm excited about the matchup," said Cadigan. "Obviously we'd like to still be in the playoffs, but I'm very happy with the game with Swampscott."  
The Vikings will conclude their season on Thanksgiving versus Revere at Miller Field.  
"Playing two of our bigger rivals on back-to-back weeks, we can really finish the season off the right way," said Cadigan.

NEWS FROM AROUND THE REGION

**CHELSEA RECEIVES GRANT**  
CHELSEA - The city received some good news in its efforts to revitalize Broadway and the downtown.

Chelsea was recently notified that it is receiving a \$4 million grant from the state's MassWorks Infrastructure Program to help finance a major infrastructure program on Broadway from City Hall to Williams Street, according to Alexander Train, the city's housing and community development director.

The money will help upgrade water, sewer, drainage, and fiber optics infrastructure along the important stretch of Broadway, and will dovetail with the \$5 million the City Council has previously appropriated for the reconstruction of the street.

"It will improve water and sewer services for the business owners and residents on Broadway," said Train. "Up to this point, due to inflation and rising costs, it has been a challenge to find funding for the project."

Train thanked Governor Charlie Baker and his administration for working with the city to help secure the funding through the grant and taking the project one step closer to being a reality.

"Chelsea City Council appropriated \$5 million in construction funding for this project, demonstrating the City's commitment to infrastructure modernization in the downtown," said Train. "This funding, combined with MassWorks and other sources, will allow the City to realize this project."

Currently, Train said the plan is to finish the design of the project and put it out to bid in the winter of 2023 with a construction start date in early 2024.

The city was also recently awarded a \$100,000 grant from the MassDevelopment Underutilized Properties Program to help advance design and architectural plans for the conversion of the former Salvation Army building at 440 Broadway into a mixed-use development with 28 affordable housing units and retail space on the

first floor.

The project is being developed by the Traggorth Company and will feature retail space on the first floor. That space will be used by the non-profit Hispanic American Institute to develop small retail food areas where local businesses can sell their projects.

Train said the project serves a number of needs, including the city's commitment to providing more affordable housing, and creating a space for small, local businesses.

Train also noted that the retail space will work well in conjunction with teaching kitchens currently being proposed by nonprofits such as La Colaborativa and GreenRoots.

The groundbreaking for the 440 Broadway project could take place by the end of 2023, Train said.

**McGONAGLE PRESENTS DONATION TO PTH**

EVERETT - State Representative Joe McGonagle, on behalf of the Friendly Sons of Saint Patrick, recently presented a check for \$6,000 to Deb Fallon and Lori Laviolette from Portal To Hope (PTH) at Everett City Hall.

The money was donated to PTH to help continue the organization's work in providing programs and services to help victims of domestic violence, sexual assault and stalking crimes heal and recover.

"I'm happy to see Portal To Hope receive this well-deserved donation as they continue their mission of one day ending domestic violence, sexual assault, stalking crimes and the stigma that often surrounds it," said Mayor Carlo DeMaria. "They do tremendous work, and I hope this helps them keep on serving people who are victims of domestic violence."

Portal To Hope is a community-based non-profit organization that is committed to working with local civic groups, hospitals, law enforcement, religious organizations, and government officials and agencies to ending domestic violence, stalking crimes and sexual assault. It serves Massachusetts communities in Everett,

**ROOFTOP DECK CAUSES ISSUES**

EAST BOSTON - During the monthly Gove Street Citizens Association (GSCA) meeting on Monday, Oct. 24, attendees were presented with a proposal to add a roof deck to a recently renovated three-family building at 229 Maverick Street - the catch? The roof deck has already been built.

Attorney Deric Small cited that the roof deck - which was built without the proper permits - was built due to a miscommunication between the developer and contractor.

Small, who represents the developer, explained that during the development at 229 Maverick Street, the developer also had an ongoing project at 92 Bennington Street that involved roof decks.

"When the 92 Bennington Street project was approved with its roof decks, there was communication with the contractor that the roof deck was approved, but it wasn't very clear as to which roof deck the developer was referring to," said Small.

"They ended up building a roof deck here at 229 [Maverick Street] on a conversation that was approved, but it was misunderstood that the developer

was referring to the project at 92 Bennington Street."

This project was actually presented to the GSCA in the Spring of 2021 and was struck down by a vote of 7-6 to make matters more interesting. Furthermore, there were no updates to the project's design since it was voted on in the spring of 2021.

"The only difference is the buildings beside were not developed yet," said Small.

When the presentation was opened to questions, some attendees were confused about how something like this could happen, considering the developer's experience.

A member of the development team, Meggan Ayers, was present at the meeting and has been in development for about four years. She also works with her father, who has about 35 years of experience in development. Ayers stated that in the past, the developers had done work at places like 231 Maverick Street and 96 Cottage Street, among others.

The information regarding previous projects prompted GSCA Board Member Chen Cao to ponder, "Maybe it is just my naivety around this - it seems like the developer has lots of experience kind of going through the process of, you know, requesting or developing in the neighborhood, so I was kind of curious how the deck was constructed or was it just purely a miscommunication."

Both Small and Ayers reiterated that it was a simple misunderstanding that caused the erection of the roof deck.

"I was trying to run these projects simultaneously - clearly made a rather large error in doing so, and so this was purely a miscommunication just saying in excitement, 'yep, we are all set the deck has been approved; go ahead' because in my mind I'm thinking about 92 Bennington not thinking about 229 [Maverick Street], so that was on me," said Ayers. Although it may seem

improbable that an error like this could happen, Ayers did emphasize that the roof deck was involved in the initial planning, and efforts were made to go through the proper process to build it legally before the accident.

As for the future of the roof deck, the proposal will have to go through the Zoning Board of Appeals for approval.

"At the end of the day, if the Zoning Board of Appeals says no, then Derri [Small] knows that the developer will have to bring this down," said East Boston Liaison Nathalia Benitez.

Not only will the proposal have to go through the Zoning Board of Appeals, but it will also be put up for a GSCA vote. However, that vote did not occur at Monday's meeting due to a GSCA guideline that there must be at least two meetings on a subject before a vote takes place.

THE 14TH WINTHROP HIGH SCHOOL ATHLETIC HALL OF FAME DINNER

The 1992-1993 WHS Girls basketball Championship Team with Head Coach Ron Spinney, Manager Peg Bailey. The 25-1 the NE Conference Champions, as well as the Division 3 North and Eastern Mass Champions.

Photos & story by Al Terminiello Jr.

Last Saturday evening WHS alumni from an assortment of graduating years gathered at the Winthrop Lodge of Elks to recognize the accomplishments of Vikings of all sports and generations. Special recognition is also paid to alumni for exceptional service as well.

The evening began with a buffet dinner catered by Chef Patsy Cimino owner of the Meat Market, allowing plenty of time for enjoying a great dinner and chit chat to catch-up on old times with family and friends. Thanks to the hard work and dedica-

tion of the WHS Athletic Hall of Fame Committee, screening nominees and making the tough decision on who is accepted and who is left for another time. Master and Mistress of Ceremony for the event was Robert DeGregorio and Peg Bailey.

The event was a great success, a capacity crowd filled the Winthrop Elks Main Hall, everyone stayed to honor those inducted after their own presentation, which says a lot. It was good to see everyone gathered together and enjoying a common goal and to celebrate their personal best.

Catering by the Meat Market made the evening complete, shown are Sandro Cimino, Vasilika Dishani, and Chef Patsy Cimino.

# Bridges Homeward named new Children’s Trust Healthy Families Massachusetts provider

Staff Report

The Children’s Trust, the state’s child abuse prevention agency, announced last week that Bridges Homeward was awarded the 2022-2028 contract to oversee the Healthy Families Massachusetts program for Chelsea, East Boston, Revere, Winthrop, and Charlestown.

The Children’s Trust’s Healthy Families Massachusetts program is a home-based family support and coaching program that supports young, first-time parents and helps them create stable, nurturing environments for their children, reducing

incidents of abuse and neglect. The program matches parents with trained professionals who visit families’ homes to provide support during pregnancy and the child’s first three years of life. Home visitors teach parents about proper baby care, promote nurturing and attachment, practice effective parenting skills, and ensure parents have a solid understanding of healthy child development. They also counsel parents on achieving personal goals such as going back to school or securing a job.

“Bridges Homeward is committed to our mission to prevent child abuse and neglect by making sure parents have the support

and resources they need to build nurturing, stable homes for their children,” said Sarita Rogers, Deputy Director of Programs for the Children’s Trust. “The evidence is clear that in most cases, child abuse is preventable when we help families build resiliency so that they can weather stressful situations. We can’t always prevent families from facing challenging times, but we can give them the tools to help them get through it.”

A study from Tufts University found that participating in Healthy Families Massachusetts led to a 36% decrease in parenting stress, a risk factor for child abuse and neglect. The longitudinal Tufts

evaluation also found that involvement in the program led to lowering parents’ risky behaviors such as drug and alcohol abuse, reducing homelessness and dependence on cash assistance, and increasing parents’ employment and educational attainment which helps the economic stability of the family.

“Bridges Homeward is honored and excited to offer the Healthy Families program to young parents in Chelsea, East Boston, Revere, Winthrop, and Charlestown,” said Executive Director Bob Gittens. “For many years Bridges Homeward has supported children and families across Greater Boston by providing them with the

support and resources that help them thrive and be successful. We are very much looking forward to working with the families in these communities, and our partners, to help them reach their full potential and build strong communities.”

The Children’s Trust develops programs and influences public policies by building Protective Factors that support the overall well-being of children and their families. Developed by the Center for the Study of Social Policy, the Protective Factors framework is a research-driven approach that identifies five key conditions which must be in place to support the optimal well-being of

children and families. Protective Factors serve as buffers that help families cope, achieve, and thrive, even during times of stress. The five Protective Factors are: parental resilience, knowledge of parenting and child development, social connections, concrete support in times of need, and social and emotional development of children.

Healthy Families Massachusetts is currently accepting new first-time parents ages 23 years old and under. Parents can enroll in the program beginning in pregnancy. To learn more, visit <http://healthy-familiesma.org/>.

# Cambridge Health Alliance named top hospital in Massachusetts for health equity

Cambridge Health Alliance (CHA), a community health system serving Cambridge, Somerville and Boston’s metro-north communities, has been ranked as the number one hospital in Massachusetts (with an A grade) for Health Equity by the Lown Institute, a nonpartisan healthcare think tank.

The Lown Institute Hospitals Index examined more than 3,600 hospitals using 54 metrics to evaluate equity, value and patient outcomes. This

included data-driven assessments of community benefit spending, pay equity, inclusivity, avoiding overuse, cost efficiency, clinical outcomes, patient safety, and patient satisfaction.

The Health Equity rankings look at the key domains of Pay Equity, Community Benefit and Inclusivity. This includes the difference in compensation of hospital executives compared to healthcare workers without advanced degrees, the

extent of hospital spending in community health, and the extent to which patients being served are demographically similar to those in the surrounding community. In addition to top honors for Health Equity, CHA earned A grades for “Inclusivity” (named the number two hospital in Massachusetts in this metric), “Social Responsibility,” “Community Benefit,” “Value of Care,” and “Avoiding Overuse.”

"Health equity is at the heart of our organizational

mission and is foundational to our vision of achieving equity and excellence for everyone, every time," said Assaad Sayah, MD, CEO of Cambridge Health Alliance. "This recognition validates that we are making a difference in the health of our patients and helping build a society where all our neighbors have access to outstanding health care, regardless of their backgrounds or needs."

Founded in 1973 by Nobel Peace Prize winner

Bernard Lown, MD, developer of the defibrillator and cardioverter, the Lown Institute believes that a radically better system of health is possible and generates bold ideas towards that goal. The Lown Hospitals Index, a signature project of the Institute, is the first ranking to assess the social responsibility of U.S. hospitals by applying measures never used before like racial inclusivity, avoidance of overuse, and pay equity.

The delayed vote caused a civilized discussion to turn confrontational, as Small was confused as to why this meeting does not count as the second, as there was a short presentation about it in July.

“It was not clear to the community that this roof deck was already built. That was something you said kind of absent-minded – it just was not clear, and that’s why we have been having these conversations over e-mail for a few months now,” said GSCA Board Member Neelesh Batra to Small.

“You know the issues at hand. You already know them, so don’t come to me now and ask why this is happening; you know why it is happening,” Batra added.

However, Small did mention that the roof deck was already built back in the July meeting – which Batra acknowledged. In July, Small also showed some of the same photographs he did at Monday’s meeting.

Overall the situation has been sticky, to say the least, and none more sticky than for the unit owner Scott Von Stein who pleaded with attendees to think before they eventually vote.

“I’m a first-time home buyer. When I bought this place, I had no idea this was even an issue. I assumed that everything was right – my lawyer agreed to the sale and never brought this up as an issue,” said Von Stein.

Von Stein indicated that if the roof deck is not approved, he will have to seek litigation to make sure the developer foots the bill if it were to be removed.

“If this isn’t approved, this is really going to financially damage me, so I am just kind of asking from a human perspective to kind of keep that in mind – an actual human being lives here that has no association with the developer whatsoever,” said Von Stein.

“When people vote on this, I am just asking please keep that in mind.”

### BOARD OF HEALTH HOLDS MEETING

REVERE - The Revere Board of Health held its regular monthly meeting on October 27, in the City Council Chambers.

The chairperson, Dr. Drew Bunker, and fellow members Dr. Craig Costanza and Nezha Louadi were on hand for the

meeting, as well as Lauren Buck, the Director of Public Health; Michael Wells, the Health Agent/Director of Inspectional Services; and Paula Sepulveda, the board’s Administrative Assistant.

The board took the first step toward promulgating updated biosafety regulations, a move necessitated by the anticipated life sciences buildings that will be located in the Suffolk Downs develop.m.ent, with an initial review of draft regulations that had been put together by Buck and Claire Inzerillo, a Policy Writer & Analyst with the City Solicitor’s office.

Ms. Inzerillo, who made an excellent and thorough presentation of the proposed regulations over the course of the next 30 minutes, told the board that the draft regulations were based on similar regulations in Peabody, Beverly, Boston, and Cambridge, which have hosted life sciences industry facilities for a number of years.

Some of the other aspects of the new regulations highlighted by Inzerillo were:

- Revere will continue to prohibit animal testing and allow only Level 1 and 2 biosafety facilities, which

are the least-dangerous (as opposed to Level 3 and 4 facilities);

- The new regulations specifically will exempt clinical and professional healthcare service facilities, pharmacies, and high school labs;
- Inzerillo explained that the definition of regulated biological agents is derived from the federal regulations and noted that there is a significant overlap of most local and state regulations with the federal regulations;
- Regarding the issue of institutional governance, each company will be responsible for establishing a committee that oversees compliance with local, state, and federal regulations, and the committee must include a representative from the local Health Department and a local community resident who is an expert on biosafety. Inzerillo emphasized that the life sciences industry has previous experience with the requirements of regulations such as these because they are federally-mandated; and
- The Board of Health will have to determine the fees for permit applications and annual renewals, as well as fines for violations.

Wells added that there should be mandatory inspections by the city twice per year.

Finally, Inzerillo noted that HYM, the developer of Suffolk Downs, has agreed both to the prohibition on animal testing and the restriction on tenants in its life sciences buildings to those who will operate only Level 1 and 2 biosafety laboratories.

The board’s next step in the process will be to hold a public hearing on the proposed regulations at its next meeting

Prior to the discussion on the new biosafety regulations, Buck presented her monthly communicable disease report. She told the board that there were six confirmed cases of influenza in October, with the patients ranging in age from three to 80, which she said is typical.

“However,” said Buck, “we expect these numbers to rise in the coming months. It is important that everyone gets a flu shot.”

She also said there were two confirmed cases of Legionnaires Disease in the city and that Ebola has arisen again in Africa. Though there have been no confirmed Ebola cases in the U.S., federal authorities

are taking precautions for U.S.-bound travelers from Uganda.

As for COVID, Buck said that both the daily average and the positivity rate have shown slight decreases in October compared to September.

Inspectional Services Dept. (ISD) Director Wells presented the ISD’s statistics for the month which included: the issuance of 96 certificates of fitness for occupancy, 19 reinspections for certificates of fitness; 23 interior complaints that were submitted; seven interior complaint reinspections; two pool inspections; two lodging house inspections; 48 food inspections, including the Revere school cafeterias; two food complaint inspections; and five pre-opening inspections for new establishments.

The ISD issued 472 citations for violations of the city’s trash ordinance, three citations for improper signage on public property, 13 citations for improper storage of garbage and trash, 13 citations for junk car keeps/improper storage of automobiles, one for a rodent complaint, and 13 citations for violating the city’s overgrowth regulations.

# USS Constitution Museum hosts free public events to celebrate Veterans Day

Staff Report

The USS Constitution Museum will honor veterans with a “Salute to Veterans”—a ticketed breakfast to celebrate the 247th birthday of the U.S. Marine Corps and free public programming on November 11, 2022, in the Charlestown Navy Yard.

The day will begin with a ticketed breakfast at the Museum following Morning Colors in front of “Old Ironsides” on Pier 1. The breakfast features remarks from Major General Charles L. Hudson, USMC (Ret.), who will draw upon his experiences over a distinguished thirty-five-year career leading logistics planning and operations for the Marine Corps on land and sea to reflect upon the importance of solid leadership during turbulent times. General Hudson will also discuss the value of the leadership traits and principles learned as a Marine, as well as what we can learn from his recent experience assisting U.S. Government Security Co-

operation and Institutional Capacity Building efforts in Saudi Arabia, Jordan, Kuwait, and Mexico.

The annual breakfast also honors the memory of LT. William S. Bush, the first U.S. Marine Corps officer to die in the War of 1812 aboard USS Constitution.

The Museum will also provide a special welcome for veteran visitors throughout the day, featuring a special veterans-only tour of the Ship and inviting military families to visit with free admission.

Veterans who register in advance and participate in the tour will also receive a U.S. flag flown on board “Old Ironsides” as a special gift from the Museum.

Additionally, the public will have the chance to thank a member of our military community directly. Over the weekend, the Museum will host a write-a-thon to send personalized thanks to veterans, active-duty service members, and their families. This Veterans Day write-a-thon is part of a year-long initiative of the Museum to collect “50,000 Letters of Gratitude” for the military community. Anne Grimes Rand, President and CEO of the USS Constitution Museum, explains, “We believe that the simple art of letter-writing to express gratitude can tremendously impact lives. This act of kindness recognizes the important contribution of those who serve, while demonstrating a valuable skill to younger generations.”

Finally, the day’s events will cater to families, as the public is invited to enjoy a free round of USS Constitution mini golf in the Charlestown Navy Yard! This outdoor course, themed by key moments in the Ship’s history, is back by popular demand for the last time this season after its introduction at the recent Birthday Block Party. We will also have free snacks and treats while supplies last! For complete details on the day’s activities, visit [usscm.org/events/veterans-day-2022](https://usscm.org/events/veterans-day-2022).
